The Verse Fateha (The opening)

It is difficult for Your praise and it is hidden Your virtue in all
You are visible there in all and You are there in everything
For every particle, you are created from the beginning to end
You are Sustainer of all not in this world, but in another world
You are Lord of the worlds and you are forgiver of the worlds
You are kind to all and Your kind favor is there for all persons
Those who are pious then You are merciful to such persons
Your special favour is there for them and You are kind to them
You are the owner, everyone settle deeds on judgment day
In your hands is a penalty and a prize and you are the owner
All our worships are for Your sake, oh Lord of the two worlds
All slaves belong to you from the origin, if he is big or small
For all our needs you are essential and Your personality is kind
You give all one who calls you as You are a kind helper to all
Guide us such right path now, on which path who went away
With Your graces and all passed away on such path indeed
But there will be no such way never, which is ignored by You
So who lost and misguided on such way due to your anger
This is the prayer of your slave and its is request of your lowest
Accept the prayer of Sahwi as you are an owner of two worlds

Preface

In this book translation of episodes from Urdu language are added from the old books of Hyderabad. These episodes have been taken from the old books of Deccan (South India) and in which there are available some great achievements of the Sufi saints of Deccan, which are not yet known to the public are added in this book and which are available in a very interesting style so for this reason the readers will find great interest and attention in this matter.

Due to the above facts and details, if the readers will starts reading its first page of the book and will not stop reading till they will reach this book’s last page as some interesting events and as well as other great miracles and endeavours of holy saints are added in this book and these holy saints were passed away from the world many centuries years ago.
Even though this is a small book but due to its importance it is so great due to the coverage of many interesting events and positive information so it is like an ocean of knowledge and information of holy saints who were passed away from the world upon doing their great endeavours and many hard tasks for the preaching and propagation work of Islam in the foreign lands so this book is a small one but it will present the ocean of knowledge for the guidance of people towards the right path of Islam.

In the beginning of this book the translator’s brief biography is added for the reader’s information and reference.

To write about these great pious personalities of the Deccan (South India) area is not only it is difficult but it is very hard task as they did many great endeavours by writing Islamic books as well as for the preaching and propagation work of Islam in Hyderabad and around Hyderabad region and there were no such personalities during their time.

In this book the first episode of Hadrat Khaja Bande Nawaz Gesu Daraz of Gulberga is added and his brief introduction is as follows.

To write about this great Sufi saint and great author is not only it is difficult and but it is very hard task as Khaja Sahib was not only a great pious personality of his time in the area of the Deccan (South India) but he was also a great author of so many great books so in brief he was Qu’tub (highest cadre in spiritual pivot at axis) of his time in the Deccan region. For a long time he was engaged in religious discourses, sermons, and spiritual training of the people and he did also many great endeavours for the preaching and propagation work of Islam in Deccan and around this region and there was no such personality during his time.

In this book there are available brief biographies of holy Sufi saints and one episode about Hadrat Tipu Sultan and one episode about Queen Hyat Bakshi Begum of Golconda Kingdom and one episode the album of Bider is added in it. The readers will find interest in reading this book
due to the positive information and great details of some Sufi saints who had arrived in Hyderabad in the olden days when there was no light of Islamic religion was available at that time in Hyderabad and around Hyderabad region.

This book is edited and formatted as per the great book ‘Muslim saints and Mystics’ in English version (Tadhkirtal Auliya by Farid al Din Attar) which is very famous in the Western world among the English knowing persons. So for this reason there will be some small differences in it while comparing with the Urdu books and its literature. The aim of this book is to present in the Western world where there is great search and demand of the books of Sufism and biographies of holy saints who lived and spent their entire lives for the preaching and propagation of Islamic religion in all corners of the world as per tradition and practice of Allah’s last prophet.

Kindly note, I have added episodes in this book and these episodes have already been published on many international websites and these episodes are very famous and popular among its readers due to their importance for the coverage of the details of events and information therein.

Farid Al- din Attar is considered one of the preeminent mystical poets of the Persian Literary tradition. The duration of his life is uncertain, though he can be placed in the 12th and 13th centuries, born in Nishapur in what is today Iran. Attar apparently was a pharmacist, but little information about his personal life is known. During his lifetime he is believed to have written approximately 9 books, including such famous works as the Manteq Al- Tayr (the conference of the birds) and the Ilahi- Nama (the book of god). Muslim Saints and Mystics is an abridgement, translated by A. J. Arberry, of Attar's only known prose work: Tadhkirat Al- Auliya (the memorial of the saints), which he worked on throughout much of his life and which was available publicly before his death. In what is considered the most compelling entry in this book, Attar relates the story of the execution of Hallaj, the mystic who had uttered the words “I am the truth” in a state of ecstatic contemplation. ‘Tadhkiratal-Auliya’ by Farid-AL-Din Attar

Introduction.

Farid Al-din Attar is considered one of the preeminent mystical poets of the Persian literary tradition. The duration of his life is uncertain, though he can be placed in the 12th and 13th centuries C.E. born in Nishapur in what is today Iran. An abridgement, translated by A.J. Arberry, of Attar's only known prose work Tadhkirat Al-Auliya (The Memorial of the Saints) which he worked on throughout much of his life and which was available publicly before his death. Arberry's translation is an abridgement. The entry on Owaise of Qarani translated by me which was omitted in Arberry's text is added to the above web site. In Tadhkiratal-Auliya Sheikh Farid-Al-Din Attar wrote many chapters and in those chapters there is full information and details of the titles are available. His style of writing is most interesting and for this reason the readers will remember the chapters from the above great book for a longer time.

Due to many great chapters this book is very famous in the world and translations are available in many languages of the world. Mr. David Rosenbaum’s email message about the publication of the episode ‘Owaise of Qarani’ on the website www.omphaloskepsis.com of U.S.A.

Episodes from the Tadhkirat al-Awliya of Farid al-Din Attar

Is already released and its selling price is RM 35.00 per copy and which can be had directly from Malaysia from the below address.
Farid al-Din Attar was a Persian poet and Sufi mystic. Living during a turbulent era of political uncertainty, he turned inwards, exploring the realm of God and the paths to Him through mystical poetry. Little about Attar is known with certainty. His name (literally, 'Perfume of Roses') indicates that, like his father, he was a druggist and followed the calling of a medical man. Supposedly reliable Persian sources vary in the year of his death by a span of 41 years. One reason for this uncertainty is that, unlike other Islamic poets, he did not write flattering panegyrics about his own life and greatness. This is to his personal credit, but unfortunate for the historian. We are certain only of the fact that he was born in Nishapur in north-eastern Persia; he passed 13 years of his youth in Mashad, and spent much of his life collecting poetries of other Sufi mystics.

My three poems

Please find my 3 poems which are as follows and these are well known and famous since my college days and which were already published in the A.U. College Magazine of Hyderabad and now I have added these Poems in this book.

The Taj Mahal
In the darkness of night
I visited the tomb of white
Full beautiful in the glorious moon light
Shah Jahan’s love and Mumtaz’s beauty
Making fun of today’s love and poverty
No-one leaves without feelings of beauty
After seeing the Taj Mahal’s majesty
The Taj was reminding me the duty of love
And showing the king’s power of love
Even today in the darkness of strife
The Taj is preaching a lesson of love and life.

By Mohammed Abdul Hafeez, B. Com.

----------------------------------------

In Thy memory
Her death day came with the fragrance of loving memories
Which shaken the depth of our saddest loving memories
Even the seasonal changes and other worldly affairs
Could not diminish away her saddest loving memories
Due to the saddest grief, our souls are broken
We are worldly losers and our hearts are broken
Oh : her saddest memories you must not die
Guide us to cover the deliverances of the world
Oh : the heavenly Lord takes Thou care of this beloved soul
Who never faced any worldly peace and pleasure.

By Mohammed Abdul Hafeez, B. Com.

----------------------------------------

The Dim flame
When the flame of her life was going to dim
No one of us not there to say goodbye
It is how painful for our whole lives
That we cannot see her at death time
Death is sure for every human beings
But how her strange death was indeed?
Her loving relatives were far from her
And they cannot reach for the last visit
We should believe in the heavenly Lord
Who made our vast and great human land
Sure she has gained a position in the grave land
So, We should not worry Allah is great and known.
By Mohammed Abdul Hafeez, B. Com.

The author wept too much at the Qazipet graveyard.

The author upon his return from his service of the foreign country visited Qazipet after a gap of many years the grave of his grandfather and grandmother at Qazipet recently in the month of May 2014. When he visited the grave of his grandfather, which is under a big Neem tree and its shed is spread over large areas of the graveyard and my grandmother’s grave is situated beside the grave of my grandfather. Both graves are well maintained so are available in the good condition.

As the both graves are under the big old Neem tree so there is too much shade as well as so much cold and peaceful atmosphere and comfort is available there. So an atmosphere of peace and comfort is available there too much due to the coolness of the branches of Neem tree which is prevailing in the graveyard. For this reason an atmosphere of coolness and peaceful condition is there and due to this reason there will be thinking arise in the mind of the author that both of them living in the peaceful condition.

However the author wept too much there because his grandfather who was administrator of the shrine of Qazipet for many years and his grandmother who lived in Qazipet village for many years and she did many endeavour there and she helped many needy women and children there so now both of them are buried in the graveyard of Qazipet shrine and nobody is not there in the village to visit them from their lineage but many unknown visitors are visiting their graves there and the author have personally seen many flowers on the graves which were placed by those unknown persons.

Connection of the author’s family members with Kazipet.

When my grand dad Sheikh Dadan reached Kazipet Jagir on his transfer from another place and he was attracted by the teachings of Sufi Center at Kazipet Jagir during the period of Hazrat Syed Shah Sarwar Biabani Radi Allahu anhu the successor and son of great Sufi
master Hazrat Syed Shah Afzal Biabani Radi Allahu anhu. When my grand dad became his disciple and he left immediately the following things. 1. He left his superior job in the police department. 2. He left his native place of Medak. 3. He left his big house in Medak.

Due to the kindness and favour of Hazrat Syed Shah Ghulam Biabani Radi Allahu anhu my granddad had got the job of estate administrator of Dargah Sharif and a plot of land of 1000 yards from the centre of Kazipet village. On this plot my granddad had constructed a big house (Gulshan Manzil) on 500 yards and one big garden on 500 yards.

I enjoy doing translation of Sufi works and my translated first episode are available with the following publication note of Mr. David Rosenbaum of New York Times which is available on the above mentioned famous U.S.A. website.

At Kazipet Jagir my dad Mohammed Afzal and my brother Mohammed Abdus Samad and Me Mohammed Abdul Hafeez and my sister Meher Unisa were born there. In Kazipet my
father married to Akthar Begum, daughter of Mr. Abdul Majeed of Bidar district who was working at that time in the education department as an education officer. After many years of service at Kazipet Dargah Sharif (shrine) with great fame and good name my granddad passed away and upon his death our big house was deserted as all members of our family migrated to Hyderabad and some other places but my grand mom stayed in the big lonely house with her maidservant as she never think to leave the place of his great Sufi master. Upon living many years there she had been shifted to Hyderabad when she became ill due to the fracture of her foot but due to her great love for the great Sufi Center at Kazipet upon her death we had taken her dead body to Kazipet from Hyderabad and she was buried at the back side of the tomb of her Murshid (spiritual master) Syed Shah Sarwar Biabani. R. A.

During the 1986 I had tried my best to re-settle my family members from Hyderabad to Kazipet Jagir but I was not successful in this matter as my son's (Mohammed Abdul Wasi Rabbani) application for admission in St. Gabriel school Fatima Nagar was not accepted there due to late submission. We are staying in Hyderabad with our family members but we never miss any chance to visit the holy shrine of Hazrat Syed Shah Afzal Biabani R. A. and Hazrat Syed Shah Sarwar Biabani R.A. at Kazipet Jagir on regular basis.

An event of the theft during the service of period of my grandfather at Qazipet shrine

During the period of Syed Shah Ghulam Afzal Biyabani this event was happening. At that time there was a grant of Rupees fifty towards the salaries of the staff of Noban Khana (the place from where time is announced by the beat of the drum) in which there were some staff members used to work there and it was headed by the supervisor. By the government of H.E.H. The Nizam of Hyderabad there was every month the royal grant which was used to reach to the custodian of the Qazipet shrine through the supervisor from the government treasury. From there it will reach to the administrator of the estate and who will used to distribute the amount of salaries to all concerned staff.

As per reference by Tufazal Hussain advocate that one month the supervisor of Nobat Khana who was obtained the amount of Rupees fifty towards the salaries from the Royal treasury office and he was fled to Hyderabad. But in the shrine building the staff members were waiting for him to receive their salaries from him and but at last they were able to know that the supervisor was fled from Qazipet and he was reached to Hyderabad.

At that time the custodian of the shrine of Qazipet was in Hyderabad. So the estate
administrator Sheikh Dadan was informed the details of this case to Tufazal Hussain advocate and this event was mentioned by Syed Khaja Sadat Hussain Biyabani in his Urdu book ‘Lemat Biyabani’ and he was mentioned the details of this event on the pages 110-111 of his book and he was requested to take action against the supervisor of the police department. In his reply Tufazal Hussain advocate wrote him that as the custodian of the shrine is present in Hyderabad and if we start action against him, so due to kindness if the culprit will be forgiven by him then it will be not proper in this matter to initiate the case against him. So it is better to take the approval of the action from the custodian of the shrine first so that it is proper to take further action in this matter.

It was learnt by me that the estate administrator Sheikh Dadan was sent the letters by the post to Hyderabad for the kind perusal of the shrine custodian there. The estate administrator Sheikh Dadan who is the grandfather of this translator and in whose memory this event was especially translated from the following book for the information of the readers of the International Internet Libraries in U.S.A. especially for the readers of these two websites as follows. www.calmeo.com and www.scribd.com

Upon this it was happened that supervisor of Nobat Khana after spending of the amount was reached to see the custodian and he told him all details in this matter and he requested him to forgive his mistake and he made loud and cry in this matter and he requested him to allow him to join back in his post. It was learnt later that the custodian of the shrine was kept the supervisor at his residence in Hyderabad for a period of three days. During that period the letters of the Estate Administrator and the advocate was reaching for him. Upon this he was given the travel expenses from Hyderabad to Qazipet to the supervisor of the Nobat Khana and was sent him from Hyderabad to Qazipet and he was given the instruction to the estate administrator which is as follows. “That the supervisor was presented in his service and he ashamed of his bad deed so he was forgiven his mistake in this matter. So you also forgive him and allow him to join on his duty. Otherwise, he is poor person having small children with him so they will become economically poor and will be destroyed in this matter. Arrange the salary of Nobat Khana staff members from another fund.”

So after some days the supervisor was coming back to Qazipet from Hyderabad and he was allowed to join in his post as per order the custodian of the shrine of Qazipet and the staff members of the Nobat Khana was paid their salaries from the other fund by the administrator of the estate.

1. The brief biography of Hadrat Khaja Bande Nawaz Gesu Daraz Gulberga
The political background.

During the early 20 years of the 14th century the Khilji kingdom of Delhi met its downfall but actually its downfall was started at the time when Sultan Alauddin Khilji was died and he was the greatest king and successful administrator and as well as he was a powerful ruler of the kingdom and during his period there was peace and security of the people was available in the kingdom. He tried hard for the following reforms and he was most successful in this matter: 1. Economic reforms. 2. Organization of state. 3. Corruption. 4. Price control of the essential commodities.

Due to the above reforms and facilities and which brought the general public in the best and comfortable situation. As per saying of Hazrat Nasiruddin Chirag Dehlavi that “The general persons of the kingdom were in a condition of great comfort and happiness.” In the year 1320 A.D. the ruler of Dabilpur Punjab’s governor Ghazi Khan proceeded towards Delhi and occupied it and declared himself as Sultan Ghyasuddin Tughlaq and after him and after five years during the year 1325 A.D. Sultan Mohammed Bin Tughlaq was crowned in the Delhi kingdom and the great historian Ziauddin wrote about him the following details in the history book of ‘Feroze Shahi Kings’ which are as follows. “Allah made his personality wonderful and strange in the mankind due to the following reason.” 1. Contrary to nature.

For the above reason the historian and learned persons could not able to understand about his above nature and his activities. He was a great learned person as well as genius sultan but he was taken many wrong and useless decisions which brought many bad and dangerous results in the kingdom and for these reasons the general persons have undergone many disastrous problems and difficulties during his ruling period.

In the year 1347 A.D. Alauddin Hasan Bahaman Shah who was Amir (governor) of Deccan (South India) and he declared his Bahmani kingdom in the Deccan (South India) and in this way the rule of Bahmani kingdom was started and he made the capital of his kingdom
as Gulberga. At that time in Delhi Mohammed Bin Tughlaq was died in the year 1351 A.D. and he was succeeded by Feroze Shah Tuglaq and this new sultan immediately after his crowning started arrangement of the collection of pardon letters from the families and persons who met the injustice and great difficulties by the former Sultan Mohammed Bin Tughlaq and put all those papers in the Sultan Mohammed Bin Tughlaq’s grave in Delhi. This shows the great injustice and problems done by the Sultan Mohammed Bin Tughlaq during his period of rule due to his wrong and controversial decisions and royal orders in the kingdom.

The religious background.

During the fourteen century there was started the preaching of the following knowledges by the Sufi saints and due to their endeavours and hard tasks there was great progress in this matter. 1. Basic teachings and practical knowledge of Islam. 2. Basic teachings and practical knowledge of Sufism.

Due to the above reason the Sufi Saints of Deccan (South India) were used to present the religion of Islam in such shape and format which is acceptable in the Indian Society and culture and so for this reason there were discussions at that time about Zaheri (outward) aspect of the Islamic religion and for this reason the teachings of this aspect were adopted by Sufi Saints for their propagation work of Islam to the general persons. For the above reason the following things were in progress. 1. Reading of books of Sufi Saints. 2. Explanation work of the Sufi Books. 3. Importance was given to the ethics. 4. Teaching of Arabic language. 5. The teaching of Hadith (traditions of Allah’s prophet). 6. Exegesis of Quran.

During the above century there was great interest in learning and religious study was begun due to reaching of the theory of ‘Unity of Existence’ of Sheikh Abkar Mohiuddin Ibn Arabi in India. There is also another information which is available that Fakher Uddin Iraqi who died in the year 1289 A.D. and who has also spread the above thoughts of Ibn Arabi in India. Till the crowning of Feroze Shah not only the books of Ibn Arabi were reached in India but there was progress of
discussions in this matter and also there was an explanation of his works. There were discussions of the above works in the letters of learned persons in India. Due to slogan (Nara) of ‘Anal Haq’ (‘I am the Truth’) there was Fatwa (a religious proclamation) of Feroze Shah for the death penalty. Due to giving much importance of Islamic law and Islamic Fiqah (Islamic Jurisprudence) and for this reason Ibn Arabi was becoming famous and well known as Abu Hanifa Thani.

Brief biography.

During the above period Hazrat Khaja Bande Nawaz Gesu Daraz was born on 4th Rajab 721 Hijri. In Delhi. Syed Muhammad Hussaini, commonly known as Hazrat Khaja Banda Nawaz Gesu Daraz, Shahbaz, Buland Pervaz, Muharram Razwa Niaz (July 13, 1321 -November 1, 1422), was a famous Sufi saint from India of the Chishti Order, who advocated understanding, tolerance and harmony among various religious groups. As per reference of Syed Ashraf Jahangir Samnani, Khaja Sahib belongs to Sadat (descendant of the prophet’s family) family of Khurasan and those Sadat family members were well known and famous as Gesu Daraz. Khaja Bande Nawaz Gesu Daraz was a murid (disciple) of the noted Sufi saint of Delhi, Hazrat Nasiruddin Chiragh Dehlavi. After the death of Chiragh Dehlavi, Gesu Daraz took on the mantle of the successor (Khalifa). When he moved to Daulatabad around 1398 A.D. owing to the attack of Timur on Delhi, he took the Chishti Order to South India. He finally settled down in Gulbarga, at the invitation of Bahaman Sultan, Taj ud-Din Firuz Shah. Banda Nawaz was born to Syed Muhammad Hussaini in Delhi in 1321 A.D. At the age of four, his family shifted to Daulatabad in Deccan (now in Maharashtra). In 1397 A.D. he went to Gulbarga, Deccan (presently in Karnataka) at the invitation of Sultan Taj ud-Din Firuz Shah.

At the age of fifteen, he returned to Delhi for his education and training by Nasiruddin Chiragh Dehlavi. He was also a very enthusiastic student of Hazrat Kethli, Hazrat Tajuddin Bahadur and Qazi Abdul Muqtadir. After teaching at various places such as Delhi, Mewath, Gwalior, Chander, Aircha, Chatra, Chanderi, Miandhar, Baroda, Khambayat and Gulbarga in 1397 A.D. and died in Gulbarga in the year November 1422
A.D. His name as well as patronymic was Abul-Fatah and Gesu Daraz was his title. Among the scholars and theologians he was Sheikh Abul-Fatah Sadruddin Muhammad Dehlavi but people called him Khaja Banda Nawaz Gesu Daraaz.

Khaja Sahib had a good nature of taking care and comfort of the other persons instead of himself and whatever presented to him by any person then he will use to distribute the same to other needy and poor persons immediately and for this reason his teacher Nasiruddin Chirag Dehlavi was awarded him the title as ‘Gesu daraz’. Sultan Muhammad bin Tughlaq once transferred his capital to Daulatabad (Devgiri) and along with Bande Bawaz went many scholars, theologians, and mystics. His parents also migrated to the place. He was four years old at the time and Malik-ul-Umar Hazrat Syed Ibrahim Mustafa, his maternal uncle, was the governor of Daulatabad. When Sultan Mohammed Bin Tughlaq was ordered for the shifting of his capital from Delhi to Doulatabad then Khaja Saheb came to Doulatabad along with his parents. His father Syed Yousuf Hussaini alias Raju Khattal died in the year 1330 A.D. After five years Khaja Saheb came back to Delhi along with his mother and brother.

In the year 1336 A.D. Khaja Saheb and his brother became disciples of Nasiruddin Chirag Dehlavi and Khaja Saheb got caliphate from him in the year 1336 Hijri and during this year Nasiruddin Chirag Dehlavi died on 18\textsuperscript{th} Ramazan. Three days after the death of his great master Nasiruddin Chirag Dehlavi, Khaja Saheb was became special caretaker of the shrine of Nasiruddin Chirag Dehlavi.

In Delhi.

On the death of his father his mother grew angry with his brother, and he returned to Delhi. He was fifteen years old at that time. He had heard a lot about Hazrat Nizamuddin Auliya and Hazrat Nasiruddin Roshan Chiragh Dehlavi from his father and maternal grandfather and so his devotion grow with them. One day he went to prayer in the Jama-Majid of Sultan Qutubuddin, there he saw Hazrat Sheikh Nasiruddin Mahmud Chiragh Dehlavi and pledged obedience to him in 16, Rajab.
Under the guidance of Hazrat Nasiruddin Chiragh Dehlavi he engaged himself in prayers and meditation and so much enjoyed them that lie forbade studies and requested his teacher to allow him to do so. Hazrat Nasiruddin denied him permission and instructed him to study with attention Usool-e-Bizoori, Risals Shamsia, Kashaf, Misbah so he restarted the studies under the guidance of renowned teachers.

Title Gesu-Daraaz.

One day Khaja Sahib with other disciples lifted the palanquin bearing Hazrat Nasiruddin. His long hair stuck into the foot of the palanquin (palki) and pained him severely but he did not disentangle them for love and respect to the teacher. When Hazrat Nasiruddin learned of the episode, he was overjoyed and recited the Persian couplet:

"Har ki murid Syed Gesu Daraaz shud Vallah khilaf-e-nest ki Uoo ishq baaz shud." ("Syed Gesu Daraaz has pledged his obedience; there is nothing wrong in it because he has deeply fallen in love.")

He thus gained the title "Gesu-Daraaz".

For a period of 40 years he was busy in Delhi for the preaching and teaching work of Islam. As per his mother’s instruction he was married at the age of 40 years. The details of his sons and daughters are mentioned as follows. 1. Two sons. 2. Three daughters. On 11th November 1398 A.D. he was migrated to Doulatabad from Delhi along with his family members and parents and at that time Khaja Sahib was 80 years old and from Bahdurpur, Gwalior, Bahandir, Chanderi, Baroda, Sultanpur, Khambait, Khaja Sahib and his family members reached to Doulatabad.

During the above long journey of many days many thousand his devotees welcomed and greeted him on his way in the above old Indian cities. As per records of history it is clear that Khaja Sahib was advised his disciples for his final resting place in Doulatabad near his father’s grave but due to the invitation of Sultan Feroze Shah Bahmani to visit Gulberga city so Khaja Sahib left from Doulatabad and reached Gulberga city. In the year 1400 A.D. he was arrived in the land of Gulberga. His shrine is located in the western side of the Gulberga fort.
in which he had spent some time there but due to some difference with the sultan he left that place and shifted to the present area where his tomb is situated.

Khaja Sahib was busy in Gulberga city for a period of 22 years in the preaching and teaching work as well writing of Islamic books and he was died on 16th Ziqad in the year 825 Hijri. He advised his disciples to bury him in the city of Khuldabad but due to some un-known reason he was buried in Gulberga city.

Works.

Khaja sahib authored many books so in this matter it is not confirmed how many books he has authored. As per history records he has written total 105 books. As per reference in book ‘Alkwaraq’ that he has written 125 books. In the book ‘Sair Mohammed’ it is mentioned 36 books and in the book of ‘Tariq Habibi’ 45 books are mentioned. He has written many books and in which he has discussed the following subjects in them. 1. Knowledge of exegesis of Quran. 2. Traditions of Allah’s last prophet. 3. Fiqah (Islamic Jurisprudence). 4. Kalam (speech). 5. Sufism. 6. Poetry.

Band Nawaz authored about 195 books in Arabic, Persian and Urdu. His magnum opus, Tafseer Multaqat, was compiled into one book very recently. He also composed a book on the Prophet of Islam titled ‘Miraj-al Ashiqin’ for the instruction of the masses in Deccani, a South Indian branch of the Urdu language. He was the first Sufi to use this vernacular which was elaborated upon by many other Sufi saints of South India in later centuries. He wrote many treatises on the works on Ibn Arabi and Suhrawardi, which made the works of these scholars accessible to Indian scholars and played a major role in influencing later mystical thought. Other books authored are ‘Qaseeda Amali’ and ‘Adaab-al-Mureedein.’

Books.
Tafseer-e-Qu'rane-e-Majeed
Multaqit
Havashi Kashaf
In addition to above subjects, he was much interested in the poetry and in which he has explained the subjects and matters of Irfani (intimate knowledge of Allah) and Natiya (encomium on the holy prophet).

Teachings. In his teaching there was much importance for the following.

His sayings.

“The disciple can observe Nazara (view) of Allah in the heart of his Peer (spiritual master) and the Peer can see him in the heart of his Murid (disciple) and about this relation Khaja Sahib has explained further details that the sun’s reflection is very clear in the water but such direct reflection on the wall is not available. So the Peer (spiritual master) is like water and the wall is like Murid (disciple) and if the wall is kept near the water then the sun’s reflection will be there on the wall due to the nearness of the water.” Khaja Sahib has given much importance to the following things.1. Tazkia Nafas (purification of mind). 2. Tawajha nam (attention). He explained Tazkia Nafas (purification of mind) can be had by the decrease of the following four things.1. Less eating.2. Less talking.3. Less sleeping. 4. Less contacts.
**Tawaja Nam** (attention) will be free everything from the heart which will belongs to Ghair Khuda (other than Allah). Khaja Saheb says *maraqaba* (meditation.) is the source of the knowledge and it is also source to reach towards the goal. He explained the literal meaning of *maraqaba* (meditation.) is like *sawari* (riding) on the camel to reach towards his friend. And its Istalahi (secondary) meaning is the presence of one person before his friend and to keep good hope of the meeting with his friend.

The theory of love.

The theory about the love of Allah is the basis of Khaja Sahib’s teachings. The further explanation on this matter is as follows. “The reason of creation (*takhliq*) and its secret is love and knowledge of Allah and If there will be no love then the sky will not revolve. If there will be no love then there will be no uproar in the rivers. If there will be no love then there will be no rain fall. If there will be no love then there will be no growth of verdew (*Sabza*). If there will be no love then there will be no large number of animals. If there will be no love then there will be no status of eloquence. If there will be no love then nobody will worship Allah. If there will be no love then nobody will watch the grace of Allah.”

The Urs (death anniversary).

The basis of the ceremony of Urs is taken from the Quran. There is one chapter number 19 in the name of Mariam in the holy Quran and its verse 15 is about prophet Yahiya (peace be upon) and its translation is as follows. “15. So Peace on him the day he was born, the day that he dies, and the day that he will be raised up to life (again)”

In the light of the above verse there is an importance of following three days.1. Birth.2. Death.3. Day of judgement. The Allah’s last prophet has arranged a charity (*Sadqa*) upon the death of his uncle Syedna Hamza on the following days. 1. 3rd day. 2. 7th day. 3. 40th day. 4. 6th month. 5. One year. Allah’s last prophet used to visit the graves of martyrs of Uhud mountain in Madina city every year and there he used to recite Fateha (Al-Fatiha the Opening verse of the holy Quran) and pray for
them. As per above mentioned verse and as per the above tradition of Allah’s last prophet it is proved that the following days are very important. So the ceremony of Urs (death anniversary) is also important for the above reason only. 1. Death. 2. Day of judgement.

Quotes.
If a Salik prays or meditates for fame, he is an atheist.
If one prays or meditates out of fear, he is a cheater and a hypocrite.
So long as a man disengages himself from all the worldly things, so he should not step into the road of misconduct.

Divide the night into three parts: in the first part say Darud and recitation; in the second part to have sleep and in the third part recitation the names of Allah and to be busy in meditation.

The Salik should be careful about the food and so it should be legitimate.
The Salik should be abstain from the company of the worldly people.

In Gulbarga City.

Having lived for over forty years in Delhi, he moved to Gulbarga at the age of around 76. Firoz Shah Bahmani ruled over the Deccan during this period. He gave him much respect. For a long time he was engaged in religious discourses, sermons, and spiritual training of the people.

Death.

Band Nawaz attained an age of 101 years, died on 16 Ziya'ad 825 Hijr in Gulbarga city and was buried there. His tomb is a place of Ziyaarat (visit).
Mausoleum.

As per history records it is well known and famous that the construction of Khaja Sahib’s mausoleum was started by Sultan Ahmed Shah Wali Bahmani and when the construction was completed his grandson Syed Khubullah Hussaini has arranged Jhela (flower bouquet) on the Kalas (spire pinnacle) of the mausoleum due to his joy and happiness on the occasion. By chance the Urs (death anniversary) was due after one month from the above occasion so it became a tradition in the shrine for the arrangement of the Jhela ceremony (flower bouquet) which will organize one month before the Urs (death anniversary). Khaja Sahib’s mausoleum in Gulberga city which is famous even today for the fulfilment of desires and wishes of the persons who visit his mausoleum there.

The Urs (death anniversary).
People from various walks of life, irrespective of caste and creed, assemble to celebrate the *Urs* (death anniversary) which takes place on the 15, 16 and 17 days of Zul-Qa`dah of Muslim calendar at the famous Band Nawaz shrine (Dargah) in Gulbarga every year. Several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings.

Conclusion.

To write about this great Sufi saint and great author is not only it is difficult and but it is very hard task as he was not only a great pious personality of his time in the area of the Deccan (South India) but he was also a great author of so many great books so in brief he was Qu’tub (highest cadre in spiritual pivot at axis) of his time in the Deccan region.

For a long time he was engaged in religious discourses, sermons, and spiritual training of the people and he did also many great endeavours for the preaching and propagation work of Islam in Deccan (South India) and around this region and there was no such personality during his time.

Life and Teachings of Hazrat Syed Mohammed Hussaini Gesu Daraz Bande Nawaz in Urdu By Dr. Syed Shah Gesu Daraz Qusru Hussaini published in ‘Siasat Urdu daily’ Hyderabad dated 2\textsuperscript{nd} October 2012.
2. Tipu Sultan.
This chapter only describes the death scene of Tipu Sultan, the tiger of Mysore. It does not cover his other great successes and war victories which he fought bravely against the British kingdom. The red flag on his tomb, over his grave in Srirangapatnam reminds everyone that the tiger’s life of one minute is better than the jackal’s life of 1000 years. The future generations will remember this great martyr, who is still living in the hearts of the people and will remain in their hearts always, as the martyr never die and remain alive always. It is said that there is a divine help and food available for them. Due to such greatness and martyrdom, daily great number of people are visiting his grand tomb to shed their tears and to pay respect and tribute to this great warrior of the world history.
Tipu Sultan reached the door of the Fort of Srirangapatnam with his bodyguards and troops on 4th May 1799 for the fourth Mysore war. Due to his appearance there was a great encouragement to his soldiers who were fighting inside of the north gate and outside of the fort walls. They attacked with great force on the army of the enemy. The Sultan got down from his horse and joined the first line of the military group. Immediately he was in the middle of many Mysorean military groups, safe and protected. The soldiers were fighting without the care of their lives. By this time the British army had occupied their positions on the fort walls. The firing from the upper side was causing difficulties to the soldiers of the Sultan who were fighting on the ground.

The officers who were treacherous were absent from duty on that front, but this was not a problem for the soldiers of Sultan because the leader of their respect and freedom was with them. They forgot that the enemy had finished his journey of weeks and months at the shortest possible time and they had entered Srirangapatnam due to the misdeeds of treacherous. So, it was not war but it was a treachery against the brave pillar of India, who stood against the colonial powers in India when all the local rulers had supported them. The soldiers of Sultan forgot that there was a rain of bullets on them and they also knew well that their great leader, who showed them the great way in their lives for freedom and respect, was at the door of the death. The sultan was wounded severely. The wounded soldiers of the Sultan were feeling happy with their wounds on their chests. They were watching the brave face of the
death. The blood of the Sultan was falling on the soil of Srirangapatnam. When the second bullet hit the Sultan there was weakness in the face of the tiger of Mysore, but he was still fighting bravely and many of his soldiers were also fighting with him without caring for their lives. In the trench there were a large number of dead bodies of the enemy. Thousands of British soldiers, who were wounded severally, were dying. The firing from two sides of the walls of the fort was very severe. Regarding the Mysorean soldiers, the number of death crossed thousands. When the condition of Sultan became very serious due to wounds, then his bodyguards told the Sultan, “His Highness; now there is no other way except to surrender ourselves to the enemy?”

The Sultan replied, “No, for me the tiger’s life of one-minute is better than the jackal’s life of 1000 years.”

After some time, the Sultan and his officers rode on their horses and the Mysorean soldiers followed them. But when they reached the northern gate of the Fort they saw that some of the positions were in the control of the British enemy. A large number of soldiers, children, older persons and women were trying hard to go out of the Fort, but the British were pushing them inside the Fort with their guns and were forcing them to go to the backside of the Fort. When they saw the Mysorean army coming towards the gate, they started firing them. The firing was also started from the walls of the Fort and a bullet hit the Sultan’s horse. It died on the spot. The Sultan fell on the ground and his turban also fell on the ground near him. But the Sultan was very brave, he tried and with great difficulty he was making himself stand when suddenly a bullet hit his chest. He fell on the ground again.

A British soldier tried to open the belt of his sword but the Sultan was still alive and he did not allow the soldier to take out the sword. It was an insult to the Sultan. He fought bravely and hit the soldier with his sword with his full force, but the soldier opposed to his gun. The Sultan’s sword hit the gun and it broke into two pieces. That soldier then raised his gun up, pointed it towards his head and made the fire. The sun of Mysore, who had shown the beautiful stages of freedom to the people of Mysore, had set. After three hours of sunset the British army captured
the city of Srirangapatnam and its Fort. The army of Hyderabad then entered the city under the command of Mir Alam. Inside the city, there were dead bodies of about 12 thousand soldiers in Mysorean army, but the success of the British and the Nizam’s army was incomplete, because they could not find the dead body of the great Tipu Sultan. They searched each and every corner and place of the palace. With the help of treacherous they searched the houses of the faithful soldiers and friends of the Sultan. The young prince was frightened. The wounded and helpless persons were asked about the Sultan. The soldiers of the Sultan who were on the different fronts were also asked about the body of the Sultan but they could not reply in this matter.

The soldiers who had seen their Sultan falling from the horse on the ground could not reply them correctly even though they were offered money and wealth. Some of the Sultan’s soldiers thought that the Sultan was alive and was under the pile of dead bodies. They waited for the proper time to take out the Sultan of it. Others thought that he was dead but they did not point his dead body so the enemy could not find his dead body. There were rumours that the Sultan was dead and his faithful followers had taken away his dead body.

Some believed that Sultan had not died but he was wounded and disappeared and will come back again. He had left Srirangapatnam after the first attack between British and Hyderabad army troops and had reached prince Fateh Haider. He will make his head quarter at Saraya or Chital Drug and will continue his attacks from there. These news not only created confusion among the army troops of the British and Hyderabad but also to the treacherous who had sold the freedom of Mysore for the promises of land and wealth from their foreign lords. They were very much worried about their future when they had seen the fate of Mir Sadiq and Moin-ud-Din.

In the midnight, Mir Qamar-ud-Din, Pornia, and Badar-Uz-Zaman was sitting in front of the palace of Sultan and were talking with an English army officer. Some soldiers were around them and were holding torches in their hands. At that time Mir Nadeem came over and cried, “Now I got the correct information about Tipu Sultan that his dead body is there
in front of the north gate of the Fort under the pile of other dead bodies. So please follow me up to there.” All of them followed him and they reached that place where there were many dead bodies. On the order of British officers, all dead bodies were checked one by one. When they were doing so, one English soldier touched the hand of a corpse when his hand hit with some hard metal and the turban from corpse head had fallen down. The black long hair covered the face were open. The English soldier explained the details to his officer. When they brought the torches closer, they found a woman’s corpse who was wearing golden bracelets on her hands. They found another woman’s corpse, which was badly injured with many bullets. Paranoia took the torch from the soldier, carefully watched that woman and recognized her. The English officers asked him, “Are you able to recognize her?” Pornia said, “Yes, she is an orphan Hindu girl and her father was died in the last war. The Sultan had adopted her as his daughter.” “And who is another woman?”, asked English Officers. “I do not know about her. May be she belongs to the royal family.”, replied Pornia.

After some time all the corpses were checked. When they saw the body of Sultan Tipu they were silent. The sultan’s dress was full of bloodstains but his face was full of grandeur and grace. In his hand was handle of his broken sword and his dress was same like his other army officers but his turban was different from others. Sultan’s turban fell down from his corpse. Badar-uz-Zaman had taken that turban. One English officer asked him, “Is this Tipu Sultan?” Mir Qamar-ud-Din replied in a low voice, “Yes, congratulations for the victory.” One English soldier cried, “He is alive.” So some persons pointed their guns towards the body of Tipu Sultan.

One English officer came forward, checked the pulse of Sultan, put his hand on the chest of Sultan and said, “He is dead.” Badar-uz-Zaman looked at the Sultan’s turban, touched it to his eyes with great respect and said, “We are his murders and not all of you. We had murdered him and our coming generations will put flowers of respect on his grave.” The English officer told Qamar-ud-Din that they are grateful to him and asked him to make arrangement to send the corpse in palanquin (Palki)
to the palace. He informed General Harris. After some time there were slogans of victory from all the corners of the Fort and with great joy and happiness the English soldiers moved into the houses of Mysorean people for plundering and looting. The other groups of the British army, who were searching the Sultan, also followed them in looting and plundering the people’s properties and killing the innocent men and women. That night turned into a black night for the inhabitants of the Mysore city. There were cries from thousand of daughters of this nation but there was no reply to it.

Due to the misdeeds of Mir Sadiq and others, all such things happened. The mother who had nourished with her milk to Mir Sadiq, the treacherous, was also ashamed. No house of Srirangapatnam was safe and secure from the brutality of the English army. The treacherous, who had helped Mir Sadiq, Pornia, Qamar-ud-Din and Moin-ud-Din were then thinking that they had not only sold away the freedom of Mysore but also they had sold the respect and value of their daughters and women. The soldiers of Sultan killed Mir Sadiq and Mir Moin-ud-Din before they received their reward of treachery from their foreign lords. Their souls must be watching the misdeeds of British army doing wrong in their houses for whom they had made the way of entry to the city of Srirangapatnam. Their daughters and women were in distress condition due to the misdeeds of the drunkard soldiers. Those women cried and appealed as follows. I am the wife of Meir Sadiq. I am his sister.

I am his daughter. This is the house of Meir Moin-ud-Din and he was a friend of Lord Wesley. General Harris knew him very well and you can see his corpse in the other room. The people had killed him because he was a friend of the British army, so you should not do harm to the families of the faithful persons in East India Company and to the daughters and women of the nation. I am the son of Meir Moin-ud-Din and these are my sisters and this is my wife, please take me to General Harris. But there was no reply from the soldiers except they laugh and cruel misdeeds. The soldiers of Sultan’s army, who were disappointed with the result of war, started protecting their houses against the cruel
deeds of the British soldiers who were drunk and were very busy in the evil deeds of looting and plundering. There was a stream of blood in the streets and bazaars of the city.

On the next day, at about four O’clock, the Sultan’s funeral procession started and was followed by prince, officers and four companies of the British army. The faithful wounded soldiers of the Sultan and other persons were ahead and were holding the sultan on their shoulders. There were lots of fear and terror in the city due to looting and plundering which took place at last night. Streets and bazaars were vacant. When the funeral procession left the Fort all men, women and children from all the communities joined it with a heavy heart. On the way the number of people increased and their fear and terror decreased gradually.

They were considering themselves as the most unfortunate people and were thinking that the Sultan’s corpse is their guard. The men of Srirangapatnam wept loudly and women untied their braids in the grief of the Sultan’s death. When the funeral procession left the Fort, the wind was very slow at that time and there was too much humidity in the atmosphere. The people were watching a dangerous storm on the horizon. After some time a black storm covered the entire sky. When the
procession reached Lal Bagh and the Qazi finished the funeral prayer, the corpse was placed respectfully in the grave. At that time there was severe thundering in the sky. People were very afraid of it. The British army was ordered for the gun salute but the sound of the guns was not heard clearly because of the thundering of clouds. It seemed that the sky was making ‘arrangement’ to welcome the soul of great Tipu Sultan.

The darkness in the atmosphere and the thundering of lightening increased and due to this the houses and doors started shaking in the city. General Meadows, Major Beatson and Ellen had described this black storm in their diaries in which they had written that lightening had fallen on some parts of the city of Srirangapatnam as well in the British army camp of Bombay in which two soldiers were dead and a large number of soldiers were severely wounded. The treacherous, who were in the procession under the custody of the British soldiers, were very afraid of this. Immediately after the funeral started the heavy rain and the streets and bazaars of Srirangapatnam were full of water. After some time some officers and soldiers of the Mysorean army noticed the flood in the river Kaveri.

An old army officer wept loudly and said, “I have not seen such a flood in the river Kaveri in the first week of May ever in my life. Oh! Treacherous of Mysore, you should have waited for one more day as the God was willing to help us but you have missed that chance. On that day if you had not opened the doors of Srirangapatnam then we could have defeated the enemy without wasting our single bullet.” He then said, “Oh! My friends, for this day the Sultan was waiting. How unfortunate we are that the clouds which would have witnessed our success, they are washing the tears of our defeated soldiers.”

At that time city of Baghdad was the centre of knowledge and arts and its population was too much while comparing with the other cities of the world and for this reason it was called as bride of the cities.

His father used to keep himself with him in his zikr (remembrance) and recital and practice circles and which was enabled him for his improvement and progress of his (batitni) innermost knowledge. Upon the completion of knowledge of manifest (zaheri) he was started learning the knowledge of batani (innermost) and he has become perfect in the short period of time. He has spent his life on the trust on Allah (mutakwil) and there
were large numbers of his disciples and devotees. Whatever he gets by the grace and kindness of Allah so he will use to accept the same.

Journey

Once he was standing in the house building and at that time some ducks and geese were running towards him so he moved his leg and due to this reason one duck was died there suddenly.

The housemaid reported this miracle to the mother of Hazrat Mashooq Rabbani R.A. She was given her instructions that she should not disclose this matter to any other persons and she has begun her preparations to separate him from his father and for the above reason she obtained permission from the father of Hazrat Mashooq Rabbani R.A. He was obtained saintly dress and made a pledge (Bay'ah) to his father and left the Baghdad city along with some disciples and followers (mutaqadien) and his mother was asked him to proceed direct towards holy cities of Makkah and Madina.

Visit of Madina City

Upon obtaining his parent’s permission in the year 912 Hijri. He was proceeded on his journey towards Madina city and at that time when he was sixteen years old. He was visited Makkah and from there he was reached to Madina city and he has stayed there for a period of two years. Along with some disciples and followers (mutaqadien) he has covered the journey towards Madina city by day and night travel and was reached towards Madina city. He has stayed in the mosque in Madina city. He was used to visit the prophet’s mosque in the morning and evening time to present his Salam (salutation) there and some time he was used to busy there in meditation (maraqaba). He was busy in Madina city in the following schedule.

1. Meeting with Sufi persons. 2. Meeting with mashaiq (learned persons) and sheikhs (saints). 3. Attend the teaching circles. 4. Worship.

Hajj

He was residing in Madina city for a period of two years. During his stay in Madina city he visited Makkah city two times along with his some disciples and followers (mutaqadien) and was performed the
Hajj and came back from there to Madina city. Once he was proceeding towards Makkah city along with some disciples and followers (mutaqadien) and during the journey due to no water availability the caravan persons were faced lot of problems and for this reason all persons were requested his help in this matter. So the Sheikh was asked to remove the silts from one place. So upon removing the silts they found a spring in which clean water was available there. Upon fulfilling thirst and filling the miskhs (small water skins) the caravan was started again for their journey towards Makkah city. During the above journey one night there was too much darkness and there was no arrangement of lamps with the caravan. So the Sheikh told them to put water in the small vessels and put the cloth wicks in them and lit them and upon this the wicks were lightened like the torches (mashael).

During this journey one person’s camel was dead on the way and its owner was poor person and he was depended on the camel only. So with his great grief he was requested the Sheikh’s help in this matter and due to the Sheikh’s prayer the camel has become alive. During this journey son of Hazrat Shah Kamal Darwesh was dead suddenly so Shah Sahib has explained the details to the Sheikh in this matter and he was requested the sheikh for his help so he prayed in this matter and the boy has become alive due to kindness and grace of Allah.

Title Mashooq Rabbani

One day he was present in the mausoleum of holy prophet after the morning prayer and for longtime he was busy in the meditation (maraqaba) there and returned back to his mosque where he was residing. And in the same night he was come to the mausoleum in the late night time and requested the servants to open the lock of the mosque of the prophet but they were refused to open the door of the mausoleum against the rules and regulations in the late night hours.

So the Shaikh told them that he was asked to be present in the mosque so they should open the door. They have told him that they were not able to open the door. So then if he wants he should open the door himself and get into the mausoleum. So the sheikh called “ Ya
Jaddi, Ya Jaddi (Oh: grandfather, Oh : grandfather) so the door was opened automatically and there was came a reply from the mausoleum “Ya Waladi, Ya Waladi” (Oh : my son, Oh : my son). So he opened the door and he was entered into the mausoleum and he was there up to morning time in khilawat (sitting in solitude) and after morning prayer he was coming back to his mosque and he was granted saintly dresses and was taking a pledge (bay'ah) from his disciples and followers (mutaqadien) and was given the caliphate to the following persons. 1. Hasan Bin Ahmed. 2. Shaikh Kamal Darwesh.

He was informed all his disciples and followers (mutaqadien) that from Samadiat (from Allah) he was granted title ‘Mashooq Rabbani’ (the lover of Allah). So when he was reached Madina and there he was granted the title (qitab) of Mashooq Rabbani (the lover of Allah) due to the kindness and nobility of Allah’s last prophet and he was asked to proceed visit Deccan (South India) for the preaching and propagation work of Islam in that foreign land. So asked the disciples and followers to start preparation of the journey. So Shaikh Kamal Darwesh was started the preparations of the journey and Hasan bin Ahmed was left there and who was famous for his miracles and revelations and his grave is available in Madina city.

Journey of Deccan (South India).

The next day after the above event he was started on his journey towards the Deccan area. In the year 916 Hijri Or 917 Hijri. He was reached in the Warangal city along with many of the disciples and Darwesh persons during the period of Sultan Quli Qutub Shah who was the ruler of the Golconda kingdom at that time. During his long journey there were many miracles and revelations were happening and for this reason many persons accepted the religion of Islam and they were becoming his disciples and devotees and many hundred following persons are included among them. 1. Holy persons. 2. Ahle Allah (saints). 3. Majzoob (one lost in divine meditation).

There were seventy or eighty elephants with him and they were also reached Warangal and on them the luggage of followers and Darwesh
persons was loaded. During his journey in India due to his miracles the landlords used to offer him elephants with chains due to their devotion.

During his journey from Madina city to India by ship there was strong as well as heavy storm so the ship was in great danger condition so all passengers were disappointed from their lives and were requested the Sheikh to pray in this matter. Upon his prayer the storm was stopped and the ship was reached safely to the seaport. When he was near the Deccan area one landlord came to visit him upon hearing his miracles and favours and was brought to his blind son before the Sheikh and was requested him for his prayer in this matter. So the Sheikh has prayed in this matter and put his palm on the blind boy’s face and the boy was recovered, his sight immediately and due to this miracle the whole family members of the landlord were accepted the religion of Islam.

During this journey there was heavy rainfall and the Sheikh and his devotees were far away from populated (Abadi) area so the Sheikh asked them to mark on the earth around them so they did the same. For this reason there was heavy rainfall around them but the caravan of holy persons was not suffered by the heavy rainfall in the line marked area of the ground. During the journey there was a river so it was very difficult to cross it. So the sheikh was entered into the river on his horse and for this reason the river was stopped immediately and there became a way for all of them so the caravan persons were passed the river safely and they also proceed further by walking on the water due to the Sheikh’s miracle. When the local landlord came to know the above details of the Sheikh’s miracle he was become Muslim and offered him many gifts and presents. At that time the Lodi king was ruling on the throne of Delhi kingdom.

Stay in Somawarm village.

First he was arrived in Warangal city and from there he was proceeded directly towards Somawaram village which is 16 miles away on the southern side from the city of Warangal and where he was staying there for a period of 12 years on the hillside and he was busy there in the standing position in the meditation of Anwar Haq (the lights of Allah). When he came to Somaram village one blind weaver person
visited him upon knowing his miracles and was requested him for his prayer in this matter so he put his palm on his face and due to this reason he was recovering his sight and due to this event many thousand local people accepted the religion of Islam.

One day while brushing his teeth he put his *miswak* (tooth brush) stick in the earth and after some days it was developed and it has become green and after some days it was developed like a tree. The senior persons of Somaram village who were stated that in the year 1338 Hijri the *miswak* tree was available before 40 years in the village and after that it has become older and has fallen down due to the storm. It is well known that the Sheikh’s strict instructions were there that nobody should not visit him while he will be busy in the worship unless he will call somebody. Once as per his practice he was busy in the worship of Allah and he was in such condition for some days and so he did not call any person during his period of meditation. For this reason disciples and devotees have become upset and worried in this matter and they were approached his caliph Shah Kamal Darwesh in this connection. So the caliph consoled all of them and he went into the presence of the Sheikh and saw him busy in Mushada Jamal (divine elegance) and he was watching of the *Ghaib* (invisible) and for this reason his condition was as follows. 1. Mutagayar (change) 2. Digradon (serious) 3. Haibat (fear)

For the above conditions he could not dare to disturb the Sheikh and was returned back from there to his place and was explained the conditions of the Sheikh to the devotees and disciples and so for this reason he was consoled all of them in this matter. After many days his condition of engrossment (*Muhevat*) was ended and the Sheikh was calling his disciples and devotees and was instructed them to start preparation of the journey to proceed towards the city of Warangal in Deccan (South India) area in India.

**Journey of Urs village.**

As per the Sheikh’s instructions when preparations were ready then the Sheikh along with his caravan of disciples and devotees were proceeding towards Urs village and in the olden days it was known as
Qazipura village. During this journey when Urs village was 6 miles away then the Sheikh took out away his sandals (nalian) from his foot and proceeded towards bare footed with much care and attention and nobody didn't dare to ask the reason in this matter. So the Sheikh himself was asked Shah Kamal Darewsh “Baba Kamal come near to me so that I could explain the facts in this matter.” When Shah Kamal went near him so he was asked him to put his head into his armpit and to see and so Shah Kamal was saw many thousand pure souls of martyrs were coming in the large number there and meeting with the Sheikh. So the reason of his bare foot walk of the journey was explained in this way to his disciples and caliph Sheikh Kamal Derwesh.

From Somaram village, he was proceeded for his stay in Qaizpura village which is five miles away from Warangal city. As per reference from the book “Miskawat Nabiya” in which it was quoted reference from the other book “Anwar Aqbar” that Hazrat Mashooq Rabbani R.A. on his arrival in the Urs village from Somawarm village and he was beginning his worship upon the mountain in Hanmakonda village for a period of 12 years. Where there was a Hindu Jogi (worshipper) who was very powerful there in the worship of the idols and he was used to commit many harmful acts and he was used to reside on the mountain which was 4 miles away from Hanmakonda mountain. Due to Sheikh’s arrival the Jogi was very upset and angry and due to his ill will the Jogi (worshipper) thrown a big stone on the forehead of the Sheikh by his magic power and which fell near him without any harm and injury to the Sheikh. At that time he was busy in meditation and the big stone was fall near the forehead of the Sheikh and due to the grace of Allah he was stopped the big stone with his finger and his finger impression is still available on the stone and that place is known as Chilla (mark) and that stone is also preserved even today and that big stone was in hanging position due to the Sheikh’s miracle and afterwards it was supported by stone and soil. When the visitors used to see that stone and will feel a sense of great peace and satisfaction in this matter.
After failure of the above bad deed the Jogi (worshipper) has become ashamed in this matter and so for this reason he made a big python by his magic power and was instructed the python to kill the Sheikh but when the big python came near the Sheikh but he was stopped the python by the sign of his first finger so for this reason the python become restless and also become fret and fume and could not move further. When the Sheikh was completed his daily recital and practice and he was marked some lines on the back side of python and those lines were transferred upon the mountain stone and still those marks are available on the mountain stone. Due to the above two great miracles the Jogi (worshipper) was accepted the religion of Islam and till his life he was in the Sheikh’s service and benefited from his great favours and attention and his stone grave is available at the foot side of the Sheikh’s mausoleum.

Stay in Urs village.

After this miracle he was getting down from the hill and was proceeding towards Qazipura (Urs) village and went towards the tomb of Qazi Ziauddin who was martyred during the period of Sultan Tughlaq of Delhi kingdom and upon recitation of Fetha (first verse in the holy Quran) he was asked his permission and for the grant of some land to enable him to stay there and upon grant of permission from Qazi Sahib’s soul he was decided to settle down there. The Qazi Sahib’s soul was told him that his position is like a sun and his position is like a lamp before him. So if he will settle down in this land then the light of the lamp will not be continued in the presence of the sun. The Sheikh was replied him that “Oh: Qazi this is careful thought that my children will perform the formalities of aoud (aloeswood) and flowers in your shrine area. Afterwards the soul of Qazi Saheb congratulated the Sheikh for the place and for this reason the Sheikh was settled down here. He settled down there by permission of Qazi Sahib and he was pointing his final resting place by fixing his staff on the ground which is 150 yards away from the mausoleum of Qazi Sahib.

Qazi Ziauddin was proceeded with the armies of Delhi king Mohammed Bin Tughlaq for the expedition of Warangal kingdom and
died in the war and for this reason that village is known as Qazipura village but due to several Urs (death anniversaries) of Hazrat Mashooq Rabbani R.A. This village was becoming very famous and well known Urs Jagir village.

When the Sheikh was 30 years old then he was married in the year 926 Hijri due to Shah Kamal Darwesh and his disciples and devotees were requested him in this matter and they were insisted him for the marriage. The Sheikh’s first wife was dead in the year 940 Hijri. He married another woman but no children were born from this marriage and she was dead before the Sheikh’s death. So he told them that he is the grandson of the last prophet of Allah so he should be given permission to enter into the mausoleum. So they were told him that they will mark his dress with sandal colour and if that mark will be appearing on the mausoleum then he will be allowed to enter there.

But the mark of sandal colour was appeared on the mausoleum but the servants of the mausoleum were telling him that they will lock the mausoleum building during night hours and if you are the grandson of the last prophet of Allah then the lock will be opened automatically. So the Sheikh told him that in such meetings where there will be disapproval of fakirs then there was no need of fakir to stay there. If Allah wills such person will die in very bad condition of trouble and problem. So the Sheikh said the above and was leaving the Nawab Sahib’s palace. 4. The brief biography of Hadrat Moizuddin Turkey Kohir

Moulana Moizuddin’s real name is Syed Mohammed but he was becoming very famous with the name of Moizuddin Turkey. He was a great scholar and a famous Sufi saint of his time. It is a well known fact that he was king of Turkistan and he had left Turkistan in the search of right path of Allah and in his search in this matter he had reached Delhi and became a disciple of Hazrat Khaja Nizamuddin Auliya of Delhi.

Due to his hard endeavours and great efforts of worship he had become the special disciple of the Sheikh and the Sheikh was taken great care of his spiritual progress and for this reason he had attained greater heights of mastery in the Sufism and he had passed many mystical stages of Islam and work hard for the progress and preaching of Islam in the foreign land.

His name as Ghulam Musrur was recorded in the book of disciples of Hazrat Khaja Nizamuddin Auliya. For many years he was under guidance and spiritual training of Hazrat Khaja Nizamuddin Auliya and
he was benefitted greatly during his stay in Delhi in the company of Hazrat Nizamuddin Auliya. As per order of his Sheikh he was proceeding towards Deccan (South of India) for the propagation and preaching work of Islam in the areas which are near to Hyderabad in his old age.

During his stay in Delhi he had become close friends of Tajuddin Najfi. When Moizuddin Turkey proceeded towards Deccan so Tajuddin Najfi also accompanied with him there along with Shabuddin Surherwardi and along with his many disciples.

Upon reaching there they began the preaching and propagation work of Islam successfully and become very famous there due to their great efforts and hard endeavours for the preaching and propagation of religion of Islam in the areas of Deccan. At that time the name of Kohir was known as Ankharapatanam and which was ruled by Raja Pratap and his capital was Warangal. The Raja had constructed an underground tunnel from Warangal to Kohir. At that time Kohir City was part of the Bahmani kingdom of Bider. When Raja Pratap revolted against Bider kingdom then Sultan Hasan Gangu marched towards Kohir to fight against him but he was unable to defeat Raja Pratap in the war so the sultan was very much worried and upset with this matter. When he heard about Moulana Moizuddin Turkey and Moulana Tajuddin Najfi’s names and fame for the spiritual heights in Sufism and mystical progress so he had approached them at their place and requested them for their prayers for the success in the war against Raja Pratap of Warangal. They have accepted his request and proceeded to Bider along with him.

When Sultan Hasan Gangu Bahmani of Bider proceed along with his military for the campaign against Raja Pratap of Warangal so these great Sufi masters along with Shabuddin Suherwardi were also accompanied by the military men of the sultan. The army proceeded towards Kohir via Shaikhupura and at that time that place (Shaikhupura) was the border post of Raja Pratap and at Shaikhpura Raja Pratap was camping there with his 40,000 strong army men and there fierce war was taking place between Raja Pratap and Sultan Hasan Gangu
Bahmani in which Sheikh Shehabuddin Suherwardi and Tajuddin Najafi were killed fighting bravely for the cause of Islam and its propagation. Due to the kind prayers of Moizuddin Turkey and Tajuddin Najfi, Sultan Hasan Gangu Bahamani was becoming successful in the war against Raja Pratap of Kakatiya Kingdom of Warangal.

Upon the death of Moulana Tajuddin Najfi in the war Moulana Moizuddin Turkey had called his son from Najaf and upon arrival of his son Tajuddin from Najaf the Sultan had granted him the title of “Ainul Muluk” and also given him length of land equal to 342 bed spreads along with his royal decree with seal and signature. But he did not accept anything from the royal grants. He was uncle and teacher of Hazrat Khaja Bande Nawaz of Gulberga as well follower of the Sufi order of Quaderia and Chisti.

The name of Kohir was Ankharapatan and there was one mountain of diamonds at that place and for this reason Moizuddin named it Kohe Hera (The mountain of diamonds) and due to much usage of this place name it had changed as Kohir instead of Kohe Hera. No information about marriage, his sons and daughters are available so it is said that he had no successors and for this reason there were no trustees from his family members are coming to the holy shrine at Kohir Sharif and from the above information it is also clear that he was died as single without marrying. In the history records his date of his death is not available and it is said that he left the world on the 15th Jamadil Akhir but the year is not available. The annual Urs (death anniversary) is celebrated every year on 15th Jamadil Akhir on the large scale with so many good arrangements and there will be a large number of attendance of devotees from many corners of Deccan (Hyderabad) and from other neighbouring states of Karnataka and Maharashtra as well as from other areas of India. His grave is situated in the open ground near the Kohir city. At the time of the annual Urs (death anniversary) large number of visitors usually visit his holy grave from all communities.

On Urs (death anniversary) ceremony and on all other weekdays the visitors in large numbers will visit the shrine and pray Allah for the fulfillment of their desires and wishes for the sake of the Sheikh’s name.
There is one grave near his holy shrine which is said to be his spiritual teacher and on the left side of his grave there are many graves which are said to be the graves of his followers and servants and from their lineage the trustees are coming and who are doing their service at the holy shrine for the benefits of the visitors round the clock.

He was born on 16th Shaban in the year 586 A.H. in Iraq in early hours of the morning time. As per the historical records and as per reference from the book of “Peer Mughan” he was landed in India directly from Iraq in the year 631 Hijri and he was reached in the Deccan (South India) in the year 640 A.H. As per the above records his date of birth is 586 A.H. and his age at the time of his arrival in India was 45 years and he was staying in the North Indian region for the period of nine years and he was busy there in the propagation and preaching work of Islam and later he was proceeding towards Deccan (South of India) when he was 54 years old and this figure shows that he was busy in the Deccan (South of India) for the Islamic preaching and propagation work for the period of 47 years.

Early Education.

His early education and training was completed in the city of Baghdad. First he was completing the learning of Quran under the supervision of his father and then he became the disciple of great Sufi Master Sheikh Syed Shahabuddin Saherwadi and learned the following knowledges from him successfully. 1. *Tafsir* (Exegesis of the holy Quran). 2. *Hadith* (Traditions of the holy Prophet). 3. *Fiqah* (Islamic jurisprudence). Due
to living in the company of above great Sufi Master for the long period he became his great and famous disciple and he obtained caliphate (spiritual successorship) from him and due to great endeavours and training in the company of Sheikh Syed Shahabuddin Saherwardi he became perfect in the worship and improved his manners to greater heights and which resemble with the manners of his Sheikh and his great spiritual master.

He maintained his nightly prayers and devotions.

During the whole night he used to pray *Nafil* (supererogatory) prayers. His worship style was very hard and tough as he used to perform *Wazu* (ablution) with cold water before four hours from the sunrise and he used to perform the *Tahajud* (supererogatory prayers in the early hours of the morning) prayers during the nights with great care and attention. When there will be signs of morning time then he was used to perform the morning prayer. After the end of the above worship he was used to busy in the following things. 1. Worship. 2. *Riyazat* (Mystical Exercise). 3. Preaching and propagation work of Islam.

Conduct and character.

He was kind hearted man and his manners were very good and also he was a very simple man and possessed fine conduct and character. He had great control on his *Nafas* (soul). Due to his great personality there was great *barkat* (blessings) and guidance for the people of the area. He was much interested to help the poor and helpless persons. He never liked richness and wealth as well as higher status of life and he was always preferred to live among the poor persons and never liked to have relations with the rich and wealthy persons. He possessed good manners and attractive language since the beginning of his life so he was attracted the largest number of people in the area of the Deccan (South India) and his language style has helped in the preaching and propagation work of Islam. His worship and endeavours were not normal but were very great. His main teaching points have mentioned as follows. 1. *Mashan* (qualities) Islam. 2. Dimension of Islam. 3. *Rawadari* (tolerance). 4. Equality in Islam.
So for the above reasons many people come to know about his greatness and truthfulness of Islam. Many persons have accepted Islam due to his great conduct and manner. He has selected his best and trained disciples and caliphs and send them around different areas of the Deccan (South India) for the work of teaching and preaching work. His main teachings are as follows. 1. Against caste and creed. 2. Against colour and race. 3. Against language differences. 4. Against untouchability. 5. Islamic brotherhood.

So he had preached that all men are brothers of each other so all should show kindness and share others in happiness and grief. So this great teaching’s effect is still seen in the city of Hyderabad now and the people from various walks of life, irrespective of caste and creed, assemble to share happiness and grief and they like and live in brotherhood atmosphere. Due to his Islamic teaching of brotherhood he will be remembered in the hearts of the people of the Deccan (South India) till the day of judgement and he also preached that all men are sons of prophet Adam so all should worship one God and so His worship is necessary for all of them.

Due to his presence in the land of Deccan (South India) the sound of Islamic creed “La ilaha illallah Mohammed-ur-rasul-ul-lah.” (There is no God but Allah and Mohammed is Allah’s Messenger) is able to hear with the ears of the local people and so they began worshipping of one God and the flag of Islam was first time take to the air in the land of Deccan (South India).

His advice.

This is a fact that due to presence of Sheikh in the area of the Deccan (South India) the light of Islamic religion was spread all over the region. He has spent all his life in the preaching and propagation work of Islamic religion in the area of the Deccan (South India). He has given first instruction to his disciples and devotees that they should not say anything wrong to pious personalities of Hindu religion. So for above reason there were a large number of persons from various walks of life, irrespective of caste and creed, assemble in his preaching and propagations meetings to hear his messages and sayings. Due to the
great character and teachings of tolerance of this pious personality compared to other cities of India and in areas of Deccan (South India) there is good relations between Hindu and Muslims communities is still available and this shows the clear proof of tolerance of the past Muslims of Deccan (South India).

Selflessness.

He was a great helper of the poor community and needy persons and he was a great follower of Esar (selflessness). He was always used to help the poor and hungry persons. If he will find any persons hungry then he used to send them his portion of food and he himself used to live without food. Whenever he used to get any presents from his disciples or friends then he will use to send the same to poor students. When he will use to sit for eating food then he will use to ask about his poor neighbours requirements of the food and if he will find any hungry persons there then he will send his portion of food to them. He has possessed all good qualities which his great Sufi master had possessed with him.

Arrival in India.

He arrived in India during the period of Bahmani Kingdom of Deccan in the year 631 A.H. and for a period of nine years he was busy in the preaching and propagation work of Islam in the North Indian region.

Arrival in Deccan.

In the year 640 A.H. he arrived in the Deccan. At that time there was great ignorance which prevailed in this area and due to this reason if they used to see any Muslim person in the morning time and then they will feel it as a bad thing. If any Muslim traveller will used to visit the area then he will be given many troubles and hardships and even the food provisions will not be giving them against the payment of money to them.

Chilla Kashi (retirement of 40 days into mystic seclusion).

Upon his arrival on the mountain he was entered into the cave for Chilla Kashi (retirement of 40 days in mystic seclusion) and engaged
there in the worship of Allah and left all other things. For a period of
nine years he was busy in the worship of Allah and mystical exercises
and then he came out of the cave at the age of 62 years and that cave is
still available in the mountainous area known as Baba Saheb Chilla. So
for this reason the visitors and devotees used to go there and visit the
cave. At the time of his arrival from the cave his name and fame was
spread over all areas of Deccan (South India) so for this reason the
visitors and devotees began their visiting his place of residence in large
numbers. The visitors will use to visit Sheikh from near and far away
places in large numbers for the fulfilment of their desires and wishes for
the sake of Sheikh’s blessing and his prayers.

The Preaching and Propagation work in Deccan (South India).

During the troublesome period he was arrived in the Deccan (South
India) at the age of 54 years for the propagation and preaching work of
Islam and he commenced this work successfully with the help of his
great manners and good conduct. Upon his arrival he was immediately
settled down on the top of the mountain. At that time the city’s name of
Hyderabad was not known. He arrived in the Deccan (South India)
with his 60 friends and Darwesh persons with him. He was used to busy
in the worship of Allah and the propagation and preaching work of
Islam for his disciples. Many Hindu persons were used to visit him and
used to pay him great respect and honour. Many thousand Hindu
persons have accepted the religion of Islam and due to his guidance
and great endeavours. There was a great effect of his truthfulness and
greatness on Hindu persons and for this reason they left the idol worship
and they came into the fold of the religion of Islam.

He was greatly interested in the preaching and propagation work of
Islam. During his speech there will be a great effect on the visitors in his
gatherings. For this reason there was a great effect of his speech on the
non Muslims who used to attend his meetings and so they will leave
their religion and enter into the fold of Islam at the time of leaving his
meetings. His speech will be free from the mutual imprecation to prove
the truth from his point of view and for this reason there was a great
effect on the visitors so there was great surprise for them. Due to his
great effect of his speech many local persons not only accepted the
religion Islam but they had attained a higher status and positions in the
religion of Islam and became great masters of Islamic knowledge for
the public guidance and instructions.

In the morning time he will use to visit the patients and other needy
persons. The present shrine area is away from Hyderabad city in
southwestern side and the name of the area where his shrine is located is
still known in his name. So we cannot imagine the condition of the area
before 800 years and at that time this first sheikh arrived in the Deccan
(South India) area. Because in this area there was a thick forest in
which there were a large number of wild and dangerous animals used to
live in it. Also in the local area the population of cruel men was used to
reside there.

As per traveller's account of Qutubi in which it is mentioned that in
the Deccan (South India) area the cruel people were used to reside there
and they did not like to look of the Muslim persons in their villages. And
seeing of any Muslim person at the morning time will be termed as
unlucky and a bad thing and even they will not use to sell goods to
Muslim against cash payment and they used to send them out of their
villages due to their hate and cruelties. So we can imagine that how this
great preacher was most successful upon facing many hardships and
hard tasks in his mission of preaching and propagation in the Deccan
(South India) area in that difficult and hard time. Due to his hard tasks
the light of Islam was spread in the area and the cruel people come to
know about the teachings of humanity and manners and good conduct.
So in this way sheikh was most successful to bring the light of Islam in
the dark area of the Deccan (South India). As Islam which is the religion
of peace and love and so sheikh who has acted upon this principle and
due to this practice there were good results and due to positive
information the large number of local people have accepted the religion
of Islam for their improvement of worldly lives and also for their
success in the next world. So for the above reason the large number of
persons have become his disciples and have left kufer (infidelity) from
their lives and have entered into the fold of light of *eman* (belief) of Islam.

Miracles.

The sheikh had a great spiritual status in the Deccan (South India) which is well known and famous to all and even the small child know his name and status and position so all people have great devotion to him. His main purpose of his life was the preaching and propagation work of Islam. So some historian has mentioned some of his miracles which were related to his preaching and propagation work of Islam. There are many other miracles which are well known and famous but we are mentioning here some miracles which are as follows.

One drunkard person’s *bait* (pledging spiritual allegiance).

It is well known fact that one drunkard person visited his shrine and requested him to allow him to drink liquor and toddy so that he can accept the religion of Islam. So the sheikh told him that he will be given permission in this matter but he should not drink before him. So the man accepted his condition and become Muslim in the shrine. He has given his name as Noor Mohammed. Upon his return from the shrine he desired for liquor drink so he went to the liquor shop and purchased some liquor to drink.

At the time of liquor drink when his cup was near his lips and suddenly he saw his sheikh near him so he was afraid and due to his fear he has thrown away the cup of liquor and left the liquor shop and came to the shrine of the sheikh and sat there with fear and sorry and he went away and seated in one corner place in the shrine and he sat there silently in the condition of fear and sorry. So for this reason somebody has asked about his condition in this matter. So he told him that he went to the liquor shop for the drink of liquor and at the time of drink he saw the sheikh near him so for this reason he ran from the liquor shop and came to the shrine and due to this reason he was sitting there in the condition of fear and sorry. So he asked the shrine servants whether the sheikh left the shrine today? So they replied him that today he was not
left the shrine. Due to the above event Noor Mohammed effected greatly and forever he left his habit of drinking toddy and liquor.

The lost ox was found.

Once a washer man has lost his ox so he searched his ox for a period of two months but he could not find his ox. For the above reason he came to see the sheikh in this matter and explained the details of his problem that he has lost his ox since two months so he searched his ox in the forests and in mountain area but he could not find his ox anywhere. He told him that he is a poor person and having a large family and his only life support ox is lost and due to this reason he is passing through great difficulty and problem. As he is a poor person so he could not buy another ox so please kindly help him in this matter and solve his problem. Sheikh upon hearing his problem he consoled him and given him some Naqsh (charm) to him and has instructed to put the same at a certain Hindu temple area so that he can get back his lost ox by the grace of Allah.

That man went to the temple area and put Naqsh (charm) there and he was returning from there and on the way he found his lost ox and he was much happier in this matter and went to the house along with his ox so for this reason his members of the family were happy. His friends and relatives have asked him about the details of the event so he told them the complete story of the sheikh’s miraculous. Upon this event which was spread in the large area so for this reason large numbers of the person’s attention was diverted towards Baba Saheb’s shrine and persons began accepting the greatness of Islamic religion. Due to the kind grace of Allah the washer man and his companions have accepted Islam in the holy shrine of the sheikh due to the above miracle.

Another miracle.

Due to his faizan (favour) people from various walks of life, irrespective of caste and creed, assemble at the famous mausoleum of Baba Sharafuddin from many places. Several hundred thousand devotees from near and far, irrespective of religion and beliefs, used to gather there to seek blessings. Mr. Venkat Reddy Palekar of Golconda
fort has only one son who became seriously ill so for this reason all doctors have given their opinion that the boy is not curable and some days of his life period is left. But suddenly an idea came into his father’s mind that he should take the boy to the shrine for his recovery there. So the father of the boy visited the shrine of sheikh and put his head on the foot of the sheikh and began weeping and requested for the health and recovery of his seriously ill son. The father also told sheikh that upon death of the boy there will be no use of their life as their family is having one son only.

Upon hearing all details of the case sheikh consoled him and gave him *taviz* (charm) for putting around the neck of his son and also he gave him some water upon blow over some Quranic verses on it. The Sheikh told him that Allah will recover the boy and for 3 days sheikh gave him water and boy’s health condition began recovering slowly and in some days the boy was recovered completely and visited the shrine and met with sheikh and they began visiting sheikh daily for his blessing purpose. In all places fame of sheikh’s healing power has spread so for this reason many physicians used to visit him and get treatment of their heart diseases and recovered by prescription of *Kalmia Tayeb* (Islamic creed) and due to his fame Muslims used to tell him as Baba and Hindus used to say to him avtar.

Live miracle.

The sheikh’s mausoleum is situated on the mountain and to reach on the top of the mountain there are 312 steps have been constructed so it's not easy to reach on such top mountain area. But it is observed that old men, women and small children used to cover all steps easily and without difficulty and problem. This is a living miracle of the sheikh which is being observed by all persons in the shrine since long time.

Companions.

There were total 60 companions with him who arrived along with him in the Deccan (South India) area. He used to send them in the villages and hamlets for the propagation and preaching work of Islam. Among his great companions who were sent to the villages are as
follows. 1. Hazrat Baba Syedna Shabuddin. 2. Hazrat Baba Syedna Fakheruddin. 3. Hazrat Baba Syedna Shabuddin who has spent some time with Baba Sharaffuddin and was going to the place where now his tomb is available there and in that place Nawab Fakheruddin Shamsul Umra Bahadur of Hyderabad government constructed some shops and populated this place with the name of Shamshabad. He has spent all of his life there and upon his death he was also buried there.

Successors.

Baba Saheb upon his arrival in the Deccan (South India) was very busy in the service of mankind and for this reason he has spent all his life without his marriage and so for this fact his family connection was stopped. So he has adopted his brother Syed Musa’s son Syed Fariduddin before his death to continue his mission of Islamic religion and nominated him as his successor and his grave is situated at the left side of Baba’s grave in the square open-air courtyard of the marble stone and which was constructed by Nawab Khurshid Jah Bahadur.

First arch.

On the way of the shrine there are available first arch and this arch, one mosque and well was constructed by Babuji Choudhry who was a famous devotee of the sheikh.

A well known and famous woman disciple.

As per reference from Khaja Fariduddin who was the custodian of the shrine of Hazrat Bahbud Ali Shah Saheb Hyderabad that her title was Bibi Fakihiya which was granted by Baba Saheb. Her name is well known and famous as Pheki Bibi. She belongs to one disciple’s family of Baba Saheb of Deccan (South India) area and she was the daughter of that family. Her father and all her family members were becoming Muslims due to Baba’s preaching and teaching work. Her father was used to present in the service of Baba Saheb day and night. Due to Baba’s father his family members and all sons were becoming perfect in knowledge of Hadith (traditions of Allah’s last prophet) and Fiqha (Islamic jurisprudence). Phiki Bibi was always used to be in service of Baba sahib and Baba Saheb was also very kind to her.
Once her father visited Baba Saheb and explained him that now his daughter reached at the age of entering bond of marriage (aqad nikah) and for this reason he offered her marriage proposal to him. But upon this request Baba Saheb smiled and said now the girl is fit for the work of teaching and preaching among the women so for this reason he has granted her title as Bibi Fakhia. So Bibi Saheba was busy in the above work till her life. As per Baba Sahib’s instruction she has discontinued the following things.1. Worldly desire and wishes.

She has followed the following things.1. Service of mankind.2. Worship of Allah. For the above reasons her name become famous and well known as Pheki Bibi. Her grave is available on the high platform and it is situated in the square open-air courtyard of the marble stone. All visitors who come to visit the mausoleum of Baba Saheb and they also visit Bibi Saheba’s grave.

On this occasion people from various walks of life, irrespective of caste and creed, assemble to celebrate the Urs (death anniversary) which takes place on the above dates of Muslim calendar at the famous mausoleum of Baba Sharafuddin every year.

Several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings and the ceremony of Sandal is held at the Sandal House in Balapur village near Hyderabad. 6. The brief biography of Hadrat Yousuf Sahib and Hadrat Sharif Sahib

Names

Hazrat Yousuf Sahib and Sharif Sahib were great Sufi saints of their time. They had finished their personalities for the sake of Allah. They had spent their whole lives as per the commandments and prohibitions of Allah and for the preaching and propagation work of Islam in the foreign land. Their names are as follows. 1. Hazrat Sharifuddin. 2. Hazrat Yousufuddin.

The tablet on the mausoleum.
A picture of the tablet is available on the front wall of the masuleum as follows in which brief biographical details of Hazrat Yousuf Sahib and Hazrat Sharif Sahib are mentioned in it.

And afterwards they got the title as Shah and Uddin and these titles have become part of their name and which were becoming famous and well known in Hyderabad and in the world. And Hazrat Yousuf Sahib is older than Hazrat Sharif uddin Saheb.

Genealogical record.

Their link and lineage are connected with Allah’s final prophet. Both of them belong to Sadat (descendant of the holy prophet through his daughter Hazrat Fatima) family members and the proof in this matter is shown in the following genealogy records.

1. Hazrat Khaja Moinuddin Chisti.
2. Khaja Qutubuddin Bakhtiayar Kaki.
8. Khaja Alimuddin Qudara.
15. Syed Shah Yousufuddin (Syed Shah Sharifuddin).

Native place.

Hazrat Yousuf Sahib was born in Egypt and spent some part of his life there and Sharif Sahib was born in the village of Kanaan in Palestine which is the homeland of Prophet Yousuf (peace be upon him) and others Israeli prophets and this place was once a great centre of Islamic preaching and propagation work in Syria as per above tablet record. Regarding their birth, early education and early life details are not available in the historical records. Due to their preaching and propagation work of Islam both of them were becoming well known and famous among the general people there. Due to their hard endeavours and the work they brought back the persons who were away from the right path of Allah.

Relationship.

Hazrat Yousuf Sahib and Sharif Sahib first met by chance on the way on the Makkah journey as both of them were going to Makkah to perform Hajj and become close friends and like true brothers and went towards Makkah upon becoming close friends. For this reason in
Hyderabad and throughout India and in some other countries everybody thinks them as the real brothers. At that time Hazrat Kaleemullah who was a great Sufi saints and Sufi Master from Delhi was also present in Makkah to perform the Hajj. These two great personalities (Yousuf Sahib and Sharif Sahib) were also in Makkah for the visit of holy Makkah and they were looking for some area for the preaching and propagation work of Islam and in this way they were searching some country to go and to commence their activities and to bring the persons on the right path towards Allah.

Bay’ah (pledging spiritual allegiance).

So upon meeting with Hazrat Sheikh Kalimullah they could able to find their final place of destination in India and both of them become disciples of the sheikh and they both of them made a pledge (Bay’ah) to him as their Murshid (spiritual master) so then they become initiated as a Murid (disciple) and they also got saintly dress from him and become successors of above great sheikh of India at that time. The Sheikh was very kind to them so he was awarded them caliphate of Chistiya and Nizamia Sufi Orders.

Brotherhood.

Both of them were not real brothers and but they were the only disciples of one Sheikh. But there was too much love and affection in between them so they seems two different bodies but actually due to their cooperation and understanding they both were seen as one. As both were true friends and followed one Sufi master and proceed to one destination and spent all their life in togetherness and also died in one place upon a hard task of endeavours for the preaching and propagation of Islam. So for this reason the people of the past have watched their unity, love and affection and also till the day of judgement all generations will come to know their life of unity, love and affection.

For this purpose Sheikh Kalimullah enlightens their souls due to his spiritual power so that they should decide and proceed towards India for the propagation and preaching work of Islam there. After the Hajj Sheikh Kalimullah comes back to India and died there and he was
buried in the cemetery of Kaki and Sulaiman in Delhi. Due to the blessings of Sheikh Kalimullah the people of Delhi were much benefitted by them. He was not only a great Sufi Master but he was also a great author of many famous Islamic books and his famous book of “Exegesis of Quran” (Tafsir al-Quran) in Arabic is recognized as a great book in the Arabic language.

Due to the advice of Sheikh Kalimullah of Delhi Hazrat Yousuf brothers decided to proceed India for the propagation and preaching work of Islam and they have landed in India in the reign of Mughal Emperor Aurangzeb Alamgir of Delhi kingdom.

Arrival in India.

Due to their love for their Sheikh they left their native place of Egypt and Syria and followed the below things 1. Worship. 2. Mystical exercise. 3. Trust of Allah. and due to the guidance of their Sheikh these two perfect personalities of the both worlds reached Delhi which was the capital city of India along with their spiritual master Sheikh Kalimullah of Delhi as per reference of the 4th couplet in the above tablet record in which it is mentioned as follows. They arrived in India along with their spiritual master upon performing the Hajj and there upon joining in the service of an army wing of Aurangzeb Alamgir.

Service.

These two pious personalities were arrived in Delhi and were getting service in the army of Mughal King Bhadur Shah as per reference from book ‘Anwar Aqiyar’ and ‘Tadhkira Aulia Deccan’ but as per reference from book ‘Maqazan Aras’ that these two saintly persons were got service with king Bhadur Shah’s minister Khane Khanan. As per reference from book ‘Peer of Golconda’ that both of them got service in the army wing of Aurangzib Alamgir and afterwards they were promoted as commander of 10,000 grades of army men and this reference seems to be correct that both of them were living during the period of Hazrat Nizamuddin Auliya Aurangabadi in the reign of Aurangzeb Almagir.
Arrival in Hyderabad.

Immediately upon reaching India they had proceeded towards Hyderabad with the army of Augrangzeb Alamgir for the conquest of the fort of Golconda kingdom. Like other great Sufi Masters they did not like to live in the shrine housing for the worship and propagation and preaching work of Islam but they preferred to get their livelihood by adopting some service and so they got service in the Mughal Army of Emperor Aurangzeb Alamgir as an army man. At that time it was compulsory for the army personnel possess the horses for the requirement of the service and also it was must for the army men for the wars and military expeditions.

The march of army of Aurangzeb Almgir

Hadrat Barhana Sahib was alive at the time of arrival of Hazrat Yousuf Sahib and Sharif Sahib to Hyderabad. When Aurangzeb Alamgir’s army was marched from the tank Bund of Mir Alam Mir Jumla to the fort of Golconda and in that army two great Qutubs (highest cadre in spiritual pivot) Hazrat Yousuf Sahib and Hazrat Sharif Sahib were also present there. Due to the above reason he was asked a piece cloth from his disciples and covered his body with that cloth. Upon passing away of the royal army of Aurangzeb Alamgir from there he returned the cloth to the disciples. The people were surprised to see his action and requested him what is the reason of covering his body upon arrival of the royal army of Aurangzeb Alamgir?. He asked one of his disciples to put his head into his armpit and said there should be shame from the human beings and not from the animals. The person who had put his head into his armpit said except Hazrat Yousuf sahib and Sharif Sahib he saw all royal army men in the shapes of animals.

In the army of Emperor Aurangzeb Alamgir there were no problems and difficulties and in it there was complete peace and order was available and there were also Islamic rules and regulations were in full practice in the army. Both of them not felt any modesty for their military job of army men in the Mughal Army as in the army job the facilities which are the requirement of asceticism and piety were also available there. Their presence in the Deccan (South India) was a great
sign of right path towards *Haq* (truth) and enabling the general persons to follow the religion of Islam so that they can proceed towards the right path of Allah. Both of them were attached to the service of an army wing of Emperor Aurangzeb Alamgir’s son Prince Bhadur Shah.

During wars and expeditions both of them (Hazrat Yousuf brothers) were used to spending most of their time in the worship and meditations of Allah and both of them were fond of reading a holy book Quran after every prayer. It was noted that holy book reading was always their most interested and important work and as well as their aim of their lives. For this reason they will commence the Holy book reading in the nights and which will be usually ended in the morning time.

For the conquest of Golconda fort it is well known historical fact which is available in the books of history that the endeavours and spiritual powers of Hazrat Yousian brothers were mainly responsible for it and if they were not tried in this matter then Emperor Aurangzeb Alamgir could not able to conquer the great fort of Golconda. Emperor Aurangzeb Alamgir adopted the occupation of the copyist to earn the livelihood by writing the copies holy Quran and selling it in the market. He was used to write some portion of it on the daily basis. The aim and purpose of life of Emperor Aurangazbi Alamgir and Hazrat Yousufian brothers were to love and respect the Holy Quran so they were always used to read it day and night on the regular basis.

Flood in the Musi river.

During the military campaign of Golconda fort one night there was a dangerous flood came on the Musi river which flows in between the Golconda fort and Hyderabad city as there was severe rainfall since some days and also there was dangerous storm. And due to this reason that night the army wing of Augrangzeb Alamgir was encountered with heavy storm and winds. So for this reason the military men had faced many problems and hardships. The royal army tents and pavilions were damaged and scattered here and there due to heavy storm and winds.

There were no lights available in the army camp and so for this reason army men were encountered many difficulties and problems. But
the tent of both of them (Hazrat Yousuf brothers) was safe and in securing condition and even the lamp functioned there normally and there was no effect of heavy storm and winds inside the tent of Hazrat Yousufian brothers. But outside of their tent there were many damages and disturbances of the storm in the military camp area of Emperor Aurangzeb Alamgir were found. But inside the tent there were peace and normal life was there and both of them were busy in the reading of the holy book Quran. Their lamp’s flame was normal as the heavy storm and winds could not stop their lamp’s light.

When the army men and Aurangzeb Alamgir observed their tent’s position and were surprised upon watching their great miracle during the heavy storm and winds. Due to flood water and dangerous storm many thousand Mughal army men were washed away in the river Musi. So for these things of destruction and heavy losses which were causing great happiness and pleasure to the people of Golconda fort so for this reason there was illumination of lights from Bala Hisar (fortress) to the other areas of Golconda fort.

The floods’ disastrous and storm problem continued for many days and due to this reason Mughal army camp was suffering heavy losses and great difficulties in the Golconda area. To inspect the above heavy losses of flood and storm Emperor Aurangzeb Alamgir left his royal tent in the darkness of night and checked the tents and the army camp area and he was observed that his two army men were busy there in reading the holy Quran so he decided to ask them for their help for the conquest of Golconda fort. So he has requested them as follows and asked them for their kind help in this matter.“Despite of my great army power there is no success for the conquest of Golconda fort and I think there is something or some power which is causing obstacles for my power and for my military struggle.”

Upon Emperor Aurangzeb Alamgir’s many requests they have written some lines on the small potsherd and asked him to give it to one cobbler who is sitting in the Lunger house area of Golconda fort and who will help him in this matter. So Emperor Aurangzeb Aalmgir immediately rushed to that place on his horse back after facing many difficulties and
problems as firing was in progress from the fort of Golconda and upon reaching he gave the cobbler the small potsherd and so he has looked at him with anger. The cobbler reads the message on the potsherd and upon reading the message the cobbler had written some lines on the back side of it and instructed him to give back to Hazrat Yousufain brothers.

So Emperor Aurangzeb Alamgir came back from there with great surprise in this matter and presented the potsherd to them and upon reading the message they have informed Emperor Aurangzeb Alamgir that their endeavours could not be successful in this matter as there is some spiritual power is an obstacle in this matter and they are helping Abul Hasan. So for this reason Emperor Aurangzeb Alamgir asked them is there is no pious personality on his side to help him in this matter? And so for this reason he needs their help in this matter and he requested them to try again in this matter so that their endeavours would become successful for the conquest of the fort of Golconda.

So they told him to bring the same potsherd again and upon thinking too much and wrote something slowly and at that time night time was ending in Golconda fort and the flames of lights were in dim condition due to early morning rays and from the army camp and cantonment of Mughal army morning light was seen from there. When the second time the cobbler read the message on the potsherd and he was began thinking something and he was in great problem and difficulty for a long time and he did not say anything to Aurganzeb Alamgir so he asked him to do something soon as the time of morning prayer is approaching there so he had to go back to his army camp for some urgent matters there.

Upon hearing Aurangzeb Alamgir’s requests the cobbler left the place while taking all his belonging and he told him that “Now the security and victory of the Golconda fort lies in the hands Emperor Aurangzeb Alamgir.” The cobbler was shaking with great passion and there were sparks from his eyes and the potsherd was fallen on the ground from his hand and he had removed his old clothes and leather items as well as old shoes and slippers which were on his body and he left the fort of Golconda and he told that he was guarding this fort since 50 years and
now he is leaving as per the fate in this matter and he is leaving this place in the living condition. So the cobbler told Aurangzeb Alamgir that he should tell them that he was left from there.

Actually the cobbler was not the real cobbler but he was the Qutub (highest cadre in spiritual pivot) of his time and he was guarding the fort of Golconda and he knows well the spiritual status and mystic powers of Hazrat Yousufian brothers so he could not disobeyed their orders and for this reason he left the place of Golconda fort and went away to some unknown place while transferring the responsibility of security of the Golconda fort towards Allah and after this event he could not seen again there. So it was the last night of the rule of Sultan Abul Hasan Tana Shah over the Golconda kingdom and he ruled the Golconda kingdom from 1672 to 1687 A.D.

The grave of Sultan Abul Hasan Tana Shah in Khuldabad

When Aurangzeb Alamgir came back in the army camp at the morning prayer (Fajr) time and he had informed the details in this matter to these pious personalities so the Yousufian brothers had congratulated him for the victory of Golconda fort and they had told him that the Mughal army will enter into the Golconda fort today as the guard of Golconda fort was already left from the gate of the fort. But as per history record it is mentioned that the fort of Golconda was conquered due to conspiracy of Golonda’s military commander who had opened one window of the Golconda fort so for this reason the Mughal army
was entered into the Golconda fort. But the real reason is that these two shaiks played their great role in this matter and due to this reason only the Golconda fort was conquered by the Mughal army of Aurangzeb Alamgir.

In this matter there is one well known historical fact which is available in the books of history that for the conquest of Golconda Fort all the credits goes to the spiritual endeavours of Hazrat Yoursufian brothers.

The Golconda Fort Hyderabad

Next morning when Emperor Aurangzeb Alamgir was ready to commence the reading of the holy book of Quran and he heard the sounds of drums and kettle drums and asked the reason of it with his servant and the servant replied him that Prince Moazam collected the keys of Golconda fort from Sultan Abul Hasan Tana Shah and the fort of Golconda was already conquered.

The Conquest of Golconda Fort.

The details of the conquest of Golconda fort are available in the book of ‘Sair Golconda’ by Syed Mohiuddin Quaderi Zur and in the chapter of ‘Invisible help for the conquest of Golconda Fort’ it was mentioned the following details which are as follows. That for the conquest of
Golconda fort the Mughal army was besieged the fort since long time but there was no result at all and for this reason they were surprised and unable to know that from where they have received huge supplies and which is sufficient for them for such a long time as the Mughal army was thinking that in the short period of time the fort people due to problems and difficulties of starvation and water scarcity will open the fort gates soon to save their lives and properties. But actually in this matter the Mughal army could not able to understand the high level of courage and power of resistance of Golconda kings and their people. For this reason all efforts and endeavours of the Mughal army were not successful in this matter.

Even Emperor Aurangzeb Alamgir was surprised and not able to understand the grave situation in this matter and for this reason he was facing much difficulty because the renowned fort, which had traditionally served as the last refuge for the Golconda monarch and nobility, proved to be a challenge for even a seasoned campaigner like Aurangzeb Alamgir due to the mystic forces of Golconda fort. The impregnable fort of Golconda withstood repeated and prolonged blockades accompanied by ferocious assaults by the Mughal army. When it was finally taken, the fort fell to intrigue and treachery, or as some believe, the end came about due to spiritual intervention. The renowned defensive mechanisms of Golconda though were never breached.
Golconda Fort was besieged in early 1687 by the Imperial army. The Mughal army was at the receiving end of almost eight months over which all their attempts at storming the fort were repelled by the gallant garrison. The ingenious counter measures executed by the defenders often reversed the tables on the assailants causing heavy casualties. In frustration, the emperor ordered the construction of an encircling barricade to prevent ingress of supplies and reinforcements. In this matter there is one well known historical fact which is available in the books of history that King Abdullah Qutub Shah of Golconda fort had two son in laws and their details are as follows. 1. Prince Moazam Bhadur Shah son of Aurangzeb Alamgir. 2. Sultan Abul Hasan Tana Shah of Golconda Kingdom.

There was an agreement between Sultan Abdullah Qutub Shah of Golconda Fort and the Emperor Aurangzaib Alamgir of Mughal dynasty of Delhi that the next ruler of Golconda will be Prince Moazam Bhadur Shah as King Abdullah Qutub Shah of Golconda had no sons and but had only daughters. But the king Abdullah Qutub Shah of Golconda kingdom could not fulfil his agreement which he was already signed and accepted it. So for the breach of the above agreement the Emperor Aurangzeb Almigir had conquered the fort of Golconda and punished Sultan Tana Shah of Golconda kingdom in this matter. The Emperor Aurangzeb Almigir was a pious and kind hearted
ruler of the Mughal Dynasty, who used to watch the worldly matters from the angle of religion. So for this reason Aurangzeb Alamgir conquered the Golconda Fort and his conquest of Golconda Fort was not for his military and material gains but it was his great endeavour to punish the false person and to set the wrong thing in the right order. They left their service in Alamgir’s military.

After the conquest of the Golconda kingdom there were many problems and difficulties were there. During that period many changes were effected and also many wars were fought in which many persons were died and there was much bloodshed was there. Both of them have seen such critical time and great changes so for this reason they both left their service and settled down in Nampally village where their mausoleum is situated and this area is outside of Golconda fort and in that area both were beginning their lives on the trust of Allah. And they were used to engage themselves there in mystical exercise and contentment and aim of their life was worship of Allah. So they both were always busy day and night in the worship of Allah. When the army men and people of Golconda have seen their pious status and position so they all have accepted their piousness and miracles and for this reason people from various walks of life, irrespective of caste and creed, assemble in several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings.

Piety and status.

Due to their high level of piousness and piety so for this reason they did not demand anything from others and also not accepted any presents and grants from any person. Due to the effects of piousness and piety of their masters even their horses did not use to look and did not used to eat grass of other persons. Also these horses not used to graze on the land of other persons.

Great friendship.

Please note the following details which is very important that both of them performed Hajj together in Makkah and both of them arrived in India together and also both of them become disciples of one master in
Delhi. Also they entered in the army of Alamgir and came to Hyderabad
together. Both of them did great endeavours and hard tasks for the
preaching and propagation of Islam in a foreign land and both of them
died on the same day and also their funeral prayers were organized
together and at last both of them were buried in the one tomb.

Death. Both holy persons were died on 6th Zil Hajj on 1121 A.H. and as
per history record there are no disciples and caliphes were not found.

Mausoleum. As per reference in the book ‘Anwar Alaqqyar’ that tomb
and small water reservoir was constructed by Sadullah Bahadur who was
the ruler of Arcot. The time will come when Allah’s every servant will
finish his life mission and return back to another world. So Hazrat
Yousufian brothers also completed their mission of guidance and
instructions to human beings towards the right path of Allah in the most
successful manner and left this world.

First Hazart Yousuf Sahib left this world and before his death he
was not well due to his sickness for the period of some days due to
fever. At the time of Hazrat Yousuf Sahib’s death his friend and brother
Hazrat Sharif Sahib was not available there. When he come back there
and when he come to know that his friend and brother already left the
world. So he was shocked and was entered into the room and slept on
the ground and he covered his face by white bed spread and died there.
Their mausoleum is always full of visitors for the benefits of their great
blessings there. Also their mausoleum in Hyderabad which is famous
since long time for the fulfilment of desires and wishes of the persons
who visit their mausoleum there.

Third grave in the mausoleum.

In the mausoleum there are three graves are available and out of them
two are belongs to Hazrat Yousuf Sahib and Hazrat Sharif Sahib and at
their foot side there is small grave is situated and about this there are
many traditions are well known and famous in the shrine area that the
boy belongs to his friend who came to Hyderabad with them and that
friend left Hyderabad upon the conquest of Golconda fort and his son
was left in Hyderabad with Yousufian brothers and the boys was died at that time so he was buried in the mausoleum.

As per Another tradition that one cultivator who was used to live in the area left his son under the care and service of the Yousufian brothers. Due to the demise of these famous personalities the boy could not bear the tragic event and grief and he was died suddenly. As per third tradition that one of his friends was there who was died in those days so he was buried in the mausoleum for this reason.

Upon the end of the Mughal Empire, the Asif Jahi rulers of Hyderabad kingdom also had their great devotion and respect for this great mausoleum of Hazrat Yousuf Saheb and Hazrat Sharif Sahib. The graves of following famous personalities are also available around the mausoleum and the details are as follows. 1. Amir Minai. 2. Dagah Dehelvi and his wife. The name of the custodian of the shrine is as follows. Hazrat Faisal Ali Shah.

The Urs (death anniversary).

The Urs (death anniversary) ceremony is being performed by the trustee of the shrine every year in the best possible manner in the comfort and best service to the visitors of the shrine. Every year on the 5th and 6th of Zil Hajj the Urs ceremony is celebrated and on 5th Zil Hajj the sandal ceremony and 6th Zil Hajj the lights are illuminated on the mausoleum. On 7th Zil Hajj the recitation of the Quran will be organized. On this occasion people from various walks of life, irrespective of caste and creed, assemble to celebrate the Urs (death anniversary) which takes place on the above dates of Muslim calendar at the famous mausoleum of Syed Yousuf Sahib and Syed Sharif Sahib every year. Several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings.

During the Urs (death anniversary) time the visitors in large number will visit the shrine for the fulfillment of their desires and wishes for the sake of the Shaikh’s name. In this way the above ceremony will be arranged on a grand scale and the visitors will visit the mausoleum from near and far away places in large numbers.

His name is Syed Hasan and title is well known and famous as Barhana Shah and he belongs to Sadat (descendant of the holy prophet through his daughter Hazrat Fatima) family member and his name shows this fact. His belong to Iraq. He left his country and reached Delhi and become disciples and a devotee of Hazrat Sufi Sarmast and also he got his caliphate from. As per his master’s style he used to live always naked condition and for this reason his title of Barhana Shah has become famous and well known. His name has also become famous with this name and in the Deccan (South India) he is well known and famous as Sarmast of Deccan.

The march of army of Aurangzeb Almgir.

He was alive at the time of arrival of Hazrat Yousuf Sahib and Sharif Sahib to Hyderabad. When Aurangzeb Alamgir’s army was marched from the tank Bund of Mir Alam Mir Jumla to the fort of Golconda and in that army two great Qutubs (highest cadre in spiritual pivot) Hazrat Yousuf Sahib and Hazrat Sharif Sahib were also present there. Due to the above reason he was asked a piece cloth from his disciple and covered his body with that cloth. Upon passing away of the royal army of Aurangzeb Alamgir from there he returned cloth to the disciple. The people were surprised to see his action and requested him what is the reason of covering his body upon arrival of the royal army of Aurangzeb Alamgir?. He asked one of his disciples to put his head into his armpit and said there should be shame from the human beings and not from the animals. The person who had put his head into his armpit
said except Hazrat Yousuf sahib and Sharif Saheb he saw all royal army men in the shapes of animals.

His name is Syed Shah Burhanuddin Mahboob Sarherwardi and his title (alqab) is known as Barhana Badashah. He belongs to the lineage of the holy family of the prophet of Islam and Hazrat Ali who was the fourth caliph of Allah’s last prophet. His native place is in Iraq. He was landed in India directly from Iraq and he has reached to Delhi. As per the records in Delhi he became the disciple of Hazrat Sufi Sarmad and did many endeavours and hard tasks there and for this reason Hazrat Sufi Sarmad had granted him the cloak of honour and given him permission to guide the disciples and general persons towards the right path of Allah.

Arrival in Deccan (South India).

He arrived in the Deccan (South India) in the reign of Sultan Abdullah Qutub Shah of Golconda kingdom. At that time there was great ignorance which prevailed in the area. He was settled down four miles away on the eastern side of Hyderabad city and now in that place his holy mausoleum is situated which is known as a great blessed place to the citizens of Hyderabad and other neighbouring areas.

Status.

He was famous for his following qualities. 1. *Majzub* (one lost in divine meditation). 2. Revelation. 3. Miracles. The people of the Deccan (South India) have complete faith and devotion with him so for this reason they used to visit him and get the favour and blessing of him. He was a great lover of Allah so for this reason he was always immersed and ecstatic in the love of Allah and he was a man of great miracles. Since long time the peoples of Hyderabad are extremely devoted to him. His mausoleum in Hyderabad which is famous since long time for the fulfilment of desires and wishes of the persons who visit his mausoleum there. During his life time large number of people of Hyderabad will come to see him and greatly benefitted by his prayers and also benefitted in his holy company.

Miracles.
During his time once the gardener of Nawab Ma’ali Parst Khan who was a minister of the Sultan Qutub Shah of Golconda kingdom came to see him and told him that “Hazrat my wife is pregnant and the delivery time is very near and I do not have any money with me and I am very poor. Frustrated by my poverty, I have come to see you. You please Hazrat have mercy on me.” Hazrat was in a state of ecstasy at that time and said “Go; Allah Ta Ala will help you.” On hearing this the gardener happily returned back to his home. When he entered his house he was coming to know the good news that a son was born. He has seen Anol (navel string) in the plate and so the gardener went outside of the house and went into the garden to dig the soil to bury the Anol (navel string) and upon digging the soil he got a cauldron full of gold. He was sure that he had received this cauldron through the blessing of the prayers of Hazrat Barahana Shah (May Allah shower his mercy on him) and after some time he mentioned this to the minister as well. The minister had three wives but there were no children. He came to see Hazrat Barhana Shah (May Allah shower his mercy on him ) and requested him for children. Hazrat said “The Lord Almighty is going to grant.” He gave Nawab a cup of water or some juice. The Nawab respectfully drank it immediately. And due to the prayers of Hazrat Barhana Shah ( May Allah shower his mercy on him ) he got children from his three wives.

Sultan Abdullah Qutub Shah’s Surprise.

One day Sultan Abdullah Qutub Shah has asked Nawab Ma’ali Parst Khan how many children he has? So he has replied him that, I do not know in this matter so I will ask my secretary and will inform you by tomorrow and present the list to you. The sultan was laughing at this matter and with surprise he has asked him “Khan Sahib before you do not have any children and now you have a large number of children and about their numbers you do not know and how it was becoming possible.? So Khan has explained him all details of his story and blessing of Baba Barhana Shah in this matter.

The Sultan’s presence in the court of Barhana Sahib.

Upon hearing all details of the event of Nawab Ma’ali Parst Khan an idea came into the mind of the Sultan Abdulla Qutub Shah that he
should present himself in the court of Baba Barhana Sahib and ask for his prayer for grant of male children. As there was no male child born so for the reason Sultan was much upset and worried in this matter. So Sultan has sent Khan Sahib to see Baba Barhana Sahib for his request of male child so sheikh has replied him to send Begum Saheba in the shrine. As sultan was willing to have a male child so sultan went along his Begum Saheba and with some other companions were entered into the shrine of Barhana Sahib. For their stay two small tents were arranged. In one tent sultan and his companions were staying and in another one Begum Sahiba was staying in which Barhana Sahib was entered and he started meditation there. An idea came into mind of sultan to find out the secret in this matter so he cut the some part of tent’s cloth in which his Begum Saheba was there and he watched that Barhana Sahib was busy in meditation and Begum Saheba was sleeping on the bed with small children. Upon Sultan’s look into the tent the small baby was suddenly disappeared from there and Begum Saheba while crying she stood from the bed and she began weeping. So this was secret of Allah which sultan has observed in the tent. Upon observation of the secret by the sultan and for this reason sheikh has finished his meditation and left the tent immediately.

In the early morning of next day sultan has visited Sheikh Saheb and request him to pardon for his great mistake in this matter and requested him with great humility for his prayer for children for him. So sheikh told him you did mistake due to your haste in this matter as we have already prayed for continuance of your lineage till the day judgment, but you have tried to find the secret of Allah in this matter and for this mistake you have lost your desire and wish. Upon hearing this sultan left the shrine area with great disappointment and sorrow and proceeded towards the capital of the kingdom of Golconda and till his life he could not forget and miss this great loss which occurred to him due to his mistake in this matter.

Death.
He was passed away from this world on 16th Jamadi Al-Awwal 1097 A.H. His blessed mausoleum is situated at the place where he used to stay in his life. He was perfect in the following things. 1.Secrets of truth. 2.Source of knowledge of Allah.

He was a great lover and devotee of Allah and he has spent his most part of life in the condition of starvation and also he has spent the whole nights in the worship and meditation of Allah. There are many miracles and events which he did in the area of the Deccan (South India) which helped for the propagation and preaching work of Islam.

He was used to cover his half lower body with the cloth to hide his great Velayat (saintliness) and for this reason he was well known as Barhana Badasha and for this reason he got this title. It is a well known fact which is heard from the pious persons of olden time that he used to walk some time with a small plate on earth with a fire in which he used to pour the soil and due to this reason there will be the fragrance of aloes wood and incense which will spread on the way for some time. The people of his time have reported that he was always in the grand majestical condition.

When he will use to blow on the grass then there will arise fire on it and when used to blow second time then the fire will diminish immediately. Whenever he used to take rest then he will use to sleep on the thorns. And he used to walk on water of the well which is located near his mausoleum. It has been famous for a long time that during the time of the spread of epidemics like plague, cholera and bubonic plague the citizen of Hyderabad used to visit him during his lifetime and get relief due to his blessing.
Even after his death the citizen of Hyderabad during the time of the spread of the epidemics used to visit his mausoleum and pray for his sake and get relief of the diseases. This clearly shows his great miracle for the relief of the epidemic diseases in and around the city of Hyderabad. 

Death.

At the age of 72 years he left the world in the year 1191 Hijri at 1.00 A.M. in the night time. There is no death for pious and holy personalities of Allah but as per the rules and regulations Allah transfer them one place to another and another world is better than this world and its transfer is well known as the death or the end of the life.

In the olden days it was the practice in Hyderabad city that the water of the well of the shrine is used to both bride and bridegroom then the marriage procedures will be commenced.

9. The brief biography of Hadrat Meran Ji Khudanuma Hussaini Saheb

Mausoleum of Hazrat Meeranji Khuda Numa Zia Guda Hyderabad.

Hazrat Khaja Bande Nawaz of Gulberga.

Syed Muhammad Hussaini, commonly known as Hazrat Khaja Banda Nawaz Gesu Daraz (July 13, 1321 -November 1, 1422), was a famous Sufi saint from India of the Chishti Order, who advocated understanding, tolerance and harmony among various religious groups. Gesu Daraz was a murid (disciple) of the noted Sufi saint of Delhi, Hazrat Nasiruddin Chiragh Dehlavi. After the death of Chiragh Dehlavi, Gesu Daraz took on the mantle of the successor (caliph). When he
moved to Daulatabad around 1398, owing to the attack of Timur on Delhi, he took the Chishti Order to South India. He finally settled down in Gulbarga, at the invitation of Bahamani Sultan, Taj ud-Din Firuz Shah.

Syed Meran Ji Khuda Numa.

He was a great Sufi saint of Deccan (South India) and belongs to the chain of saints who got Faiz (favour) from the great saint of Deccan (South India) Hazrat Khaja Bande Nawaz of Gulberga and Khaja Sahib’s brief introduction is mentioned in the first episode of this book. His name is known as Syed Meran and the following different names are also mentioned in the history books and in other books of biographies of the Sufi masters of Deccan (South India) area.
5. Syed Meran Khuda Numa Hussaini.

He belongs to Sadat Chain (descendant of the holy prophet through his daughter Hazrat Fatima) and in all above names the following name is common. ‘Meran’.

So the above name is well known and by this name he became famous and well known as Syed Meran. Meran Yaqub who was his caliph and who has spent most of his time with him and he has mentioned in his book ‘Shimal Itiqiya’ that his Murshed’s (master) name is Syed Meran. Also Amin Uddin Thani who was a disciple of Syed Ali Akber has mentioned in his book ‘Chaser Har’ that his Dada Peer (great grand master) Khuda Numa’s name is Syed Meran.

Hazrat Khuda Numa has mentioned in his poetry his names which are as follows.1. Meeran. 2. Syed Meeran.

The author of book ‘Auliya Bijapur’ and author of book ‘Miskawat Nibawa’ has mentioned his name as Hasan. After publication of the
book ‘Miskawat Nibawa’, many other authors who have mentioned the
details and information in their writings about Meran Ji Khuda Numa
and they have added the same details which were available in the book
‘Miskawat Nibawa’ but these details are added by them in different
styles and with some changes in their books. It is very important to
mention here that the author of book ‘Miskawat Nibawa’ has taken great
care and attention in the research work for his writings about Syed
Meran Ji Khuda Numa but such care and attention was not taken by
Abdul Jabbar Khan in writing his famous and well known book
‘Tadhkirtal Auliya Deccan’. For this reason in the name of Meran Ji the
addition of Hasan is right and correct and in this matter there may be
some reasons in it.

In the book ‘Miskawat Nibawa’ the author Shah Ghulam Ali added
the entries about Meeran Ji Shah which are without his knowledge and
without any reference in this matter so it is only his qiyas (presumption) that Khuda Numa’s name is Syed Meeran Hasan but this
portion of his name was not well known and also not become famous.
As per tradition and connection of Tariqat (mystic way of life) this
part of the name of Hussaini and the other part of the name Hasan
which are similar to the pronunciation so it is not easy to pronounce and
also with the name of Hasan and to add the name of Hussain which is
very hard and difficult to pronounce two names together and so it will
also not look good and also not useful and not practical. His title is
known as ‘Khuda Numa’. The disciples due to his ‘Anwar Marifat’
(light of knowledge) used to call him as ‘Khuda Numa’. The author of
book ‘Miskawat Nibawa’ has mentioned the following details in the
book.

“After completion of all stages of Saluk (mystic way) Meran Ji Shah
has entered in the city of Hyderabad and started his mission work of
calling the mankind towards the right path of Allah and due to his multi
services and benefits his title was became well known and famous as
‘Khuda Numa’.” So for this reason the large number of people
approached towards him in this matter and there was good and positive
results in their lives as they followed the tradition of Allah’s last prophet and Allah’s commandments for the success of their lives after the death. Lineage and Genealogy.

The details of his family connection are not available in the books of history and in the books of biographies. At present the custodian of his shrine is Syed Noorul-Ambia Hussaini and caretaker of the shrine is Syed Lutf Ullah Hussaini. The shrine is known as ‘Kamraqi Gumbaz (tomb)’ and which is located in Zia Guda in Karwan area of Hyderabad in the old area of Golconda fort.

As per the (Shajra) genealogical records of Syed Noor Wali Khuda Numa Thani and as per the historical records it clearly shows that is not the Shajra (genealogy) details of the family but it is Shajra (genealogy) records of the caliphs and in which it is clearly mentioned that Sheikhs after Hamidullah Hussaini all our ancestors (Ajdads). In this Shajra (genealogy) records and in all other documents of their family connections there is no mention of Meran Ji’s father’s name. But as per the statement of former custodian Syed Noor Wali Khuda Numa Thani, Meran Ji’s father’s name is Shah Qasim Mahmood. But in the shrine area of Khuda Numa one person Haider Ali lived there and who had worked there as shrine’s Qadim (servant) and as per his brief Shajra (genealogy) record by order of Chistia and Quaderia and in the Shajra (genealogy) records of Quaderia order it is mentioned the name of Shah Mahmud Abdul Haq upon the name of Khuda Numa and after the name of Khuda Numa all other names which mentioned are same as per Shajra (genealogy) records of Chistiya order.

As per the information of former shrine care taker Haider Ali, Khuda Numa’s father’s name is Shah Mahmood. This Shajra (genealogy) records are found correct because it was recorded by the father of the former custodian of shrine Syed Thani Amin Uddin Hussaini and it was written on 18 Jamid Awwal in the year 1331 A.H.

As per Shajra (genealogy) records of one famous pious personality of Hyderabad Syed Ismail Zabihullah Shah and who was caliph of Hazrat Iftakhar Ali Shah Watan and in his Shajra (genealogy) records it is
mentioned the name of Syed Meeran Ji Khuda Numa in the ninth generation. For the details of disconnection of Shajra (genealogy) information of Meran ji and this information will be discussed in this book in the other part in which the details of his sons are mentioned.

In the above Shajra (genealogy) records it is mentioned the name of Syed Mahmood Balutf Mabud above in the name of Meran Ji and in the name of Syed Mahmood the name of Syed Baderuddin Habibullah is mentioned and from this name to Sheikh Abdul Quader Jilani are mentioned and also the Shajra (genealogy) connection of Sheikh Abdul Quader Jilani is also available there. As per the above Shajara (genealogy) records Meran Ji’s father’s name is Syed Mahmood Balutf Mabud. This is the same pious person who became famous with the name of Sheikh Mahmud Wahan and who was the caliph of Burhanuddin Janam and who was master and Peer (religious teacher) of Aminuddin. Mahmud Khush Dahan was the niece (sister’s son) of Shah Abul Hasan Quaderi and he was also daughter’s son of Syed Baderuddin Habibullah. As per records of book ‘Rauzatul Auliya’ Mahmud Khush Dahan was a disciple of his grandfather. The compiler of book ‘Miskiwat Nabwa’ has mentioned that Mahmud Khush Dahan got the caliphate of Quaderia order from Shah Abul Hasan. The clarification of the above reference is as follows. “That Mahmud Khush Dahan was a disciple of his grandfather but he got caliphate from his uncle.”

As per the records and biographies of saints of Deccan (South India) it is not right that Marian Ji belongs to the son of Mahmud Khush Dahan. In the details of Bait (pledging spiritual allegiance) of Meran Ji with Hazrat Amin Uddin Ala this reference is mentioned in many biographies of Deccan (South India) but in such records it is also not mentioned that Meeran Ji’s father’s name is Mahmud Khush Dahan and for this reason the above reference is not acceptable so it is totally wrong. But is possible that Meran Ji Khuda Norma is the brother of Tariqat (mystic way) of Syed Khudawand Hadi and Syed Khudawand Hadi’s caliph Shah Meran I had obtained the permission for the use of Shajra (genealogy) of Quaderia from Mahmud Khush Dahan but it is also not
right because this matter there is no reference and history records are not available. For this reason without correct record and references of biographies and history details of Deccan (South India) it is not correct to accept Meran Ji’s father’s name and also other details of his family links and all other connections are not confirming the above details.

As per his family traditions and other details of information It may be possible that his father’s name may be as follows. 1. Shah Qasim Mahmood. 2. Shah Mahmood Abdul Haq.

But his father’s name as Mahmud Khush Dahan is not correct and which is also not find in the history records and other books of biographies. But it is found correct that his nasab (genealogy) is from Syed (descendant of the holy prophet) chain which is mentioned in many books of biographies of the holy saints of Deccan (South India).

Year of his birth.

The Meran ji’s birth year is not available in the books of biographies and history books of Deccan (South India) but his caliph Meran Yaqub has mentioned his age as 70 year old in his book of ‘Shamil Ityaqi’ and year of death as 1074 A.H. Meran Yaqub was his disciple and may be his caliph so his entries in his book will be accepted as authentic records of his history. So as per the above records of Meran Yaqub about Meran Ji’s year of birth may be 1004 A.H. But as per the writings of Abdul Haq that he found a copy of his book ‘Sharah Tamhidat’ which was written in the year 1012 A.H. And this is correct and at that time of Meran Ji’s age was 35 years old and below than this age in which it is not possible to write Sharah (commentary) of any book due to Istadard (qualification) and knowledge. The mistake of wrong writing of the year is clear in the copyist’s following lines.

The copyist pretended himself as a servant of the great shrine of Meranji which shows his mistake as he was written that after the death of Meran Ji in the year 1112 A.H. This mistake about the year is also clear in the statement of Meran Yaqub and which is very authentic and perfectly correct in the right direction.
About his employment. About Meran Ji’s employment, the compiler of the book ‘Miskawat Nabwa’ has mentioned the following details. The following details were also mentioned in many other biographies and history books of Deccan (South India) but Abdul Jabbar Khan Sufi mentioned Ibrahim Adil Shah instead Sultan of Bijapur in this matter.

Sultan Abdullah Qutub Shah of Golconda kingdom was crowned in the year 1035 A.H. and in the year 1037 A.H. Ibrahim Adil Shah Thani was died. So Meran Ji was sent to Bijapur upon crowing of Sultan Abdullah Qutub Shah of Golconda when Meran Ji’s age was not more than 32 years. So in this younger age a person is able to perform important diplomatic mission work but the kings used to send old and experienced persons in their diplomatic mission work between the two kingdoms. So sending of Meran Ji who was still young seems to be not wrong. So it is also not clear why Abdul Jabbar Khan Sufi has mentioned that Meran Ji was sent to Ibrahim Adil Shah Thani but he has not mentioned any historical records in this matter. In this matter Dr. Zoor has mentioned in his book ‘Tadhkirta Urdu Maqtuat’ the following details and information which are as follows.

“That Sultan Abdullah Qutub Shah of Golconda kingdom has sent him to Bijapur for diplomatic mission work in the year 1046 A.H. and while during his stay there he became devotee and Mureed (disciple) of Shah Aminuddin Ala and left the employment of the sultan of Golconda kingdom.” So it is not clear why Dr. Zoor mentioned the year 1076 A.H. and the above details in his book but he has not mentioned any historical references in this matter.

So the above year 1076 A.H. is not correct because in this year 1076 A.H Ali Adil Shah Thani was crowned and at that time Meran Ji’s age may be 63 years. So at that age he will be in perfect position to perform his diplomatic mission work between two kingdoms. But to accept the above year 1076 A.H. as per the above statements is not correct and right. Due to the crowning of some kings there will be some problems between neighbouring states but these problems will arise in the course of time and to settle such problems and matters the diplomatic missions
will used to visit the kingdoms to negotiate and settle the problems and other disputes peacefully and smoothly.

Sultan Abdullah Qutub Shah of Golconda kingdom ruled from the year 1035 A.H. to 1083 A.H. So during this long period of 48 years of rule of above the king, Meran Ji was sent to the Bijapur city for attending some important diplomatic mission work of the kingdom of Golconda. To accept the year 1076 A.H. Without any historical record and reference from the biographies and for this reason it is very difficult and not useful at all because upon returning from Bijapur Meran Ji left the employment of the sultan of Golconda kingdom and started the work of preaching and propagation of Islam to the people who were searching the right path towards Allah.

He left his high level job of the Golconda Court.

He left his high level job in the Golconda Court of Sultan Abdulla Qutub Shah for the sake of his work of preaching and propagation mission of Islam as per traditions of Allah’s last prophet in the foreign land so in this way he left his high level job of earning money and wealth and higher status and settled down in Abdullapur area of Golconda kingdom on trust of Allah and he was most successful in this matter and the details of his grand progress and positive results are mentioning as follows.

He was most successful there for the general training of a large number of disciples and devotees. He also arranged special training of many persons and awarded them saintly dresses. He was responsible for the training and teaching of disciples and Mutiqid (devotee) persons and also he was successful in writing many books on Sufism and on the Islamic subjects and these books were mentioned by many authors in their books. His books were written for the purpose of preaching and propagation work of Islam as well as training and teaching purpose of his disciples and devotees in the area of the Deccan (South India).

His greatest achievement and best record is that he has successfully translated the book of ‘Sharah Tahdidat’ from Persian to Deccani language which is a very long book having 600 pages. So this book
shows his great work of translation which is not possible in two years time. So while teaching and preaching work of disciples and devotees, the translation of above work which is well known and it was done in between the year 1067 A.H.to 1074 A.H. and which seems to possible but it is very difficult and hard task which was done in the above short period of time.

So till his departure on his diplomatic mission to Bijapur, Meeran Ji was an employee of the Sultan Abdulla Qutub Shah of Golconda kingdom and he used to perform his duties sincerely to the entire satisfaction of the king and for this reason he was well known as most sincere employee among other persons in the royal court of Golconda kingdom. Due to his high level of character and conduct the king has selected him to perform his diplomatic mission duties between the two kingdoms for the settlement of some important works of the two neighbouring states.

Upon leaving the royal job of Golconda court Meran Ji started his life on the trust of Allah. There are no records available for the grant of any royal funds or Jagirs (estate) or lands as well as pensions and in this matter the former custodian of the shrine Shah Noor Wali has some documents and important papers with him. But with him also some documents showing the royal grant of daily allowance of one Rupee are available to him from the Hyderabad Government. Also the above grant was renewed by the king to his successors and not to Meran Ji. So while checking these documents and records it is not known that the grant was sanctioned to Meran Ji.

In the Meran Ji Khuda Numa’s shrine there is a large area of open land and one well is available there and these properties were not purchased from the royal grants but these properties were purchased by Meran Ji or his successors only. During the year 1202 A.H. there was a fire accident in the room of the shrine in which purchase deed of land, Meran Ji’s Tabrukat (relics) and his books were damaged. But in the year 1203 A.H. during the rule of king Nizam Ali Khan the purchase deed was renewed and awarded to the successors of the shrine and these documents were still available with the custodian of the shrine.
Sons.

As per reference of Quader Khan Munshi who was author of book ‘Tadhkiratal Quaderia’ and Ghulam Hussain who was author of book ‘Gulzar Asifia’ and these two authors have mentioned that Meran Ji has one son and his name is mentioned as Amin Uddin Thani and who was succeeded after his father’s death. The compiler of book ‘Miskawat Nibwa’ and ‘Tadhkira Auliya Deccan’ has also mentioned that Meran Ji has one son and one daughter. Meran Yaqub author of book ‘Shamil Etiqia’ has mentioned about his son in law and his son. The author of book ‘Gulzar Asifia’ has not mentioned about his daughter but he has mentioned about his daughter’s son Shah Meran Hussaini.

Khuda Numa’s son Ali Amin or Shah Amin Uddin Ali or Shah Amin Uddin Thani became his successor and for a period of four years he was engaged in the teaching and preaching of Islamic work to bring the people on the right path towards Allah and he was died in the year 1074 A.H. But there are no details of sons of Amin Uddin Thani available in the records. The author of book ‘Auliya Deccan’ has mentioned that he has no sons. Many authors have mentioned that Aminuddin Thani’s sister has two sons and their names are as follows.

2. Shah Meran Hussaini.

Hazrat Aminuddin Thani has granted caliphate to the above two sons of his sister. One year before his death he requested Syed Bade Shah Hussaini to act on his behalf and follow all activities as an in-charge person inside and outside of the shrine. The other son of her sister Shah Meran Hussaini was obtained permission of his Murshed (master) and uncle Aminuddin Thani and shifted to Dhooolpet area in Hyderabad and he settled down there and started preaching and propagation work independently and his mother who was daughter of Meranji Khuda Norma used to live with him. He was died in the year 1140 A.H. and he was buried in the tomb in the mosque of Ghanullah Shah in Mangalhat Hyderabad and his tomb is same like Meran Ji’s tomb in Zia Guda in ‘Kamruqi’ style. His son Amin Uddin Asghar became his successor upon
his death. The compiler of the book ‘Miskawat Nibwa’ has mentioned the following details about Shah Meran Ji Thani which are as follows.

Bade Shah Hussani was busy for a long period in the work of preaching and propagation of Islam. He was Salek Majzub (one lost in divine meditation) and one day in his condition of Jazb (passion) he left from the tomb of Merani Ji and has reached in the village Musalimadgh and he hid himself there for a period 12 years in the mountain area. When the relatives have got this information then one of his relative Syed Shahbaz Hussaini has brought him back to Hyderabad from there. Upon his return from there he has continued his work of preaching and propagation for a period of some years and died.

Meran Yaqub has mentioned that he has started the translation of book ‘Shamil Etqia’ during the period of Shah Meran Ibn Syed Hussain’s caliphate and it refers to the period after the death of Bade Shah Hussain when there was no successor available for a period of 12 years for the caliphate of Meran Ji and during this period disciples and Matqdin (devotees) naturally thought that Shah Meran as successor of Meran Ji.

The compiler of the book ‘Miskawat Nibwa’ has mentioned that Bade Shah Hussaini has two sons and their details are as follows.

Bade Shah Hussaini has granted his saintly dress to his son Akber Syed Ali Saheb and his second son Bade Shah who was majzub (one lost in divine meditation) and he used to live with his brother and he became his successor upon death of his brother Akber Syed Ali Saheb and as per reference of the book ‘Miskwat Nibwa’ he has left no sons after him and for this reason his sister’s son Shah Hamidullah Hussaini who was his son in law became his successor.

As per reference from the book ‘Miskwat Nibwa’ in which it is mentioned that upon death of Shah Hamidullah Hussaini his son Jamalullah Hussain became his successor and continued the work of preaching and propagation of Islam successfully and former custodian Noor Wali Saheb belongs to the sons of Shah Hamidullah Hussaini.
As per genealogical (Shajra) record of the caliphate of the Khuda Name in which the details and information up to Jamal Hussaini have been recorded from the book ‘Mishkawat Niba’ and other details and information have been taken from ‘Mamlok Shajara’ prepared by Shah Noor Wali and in the above ‘Mamlok Shajra’ the details of deaths and other information have been taken from book ‘Shamil Etqia’. Syed Ali Hussain’s year of death was recorded from the book ‘Miskawat Nabwa’. The detail of record of death from Hamidullah Hussaini to Syed Thani Aminuddin Hussaini have been taken from the records and documents of grant of daily allowance which belongs to Noor Wali Saheb. The above details and year of deaths are mentioned as follows.

Syed Noor Ambia Hussaini (present custodian)

The author of the book ‘Miskawat Nibwa’ has mentioned about death of Hamidullah Hussaini and his one son Jamalullah Hussain but as per record of daily grant of allowance it is clear that Hamidullah Hussain has one more son and his name is known as Syed Ali Hussaini and it is strange that after the death of Hamidullah Hussain the daily allowance was transferred in the name of Syed Ali Saheb and after him the daily allowance was transferred to his son Syed Jamalullah Hussaini.

As per reference from the book ‘Gulzar Asifia’ in which it is mentioned that Shah Amin who was born in Kurnool belongs to Meran Ji and this information is not found correct so it is not acceptable because Meran Ji’s chain of a son was finished upon Amin Uddin Thani and so the chain of their family members was also coming to an end upon Syed Ali Hussaini who was the son of Bade Shah Hussaini.

Bait (pledging spiritual allegiance) and caliphate.

The details and information of his Bait (pledging spiritual allegiance) and caliphate have been mentioned by all authors that Sultan Abudallah Qutub Shah (1035-1082) has sent Meran Ji to visit the kingdom of Bijapur on the diplomatic mission work for the settlement of some affairs of the kingdom. Upon fulfilling his diplomatic mission duties in Bijapur city he was planning to return back to Golconda kingdom and at that time he came to know that Hazrat Aminuddin Ala who famous and pious saint of Bijapur has come out of his room of worship and large of persons were coming to visit him there for the fulfilling of their desires and wishes and as well as for his teaching and training by his wisdom of knowledge by his kind grace and due to kindness of Allah. For the above reason Meran Ji was anxious to visit him for his desire of his heart to see him in this matter. So he went to see him and has watched his Jamal Mubarak (kind grace).

Hazrat Aminuddin Ala due to his practice in which when there will be decrease in the Galba Hal (passion of ecstasy) then he used to come out of the worship room and used to teach and preach Islamic commandments and other details to the mankind and he used to sit
while looking down to the earth and scratching the soil and when he look at the gathering then all persons in the gathering used to put down their heads and all authors of the books of biographies of Deccan (South India) have mentioned these details in their books. So on that day Hazrat Aminuddin Ala was sitting there while his head was down and he was scratching the soil and by chance he has looked at one stone and asked the persons of gathering what the stone is saying?. The caliphs and disciples were unable to reply in this matter.

After some time Hazrat Aminuddin Ala again has asked the above question but nobody was not able to answer in this matter. So for this reason Meran Ji was proceeding further to reply the above question and has slowly told the caliphs that if there will be permission from them in this matter than he can answer this question of the sheikh. So the caliphs and all other persons asked him to be silent in this matter as they do not have ability to reply in this matter so how another person will be able to reply this question.? For this reason Meran Ji was become silent and could not reply in this matter. Then the sheikh was told them “Oh: people of the gathering if Meran Ji want to say something so allow him in this matter. “

Upon getting the permission from the sheikh, Meran Ji reached near the sheikh and paid his great respect and honour to him and replied in this matter “Dear Khaja, the stone is said that one who was Aminuddin was become God and one who was God was becoming Aminuddin.” When the Sheikh heard his reply of wisdom then he stood and caught the hand of Meran Ji and took him into his room of worship. After some time he kept him in his room and made him seem like him and asked him to go out of the worship room. When Meran Ji upon getting his status of the Fana Fil Sheikh (morality for the sake of his master) and came out of the worship room and then all persons thought him as Hazrat Amin Uddin Ala and so they put down their heads and when their heads were up and they saw Meran Ji was there so for this reason all were ashamed in this matter. At that time Hazrat Aminuddin Ala came out of the worship room and told them “One who was
Aminuddin became Meran Ji and one who was Meran Ji became Aminuddin.”

After this event upon taking his *Bait* (pledging spiritual allegiance) he kept him in his company for some time and trained him and awarded him saintly dress and caliphate and asked him to proceed towards Hyderabad for the preaching and propagation work of Islamic religion in the area of the Deccan (South India). Meran Ji came to Hyderabad and left his royal court job and started his teaching and propagation work. Due to his hard tasks and endeavours the largest number of people in Hyderabad are able to know *Marafat Ilahi* (knowledge of Allah) and for his great successful work and good results the people started to call him ‘Khuda Numa’ and so for this reason this name has become his title.

For the training and teaching as well as for the propagation of Islamic work he was written many magazines on the Islamic subjects in Deccani language for the guidance of the large number of disciples. Despite of trainings and teaching work of the large number of his disciples he was busy in the work of writing many books and it is also a fact that due to his above many works he got *Huzur Qalab* (presence of heart) with him.

Due to his above many works are due to his thinking that he got *Huzur Qalab* (presence heart) or due to some other reason he was not in contact with his Sheikh Aminuddin Ala and also could not able to send his letters or messages. For this mistake some persons have informed the sheikh that Meran Ji in Hyderabad due to his popularity of saintly status and great position has overlooked him and neglected him and the sheikh told them that “We have made him like us so he could not do like this and if you do not believe in this matter then we will prove his *Iradat* (devotion).” Upon this sheikh has called one dog which came there immediately and the sheikh wrote something on the paper and tagged the paper under his neck and ordered the dog “Go to Hyderabad and bring reply from Meran Ji.” As per his order the dog left for his journey to Hyderabad from Raichur city. When the dog reached near Hyderabad city Meran Ji came to know about his arrival and went to
the outside of the city to welcome the dog along with his many disciples and friends with palki (palanquin) and brought the dog in the palki (palanquin). Meran Ji along with others supported and carried the palki (palanquin) on their shoulders and brought it to the city with great respect and honour.

The city people watched the procession of palanquin (palki) which passed from many roads and streets and they noticed the greatest respect and honour of Meran Ji towards his master’s messenger as his master was the great sheikh of his time. On reaching his residence he asked the dog to sit on the masnad (throne) and paid his great respect and stood before him while folding his hands for his honour and attention in this matter. When Meran Ji came to know that the dog want to return back to city of Bejapur then he wrote letter to his master and tagged it on the dog’s neck and went along with the dog with many disciples and friends to send him back to his place and Ruqsat (farewell) the dog to Bejapur and in this matter Meraj Ji covered a long distance from his residence to outside of the city of Hyderabad.

When the dog reached back to Bejapur and sheikh read Meran Ji’s letter of great sincerity and kind respect and honour. He also came to know the details of great respect and honour of Meran Ji to his dogs by the followers of dogs as they went to Hyderabad with him and came back from there to Raicher and they have explained him all events of Hyderabad and Meranji’s great welcome and farewell of his dog. So for this reason the persons who complained about Meran Ji were ashamed of their mistakes and wrong thinking and misunderstanding on this matter.

The author of the book ‘Roudhatul Auliya’ has mentioned that Hazrat Aminuddin Ala has many caliphs but following three were famous and they did many miracles as well as they did great endeavours for teaching and training work of the disciples. 1. Syed Shah Khudawand Khuda Numa Chincholi. 2. Shah Meran Ji Syed Hasan Khuda Numa. 3. Quader Linga Ankal Kotal.

As per ‘Idare Adabeyat’ Urdu’s records of shajra (genealogy) the details of following three caliphs of Hazrat of Amin Uddin Ala are
available. 1. Shah Fatah. 2. Shah Qasim. 3. Baba Saheb. Author of the book ‘Tadkirtal Quaderia’ and other authors of the biographies have mentioned only about the caliphate of Baba Saheb but they have not mentioned about Shah Fatah and Shah Qasim. Author of the book of ‘Miskawat Nibwa’ and ‘Gulzar Asifia’ has mentioned that Hazrat Murad Shah Dhoti’s master name is Shah Fazil who was caliph of Hazrat Aminuddin Ala.

Hazrat Aminuddin’s one more caliph’s name is Syed Shah Mohamed Quaderi and who was famous for his great endeavours and miracles and for this reason his title is known as ‘Ba Noor Dariya’ and this reference is available in the book ‘Roudhatal Auliya’s Urdu translation work and which is added in the section of ‘Auliya Raichur’. The following are eight caliphs of Hazrat Aminuddin Ala.
1. Shah Quader Lingakotal native of Sehun.
2. Shah Khudawand Khuda Numa.
4. Shah Fatah.
5. Shah Qasim.
7. Syed Shah Mohamed Noor Dariya.
8. Baba Saheb.

The authors of books ‘Miskawat Nibwa’ and ‘Tadhkira Quaderia’ have mentioned some following details about his three caliphs of Hazrat Amin uddin Ala and which are very interesting to read. Quader Lingaankal Kotal was pious person but he was a Majzub (one lost in divine meditation). During Galba Hal (passion of ecstasy) he was unable to follow the Shariah (Islamic) law and for this reason he was called half caliph. As Majzub (one lost in divine meditation) used to act Kuaraq (miracle) things so for this reason the disciples used to think that Shah Abdul Quader Ling Band as complete caliph and they also think that Meran Ji as half caliph. As per records and references of books of
biographies it is accepted that Khudawand Hadi was complete caliph and who was greatly benefitted and favoured by Meran Ji.

Sufi order of Chistiya and Meran Ji.

The Sufi Order of Chistiya is famous from Hazrat Khaja Bande Nawaz to Hazrat Aminuddin Ala and also from Meran Ji to present custodian of Meran Ji’s shrine the chain is same (Chistiya) and this also belongs to Meran Ji’s sons and successors.

Hazrat Khaja Bande Nawaz Gesu Daraz died in the year 825 A.H.
Shah Jamaluddin Maghrabi.
Shah Kamaluddin Biyabani.
Amir uddin Meran Ji Shamul Ashaq 902-922 A.H.

Syed Meran Ji Khuda Numa death 1074 A.H.
Aminuddin Ali Thani death 1078 A.H.
Bade Bada Shah Hussaini
Syed Ali Hussaini death 1160 A.H.
Syed Hamidullah Hussaini death 1182 A.H.
Syed Jamalullah Hussaini death 1235 A.H.
Syed Hamiullah Hussain Thani death 1261 A.H.
Syed Shahwaliullah Hussaini death 1295 A.H.
Syed Shah Thani Aminuddin Hussaini death 1332 A.H.
Syed Noor Wali Khuda Numa Thani Hussain.
Syed Nur Ambia Hssaini present custodian.

Some caliphs of Hazrat Aminuddin Ala have also obtained caliphates from the Sufi order of Quaderia and the details are as follows.
3. But the details of Meran’s Ji caliphate of Quaderia is not available in the books and in the other reference books. As per Shajra (genealogy) records of Chistia and Quaderia Orders which was found with Hyder Ali who was served of the shrine and the details are as follows and this information is useful for the research and reference work in this matter.

It is very surprising to note that Shajra (genealogy) details of the Sufi order of Quaderia were prepared by the former custodian’s father Syed Thani Aminuddin Hussaini but he has ignored the following two names in between Bade Shah Hussaini and Jamalullah Husaini.1. Syed Ali Hussaini. 2. Syed Hamid Ullah Hussaini. The above two were famous saints of these chains.

Shajra (genealogy) details of Quaderia Sufi order.
Shah Mahmood al Haq.
Syed Meran Ji Khuda Numa.
Syed Thani Aminuddin Hussaini.
Syed Bade Shah Hussaini.
Syed Shah Jamalullah Hussaini.
Syed Shah Waliullah Hussaini.

The above details of Shajra (genealogy) records of Quaderia order were prepared by Syed Thani Aminuddin Hussain who was the former custodian of Meran ji’s Kamraqi (design) tomb shrine on 18th Jamadil Awwal in the year 1331 A.H. The above Shajra (genealogy) details are not complete and not having full details and the data is not valid for the research work and information on this matter. There is revayat (consideration) which is coming into the family of the Meran Ji since a long time that Meran Ji’s father’s name is Shah Qasim Mahmood and if this reference is correct then it is possible that Meran Ji has obtained the permission of the Sufi order of Quaderia from his father. But this saint Sheikh Mahmood Shirin Dahn is a not niece (sister’s son) of Abul Hasan Quaderi.
Caliphs
In this matter there is no information available in the books of history and biographies as well as in other reference books in the libraries about the saints of Deccan (South India) area. Despite of hard tasks and endeavours the information about five caliphs were found and the details which are mentioned as follows.

2. Shah Meran Yaqub.

Shah Meran Yaqub in his translated book ‘Shamil Etqia’ has not mentioned about his caliphates but he has mentioned many other details of teaching and training work of the disciples and favours of Meran Ji in such an interesting style which shows that he was his caliph. The details of Meran Ji’s third caliph Shah Abdul Halim’s reference is available from ‘Idare Adbayat Urdu’s caliphate (Khilifat) information in which there is information about him that he belongs to the caliph of Khuda Numa.

The above Shijra (genealogy) information also confirms the connection link of caliphate with a picture which belongs to Hadeer Ali Saheb in which it is shown that Meran Ji is sitting on the masnad (throne) and before him Amin Uddin Thani is standing with morchel (fan made of peacock feathers) in his hand and one more pious person is also standing in his backside with his morchel (fan made of peacock feathers) in his hand and his name is mentioned as Baba Halim. The above information is also confirmed in the book ‘Sarah Irshad Nama’ in which the details of his caliphates are mentioned. His fourth caliph’s name is Shah Babberullah Hussaini and this information is available in the book ‘Tilwatul Wajud’ and which was written by his disciple Maqdoom Shah Hussaini and other details from the above book are as follows. In the book ‘Miskiwat Nibwa’ it is mentioned that Meran Ji’s fifth caliph’s name is Syed Suharab Razvi.

The details of caliph’s Meeran ji.
2. Suhrabuddin. From the above connection of the caliphs their further links of caliphs are mentioned here under as follows.

1. Syed Amin Uddin Thani, son and caliph.
2. Shah Meran Ji Dhoolpet, sister’s son & caliph.
3. Amin Saheb, son and successor, died issueless.

1. Amin Uddin Thani Ali Thani.
2. Bade Shah Hussaini, sister’s son and successor.
4. Hamid Ullah Hussaini, sister’s son and successor.
5. Syed Jamal Ullah Hussaini, son and successor

2. Mir Abu Saleh Sirmast Hussaini Chisti.
5. Sheikh Mohammed Chisti.
7. Syed Abdul Jalil.

His books.

In the chain of Khaja Bande Nawaz of Gulberga there was a tradition of writing books on Sufism and on Islamic subjects in the Deccani language so for this reason many disciples and caliphs have written many books for the guidance of general people for the preaching and propagation of work of Islam as well as teaching and training of disciples in all areas of Deccan (South India). The main purpose of the above books was for the preaching and propagation of Islamic work in the Deccan (South India) and in the other areas of India.

Meran Ji wrote many books for the above purpose in Deccani (South India) language in prose and poetry. This tradition of writing books on Islamic subjects was to call the local persons on the right path towards
Allah and those books were becoming very popular among the disciples and caliphs. There is no information available about Meran Ji’s disciples and caliphs, so in this matter we can say that many of them have also written so many books as per the tradition of time to enlighten the general public and such books may be available but we do not have information about such books and literature in this matter so we could not get any benefits from those best books of Sufi masters who wrote the books for the preaching and propagation purpose and in those books the knowledge of Islam is available.

So for this reason the research work and reference of those books are very important. From those old authors only two authors were found by hard task and research work. It is very important that Meran Ji wrote books which have great *Faiz* (favour) and knowledge with them. So in this matter Meran Ji’s name will regarded an important author who wrote many books of Sufism and Islamic subjects which helped to preach and train the disciples and caliphs and also which helped the work of propagation of Islam in the area of the Deccan (South India) by the grace of Allah.

1. Shah Meran Yaqub who was his special disciple and his caliph and who wrote ‘*Shamil Etqia*’ in which he mentioned that Meran Ji’s son and his caliph Ali Amin Uddin has asked him to translate the above book in Deccani (South India) language from Persian but at that time he could not pay attention in this matter. When Amin Uddin was died in the year 1078 A.H. and his sister’s son Shah Meran Ibn Syed Hussain became his caliph and during his period Meran Yaqub showed his great interest in the translation work of book ‘*Shamil Etqia*’ and completed it and presented to Shah Meran and Baba Ibrahim and both of them thoroughly checked it and liked the translation very much and appreciated his hard work of the translation.

1. *Shamil Eqtia’s* author Rukunuddin Emad was the caliph of Shah Burhanuddin Gharib and who wrote the above book and there are many chapters added in it and in which he mentioned synopsis of the books of many holy saints who left the world after their hard tasks and endeavours for the preaching and propagation of Islamic work.
Meran Yaqub has done his task in perfect balance and due to this reason his translation work of the above work seems to be his own work and not the translation due to book’s smooth language and best language work. Book ‘Shamil Etqia’s one copy is available in the library in ‘Nawab Salar Jung’ and two copies are also available in the library of ‘Idare Adbaiat Urdu’ Hyderabad.

2. Syed Ali Akber, One copy of Syed Ali Akbar’s book ‘Chay Sirhar Har’ is available in the library of ‘Nawab Salar Jung’ with catalogue number 226. But on the book author’s name is not available so for this reason Naseeruddin Hashmi wrote this book’s title as a magazine of Sufism. As Hashmi could not know the author’s name so he remarked on this matter that Ali Akbar may be the same person and whose details are available in ‘Tadhkirtal Auliya Deccan’ and who came to Hyderabad from Peshawar city. But by checking inside pages of the book it is clear that the book’s author may be a disciple of Aminuddin Thani and who wrote the praise of Syed Meran and Aminuddin Thani in the first pages of the book in poetry and in ‘Chay Sirhar Har’ the details of teaching and training as well as other details of information about Syed Meran Ji’s have been added.

Book ‘Chay sirhar Ha’s one copy is available with Zabih Allah Shah Saheb who is the caliph of the Iftaqar Ali Shah Watan. The author wrote this book in the format of ‘Nau Sarhar’ of Ashraf which is Masnavi (verse comprising couplets) and but this book is in prose. The author has added poetry in the beginning and ending of the book and in this book there are 165 pages.

He was a disciple of Meran Ji’s caliph Barberullah Hussaini. He wrote his magazine ‘Tilwatul Wajud’ and this magazine’s name is mentioned in some copies as ‘Meratal Salikin’ and ‘Sawal Nama’. This magazine is available in ‘Asfia Library’ Hyderabad with catalogue number 621 and in the library of ‘Salar Jung’ Hyderabad and its one copy is also available with title ‘Sawal Nama’ but its catalogue number is not available but in tarqim (details) it is mentioned as follows.
1. ‘Tilwatul Wajud.’
2. ‘Meratal Salikin.’

From the above magazine of ‘Sawal Nama’ and from its sarnama (title) and in its tarqim (details) there is information about native place of Maqdoom Shah is available. ‘Sawal Nama’ This magazine was written by Maqdoom Shah and whose native place has mentioned as Bilkanoor. In some copies of this magazine and in its introductory notes its author was mentioned as Syed Mohamed Maqdoom Banda Nawaz. As there was practice of writing the name of Bande Nawaz with Maqdoom in the olden days in the Deccan (South India) so in this matter without checking the author’s name it was written the wrong name instead of Maqdoom Shah Hussaini. This magazine’s four copies are available in the library in ‘Salar Jung’ Hyderabad and one copy is also available in ‘Asfia Library’ Hyderabad.

4. In ‘Idare Adbiat’ Urdu Hyderabad there is one book with title ‘Gunj Maqfi’ is available as per catalogue number 837 and there is no taking (details) on it and poet’s name as well subject of the book is not available. But in its last line of poetry it is mentioned that its author is a disciple of the following persons. 1. Maqdoom Shah Hussaini. 2. Shah Sultan Thani.

From the above information it is possible that an author may be same Maqdoom Shah Hussaini who was caliph of Babberulla Hussaini. So the author has made his allegiance (pledging spiritual allegiance) with Shah Sultan Thani and who belongs to the saint of the Quaderia order of Sufi masters. This ‘Masnavi’ (verse comprising couplets) book has 65 lines of poetry and deals with the following subjects in this book. And the copyist’s name is also available in the book as Alimuddin Shah Chisti.

5. Mir Abu Saleh Sarmast Hussaini Chisti.

Five copies of ‘Irshad Nama’ are available in the library of ‘Salar Jung’ Hyderabad. This prose book is about Sharah (commentary) of some lines of poetry of long ‘Masnavi’ of Burhanuddin Janem and this Sharah (commentary) is best in its narrative form and its impressive
styles so for this reason it became a permanent authentic magazine. In these magazines there is a difference of its contents and on some magazines there is no targim (details) available. And some magazines have been accepted that its author is Burhanuddin Janem. Because the magazine is about ‘Sharah’(commentary) of poetry of ‘Masnavi’ of Burhan Uddin Janem. There is one copy of this magazine with catalogue number 210 and in which there are eight lines of poetry have been added by the author at the end of the magazine.

In its last poetry line It is mentioned that this magazine’s author is Sarmast and who is a disciple of Halim Shah Quaderi. On the information of the caliphates of ‘Idara Adbiat Urdu’ Hyderabad it is mentioned that Shah Abdul Halim Chisti is the caliph of Meran Ji. In the above information it is also mentioned that Mir Abu Saleh Sarmast Hasan Chisti is the caliph of Shah Abdul Halim Chisti. Now the question in this matter is left that in Halim Shah’s magazine it is mentioned Quadria order and in the Shajra (genealogy) information it is mentioned as Chistia order so it is not so important because the Sufi personalities of Chistia and Quaderia orders were used to get permission of caliphates from one sheikh and sometime they used to get permission of two different sheikhs separately in this matter. So it is possible that Halim Shah have obtained the permission of caliphate of Quaderia orders from any sheikh of this chain.

Bio Links.

Hazrat Sheikh Abdul Quader Jilani’s one name is Meeran Mohiuddin. So for this reason many holy saints used this name for their children as Meeran and Syed Meeran. Hazrat Meeran Ji Shamal Ashaq’s name is Amir Uddin and alias Meeran Ji and Shamal Ashaq was his title. On the information of the caliphates of Shams al Ashaq it is mentioned that Shams al Ashaq alias Meeran Ji and his grandson’s name became so much popular that many persons named themselves as Meeran Ji for their children. For the above reason even after more than two centuries due to similar names of authors there is great confusion in this matter and due to this reason Marian Ji’s Shams Al Ashaq’s books were recognized by Aminuddin Hussain.
It is fact that there were six pious personalities were there at that time and who have their similar names of Meeran Ji Khuda Numa and they lived also at the same time of Marian Ji Khuda Numa and these information are available in the biographies and the details are as follows in which we will check the connection of their books with Meeran Ji’s personality and his endeavours and his writings in Deccani (South India) language.

1. Meeran Ji’s son in law’s name was Syed Hussain alias Shah Meeran but there is no information about his books.

2. Syed Meeran Hussaini Hamumi, who lived in the same period of Meeran Ji and he was died in the year 1049 A.H. and his grave is available near Golconda in Lugner Houz area. Hakim Shamsullah Quaderi wrote that Shah Mohammed Haji’s book of ‘Kook Shaster’ was translated by Meeran Hussaini Hamumi who died in the year 1049 A.H. But the translator’s name of ‘Kook Shaster’ is Meeran Hussaini but the translator of this book is not Hamumi Meeran Ji sure and it may be translation work of Meeran Ji Khuda Numa but there is no proof available in this matter. Also another book of Syed Meeran Hamumi is not traceable in the historical record and in the old biographies of Deccani (South India) language.

3. Shah Meeran Bukhari arrived in the Deccan (South India) along with the Mughal emperor Aurangzeb Alamgir and he was died in Hyderabad in the year 1125 A.H. and his grave is available in Qutub Alam mosque in Hyderabad and Shah Meeran Bukhari’s books are not available.

4. Shah Meeran Thani, he was a sister’s son of Marian Ji Khuda Norma and his father’s name is Syed Hussain Shah Meeran. Due to his connection of the grandfather and father he became famous and popular as Shah Meeran Thani and he was died in the year 1140 A.H. and his other details are mentioned in this magazine and his books are not found.

5. Shah Meeran Hussaini, the author of book ‘Auliya Deccan’ mentioned his name as Shah Meeran Hussain Thani and who was caliph of Syed Khuda Wand Hadi and he was died in the year 1125 A.H.and
his grave is available in Shah Ali Banda area in Hyderabad and his books are not available. In this matter Abdul Haq misunderstood about him and connected him with Meeran Ji Khuda Numa.

6. Meeran Yaqub, he was caliph of Khuda Numa and he has translated book ‘Shamil Eqtiqa’ and in its introduction he added some poetry lines and it is sure that those poetry lines belongs to him and which shows that he was a good poet and as well as best prose writer of his time. As per record from the poetry of the above poet it shows his connection and relation with Meeran Ji but his other books of prose and poetry are not traceable and also not known.

Books.

The books in which about Marian Ji’s life and achievement details are mentioned are as follows and which are old and very authentic as well as reliable and but also which are not traceable. ‘Tadhkirtal Anwar Aqyar’

After the above book ‘Misktawat Nibwa’ was published which is very famous and popular and after ‘Miskawat Nibwa’ many other books were also published and became famous but in all of them and references from book ‘Miskawat Nibwa’ have been used in this matter. The compiler of book ‘Miskawat Nibwa’ has mentioned the details of Meeran Ji’s books and his writings which are as follows.

1. Meeran Ji after obtaining caliphate from Hazrat Aminuddin Ala has started the work of teaching and training of disciples, followers and as well as preaching and propagation work of Islam in the area of the Deccan (South of India) in Deccani native language and for the above reasons and for above works he has written the following magazines.

1.He wrote magazines in Deccani language.2.He wrote many magazines.

Meeran Ji’s Persian books of poetry or prose are not found in the record of history. So for this reason it is confirmed that Marian Ji wrote his magazines in Deccani language which was the best medium at that time for the general persons to understand his teaching and preaching work in the area. In all over the Deccan (South of India) Deccani language was spoken and able to understand among the people during
that time. The compiler of book ‘Miskwat Nibwa’ mentioned his following two magazines which are as follows.1. ‘Risala Wajudia’.2. ‘Risala Qarbia.’

But about ‘Risala Qarbia’, it is not sure that it was totally damaged. As inside and outside of Hyderabad city there are many libraries are available in which there are many books in Deccani language are found in large numbers and in them the author’s name and other details are not mentioned and also proof from the inside of the books are not traceable. So in such books no titles are available.

For the above reason in such books Meeran Ji’s magazine ‘Risala Qarbia’ may be available. It is also very interesting to note that some copies of the magazines of ‘Risala Wajudia’ are available without any titles on them and on one copy the author’s name was mentioned as Mohammed Chisti. Despite of the so many mistakes of copyists the following books of Meerani Ji are found in the libraries.

Prose magazines.
1. ‘Risala Wajudia.’ 2. ‘Risala Marqubul Qalb’.

Poetry.
1. ‘Basharatul Anwar.’ 2. Two Masnavies (verse comprising couplets). 3. Two Ghalas (odes).

Meeran ji’s achievements of prose and poetry have been mentioned separately with his books and these details are as follows. About Marian Ji’s ‘Chakki Nama’, in this matter there is some clarification which are very important and which are mentioned as follows. The book ‘Chakki Nama’ is available in the library of ‘Idare Adbait Urdu’ Hyderabad on its catalogue number 38. Dr Zoor in his book ‘Tadhkirta Urdu Muqtat’ volume I have mentioned the following details which are as follows.

The magazine’s title was mentioned as ‘Chakki Nama Ifran’ and the author’s name was written as Marian Ji Hussain Khuda Name and year of publication is before 1070 A.H. and it was written in the year 1156 A.H. Meeran Ji wrote this magazine about songs of Chakki (handmill) for his disciples and in these songs matters of Sufism and other Islamic
teachings were added so that while the work of Chakki (hand mill) the disciples should remember about Allah and his last prophet and his preachings.

Syed Meeran Hussaini who was an employee of the royal court of Sultan Abdullah Qutub Shah in the kingdom of Golconda. The books of poetry of Meeran ji are not available in other libraries. But Meeran Ji’s book ‘Urdu Sharah’ (commentary) of ‘Sharah Tamhidat Ain Qazat’ is very famous book of his time.

Dr. Zoor in the book of ‘Tadhkirta Maqtoat’ stated the following information which is as follows and which is very important for the research and reference work. Copies of ‘Chakki Nama’ of Hazrat Khaja Bande Nawaz and Shah Meeran Ji Khuda Wand Numa are available in the library of ‘Idare Adbiat Urdu’ Hyderabad and its catalogue number is 38 and 42. So it is possible that this ‘Chakki Nama ‘was written in the above tradition and its author has mentioned in its one poetry line as Khuda Wand Khuda Numa and in another line of poetry the author mentioned his Murshed’s (master) name Aminuddin. Dr. Zoor has mentioned the following details about ‘Chakki Nama’ which are as follows.

In the book ‘Chakki Nama’ it is mentioned its catalogue number 38 and the author’s name as Marian Ji Hussain Khuda Norma and also all his details are available in it. And in another book Farooqi’s ‘Chakki Nama’ the author’s name was mentioned as Shah Meeran ji Khuda Wand Khuda Numa. But in ‘Tadhkirtal Maqtat’ Vol 3, it was written about another Farooqi’s ‘Chakki Nama’ as per catalogue number. 657 and in which there are also some details are mentioned about ‘Chakki Name’ as per catalogue number 38 and its author’s name is mentioned as Shah Meeran Ji Khuda Numa. In volume number V it is mentioned about Syed Meeran Hussain Khuda Numa for his magazine ‘Risal Wajudia’ and in which also it is clarified that ‘Chakki Nama’ was written by Meeran Ji.

As per all above details and information it seems that Dr. Zoor thought that following two Sufi masters are same and this information is not correct and so it is baseless to accept this information and the
details in this matter. 1. Syed Meeran Ji Khuda Numa Abdullapur Karwan.

2. Syed Khuda Wand Hadi or Syed Hashim Khuda Wand Hadi Khuda Chincholi. As a matter of fact both are great pious personalities of their time and both were caliphs of Hazrat Aminuddin Ala and both were Sadats (descendants of the holy prophet) and they are also well known as Khuda Numa. For the above reasons it is possible that both names are mixed in the books and biographies and so there will possible such a great confusion and misunderstanding on this matter.

‘Chakki Nama’

As a matter of fact ‘Chakki Nama’ was written by pious personality of his time Khuda Wand Khuda Numa of Chincholi and it is his great achievement from all angles because in this magazine great details of information are available in it. In this magazine the author’s name is available in the last lines of poetry and the details are as follows. ‘Irfan Ka Chakki Nama’ ‘Bole Syed Khuda Wand Khuda Numa’ If Khuda Wand Hadi was not a poet then we should think that somebody was writing the details which are as follows. ‘Bole Syed Meran Ji Khuda Numa’ instead of ‘Bole Syed Khuda Wand Numa’ was written. As Khuda Wand Khuda Numa he was a famous poet of his time and his some ghazals (odes) are also available in the library of ‘Salar Jung’ Hyderabad.

In the above ‘Chakki Nama’, it is mentioned that it was written by Khuda Wand Khuda Numa and its best proof is Farooqi’s ‘Chakki Nama’ and may be its author was a disciple of Khuda Wand Khuda Numa and for this purpose for the sake of tabrak (relics) first three lines of poetry are added in this book in the name of his master. The author in his book also mentioned in the last three lines of poetry about his master Khuda Wand and after this he mentioned his pious master Amin Uddin Ala and in the last line of poetry he used his poetical surname.

Dr. Zoor also has clarified that the poet was a disciple of Kuda Wand Khuda Numa. But Dr. Zoor could not distinguish themselves and he thought that Meran Ji Khuda Numa is also Khuda Wand Khuda Numa
and in short he thought both are same personalities and so on this presumption he is not right. As per the above clarification of Zoor, Nasiruddin Hashmi has also mentioned in his book ‘Deccan Men Urdu’ that ‘Chakki Nama’ was written by Meeran Ji Khuda Numa.

Death.

All writers of biographies and as per history record it is mentioned that Meeran Ji left this world in the year 1070 A.H. but Khuda Numa’s caliph Meeran Yaqub has written in his book ‘Shamil Etqia’ that he was died in the year 1074 A.H. and this detail is available in the beginning of the book. About his son it is mentioned in the above book that his successor was died after four years of his death in the year 1078 A.H. and in this magazine Meeran Yaqub’s information about Khuda Numa’s birth already mentioned in the previous pages. So for this reason Khuda Numa’s year of death is correct as per reference given by Yaqub Meran as he is most authentic personality of his time so his information and detail are available in many books of history and biographies.

Khuda Numa’s son and successor Aminuddin Thani constructed his father’s tomb during four years of his caliphate. The tomb is in ‘Kamraqi’ style. Khuda Numa’s sister's son’s tomb which was constructed in the Mangalhat area of Hyderabad is also in the same style of ‘Kamraqi’. In Hyderabad there are two tombs available in ‘Kamraqi’ styles which are rare and have too much attraction for its lookers. Meeran Ji’s tomb is available in Abdullapur village which is now known as Zia Guda in Karwan area of Hyderabad city. In the inside of tomb of Meranji there are other four graves are available and their details are as follows.

His son’s grave is available on the right side of his father. For the other three graves there is different information which is available on this matter. But the compiler of book ‘Miskat Nibwa’ has given full details in this matter which are very helpful to know the correct details of all these graves.

Aminuddin Ali Thani’s grave is available on the right side of his father’s grave and on the left side the grave of Bade Shah Hussaini is
available. As per the reference to book ‘Miskawat Nibwa’ the grave of Syed Ali Hussaini is available on the foot side of the grave of his father. On the foot side of the grave of Marian Ji two other graves are also available and in them one is on the right side in which Syed Ali Hussaini is buried on the foot side of the grave of his father and on the left side on the foot side of the grave of Aim Uddin Thani the grave of Hamidullah Hussaini is available.

At present the caretaker of the shrine is Syed Luftullah Hussain Kuda Numa who is very kind hearted person and allowed us to visit the shrine building which is very wide and also it is covering very vast open land area. The caretaker of the custodian cooperated well with us in this matter and he has given us a copy of biography of Meeranji Jhuda Numa in Urdu language and with his kind help and cooperation this magazine is translated from Urdu language into English.

There was tremendous peace and comfort available in the shrine area due to kind grace and mercy of Allah and this is a fact which can be noticeable there and which will cause the visitors to have Sakina Qalab (peace of mind) there.

Meeran ji’s as a poet.

He was great Sufi as well as an Islamic poet and writer of books of his time but comparing his status with poets of Golconda and Bijapur kingdoms with poets of Muqimi, Amin, Sanati, Malik Khusnud, Rustumi, and Nusrati who were great poets of Bijapur and poets of Golconda Mohammed Quli, Abdulla Qutub Shah, Wajhi, Ghwasi, Ibn Nishati, his status and position is less literal. But Meeran Ji used his poetry for the teaching and preaching work as well propagation work of Islam in the area of the Deccan and this work was already started before Meeran Ji in the olden days of Sufi saints and other Islamic personalities in the areas of Deccan. From the poetry of Meeran Ji the details of this movement and its grand success is known clearly. In his Nazam (poetry) ‘Basharat Anwar’ his style and perfection of description is well known.
As a matter of fact Meran Ji’s status is well known as a prose writer than poet and for this reason Abdul Haq in his book ‘Urdu Ke Nashanum Mein Sufiakaram Ka Kam’ and ‘Qadim Urdu’ and Nasiruddin in his book ‘Deccan Mein Urdu’ wrote about Meeran Ji as best prose writer only. In the olden days during the eleventh century in the Golconda kingdom the writers have not cared and paid much attention for the development of Urdu prose but during that century many prose writers were born there and their names are as follows.

1. Meeran Ji Khuda Numa.
2. Moulana Asad ullah Wajhi
3. Meeran Yaqub.

But during the time of Meran ji in the city of Bejapur the prose writing art was developed too much and reached to the high level of improvement. In Golconda Wajhi’s prose book ‘Sab Ras’ is very popular and famous but Meeran Ji’s prose book ‘Sarah Sarah Tumhidat Ain Qazat’ which is a very long book and there are many hundred pages in it and in which Meeran Ji’s perfection of description is available and also it shows his great talent and mastery in the Urdu language. This is not only his prose work of great importance but he had written many other magazines and out of which only two are available.

Book ‘Sharah Sharah Tumhidat Ain Qazat’

The author of this book is famous and well known as Qazi Ain al Qazat Hamdani and he is also famous for his research in Islamic knowledge and he was a disciple of Ahmed Ghazali and who was the brother of Mohammed Ghazali and he followed the Chisti order and got benefits from this order.

In this book Qazi Saheb was very daring to declare some details of Israr Ilahia (divine secrets) and for this reason Islamic learned persons were upset and angry with him and they have issued (a fatwa) a religious proclamation connected with death and for this reason he was
burnt alive in the year 525 A.H. by order of the minister Qawamuddin Abul Qasim of Sultan Sanjar.

This book was written in Persian language. But it is well known that this book is written in Arabic language. Hazrat Syed Mohammed Gesu Darwaz was written this book’s commentary on Persian language and Meeranji has translated the Persian text into Deccani language and this book is available in ‘Salar Jung library’ Hyderabad with its catalogue number 132. In its targqim (details) Abdul Haq mentioned that book ‘Tamhidat’ is written in the Arabic language but as a matter of fact Qazi Saheb has written this book in the Persian language and the references from this book are mentioned as follows.

Abdul Haq could not find the original manuscript of ‘Tamhidat’ nor ‘Sharah Tamhidat’ of Hazrat Bande Nawaz. So he has copied the first line from the book ‘Qadim Urdu’ and from page number 210 in which it was mentioned that this is not a translation of any commentary nor it is new commentary but it is translation of original text from the book ‘Tamhidat’ in Deccani language so Abdul Haq has taken the above decision. Actually it is the case because in its first line of the book Meeranji has written Hamad (praise of Allah) in his style and in ‘Tamhidat’ of Hazrat Gesu Daraz there is no above such details are added in it.

As a matter of fact Meeranji’s book ‘Sharah Sharah Tamhidat’ is not the translation of Hamdani’s book nor it is translation work of commentary of book of Hazrat Gesu Daraz as per opinion of Abdul Haq. As per details which are available in ‘Salar Jung’ library Hyderabad in its sarnama (details) it is clearly mentioned that it is a separate commentary book of ‘Tamhidat’ and also it is not linked with Hazrat Gesu Daraz’s commentary book of ‘Tahmidat’. And also it is not the translation work of commentary book of Hazrat Gesu Daraz.

The Meeranji’s book is a commentary of ‘Tamhidat’ but so while writing it he has kept the original textbook of Qazi Saheb and commentary book of Hazrat Gesu Daraz before him and followed both books in his commentary book and sometimes he will find near the original textbook and sometimes he will find also near the commentary
book of Bande Nawaz. It is the fact that he was found always near with the commentary book and in this matter it is clear that he used to get meanings from the commentary book but he will use to explain the matter in his own style and manner and specially for the explaining of some problems he used his own examples in this matter and he also used to refer some lines of poetry of Deccani (South India) language.

Against the original textbook and its commentary book, Meeranji used the quotation of the complete translation of the traditions of the holy prophet of Allah and verses from the holy Quran and which shows his feelings of responsibility in this matter. This arrangement in the book was not done by the author book or its translator Harzrat Gesu Daraz.

As a matter of fact Meeranji’s book is a commentary of ‘Tamhidat’ and it is based on the commentary book of Hazrat Gesu Daraz. So this book is given the name as ‘Sharah Sharah Tamhidat.’ In his book Meeranji has added preface which is as per the original textbook but in its commentary book there is no preface available in it. From the textbook and from its commentary book by Hazrat Gesu Daraz it is clear that Meeranji’s book is a separate commentary book and but which is based on the commentary book of Hazrat Gesu Daraz.

In the book ‘Tamhidat’ by Hamdani there are 10 chapters which are added in it. Meeranji’s book is also covered ten chapters in it but there is no separate chapter added in the book and all chapters is mixed together.

In the library of ‘Salar Jung’ Hyderabad two copies of the book ‘Sharah Sharah Tamhidat’ are available as per catalogue number 132 which was written in the year 1066 A.H. and it is having 464 pages. And as per catalogue number 133 this book was written in the year 1182 A.H. and it is having 388 pages. Abdul Haq has written that he has two copies of the book with him and which belongs to the year 1021 A.H. and 1076 A.H. but the year 1012 A.H. is not mentioned correctly in the book as Meeranji’s year of birth was already discussed in the early pages of this book. This book’s one copy is available with the following institutions.1.Rouzatain library Gulberga.2.Royal Asiatic society Calcutta.
This book is very lengthy so it is very difficult to print at the present time and for this reason in the beginning and its ending in its catalogue number 132 brief description of the book is added and in its catalogue number 133 some differences in the book are added in the margins.

So for the above reason Meeran Ji is included in the old prose writers of Urdu language of his time and due to his hard tasks and endeavours in the Urdu prose and due to these facts the standard and style of Urdu prose was established and improved too much. So for the reason there should more research and findings are required so that there should be more positive results and benefits will be possible in this matter.

Live Miracle.

The ash (ou’di) of aloes wood and aloe scented stick (agar batti) which is distributed in the shrine of Meeranji are very useful for the children at the time of primary teeth when it will erupt and shed. So it will help in this matter as it will stop motions, fever, vomiting, ear pain, un-easiness and un-comfort and in such case the ash will help the teeth to appear while break through the gum of the children and the teeth will erupt and the process in this matter is as follows.

How to use

In case of the above symptoms in the child, the ash (ou’di) of aloes wood and aloe scented stick should be applied under the gum at about 6 months of age. The above mentioned faiz (favour) and live miracle is available in Hyderabad from the shrine of Meeranji since long time and many children were benefitted and still the process is in progress in the shrine due to the kindness and mercy of Allah and this is old and well known fact and the story is very old and famous among citizens of Hyderabad.

This is a time tested remedy of the children and which is famous since the olden days and but still it is not known to some persons as Hyderabad city has been expanded to un-limited areas with new citizens who are migrating from many other areas of India and as well some
other parts of the state. Now due to internet facility it will spread this news of a live miracle throughout the globe.

So for the above reason of the live miracle in the city of Hyderabad all people have recognized his vilayat (saintliness) and also accepted his living saintly status and position so for this reason a large number of people visit the mausoleum to pay humble respect.

This mausoleum is always visited by visitors for the benefits of great blessings from there. Also this mausoleum in Hyderabad which is famous since long time for the fulfilment of desires and wishes of the persons who visit the mausoleum there. For the above reason for 24 hours the large stock of the ash (ou’di) of aloes wood and aloe scented stick is available in packets and kept ready for the distribution to the needy people for free of cost for the charitable service for which the trustee deserve Allah’s blessing and mercy. Eruption of primary teeth.

The following chart shows when your child's primary teeth (also called baby teeth or deciduous teeth) should erupt and shed. Eruption times vary from child to child. As seen from the chart, the first teeth begin to break through the gums at about 6 months of age. Usually, the first two teeth to erupt are the two bottom central incisors (the two bottom front teeth). Next, the top four front teeth emerge. After that, other teeth slowly begin to fill in, usually in pairs -- one each side of the upper or lower jaw -- until all 20 teeth (10 in the upper jaw and 10 in the lower jaw) have come in by the time the child is 2 ½ to 3 years old. The complete set of primary teeth is in the mouth from the age of 2 ½ to 3 years of age to 6 to 7 years of age.

Eruption of primary teeth.

The term ‘eruption’ refers to the tooth breaking through the gum line. In babies, tooth eruption is also called teething. The timing of tooth eruption differs from child to child. For example, one child may cut their first tooth when only a few months old, while another may not start
teething until they are 12 months old or more. While the timing may vary, the order of tooth eruption is generally the same. This includes:

The two front teeth (central incisors) in the lower jaw are usually the first to erupt. This occurs somewhere between the ages of six and 10 months. The two front teeth (central incisors) in the upper jaw erupt between the ages of eight and 13 months.

The lateral incisors, which are the teeth on each side of the central incisors, erupt in both the upper and lower jaws between the ages of eight and 16 months. The lower set tends to erupt before the upper set. The first set of upper and lower molars (flat-surfaced back teeth) erupt between the ages of 13 and 19 months.

Canine or ‘eye’ teeth sit beside the lateral incisors and erupt in both the upper and lower jaws between the ages of 16 and 23 months. The second set of upper and lower molars erupts between the ages of 25 and 33 months. Generally, the average child has their full set of 20 primary teeth by the age of three years.

So for the above reasons this shrine is very famous since long time in Hyderabad city for remedy of primary teeth problems and its immediate cure and good effect and action and for the above reason contents of this article is provided for un-known persons for education and information purposes only.

10. The brief biography of Hadrat Syed Ahmed Badepa

Name and his Title.

His name is known as Syed Ahmed and his title is known as Badepa and which became part of his name as Syed Ahmed Badepa. As per historical record and as per information about the books of biographies he was born in Delhi and he has grown up there. He was a disciple and the caliph of Hadrat Nizamuddin Auliya of Delhi.

Order of his Master.
Upon the death of Hadrat Muntajabuddin Zari Zari Baksh Dolah, Hazrat Nizamuddin Auliya has instructed his brother Hazrat Burhanuddin Gharib to act as his successor at Khuldabad so he proceeded there. As per his kind instruction of his master Hazrat Syed Ahmed was also proceeded to Khuldabad Sharif along with Hazrat Burhanuddin Gharib. So as per order of the master he reached to Deccan (South India) in the year 709 Hijri along with Hazrat Burhanuddin and Hazrat Syed Ahmed Badepa stayed at Khuldabad Sharif and he was proceeding to Hyderabad and settled down there.

Stay at Hyderabad.

He came to Hyderabad and settled down in Malkapur village in the first Lancer area near the mountain side and spent all of his life there and also he was died in the land of Hyderabad.

Political situation.

During that period in the North India Alauddin was ruling on the Delhi crown in the year 1296 A.D. to 1316 A.D. and in Deccan (South India) in the Telengana region Rana Pratab Rudra Dev of Kakatiya kingdom was ruling there and his capital was in Warangal city.

For the period of 500 Years. Due to geographical and other changes his grave was broken and went down on the ground level so for this reason nobody could able to find it and also not able to know about the details of his grave.

His name and fame.

Due to the following event his name became famous and well known in the city of Hyderabad and the details of this event are mentioned as follows. During the rule of king of Hyderabad Nawab Nasir Doulah who ruled in Hyderabad in the period 1244-1273 A.H. and at that time Balan Choudhary who was butcher and he has lost his large number of his goats on the mountainside while grazing there and in the same area his grave was situated. Balan Choudhary was very upset and worried in this matter due to huge loss of his goats. He was searched here and there and tried hard in this matter to trace the goats but at last he was not
successful and he was much disappointed due to huge losses in this matter.

The marks of Syed Badepa’s grave were no more available and it was disappeared already. But inside the grass and soil there were some indication of stone, brick and mortar were still available there and these items were showing the indications of the grave at that time. So for this reason one shepherd has seen all these indications and he has informed the details of the grave to Balan Choudhry and he has checked the spot in this matter and find the grave marks there so at that time he has decided to make an offering of dinner to poor persons while standing there that if he will find his lost goats then he will perform it truth in this matter.

Upon the above event Choudhary saw Hazrat Ahmed Badepa in his dream in the night and who told him that “He is syed Ahmed Badepa and your goats are grazing on the other side of some mountain so go there and find them.” In the morning Choudhry wake up happily and went up to that mountain and find all his goats were there in safety condition without loss and damaged to them and all goats were grazing there and for this event he became immediately his devotee truthfully and has constructed his grave again in the grand style and arranged his the Urs (death anniversary) ceremony on 12th Jamidil Awwal and arranged the dinner of bread and spicy stew for the poor and needy persons. It was his first Urs (death anniversary) which was celebrated by Choudhry Saheb.

His fame.

After this event his name and fame reached too far and nearby areas and for this reason the visitors in large number started to visit the shrine for the fulfilment of their desires and wishes for the sake of the sheikh’s name. For this reason also the King of Hyderabad Nawab Nasir Doulah used to visit his shrine occasionally along his family and royal court members. Till today also the visitors in large number used to visit his shrine for fulfilment of their desires and wishes.

Title Badepa.
For his title Badepa there is a tradition which is famous in the city of Hyderabad that he was proceeding to Delhi by putting his foot on the air (Badepa) in one night and also came back in the same night at the call of his master Hazrat Nizam Uddin Aulia of Delhi and for this reason and for matter he has awarded him the title Badepa to him due to his kindness and favour for the above great miracle which was done by him due to the kind grace of Allah.

The tablet.

In the shrine area there is no permanent tablet available there. But in the shrines on the south door of walls the following lines of poetry are available in the blue colour in the Urdu language and its translation is as follows. “This is such a journey in which there are no marks are found and so in such way Badepa has covered his journey. Also he has covered the journey of Delhi in one night by putting his foot in the air and so due to this reason he deserved great status for his task in this matter.”

Mystical exercise.

Due to his worship and mystical exercise he got such condition in him and with its help he was able to fly in the air with the kind grace and Allah’s help in this matter and for this reason his master was awarded him the title ‘Badepa.’ In the shrine area on the western side there is one cleaned rock is available and its size is 7.5 feet in length and its width is 3 feet and there is tradition about this rock is that sheikh saheb will use this rock as his prayer mat.

His grave.

His grave is made of mortar and now it is available in good condition and for the safety and protection reason it makes iron frame with nets in it so that nobody could be able to enter into the grave and do any harm and damaged to the grave. On the four sides of the frame there are four big iron rods are fixed on the ground on which cloth is covered to look as a tent. So it is not possible for any person to reach near the grave of this great Sufi Saint of his time. So for this reason there is one big Donga (mug) and which looks like a big spoon and which is kept there
and its length is 3.5 feet. Those who visit the grave there and put the flowers in it and by this way the followers will reach on the grave.

The grave situation in the year 2013.

The grave situation which is explained in the above paragraph is very old and so to check on this matter the translator has visited it during the month of March 2013 and his findings are as follows. His grave is available on the ground level platform and it is situated among four walls without a closed roof but some shade is provided on the grave with single door entry at the foot side into the mausoleum in the western side and these details and information available in the picture which is provided with this episode in its beginning.

Location.

The location of his grave is situated in Malkapur village in the First Lancer area and it is located in the southern direction and which is near the mountain side and the grave is surrounded by beautiful four side walls and the marble stone floor is available there.

The Urs (death anniversary).

About his death details are is not available in the historical records. As the first Urs (death anniversary) was arranged by Balan Choudhry on 12th Jamid Al Awwal so on the same date the Urs (death anniversary) is celebrated every year. On this occasion people from various walks of life, irrespective of caste and creed, assemble to celebrate the Urs (death anniversary) which takes place on the 12 days of Jamid Al Awwal of Muslim calendar at the famous Ahmed Badepa’s Dargah (shrine) in first lancer area every year in Hyderabad.

Usually the Urs (death anniversary) celebrations will continue for the period of four days and but the visit of devotees will be continued for many days at the shrine for the fulfilment of wishes and desires. 11. The brief biography of Hadrat Jahangir Peeran

Namannirva village

In the Deccan (South India) region in Hyderabad city and on its eastern side at the distance of 32 miles there is one village and it is known as Newman Narva. Some person calls it as Newman Nirva and also some person calls it Vemen Narva and so the real name of the village is not known and also in the official records its different names are available but at last its old name was found as Yamdi Nara and its Urdu translation will be Rupees 8.50. In the local village many persons think number or word 8 as unlucky and so with the name Rupees 8.50 village name the local persons think that unluckiness was added as per
thinking of this village. So as per above information it is known that once this village was well known as unlucky one.

So they made such place as a resort of healthy atmosphere and a lovely spot for the visitors and which remain the same till the day judgment. They were as two shining stars and they were also well known as the sun and the moon in the Deccan (South India). Hazrat Jahangiruddin and Hazrat Burhanuddin are taking rest in this place and the devotees and visitors will visit at the shrine for the fulfilment of wishes and desires. The visitor who will visit the shrine and pray Allah for the fulfilment of their desires and wishes for the sake of the sheikh’s names and due to the kind grace of Allah his desires and wishes will be fulfilled.

Secret of love.

It is the fact that these pious personalities were real brothers. So as they were very close in their worldly lives and in this same way they are also together after their death and the situation will be same till the day of judgement. Actually these pious persons are different and they are known as Jahangiruddin and Burhanuddin. As both were two different personalities but were one and like the same. So as per saying of the Urdu language that one body with two souls so in this matter now the time is watching this live fact by its eyes and till the day of judgment it will watch the same. Both two holy personalities who possessed two different names have become one name and so it is well known and famous one name as Jahangir Peeran.

Genealogy.

As per history record they belong to a family of Banu Hashim of the Allah’s last prophet. They belong to following links which are mentioned as follows. They belong to the sons of the following holy personalities of Islam.1. Hazrat Syedna Ali Ibn Taleb.2. Hazrat Syedna Imam Taqi. Their father’s name is Ahmeduddin and he was a resident of Baghdad city. At that time there was oppression and injustice was carried against the Syed family members (descendant of the holy prophet through his daughter Hazrat Fatima) and the ruler of Baghdad
due to his above policy and enmity was imprisoned his father and for this reason these two Syed family members (descendant of the holy prophet through his daughter Hazrat Fatima) in that situation of problem and difficulty escaped from the enemies and left from city of Baghdad to save their lives and respect. Upon facing many problems and difficulties they came to Delhi after passing from many places.

Their arrival in Deccan (South India).

They started their journey towards Deccan (South India) and first they arrived in the Deccan (South Deccan) along with 1400 palanquins (Palki) group from the Deva Giri (Doulatabad) and they arrived in the Deccan (South India). Before their arrival in the Deccan (South India) they also visited city of Gulberga. At that time the rule of Bahamani kingdom was at its height of golden period and this event refers to that period which is recorded before the arrival of Khaja Bande Nawaz in Gulberga city.

Death.

They both were arrived in the Deccan (South India) from Gulberga city and after that there is no record of events available which belongs to the lives of these two holy personalities. But as per reference of book in which the details of their lives is mentioned and in which it is stated that these two personalities Hazrat Jehangir uddin and Hazrat Burhan uddin have participated in some war or expedition and due to this reason they both were injured seriously in the war or expedition and reached to the place where their mausoleum is situated and after some rest on the stone which is available on their head side of their graves and as the blood was passing too much from their bodies due to serious injuries and too much passing of blood they both became unconscious and in this condition they have died and at that time these pious were very young and left the world un-married.

Their physical features.

As per reference of the book it is mentioned that they both were real brothers and were pious persons and were very young members of Syed family (descendant of the holy prophet through his daughter
Hazrat Fatima) and their skin colour was white and their height were normal and their bodies were in delicate nature and both of them having long hairs and which were available on their necks and it was practice of Sadat family members (descendant of the holy prophet through his daughter Hazrat Fatima) as they used to have lengthy hairs. This shows that they belong to Sadat family members (descendant of the holy prophet). Their loving faces and the long hairs of the head were very beautiful and attractive just like the moon in the heavy clouds. They were used to have little beards on their faces and used to wear Arabic dress always. Both were having similar face and similar manners and characters so they seem that they have made from the same mould of light. As per the tradition of time they used to carry spear in their hands and hang swords on their shoulders and which show their bravery.

Some Information.

Many people presume that Hazrat Baba Sharafuddin Saheb and whose tomb is situated on the mountain of Phadi Sharif on the Hyderabad airport road is brother of them but this information is not correct as per record of history and books of biographies as the period of Baba Sharafuddin Sahib’s arrival in Hyderabad 150 years before them and the period of Hazrat Khaja Band Nawaz of Gulberga is 90 years after them.

Tomb.

In the tomb in the right side grave Jahangiruddin was buried and whose age was 18 years old at the time of his death and his younger brother Burhanuddin was buried by the side of his brother’s grave on the left side and whose age was 19 years at the time of his death and both of them martyred in their young age on the way of Allah for the teaching and preaching mission of Islam in the foreign land. First time Nawab Farkhanda Hussain who was the Nawab of Tad Ban area has constructed tomb on their graves and afterwards there were some repairs on it and but there is no tablet available on the graves.

The Urs (death anniversary) ceremony.
The Urs (death anniversary) ceremony is celebrated on Tilsankarati (The time when the sun changes direction from one constellation (of the zodiac) to another is known as Sankranti.) every year on the grand scale. During the Urs (death anniversary) ceremony on this day sandal ceremony is organized and on the next day lights are illuminated on the mausoleum. After some years it is practical that the Urs (death anniversary) ceremony will be celebrated on next Thursday after Tilsankaranti (The time when the sun changes direction from one constellation (of the zodiac) on this day sandal ceremony is organized and on the next day lights are illuminated on the mausoleum. On this occasion people from various walks of life, irrespective of caste and creed, assemble to celebrate the Urs (death anniversary) which takes place on the above date at the famous mausoleum of Hazrat Jahangir Peeran every year. Several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings.

During this time the visitors in large number will visit the shrine for the fulfilment of their desires and wishes for the sake of the Shaikh’s name and in this way the above ceremony will be celebrated on a grand scale and the visitors will visit the mausoleum from near and far away places in large numbers will visit the shrine and pray Allah for the fulfilment of their desires and wishes for the sake of the sheikh’s names. On every Sunday, Thursday and Friday the visitors in large numbers will visit the shrine and pray Allah for the fulfilment of their desires and wishes for the sake of the sheikh’s names and sacrifice goats there. There is bus service available from Charminar to shrine area for the convenience of the visitors.

Miracle.

As there are many miracles are there which belongs to Hazrat Jahangir Peeran and also there are many miracles which will take place daily in the shrine. The visit of the large number of visitors to shrine will shows this proof in this matter and this also shows that due their
blessings which is available in the shrine to all several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings and this is their main miracle and for this reason the visitors in large number visit the shrine and which shows their live great miracle in the shrine which is well known and famous since long time in Hyderabad city.

Special miracle.

The visitors in large number visit the shrine and sacrifice goats in large quantity but next day morning in the sacrifice area there will be not found blood, bones and dung and which is surprising thing and also which shows his live great miracle in the shrine area and this live miracle is well known and famous since long time in Hyderabad city.

Their big miracle.

Today there are many slogans everywhere for the national unity so those who want to see a scene of unity then they should visit the shrine of Hazrat Jahangir Peeran and can observe unity there because in the shrine where people from various walks of life, irrespective of caste and creed, assemble to visit at the famous Hazrat Jahangir Peeran’s Dargah (shrine) every day. Hadrat Hussain Shah Wali was a revered sufi saint of Golconda, during the reign of Qutb Shahi dynasty. He is credited with building the Hussain Sagar at Hyderabad in the year 1562 A.D.

His patronymic name is Abdullah and his title is known as Nasir uddin and his name is famous as Hussain alias Hussain Shah Wali and he belongs Sadat family of Hussaini chain (descendant of the holy prophet through his daughter hazrat Fatima) and he was connected with Syedna Imam Hussain in the 25th generation and through some connections he was also linked with Khaja Bande Nawaz Gesu Daraz of Gulberga and who is famous sufi saint of Deccan (South India) .To write about Bande Nawaz Gesu Daraz of Gulberga who was great Sufi saint and great author so it is not only difficult and but it is very hard
task as he was not only a great pious personality of his time in the area of Deccan (South India) but he was also a great author of so many great books so in brief he was Qu’ub (highest cadre in spiritual pivot at axis) of his time in the Deccan region and so for this reason he was well known and famous as the Sultan of Deccan. Hussain Shah Wali belongs to the lineage of the elder son of Khaja Bande Nawaz and his name is Hazrat Syed Mohamed Ali Hussaini.

Genealogy.

There are some differences by historians in the compilation of his genealogical record but all of them are agreed and have confirmed the details that he belongs to the lineage of the sons of Khaja Bande Nawaz of Gulberga. As per reference from the book ‘Tadhkira Aulia Deccan’, his genealogy record is mentioned as follows.

1. Hazrat Hussain Shah Wali.
2. Syed Saqirullah alias Safiullah Thani.
3. Asadullah Amin.
5. Shah Mohammed Akbar Hussaini.

As per the compiler of the book ‘Maskawat Nibwa’ the details of his genealogy record are as follows.

2. Shah Safiullah.
3. Asadullah.
4. Safiullah.
5. Mohammed Akber Hussaini.

As per the compiler of the book ‘Anwar al Aqyar’ his genealogy record is as follows.

1. Hazrat Hussain Shah Wali.
2. Safirullah.
3. Asadullah.
Birth.

In this episode there are some great achievements of the above great personality are added which are not yet known to the general persons and which are added in this article in a very interesting style so for this reason the readers will find great interest and attention in this matter.

From the above facts and details, if the readers will starts reading its first page of the episode will not stop the reading till they will reach its last page of this episode as in this chapter some interesting events and as well as other great miracles and endeavours of the above holy saint are added in this episode. He was passed away from the world many centuries years ago.

Even though this is small chapter but due to its importance it is so great due to the coverage of many interesting events and positive information in it so it is like an ocean of knowledge and information of the above holy saint who was passed away from the world upon doing his great endeavours and many hard tasks for the preaching and propagation of Islam in Deccan so this chapter is small one but it will present the ocean of knowledge and information for the guidance of people towards the right path of Islam.

He was great pious personally of his time in the Deccan (South Deccan) region so he was well known and famous as man of miracles and knowledge of Allah. He was born in Bider city and his ancestors were shrine custodian of Dargah (Shrine) of Khaja Bande Nawaz Gulberga and so he has got *faiz* (favour) in his inheritance from the above great link and connections of Khaja Bande Nawaz of Gulberga. The service and post of the shrine custodian were continued in the name of sons of Miya Yadullah and till the time of Sultan Aurganzeb Alamgir this chain of service and post was available to them.

When Sultan Aurangzeb Alamgir visited Gulberga city after conquering Bijapur kingdom and he has called the shrine custodian Qutubi Saheb who belongs to the sons of Miya Yadullah but Qutubi Saheb due to *Kasar Nafsi* (humility) and habit of *darweshi* (mysticism) could not see him and so he has refused the royal order in this matter.
Due to the above reason Sultan Aurangzeb Alamgir was upset and angry with him and he has issued orders for his immediate dismissal from his post of the custodian and has appointed another person as shrine custodian in his place and that person was Hussain Shah Wali’s ancestor and in this matter the Sultan has issued Sanad with Khalat (certificate and robe of honour) by his seal and signature. So from that time to till this date the service and the post of the custodian of hazrat Gesu Daraz at Gulberga shrine is continued in the line of his family.

In his youth period. In the beginning of his youth period he has an idea with him that he should worship Allah in the lonely place by hiding from the mankind so in this way he can protect the divine secrets.

His arrival at Golconda Fort.

He arrived in Golconda Fort from Gulberga city during the rule of the Sultan Ibrahim Qutub Shah who was ruling in the Telengana area at that time. As a matter of fact Sultan of Golconda Ibrahim Qutub Shah was followed of Shiaism but he was a great admirer and lover of the Sunni learned persons as well as holy saints so for this reason upon his arrival in Golconda Fort he has sent his ministers and officers to call Hussain Shah Wali to the Court of Golconda. As per orders of Sultan the ministers and officers have arranged for his stay and with great honour and respect and they brought Hussain Shah Wali in the royal court of Golconda. The sultan was much impressed by him and he has given him much attention and respect to him and also in his first meeting awarded him the post of commander of 10,000 grades troops and also offered him the post of secretary of royal construction works. After some time sultan was very kind with him and also accepted him as his son in law and arranged the grand marriage of her beautiful and lovely daughter Khairat Unnisa Begum with him and awarded him many grants and estates.

Hussain Shah Wali took always care for the loss and gain of the general persons. So for this reason we should follow the teachings of such great pious personality of the past and we should also follow his steps in the darweshi (mystic) style of life. So it is required his steps to
be followed practically and not to take his sides orally as a past pious person was perfect in the following things.

- *Fauna fil Sheikh* (morality for the sake of his master).
- *Fauna fil Rasul* (morality for the sake of the prophet).
- *Fauna fil Allah* (morality for the sake of Allah).

But it is very sad that we Muslim used to say that we are following the pious personalities of the past but actually we are following the below things. 1. *Fanal fil Duniya* (mortality for sake of the world).

Death.

He was in the service of the sultan of Golconda for a long time and fulfilled his important duties there successfully. But after that he was retired from the court service and engaged in the worship of Allah. His age is more than hundred years. He left the world on 14th Jamid Thani 1068 Hijri.

His mausoleum.

His grand mausoleum is located two miles away from Golconda fort near the mountain area. He was famous and great Sufi Saint of Deccan (South India) so for this reason people of the Deccan (South India) used to visit the shrine for the fulfilment of their desires and wishes for the
sake of the sheikh’s name. On every Thursday the visitors in large numbers will visit the shrine and pray Allah for the fulfilment of their desires and wishes for the sake of the sheikh’s name.

His month.

In Deccan area the names of the Muslim calendar months are known by different names. So for this reason in Deccan area specially the month of Jamad al-Thani is well known and famous as Hussain Shah Wali month among women in the Deccan (South India) region.

Street name.

Around his mausoleum there is a vast street which is well known and famous as street Dargah Hussain Shah Wali and this area is thickly populated and also one post office is there in his name and in correspondence the name of this street is written for fast delivery of letters.

The Urs (death anniversary) ceremony.

Some poet wrote one poetry line in the Persian language in which the year of his death is available and its translation is as follows.

‘Rafaft Az Duniya Hussain Pak Deen.’ = 1068 A.H.

‘Hussain Left the world and who has pure religion.’

Every year two Urs (death anniversary) ceremonies are celebrated and the details are as follows.

1. Big Urs (death anniversary) ceremony on the 13th and 14th Jamad Thani.

2. Small Urs (death anniversary) ceremony on the 16th and 17th Ziqad.

In the Big Urs (death anniversary) ceremony on the 13th Jamad Thani sandal ceremony is organized and on 14th Jamad Thani and the lights are illuminated on the mausoleum.

On this occasion people from various walks of life, irrespective of caste and creed, assemble to celebrate the Urs (death anniversary) ceremony which takes place on the above dates of Muslim calendar at the famous mausoleum of Syed Hussain Shah Wali every year. Several
hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings. During the Urs (death anniversary) ceremony time the visitors in large number will visit the shrine for the fulfilment of their desires and wishes for the sake of Shaikh’s name and there will bus service from Hyderabad to Hussain Shah Wali street for every hour. Many stalls will be arranged during the Urs (death anniversary) ceremony and specially flower stalls are find in large number there and in this way the above ceremony will be arranged in grand scale. The visitors in large numbers will visit the mausoleum from near and far away places and pray Allah for the fulfilment of their desires and wishes for the sake of the sheikh’s name.

Small Urs (death anniversary) ceremony.

Every year on the 15th of Ziaqad the sandal ceremony will be organized and on the 16th of Ziqad the lights are illuminated on the mausoleum and this Urs (death anniversary) ceremony is very important because in this ceremony only special persons used to attend this function for the fulfilment of their desire and wishes for the sake of the sheikh’s name.

Death of Princess Khairat Unnisa Begum.

After some period of time princess Khairat Unnisa Begum the daughter of Sultan Ibrahim Qutub Shah and wife of Hussain Shah Wali was died so for this reason Shah Saheb was very upset and sad for this tragic event of his wife’s death and Sultan Ibrahim Qutub Shah was very sad and very upset due to the death of her dear and lovely daughter. So for this reason Sultan temporarily buried his daughter at the side of the mosque of Khairtabad as per the king’s own belief of Shiaism and a coffin was made and put the same in the grave under the supervision of Hussain Shah Wali. After some time as the Sultan was followed of Shiaism so he ordered to take out the coffin from the tomb and to send it to Karbala Moula (name of a place in Iraq where Imam Hussain was martyred) for the final burial of the princess there and for this reason still the tomb of Princess Khairat unisa Begum is empty since long time in Khairtabad street.
Princess Khairat unnisa Begum was delivered one son and the Sultan was awarded his title as Imam ul-Mulk but that boy was died in his youth period and for this reason the father was deeply affected and very upset in this matter.

In Khairtabad street the empty tomb still reminds Princess Khairat Unnisa Begum. There is a tradition in the city which is well known that Hazrat Hussain Shah has constructed this empty tomb for himself but he could not be buried in it due to some reasons.

A man of wisdom.

He was a man of great wisdom and intelligence so for this reason we can call him a great man of wisdom in the mankind.

His relations with the court of Golconda Kingdom.

He used to maintain his best relation in the court of the Golconda kingdom because with his status and relation he was able to benefit and help the general persons because the general persons as well poor and even the rich persons could not able to represent their matters and problems in the royal court of the Golconda kingdom so he used his status for the benefits for the general as well rich and poor persons and helped them a lot in their problems and difficulties.

As a matter of fact he was rich in his appearance in the royal court of Golconda but actually he was a fakir in his batin (innermost) as he was having qualities of fakir in him so for this reason there was no restriction for the entry of any person in his court so he did not kept watchmen at the door of his house. There was free entry of all persons in his court to represent their problems and difficulties and in all such cases he was most successful to submit such problems in the royal court of the Sultan of Golconda and he was always successful in these matters to bring positive results to the general and other persons.

Miracle.

Hazrat Hussain Shah Wali was perfect and master in soldierly and archery works. One day he was with Prince Mohammed Qutub Shah and the prince was moving along his soldiers and royal courtiers on the
road and at that time one kite poop while flying on the royal prince so for this reason he fired on the kite and so the kite was died at once and fell down on the ground so for this reason the prince and other royal courtiers were astonished in this matter for his quick and fast action and as well as firing at the flying target in the sky and due to the above reason the prince has increased his status and respect as well as his dignity.

Some historians have mentioned this event as follows that once he has seen a kite which was flying in the sky and he has seen the kite with his furious look so for this reason it was fallen down on the ground and the kite was burnt completely. Due to the above event the prince of the Qutub Shahi Kingdom and Amirs (courtiers) has observed his miracle and became his devotees at that time.

Hussain Sager.

One day there came a thought in the Sultan’s mind to convert the above small kunta (tank) into the big tank so that with its help there will be development of irrigation in the neighbouring areas. So Sultan has asked Hussain Shah Wali for his advice in this matter as he was secretary of the state of royal construction works and Shah Hussain Wali has approved Sultan’s grand project of Hussain Sagar. So Sultan has sanctioned the construction project of Hussain Sagar under the supervision of Hazrat Hussain Shah Wali. Under his supervision the tank construction project was completed in the period of two years.

He is credited with building the Hussain Sagar at Hyderabad in the year 1562 A.D. Hussain Sagar Lake, built by Hazrat Hussain Shah Wali in 1562, during the rule of Ibrahim Quli Qutb Shah. It was a lake of 5.7 square kilometres built on a tributary of the River Musi to meet the water and irrigation needs of the city. Tank Bund built in the 16th century the lake was named to express the gratitude of Ibrahim Quli Qutub Shah to Hussain Shah Wali who helped him to recover from illness.
It is a sprawling artificial lake that holds water perennially, built during the reign of Ibrahim Qutub Shah, across a tributary of the river Musi in 1562. It links the twin cities of Hyderabad and Secunderabad.

Ibrahim Qutub Shah has named this tank as Ibrahim Sager. But during the construction time the labour used to talk as follows.

One person will ask with another person where you will work? And the other person will reply at Hussain Sagar so in this way it became famous and well known as Hussain Sager. Despite of hard try of many ministers and royal officers in this matter to named as Ibrahim Sager but this name was not became famous and not become popular. So for this reason Sultan told Hussain Shah Wali that this tank will be named as Hussain Sagar so we will construct another tank in our name. So Sultan has constructed another tank in the Jalla Palli village in his name as Ibrahim Sagar and the name of the village was named as Ibrahimpatnam. There was one more old tank was there so Sultan ordered for its re-construction and repair. Till today the above tanks are available in the above village and from the above tanks a large number of people are getting the benefits of drinking and irrigation facilities since many centuries.

Khairtabad Street.

As per reference in history book ‘Tariq Nizami’ in which the compiler of the book has mentioned that Sultan Ibrahim Qutub Shah has constructed Khairtabad street in the name of her beloved daughter Princess Khairat Unnisa Begum and Sultan used to like her and love her very much. So for this reason he was very upset and worried at the sudden death of her dear daughter. In this street Sultan has constructed the following buildings. 1. Many stone buildings. 2. One big mosque. 3. One big bazaar.

At that time this place was well known and famous for healthy atmosphere and good resort and in this area weather and other general conditions were very good and were attracted there. Princess Khairat Unnisa Begum used to live in such good and lovely place with his husband Hazrat Hussain Shah Wali there and Sultan used to come there
to see his dear and lovely daughter. On one side of such lovely healthy resort there was one spring and which is known as small kunta.

A note from the book ‘Tadhkira Auliya Deccan’

Sufi Abdul Jabbar Khan Malkapuri has written in his above book that Sufi and pious personalities of the past used to have great conduct and character with them so for this reason they have not desire pleasure and happiness in their lives due to their nearness of the kings but due to their good relations with kings they used to help the general and poor persons and bring them good results and benefits to them. So for the above reason we should take a lesson from the above good conduct and character of pious personalities of the past.

His mausoleum.

The mausoleum and shrine at the Qutb Shahi Tombs called Dargah Hussain Shah Wali’, was built by Abdullah Qutb Shah in his honour. He died in 1620. The area which is on the southwestern shore of Hussian Sagar was chosen as a location to construct the residence of the Princess Khairat Unnisa Begum who was not keeping good health. The ruler in the fond hope that the greenery and the climate of the lake shore would restore the normal health of the Princess and asked his son-in-law, Hazrat Hussein Shah Wali, an eminent engineer to construct a residential palace, a mosque and a tank which is now called after him as Hussain Sagar (or the Tank Bund) as it is commonly called was built on a tributary of the Musi during the reign of Ibrahim Qutb Shah in 1562.

Syed Shah Raju Qattal did many great endeavours and hard tasks in this matter in Hyderabad and around it so he was perfect

Arrival in Hyderabad.

During the last period of Sultan Abdullah Qutub Shah of Golconda Kingdom he was arriving in the city of Hyderabad along with his uncle Hazrat Syed Shah Akber Mohammed Mohammed al Hussaini and his uncle’s grave is available in outside of Ghazi Bandung where he is famous there as a great Sufi saint of Deccan (South India) so for this reason people of the Deccan (South India) used to visit the shrine for the fulfilment of their desires and wishes for the sake of the Sheikh’s name. Sultan of Golconda Abdullah Qutub Shah has shown him great respect and honour and granted him daily allowance and due to this reason he was free from economic struggle so he was always busy in the worship and meditation of Allah.

So for the above reasons the large number of persons used to visit him and become his disciples and devotees. Due to his personality not only poor persons but also rich and wealthy persons were benefitted a lot. And many persons used to get the benefits of both worlds from him as per his Irdat (devotion). His presence was a great source of blessing for the mankind. For needy and poor persons he was a great source for them to fulfil their needs and requirements. In his shrine there were always a large number of disciples and darwesh persons used to present there in large number. For this reason Sheikh used to help them and his service and attention as well favour with them was so great because he used to study their problems and grievances personally and solve them soon by the kind grace and help of Allah. His treatment was very kind to his disciples and darwesh persons and he used to love and like them all sincerely.

His teachings.
He was perfect in the knowledge of Islam. He was used to teach in the shrine regularly and in his teaching the following subjects were added.

1. Exegesis (commentary) of Quranic verses. He used to explain the disciples about *Israr* (secrets) and *ramoz* (hints) which are coming to known by generation to generation by Seena Ba Seena (secrets) and which were used to disclose to the holy saints of Allah and for this reason the compiler of the book ‘*Miskawat’* wrote the following details about his shrine and teaching methods which are as follows. “His shrine was always full of disciples and *darwesh* persons and who used to present there for his teaching and preaching work of Islam. His teaching and preaching work of Islam was a great record work of his time that he was busy in this work for a period of 50 years in this matter and in which the following persons used to attend his teaching and preaching classes.”

1. General persons. 2. Learned persons. 3. Poor persons. 4. Rich persons. 5. Persons of all *maslak* (school of thought) and belief.

Due to his teaching and preaching work larger number of persons have become his disciples. The *Talib* (student) used to make a pledge (*Bay'ah*) to him as his *Murshid* and the *Talib* (student) becomes initiated as a *Murid* and the students used to follow Islamic rules and regulation in their lives as per practice of the Allah’s final apostle. He was not only a great pious personality of his time but he was also a great preacher of his time so brief he was great Sufi master of his time in the Deccan (South of India) and who did many great endeavours for the Islamic religion and he was most successful in the preaching and propagation work of Islam in the area of the Deccan (South India) and around this region and there was no such personality during his time.

His main teachings.

In his shrine he used to teach about *Ilahiat* (metaphysics is a branch of philosophy concerned with explaining the fundamental nature of being and the world, although the term is not easily defined). Traditionally, metaphysics attempts to answer two basic questions in the broadest possible terms: 1. What *is there?* 2. What is it *like?* 1) Due to his teachings
and his best style of explanation and for this reason the following things will be removed from the disciples and devotees. 1. *Tang Nazri* (narrow outlook). 2. *Tang deli* (mean nature). Due to the above teachings there will be improvement of the following things. 1. In heart. 2. Insight. Due to above teachings there will be positive results and benefits that the feelings of prejudice and hate as well as mean feelings will be changed into love and affection.

Sultan Abdullah Qutub Shah’s devotion.

Sultan Abdullah Qutub Shah was his great devotee and he used to respect and treat him with great honour and for this reason he was granted many villages for the expenditure of the shrine. He was used to present personally in his shrine occasionally and he used to spend some of his time in the shrine to hear Sheikh’s teaching and preaching of Islamic knowledges and his advices.

Prediction.

In his shrine there was one young man Abul Hasan and who belongs to the royal family of Golconda and he used to present always in his service. Once Sultan Abdullah Qutub Shah was returning from the shrine after his meeting with Sheikh and by chance at that time Abul Hasan came to the shrine so for this reason Sheikh suddenly told that one Sultan is going and another is coming there. So for the above information the disciples were surprised at this matter and but could not able to understand the meaning in this matter. Also the disciples will know well that the words of holy persons will have meaning in it and they do not say anything without meaning and without purpose. The Sheikh has also awarded him the title of small king to Abul Hasan and for this reason all persons in the shrine come to know that Abul Hasan will be going to get his higher status and position in the Golconda kingdom.

Miracles.

He was a great mystic person and pious personality of his time. He did many great acts and miracles. We are mentioning herewith Sheikh’s great miracle which is as follows. The marriage of second daughter of
Sultan Abdullah Qutub Shah was proposed with one person Syed Sultan who was relative of his first son in law and due to some strange matter suddenly one day before the marriage Sultan’s elder daughter and her husband visited the royal palace has complained about the rude behavior of Syed Sultan and they requested with him to cancel his marriage offer and they forced him in this matter and for this reason Sultan was very upset and become angry with Syed Sultan and ordered for the cancellation of his marriage with his second daughter. But as a matter of fact the marriage arrangements were ready in the palace as the marriage of Syed Sultan was fixed for the next day. So all these arrangements were cancelled and were stopped suddenly.

As Sultan has cancelled the proposed marriage on the advice of her daughter and his son in law but he was very upset and angry in this matter as the marriage ceremony was fixed the next day but there was no groom available to celebrate the function. So for reason the search of another groom was started in the palace and at last they searched Abul Hasan and he was a member of the royal family and the Sultan has called him for the marriage proposal with his second daughter.

Attention for Abul Hasan.

The details of the marriage of Abul Hasan are mentioned as follows. The Sheikh first started the celebration of marriage of Abul Hasan in the shrine before the Golconda palace. So Sheikh has called Abul Hasan on this matter and he came there and with great respect and honour and he has put down his head with great humility and kissed his foot with kind attention and respect. Upon Abul Hasan’s arrival in the shrine Sheikh has informed the good news of his marriage with Sultan Abdulla Qutub’s second daughter so for this reason the disciples and devotees were surprised in this matter as they could not understand this news as the marriage of the second daughter of the Sultan was fixed by the relative of the Sultan’s first son in law and which scheduled to be celebrated next day. So for this reason all persons in the shrine could not understand the details of the marriage of Abul Hasan with Sultan Abdulla Qutub’s second daughter.
In the palace marriage process was started and in the night the ceremony of Mehandi (henna) of the bride was scheduled to be organized.

On the same day at the evening time Sheikh went into the garden which was closed in the shrine area and in which he has looked the flowers and buds there and he was collecting some buds and flower which were good as per his selection and he told Abul Hasan the details which are as follows. “Abul Hasan: tonight king’s daughter will be decorated with medhandi (henna) so come to me so that I will also put some mahnadi (henna) dye on your palms and he was having the flowers of henna and flowers of Abbas (mitabilis jalopa) which he was collected from the shrine garden so he put these flowers on his palms and pressed them for some time to dye henna colour on his palms.

At that time came Sultan’s companions and royal police men in the shrine with palanquin and they have asked with the Shaikh about Abul Hasan so at that time Sheikh has told called him as Tana Shah and asked him to go to palace as he has already performed his marriage with the Sultan’s daughter and from that time the title of Tana Sha become famous and well known in the Golconda palace.

Upon permission of the Sheikh the royal police and companions who brought palanquin for Abul Hasan and took him in it to Golconda palace and they took him to the royal bath room for his bath and upon his bath they gave him the robe of honour to wear and after all these process of the marriage they took Abul Hasan to the royal court where all marriage arrangements were ready and were at final situation since many days so the Sultan has given permission to the Qazi (judge) for the completion of bond of the marriage so in this way the marriage ceremony was performed in happy atmosphere and on grand scale and guard of honour were arranged and guns were fired in the Golconda fort on the happy celebration of the marriage of princess of Golconda with Abul Hasan Tana Shah. Upon the marriage the drums and kettle drums were started in the Golconda fort on the happy occasion of the marriage of the Sultan’s daughter.

Syed Sultan’s anxiety.
He was ready with all his arrangements for his marriage with the royal princess of Golconda fort and it was strange that he was not known what was happening in the fort of Golconda and actually he was not known that the princess of Golconda was already married with Abul Hasan Tana Shah. So when he heard the guard of honour then he was surprised at this matter and told his companions that still he is in residence why there is guard honour in this matter?. So the companions have informed him that the princess was already married to another person named as Abul Hasan so you are ignored in this matter and they explained him all details of the event.

So for the above reason Syed Sultan was very upset and angry in this matter and he was very disappointed in this matter and he said that all his wishes and desires of the heart were not fulfilled and due to this reason he was suffering a great loss in his life. Due to the above situation he decided to take revenge against Sultan of Golconda and wants to do some misdeeds in this matter but his companions have advised him that to be cool down and to have patience in this matter otherwise he will face insult and shame in this matter.

So for this reason he has decided to leave the fort of Golconda for ever due to his great loss and misfortune and he has left the fort of Golconda and travelled to see Sultan Aurangzeb Almagir and explained him all details of the event which was happened in the fort of Golconda and for this reason Sultan Aurgazeb Almagir has consoled him and have given some position among his companions and slowly Syed Sultan has improved his position under the rule of Sultan Aurangzeb Alamgir and reached to the post of 7,000 grades position and after some months he was married with the daughter of famous general Mir Jumla.

One fact.

Abul Hasan who becomes afterwards as Sultan Abul Hasan Tana Shah and crowned in the year 1083 A.H. in Golconda so it was predicted from a great pious personality of his time which was proved correct by the kindness of Allah and title of Tana Shah awarded by Sheikh become well known and famous in the world.
14 Seeds of Pomegranate.

It is stated that one day Sheikh has given him one piece of a pomegranate and asked him to count how many seeds are there in it?. So Tana Shah has counted them and replied him that there are fourteen seeds in it. So Sheikh told him that your rule over the kingdom of Golconda will be for a period of 14 years only. So it had happened as per the prediction of the Sheikh and Tana Shah ruled over the kingdom of Golconda for a period of 14 years and his rule was coming to an end in the year 1097 A.H. and in this way Tana Shah becomes the last ruler of the kingdom of the Qutub Shahi dynasty.

The grave of Sultan Abul Hasan Tana Shah in Khuldabad.

Death.

To write about this great Sufi saint and great preacher is not only it is difficult and but it is very hard task as he was not only a great pious personality of his time in the area of the Deccan (South India) but he was also a great preacher and he did his preaching work in Hyderabad for a period of 50 years and details of his teaching and preaching work have briefly mentioned as follows. 1. Teaching and preaching. 2. Favour of zaheri (outside) and batini (inside).
So in brief he was Qu’tub (highest cadre in spiritual pivot at axis) of his time in the Deccan region and left the world on 22nd Safar in the 1092 A.H. in the period of sultan Abul Hasan Tana Shah of Golconda. But some historians have mentioned the date of his death as 7th Jamid Awwal but all have confirmed the year 1092 A.H. is correct as per record of history. He was buried in the shrine which is located in outside of Fathe Darwaza in Misri Gung street Hyderabad and his mausoleum in a Missri Gung area which is famous even today for the fulfilment of desires and wishes of the persons who visit his mausoleum there.

Abul Hasan Tana has constructed a big tomb over his grave due to his great respect and devotion and tomb was built in the grand style. But still the plastering work is not completed and colourful work of the tomb is also is pending and construction work was not completed due to invasion of Sultan Aurangzeb Almagir on the Golconda fort and after the end of the Qutub Shahi Kingdom in Golconda. The height of the tomb and its grand style of construction still attracts the visitors and engineers there and its height is 50 feet high and it is well known and famous that it is a highest tomb in India and the tomb was constructed with stones and it is based on 112 pillars and height of each pillar is 25 feet.

As Abul Hasan Tana Shah has personal experience of shrine life so due to predictions of his 14 years of his rule he has granted 14 estates to Shaikh to meet the expenditure of the shrine and lunger Khana (public kitchen). For the construction and maintenance of the tomb he has granted one village called Maoza Zair Gumbad.

After the end of the Golconda kingdom Sultan Aurangzeb Alma Gir upon conquering the Golconda fort renewed old grants of the Qutub Shahi dynasty to the shrine and also granted one more village Kanga Khurd to the shrine custodian Syed Shah Ali Hussain for the shrine expenditure. Alamgir also issued orders for cash grants for the expenditure of the public kitchen at the shrine. So in this way after the end of Qutub Shahi rule the Mughal rule has taken the care and
maintenance work of the shrine and sanctioned all expenditure in this matter.

Also after the end of Mughal rule the Asif Jahi rule of Hyderabad was started but in the above 3 rules Hazrat Raju Qattal’s *rohani* (spiritual) rule was continued and till date there is no change in this matter. So for the above reason King of Hyderabad Nizam Ali Khan has arranged golden klas (spire pinnacle) on the tomb due to his respect and devotion. Fazelat Unnisa Begum who was the mother of Nasir Doulah on the occasion of the birth of his son has arranged wooden frame around the grave inside the tomb in the year 1208 A.H. and this shows her admiration and also prove her *irdat* (devotion).

Brief teachings.

Hazrat Raju Hussaini was engaged his tongue and his pen in the following. 1. For the welfare and prosperity of the mankind. 2. To restore relations of mankind to the creator. 3. Healthy Society. 4. Prejudice. 5. Narrow mindedness.

With the propagation of the above teachings and he was able to stop above bad feelings and promoted good manner and conduct among his disciples and devotees in the Deccan (South India) and till this date such good things are still available in the Deccan (South India).

Due to the system of the shrine the message of peace and brotherhood was spread not only in the Deccan area but it was spread all over India. There was changes due to time and the rulers were also changed but the importance of this great Sheikh of Deccan is not be decreased because he was great Sheikh and due to the coverage of his life with many interesting events and positive information in it so for this reason his teaching and preaching are like an ocean of knowledge and information and he was passed away from the world upon doing his great endeavours and many hard tasks for the preaching and propagation of Islam in the Deccan area so his life will present the ocean of knowledge and information for the guidance of people towards the right path of Allah.
So for the above reason his name and fame will remain till the day of judgement and his rohani (spiritual) favour and attention will be available to the people of all times in the future by the kind grace of Allah.

The Urs (death anniversary).

The Urs is celebrated on 14, 15, 16th Safar every year of the Muslim calendar on the grand scale and on the 14th Safar sandal ceremony is organized and on 15th Safar the lights are illuminated on the mausoleum. On this occasion people from various walks of life, irrespective of caste and creed, assemble to celebrate the Urs (death anniversary) which takes place on the above dates of Muslim calendar at the famous mausoleum of Hazrat Syed Shah Raju Qattal every year. Several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings. During the above ceremony the visitors in large number will visit the shrine for the fulfilment of their desires and wishes for the sake of Sheikh’s name so in this way the above ceremony will be celebrated on a grand scale and the visitors will visit the mausoleum from near and far away places. The Urs (the anniversary day) is being performed by the trustees of the shrine every year in the best possible manner in the comfort and best service to the visitors of the shrine. The visitors of the shrine are provided food and benediction on this occasion.

Conclusion.

To write about this great Sufi saint is not only it is difficult and but it is very hard task as he was not only a great pious personality of his time in the area of the Deccan (South India) but he was also a great preacher of Islamic knowledge so in brief he was Qu’tub (highest cadre in spiritual pivot at axis) of his time in the Deccan region.

As per custodian of the shrine that there are many cases of patients affected by evil spirits used to come there and get recovery soon and from February 1981 onwards there is increase of visitors to the shrine in large number. He has explained that his jalali (majestic) condition is still alive so for this reason once in case of patient Mr. Saleemuddin’s treatment somebody has thrown out brazier by mistake in the well so for this reason there was a great fire accident which took place in the well and huge fire flames were found there.
Live miracle.

The news report of his great miracle has been published in daily Urdu newspaper ‘Rehumai Deccan’ Hyderabad on 12th March 1981. Once one lorry driver Mr. Saleem was coming to Hyderabad from Bombay and on the way in place of Jalkot one male and female cobra snakes have come on the centre of the road and for this reason the male cobra was died suddenly due to the accident by the lorry of Mr. Saleem on the spot and female cobra entered into the lorry cabin and she sat there and for this reason some persons had killed her immediately. Mr. Saleem who was at 26 years old have came to his house in Hyderabad and after some days his health become seriously ill and his habits and movements were converted like cobra snake and he was started crawling like snake and for this reason his mother took him to many places of spiritualists for his health recovery but there was no benefit at all.

After some time his mother has arranged the marriage of Mr. Saleem with Miss Durdana. After marriage Mrs. Durdana has also become a patient of the evil spirits and her habits and movements were also converted as female cobra. Due to the serious condition of Mr. Salem and his wife the parents were becoming upset and worried in this matter and they took them to many places for their check up by spiritualists for their cure and recovery but there was no benefit for them.

So as per advice of Mr. Saleem’s friend the couple have visited shrine of Hazrat Khaja Rehmatulla Saheb of Rahmatabad in Nellore district and they stayed there for some days but due to no money for the expenses for their stay there and for this reason they were planning to come back to Hyderabad city and at that in the dream they got message that they should take ration of 100 Rupees from the shop which is opposite of the shrine for free of charge and so they have taken ration from the above shop without payment of cost and the shop owner did not demanded money upon the delivery to goods to them.

After some time they were instructed in their dream to proceed to the shrine of Hazrat Yousuf Saheb and Shraif Saheb at Hyderabad. So they have reached there and stayed there for some time. During their stay at
the above shrine they were further instructed in the dream to proceed the shrine of Syed Meeran Hussaini at Lunger House.

From the resident of Mr. Saleem which is located at the first Lancer area of the hillside they came to the shrine of Syed Meran Hussaini at Lunger House area and at the shrine they have been advised for a bath at the well of the shrine and after the bath both of them were taken for the visit of the shrine for some days. In the shrine area their habits and movements of snakes like creeping and hiss continued and for this reason the visitors noticed their habits and movements of snakes and this news was spread in the city so for this reason a large number of persons came to the shrine to see them and watch their habits of snakes. Due to the large number of visitors and gathering there was problem to control the large number of persons in the shrine and for this reason one police outpost was established under the supervision of the circle inspector Mr. Ahmed Ali Khan of police station Asif Nagar and following police men were allotted duties in the police outpost at the shrine area.1. Mr. Ishaque.2. Mr. Abdul Razzaq.3. Mr. Abdul Razzaq.4. Mr. S.R. Goud.

Also the above police staff watched the creeping and hiss condition of the couple. As per the statement of policeman Mr. Abdul Razzaq that when there will be a condition of invocation of spirits on Mrs. Durdana then she used to say to get back her husband and then she used to climb on the pole like snake. On the 4th February when there was a condition of invocation of spirits on them they both said “Baba now we are going” and then they slept there for some time and upon their wake up they become normal and in perfect health due to the spiritual favour and help of the Syed Meeran Hussaini Saheb. Upon the above problem of evil spirits Mr. Saleem has discontinued his lorry driving work and but upon his recovery of his good health he has continued the work of lorry driving. And his wife Mrs. Durdana also become perfect and her health was also improved very well by the kind blessings of the Sheikh.

15. The biography of Hadrat Syed Shah Ismail Quadri

Ghod wadi Sharif
Hadrat Syed Shah Ismail Quadri who was a great Sufi saint of ninth century Hijri and he belongs to the Sadat family of Hussaini chain (descendant of the holy prophet through his daughter Hazrat Fatima).

He was most pious and possessed good manners and good nature holy personality of his time. His conduct and character details are as follows

1. Kind to poor and needy persons.
2. Hospitality.
3. He was loved for the Sadat (descendant of the holy prophet through his daughter Hazrat Fatima) and learned persons. In Bider district many holy persons came from the outside areas of the preaching and propagation mission of Islam but his position is very high among all of them. He left this world about 551 years ago but despite of many centuries this Sheikh’s
popularity and fame as well as devotion for his piousness and of his name are increasing day by day due to the kind grace of Allah.

It is fact that world’s great personalities will meet their downfall after reaching at their height of great progress but the pious personalities and friends of Allah who will reach their height of great status and position due to their hard tasks and endeavours will not meet their downfall and forever their popularity will continue among the general and other persons. As per saying of Hafiz Shirazi that reason of popularity of the pious and holy person’s greatness is that they are true and sincere persons who will finish their personalities for the love and nearness of Allah. They are not at all interested in world’s attraction and pleasure as well as peace and comfort of the world. They are interested in the following things. 1. Commandments of Allah. 2. Shariat (Islamic law).

They used to act upon the above things and also they used to try hard and used to instruct others to act upon the above things by their saying and their practice. They used to keep away from wealth and power for the above reasons and so for these reasons Allah’s blessings and kindness were available with them so till the end of the world they will be well known and their position and status which will not meet its downfall and end. Upon studying many books and magazines and upon contacting many learned persons the compiler of this book could not ascertain the following details about Syed Shah Ismail Quaderi of Ghod Wadi Sharif.

1. Date of birth. 2. Place of birth. 3. Chain of Iradat (devotion). 4. His age at the time of his migration. 5. Place of migration to Bider.

Genealogy.

As per references from the following books the genealogical details are as follows.

Reference books.

Genealogy number One.
1. Syed Shah Ismail Quaderi.
2. Syed Hassan.
4. Syed Mohammed.
5. Syed Qutub Alam.

29. Imam Mosa Kazim.
30. Imam Jafer Sadiq.
31. Imam Mohammed Baquer.
32. Imam Zainul Abidin.
33. Imam Hussain.

In the above genealogy record one name of Syed Mohammed Ali al-Quraishi is mentioned but in another genealogy record instead of Syed Mohammed Ali al-Quraishi it is mentioned as Syed Mohammed al-Qurshi. But it seems that the name Syed Mohammed Ali al-Quraishi is
correct and it is possible that in another history book ‘Tadhkira Quaderi’ it was written as Syed Mohammed as al-Qurshi by mistake.

Genealogy Number Two
As per the details from the book ‘Tadhkira Auliya Deccan.’
1. Syed Ismail Shah Quaderi.
2. Syed Shah Hussain.
7. Syed Shah Ismail Ali Asghar.
8. Syed Shamsuddin.
9. Syed Abdul Aziz
10. Syed Shah Mohammed Qutub Alam.
11. Syed Shah Masood Qutub Alam

In the above two genealogy records there are some differences and in the second genealogy record the following important names are not found in it but as a matter of fact all of these names are available in the genealogy record number one.
1. Syed Mohammed.
2. Syed Alam.
4. Syed Taher
5. Syed Azzam
7. Abu Kamal
8. Syed Eisa.
10. Syed Mohammed Ali al-Quraishi
11. Imam Mosa Kazim.
12. Imam Jaffer Sadiq.
13. Imam Mohammed Baquer.
15. Imam Hussain.

In the second genealogy record there are differences in arrangement of names while compared with the genealogy record one.

Genealogy record number Three.

As per history book of ‘Khurshid Jahi’ and ‘Tariq Rashiduddin Khani’ there are no details of genealogy record available except that he was connected with Imam Syed Mosa Kazim in 29th generation. This genealogy record is also available in ‘Tadhkira Quaderi’ that Syed Shah Ismail Quaderi is connected with Imam Syed Mosa Kazim in 29th generation.

Genealogy record number Four.

This genealogy record was compiled as per hand written genealogy records which was owned by Fariduddin Quaderi who was custodian of the mosque and shrine of Shah Lagan Hyderabad and in which all the details are the same which are available in the book ‘Tadhkira Quaderi’ except there is some small difference of one name is found in the book ‘Tadhkira Quaderi’. As one name Syed Mohammed Ali al-Quraishi’s is added in the 4th genealogy record and this name is added as Syed Mahmmmed Ali al-Quraishi in the book ‘Tadhkira Quaderi’ which seems to be correct and right. The above fourth genealogy record of ‘Tadhkira Quadery’ is complete and correct but in the genealogy number three there are some differences and it is based upon genealogy record number one and on the basis of book ‘Tadhkira Quaderi’ which was found correct and right in this matter.

In book ‘Tariq Khurshid Jahi’ it is mentioned that Syed Shah Ismail Quaderi’s grand father’s name is as Syed Shah Hussaini Koki and in the book ‘Tariq Rashiduddin Khani’ it is mentioned his as grand father’s name as Syed Shah Hussain Koki so there is no similarity in the name of his grandfather in the above books. Also there are no details available about his date of death and place of birth. On page number 240 of the first edition of this book about Hazrat Shah Ismail Quaderi it was mentioned that Syed Shah Ismail Quaderi was daughter’s son of Syed Shah Chanda Hussaini who was died on 10th Shaban in the year 858 A.H.
But Syed Shah Chanda Hussain of Gogi Sharif left this world in the year 858 A.H. and after 24 years of his death Ismail Shah Quaderi was died in the year 882 A.H. Regarding his grandfather’s grave there are no differences at all and all are agreed that he was buried in Gogi village. Ismail Quaderi’s youngest son’s name is Shah Chanda Quaderi. So with the name of his son it may be presumed that Syed Ismail Shah Quaderi is daughter’s son of Syed Chanda Quaderi of Gogi Sharif and for this reason further research is required in this matter.

The details about Syed Ismail Shah Quaderi are available in the book ‘Mashooq Ilahi’ which was written by Meeran Ahmeduddin Syed Shah Murtaza Quaderi who was custodian of Hazrat Gauche Mahal of Bijapur and who published his book in the year 1973 August and in this book the following details are not true and find incorrect and baseless.

Because in the authorized records and history as well as in biography books there are no such references and also no above details were found. Also author of the above book was not mentioned any reference in support of details and events which he was mentioned in his book.

Part II

Government Service.

Upon reading the following books, the following details are available. 1. Tariq Khurshid Jahi 2. Tariq Rashid uddin Khani 3. Tadhkirta Auliya Deccan. It was revealed that Syed Ismail Shah Quaderi was in service of Sultan Alauddin Bahmani (838-1335 A.H /862-862 A.D) and he was used to stay at Bider. In the above books the details about his nature of service are not available. During his stay at better the event of Brahman girl’s kidnapping case was happening and she was taken to the royal palace. So for this reason he wore his military uniform and he was entered into the royal palace to protect the Brahman girl. For this event it is possible that Syed Ismail Shah Quaderi was an employee of Sultan Alauddin Shah Bahmani.

The Event of Brahman girl.

Sultan Himayun Shah Bahmani was famous and well known for his bad deeds, atrocities and problems. So for this reason he became well
known and famous as cruel ruler of the Bahmani kingdom of Deccan. Due to atrocities and oppressions of this Sultan when royal courtiers before their departure to royal palace visit used to prepare their last advises because there were no chances of a safe return from there. So any attempt against his atrocities and oppressions of the Sultan was not only difficult but its a hard task and endeavour in this matter. Due to the above great event it is said that Syed Shah Ismail Quaderi was a true follower of Islam and he was struggling against atrocities and injustice and protected justice, conduct and character in this matter. There was no discrimination of caste and creed with him and he was used to help needy and helpless persons upon the difficulties and problems and in these endeavours he was always successful due to kind help and support of Allah.

As per references from following books the details of Brahman girls’ event is mentioned as follows.
1. Tadhkirta Quaderi.
2. Hadiqa Rahmani.
3. Tariq Khurshid Jahi.
4. Tariq Rashiduddin Khani.

Sultan Himayn Shah Bahmani was well known due to his bad character and bad conduct and for this reason his name became well known as cruel (zalim) king of Bahmani kingdom. During his rule this event was happening. There was one Brahman neighbour of Syed Ismail Shah Quadri and his daughter was very beautiful and lovely and she was used to visit him and pay her respect and honour to him. When she was becoming adult then the news of her beauty was reached to the Sultan so he was given instructions to the royal servants to bring her to the palace by force. So as per order of the Sultan she was taken by the royal servants from her parent’s house and she was presented in the palace of the Sultan. Upon this event the parents of the girl were approached Syed Ismail Shah Quaderi for his kind help for the early recovery of the girl. Upon informing the details of kidnapping case of the girl the parents were requested his kind help in this matter so that the girl will be free from the royal palace.
Upon hearing all details of the case, Hazrat Ismail Quadri was much worried and became upset and angry due to bad act of kidnapping case of the Sultan and also due to great injustice in this matter. So he wore his military uniform and was entered into the palace without any problems and difficulties despite of huge security measures at the royal palace due to the kind help of Allah. Upon his entry into the place there he was watching that the girl was decorated well in best royal dress and was presented before the Sultan. When the girl saw him there then she was standing and ran towards him and came into his custody and control. So the Syed Shah Ismail Quaderi took her and went out of the palace safely without any difficulty and problem even though there were many thousand security guards were there to protect the palace.

Upon reaching the residence of the girl’s house, he was handed over the girl to the parents and instructed them to leave the place and to go some other place for the safety measure in this matter and he assured them that there will be a great help of Allah with them and Allah will protect the girl and help them so in this way they will be safe and secure in this problem. Upon this work he was come to his house and took his three sons and wife on high speed horses and went away from the city of Bider and they all went towards the western direction.

Some clarification of Brahman girls’ event. 1. Tadhkira Quaderi. 2. Hadiqa Rahmani. 3. Tariq Khurshid Jahi. 4. Tariq Rashid uddin Khani.

In the above four history books the event of Brahman girl’s details is included but the authors of these books have not mentioned the following details. 1. When this event was happening and the period of Sultan. 2. The year in which war took place between the Sultan and Ismail Shah Quaderi and the period of war. 3. Battlefield details. The explanation of the above matters is as follows.

In this matter it is required to know which Sultan of Bahamani kingdom was ruling with its capital of Bider during the period of Syed Ismail Shah Quaderi and how many years he was ruled there and after this we have to study among those Sultans of Bhamani Kingdom who was known for his bad character and conduct and was voluptuous as well as cruel. So that we should know the details of the Sultan who was ruled during the period of Syed Ismail Shah Quaderi.
History of Bahmani kings of Bider.

2. Sultan Alauddin Thani Bahmani (1458-1457 A.D.).

Sultan Himayun Shah Bahmani’s mausoleum was damaged partly due to a lightening strike in the year 1300 A.H. and in the above event only Himayun Shah Bahmani’s mausoleum was damaged and another four mausoleums of other kings of the Bahamani kingdom were safe and there is no damage at all. As a matter of fact Sultan Himayun Shah’s mausoleum is teaching us a lesson in the royal graveyard of Bahmani kings.

During the period of Sultan Mohammed Shah Thani prime minister Emaduddin Mahmood Gawan (870-886 A.H.) was killed by Sultan due to a conspiracy case against this most famous and able prime minister of the Bahmani kingdom on 5th Safar 886 A.H. and his mausoleum is available in the Governalli area of Bider. He was prime minister during a period of Ismail Quaderi in between 870-882 A.H. The five mausoleums of the Sultans of Bahmani kingdom are available near Istore area near Bider on the eastern side of the same line.

After knowing the details of the rulers of the Bahmani kingdom who ruled Bahmani kingdom during the period of Syed Shah Ismail Quaderi and now it is required to know in this matter the name of the Sultan who was known for his bad conduct and character and who was cruel and who was voluptuous so that we should be able to know the details of the kidnapping of a Brahman girl by that Sultan and in this case so we have to study biography details of all Sultans of Bahmani kingdom. So actually it is not possible to discuss about biographical details of all Sultans in this small magazine. But myself as per the basis of my studies of books and knowledge in this matter so I am in a position to give my opinion that in all kings only Sultan Himayun Shah Bahmani was cruel, and voluptuous and was known for his bad character and conduct and for this reason all historians have given his title as zalem (cruel). In the history books there are many events are recorded about Sultan
Himayun Shah’s life details and also his many cruel events, bad conduct and character are found in the above books. But in the following some selected important events of his period are mentioned which are as follows.

So upon study of these details we can able to know about the details of kidnapping case of Brahman girl which was happening during the period of Syed Shah Ismail Quaderi.

1. As per author of the book ‘Maqzan Kramat’ translated by Mohammed Kareemuddin that till the life of Sultan Alauddin Bahamani great pious personality of his time Hazrat Maqdom Sheikh Ibrahim Multani was used to visit the royal court of the Sultan. The Sultan was a great admirer of him and he used to respect him greatly. He was always kind to him and used to grant many favours and was used to ready always for his hospitality and service and for this reason he favoured him as the royal court member. Upon death of Sultan Alauddin his son Sultan Himayun Shah Bahmani was crowned and he became second Sultan of the great Bahmani kingdom of Deccan. This Sultan was a great ruler of his time and who was involved in the large number of atrocities and problems to the peoples of the kingdom and nobody was not safe and free from his injustice and hardships in the kingdom. For the above reasons all peoples in the kingdom were unhappy and in condition of problems and difficulties and there was no peace and comfort available to the general and as well as special persons and even the members of royal palace were not free from the problems and hardships. His list of oppressions is as follows.

1. He had killed a large number of innocent persons.
2. He had killed a large number of the royal court members who were sufferings due to hunger in the loneliness.
3. He had killed all family of the members of the culprits.
4. He used to fulfil his sediment desires with girls and boys of the general persons.
5. He was used to capture new brides at the time of their wedding night and were used to take to the palace and upon spoil of the virginity of the brides and he used to send back to the bridegroom’s houses.
6. He used to kill royal court members and general person without any reason and fault as per his own wish and desire.

7. His royal court members before visiting the palace used to prepare their last advises as there was no guarantee of their lives in the court of Sultan due to his cruel habit.

8. He used to spoil virginity of many thousand women and due to above details of Sultan’s cruelties everybody can think the dangerous situation which was prevailed during the time of above Sultan of Bahmani kingdom. All his period was covered in the above dangerous deeds and Satanic acts. Many persons due to royal problems and difficulties were migrated to the other places for their safety and security and they also left their properties in the kingdom.

Hazrat Maqdum Sheikh Ibrahim Multani was discontinued the visit of royal court due to the atrocities and the bad character of Sultan Himayun Shah Bahmani and so he was used to stay in his residence. There is limit of everything and every problem. So when his oppressions were reached at its height then the following event was happening and which ended his cruel rule.

That once Sultan was coming in the palace and he was in drunkard condition and he was seen by one royal Turkish lady in the shape of pig as she was a pious personality of the palace and she was a master at the archery so she was perfect in blowing of arrows and for the above reason she was blown an arrow at him and the arrow was touching his head causing his immediate death on the spot.

As per above details it is also clear that during the time of Ismail Quaderi another pious personality of his time Maqdom Sheikh Ibrahim Multani who was died on the 7th Jamad Thani in the year 865 A.H. and who was also unhappy with his Satanic acts and atrocities of Sultan Himayun Shah Bahmani.

1. As per reference from the book ‘Tariq Farista’ translated by Mohammed Fida Ali Taleb that Sultan was very unkind to the general as well as special persons and there was no decrease of his oppressions. Always Muslim and non Muslim persons of his kingdom were suffering heavy losses and faced many problems and difficulties by the Sultan’s injustice and punishments. The Sultan always disrespected women and
daughters of the public and fulfilled his sediment desires by his Satanic acts and deeds and so for this reason the situation becomes worse. It will be used to happen that due to the royal orders the brides were taken to the royal palace and used to be returned back after two days to the bridegroom’s house after spoiling of the virginity of brides by Sultan Himayun Shah. Also royal court members were used to be killed. Ministers and royal court members upon their visit to the court were used to prepare their last advises and give the same to their families as there was no surety and guarantee of safe and secure return of them from the royal court of the Sultan.

Due to the prayers of the mankind the Sultan was becoming seriously ill and he was died on 28th Ziqad in year 865 A.H. and due to his death peace and safety was returned back in the Bahmani kingdom.

As per my opinion it is correct that his last advice helped Sultan Himayun Shah Bahmani and he was cured well and became healthy again. But he was in the habit of atrocities and cruelties so he continued these things on his public persons and on their family members and on royal court servants. So for this reason everybody not only in the royal palace but in all over his kingdom there was a condition of un-happiness and problems. Due to the above condition of great difficulties and problems one person Shah Khan who was an emasculate person and he was acting as the custodian of the royal palace conspired with Negro lady servants of the palace and were successful in this matter and they have killed him as one lady servant killed him with the wooden stick when the Sultan was sleeping in his royal palace in drunkard condition.

2. As per reference from the book ‘Gulzar Shahi’ written by Mufti Ghulam Sarwar who was mentioned this event that due to his sediment desires sultan’s apparitions were reached at its heights. Every virgin bride and women were used to be taken to the royal court at the time first wedding night and upon spoil of their virginity of the brides and women and they were used to be sent back to the bridegroom’s houses after two days. Sultan also used to kill his newly married wives after two or three days of their marriage.

3. Bashir Ahmed in his book ‘History of Bijapur’ was mentioned that upon death of Sultan Alauddin his son Himayun Shah Bahmani was
crowned and who was famous for his bad conduct and character and the above author also was mentioned about mausoleum of Sultan Himayun Shah Bahmani in his above book on page 148-149 that it was damaged due to lightning strike which have occurred in the year 1300 A.H. At that time when he was present in Bider and due to the above event mausoleum’s half portion was damaged and its other half portion is not good in condition. The author also mentioned that the boundary walls of the mausoleum and the grave was damaged severally and there is no mark of graves and boundary walls were found. In the mausoleum donkeys used to stay and take rest and live there and the persons used to pass urine there.

It is a fact that Sultan Himayun Shah’s mausoleum was damaged by a lightning strike. Mohammed Zaheeruddin in his book about ‘Sultan Ahmed Shah Wali Bahmani’ have mentioned that Sultan Himayun Shah’s mausoleum was damaged but he was not agreeing with the author of the book ‘History of Bijapur’ that the boundary walls and grave of Himayun Shah Bahmani were also damaged. As compiler of this book was visited Bider on 11th August in the year 1975 for the collection of life details of Ismail Shah Quaderi for writing this magazine and he was also visited places Astur where there are five royal mausoleums of the Bahmani kingdom were available. In this area he was found boundary walls of the mausoleum of Sultan Himayun Shah Bahmani and his grave are available there in good condition. As per above details Sultan Himayun Shah’s half portion of the mausoleum was damaged by a lightning strike which is correct but at that time one fourth portion of the mausoleum was still available in good condition. It is noted that during the period of Sultan Ahmed Shah Wali Bahmani the capital from Gulberga to Bider was shifted in the year 1430A.D.

As Sultan Himayun Shah Bahmani was famous and well known for his oppressions and he was killer of many innocent persons and so he is called a great sinner of his time and cruel king so for this reason he became famous in the history of the Deccan as cruel (Zalim) king. This shows nature’s punishment on Sultan Himayun Shah’s mausoleum. His least cruel act is that he used to call brides in their first wedding nights to the royal palace to spoil the virginity of the brides.
4. As per the history book of ‘Tariq Deccan’ written by Abdul Majid Siddiqui, the details of his atrocities are as follows.

His last period was full of his atrocities and great problems and hardships to the peoples of the kingdom. Due to this reason his royal court members and ministers used to prepare their last advises and give the same to their members of the families at the time of their visit to the royal palace as there was no guarantee of safe and secure return back to their residences. Upon study of the above six references from the above six books of history it is proved that the event of Brahman girl was happening during the period of Sultan Himayun Shah Bahmani in the period of 862-865 A.H.

War period

There are many books available with details of war between Sultan Himayun Shah Bahmani and Syed Ismail Shah Quaderi but in those books there is no details about the month and year in which this war took place. The event of Brahman girl was happening during the period of Sultan Himayun Shah Bahmani so for this reason it is possible that the war took place in between them in the year 862-865 A.H.

Battlefield

Upon study of above historical books it was not known where the war took place. But in this connection there is a tradition that the war took place in the battlefield near Kumhar Chincholi village in which the Sultan’s army was defeated by Syed Ismail Shah Quaderi and it was also known that many soldiers were killed and were buried in the Kumhar Chincholi village and this information was also confirmed by the following persons.

1. Mohammed Ismail Tahenu aged 95 years old who was a servant and custodian of the shrine of Ghod Wadi Sharif.
2. Mohammed Faizuddin Ling aged 85 years who was servant and a member of the receiver on board of the shrine.
3. Mohammed Mastan Ustad aged 80 years resident of Kumhar Chincholi village.

As per reference from the book ‘Tadhkira Quaderi’ this village is four kilometres away from the God Wadi Sharif village.
As per references from the books of ‘Tadhira Quaderi’, ‘Tariq Khurshid Jahi’, ‘Tariq Rashid Khani’ and ‘Hadiq Rahmani’ which were added in the previous pages of the magazine that Sultan Himayun Shah Bahmani was sent his army to arrest of Syed Shah Ismail Quaderi so it is possible that the army personnel went to many places for his search and reached to Kumhar Chincholi village and at this place war took place between the army of Sultan Himayun Shah and Syed Ismail Shah Quaderi. So it is possible that many army personnel were killed and were buried in Kumhar Chincholi village. As per other consideration the following holy persons and friends of Syed Shah Ismail Quaderi were also taking part in the war and their details are as follows.

1. Bahauddin Bag Mar and his grave is available in Kumhar Chincholi village.
2. Nather Shah Wali and his grave is available in the Masimdu village in Bhalki Taluk.

The mausoleum of Hazrat Khaja Bande Nawaz.

There is tradition and some other details are available that Syed Shah Ismail Shah Quaderi was participated in the construction work of the mausoleum of Khaja Bande Nawaz in Gulberga but he did not accept any amount of the labour wages. As per this tradition Syed Shah Ismail Quaderi was used for participation in construction work of the mausoleum of Khaja Bande Nawaz in Gulberga daily but he hid not accept daily wages.

There is an old way from Boulder to Gulberga through Noabad, Khanapur, Dhanora, Janti, Ghodipaga, Masimdu, Sinkara, Kumhar Chincholi, Ghodwadi Sharif. He was used to absent at the time of disbursement of daily wages so that he will not receive the amount of wages. But the custodian of the small shrine of Gulberga Syed Shah Qutubullah was rejected the above tradition and he was mentioned another tradition in this matter and its details are as follows.

Another holy personality of his time Mastan Quaderi who was a great devotee of Khaja Bande Nawaz was coming to Gulberga when Hazrat Syed Asghar Mohammed al Hussaini was custodian of the shrine and at that time Hazrat Mastan Quaderi came there and was taking part in the construction work of the mausoleum of Hazrat Khaja
Bande Nawaz during his stay at Gulberga and he did not accept any labour wages. Hazrat Syed Asghar Mohammed al Hussaini was died on 21th Muherram 832 A.H. and his grave is available in Rouza Khurd in Gulberga. Mastan Quaderi’s Urs (death anniversary) is celebrated as per following programs.

On 11th Zil Hajj Sandal ceremony.
On 12th Zil Hajj lights are illuminated.
On 13th Zil Hajj visits of the shrine

His grave is situated in Teen Sedhi in Rouza Khurd in Qutub Shahi mosque in Gulberga. So it famous that Hazrat Asghar Mohammed al Hussaini was seen Hazrat Khaja Bande Nawaz in his dream and he told him that Mastan Quaderi is his friend so he should be not be allowed to participate in the construction work of his mausoleum and he was instructed further in this matter that he should be treated as a guest in the shrine.

As there is a difference in the above two traditions and details and also there is no reference from any book available on this matter. So it is also possible that with Syed Shah Ismail Quaderi, Mastan Shah Quaderi were also participated in the construction work of the mausoleum and both of them might have not collected their wages there.

Arrival.

Upon his success in the war with an army of Sultan Himayun Shah Syed, Shah Ismail Quaderi came to the God Wadi Sharif village along with his three sons and his wife and before his arrival this village was known as Wadi village. As per references of books ‘Tadhkira Quaderi’, ‘Tariq Khurshid Jahi’, ‘Tariq Rashid Uddin Khani’ and ‘Hadiq Rahmani’, the details of the arrival of Syed Shah Ismail Quaderi are mentioned as follows.

1. After the war he was entered into the area of the Ghod Wadi Sharif village and he was standing on the top of the mountain which is near God Wadi village and was blown an arrow and was asked his servants to bring back arrow up on marking on the place where it will be found. So the servants did as per his instruction in this matter. Upon this Syed Ismail Quaderi get down from the mountain and he visited the mark place did meditation they're in standing position.
2. As per reference from the book of ‘Khurshid Jahi’ and ‘Tariq Rashiduddin Khani’ the description of this event is as follows.

He reached on the top of the mountain which is located at the front side of the God Wadi Sharif village and upon his success of the war with Sultan Himayun Shah Bahmani. He was standing there and was blown an arrow from the mountain. So the servant marked the place and brought the arrow from there. He came from the top of the mountain and he visited the place where an arrow was found and at the same place he settled down there.

3. The author of the book ‘Hadiqa Rahmani’ wrote the following details in this matter.

He was blown an arrow from the top of the mountain and was settled down at the place where an arrow was found.

In this connection there is a tradition that there is a mountain in the God Wadi Sharif village and in the beginning he went to the top of the mountain in Ghod Wadi Sharif village and this mountain which is situated near the water tank on the north side of the village. As per one tradition in the beginning one person Ogher Patel was objected for his stay on the mountain and for this reason Syed Shah Ismail Quaderi was upset and angry in this matter. So upon departure of Syed Shah Ismail Quaderi from that area Ogher Patel was dying from some serious deadly diseases and due to many problems. So for this reason Syed Shah Ismail Quaderi was wanting to leave that place and he was blown an arrow from the top of the mountain and he asked his servants to mark the place where it will be found.

So the servant went to that place to bring an arrow and when servant took out the arrow which was fixed in the ground and then spring of water started from the ground. Syed Shah Ismail Quaderi, his sons and his wife came there and did ablution and started prayers and worship there. After this event he was blown another arrow in the western direction and which went into the thick forest area and he asked his servants to bring back the arrow from there but the servants were not found it and could not trace in the forest area. So Syed Shah Ismail Quaderi went there and found the arrow which was fixed on the ground. So he settled down there and was also died there.
Salik Majzub

His condition was as follows.

1. Salik (mystic initiation)  2. Majzub (one lost in divine meditation)

The compiler of this magazine found two pages of one old book in Ghod Wadi village in which following details are available.

1. The spring is available in the eastern side of the water tank in the God Wadi village and its water is good for cooking and drinking purpose.

2. These are two pages of qalmi (hand written) book which were found with Syed Ashraf Ghayani and in these pages there is no information about the author of the book, title, year of publication are not found. On these papers page numbers are mentioned as 123, 124, 125 and on the page number 124 the details of holy saints are mentioned and first Syed Shah Ismail Quaderi’s short details of his life are available on it and also Zinda Shah Madar’s life details are available in the above two pages. It was written in these pages that Syed Shah Ismail Quaderi’s grave is situated in Ghold Wadi Sharif village of Bider district.

As per tradition of Hazrat Machli Wale Saheb that he was Salik Majzub (due to mystic initiation he was lost in divine meditation) and for this he was explained that Majzub (one lost in divine meditation) should act upon Islamic law (Shariat law) and should complete stages of Saluk (mystic initiation) and due to this regards one should be in the condition of ecstasy always and for this reason general persons will call him as Majzub (one lost in divine meditation) and in that condition it will be possible miracles and revelation by him.

The event of Brahman girl may be termed as his great miracle. It is also mentioned in those pages that holy persons are not concerned with bow and arrows. In those pages it is also mentioned one reference from thesis of Abdul Karim Judit of Nagpur and in his thesis of ‘Auliya Hind Ki Haqiqat’ and this manuscript is hand written and available in the library of Raghujl Bhonselay and in the above thesis of hand written book it is mentioned that Syed Ismail Quaderi was a Majzub (one lost in divine meditation) and he came to Deccan in this condition and he was used to hid himself in the caves of Bider city of Bahmani kingdom. Some persons have said that upon his miracles and revelation he became
popular there and the persons became his devotees and disciples. So the persons have accepted him as a great holy person of his time.

Family members.
1. ‘Tariq Quaderi’.
2. ‘Tariq Khurshid Jahi’.
3. ‘Tariq Rashid Khani.’
4. ‘Hadiqa Rahmani.’

As per references of the above books in which it is only mentioned that after the event of Brahman girl Syed Shah Ismail Quaderi left from Bider with his three sons and his wife and these members of his family were also with him during his war with the army of Sultan Himayun Shah Bahmani. Afterwards they came with him to the Ghod Wadi Sharif village but in the above four books there are no details available about his wife’s date of birth, date of death and also other information and other details in this matter. But it is famous that her name was Zahra bi but the name of her father and mother is not known in this matter.

Sons.

As per reference of the book ‘Auliya Deccan’ there were three sons of Syed Shah Ismail Quaderi and the details are as follows.
1. Syed Shah Faizullah Quaderi.
2. Syed Shah Mahtab Quaderi.

In the above books there are no details about his sons who is younger and who is older than the other. But in the below books some details are available.
1. ‘Tariq Khurshid Jahi’
2. ‘Tariq Rashid Khan’.
3. ‘Hadiqa Rahmani.’

It is only mentioned that Syed Shah Ismail Quaderi had three sons and who were with him during his stay at Bider and Ghod Wadi Sharif but in the above books only one son’s name as Mahtab Shah Quaderi is mentioned. For the details of Syed Shah Ismail Quaderi the compiler of the book was contacted local old persons of God Wadi Sharif and the shrine custodian was confirmed to him the following details which are similar with the details which are available in ‘Tadkhira Auliya
*Deccan*’ and the details of his sons are as follows as per according to their ages.

The details of date of birth, date of death of the above sons of Syed Shah Ismail Quaderi are not available.

Sons.

As per reference of the biography books of Syed Shah Ismail Quaderi it is confirmed that the above of the sons of Syed Shah Ismail Quaderi had no sons and these details about their sons are found correct. In the shrine area of Syed Shah Ismail Quaderi in Ghod Wadi Sharif the following graves are available.

1. Grave of Hazrat Zahra Be. 2. Three graves of his sons. 3. Two graves of his servants.

So in this matter it is not known that the three sons whether married or not.? It is not un-necessary to mention here that in the shrine of Syed Shah Ismail Quaderi there is no chain of shrine custodians from his line of generation. So for this reason servants and custodians used to perform service in the shrine since long time. It is well known fact that there are 500 families available there who belongs to servants and custodians of the shrine and they use to perform their weekly service on Thursdays and Wednesdays and on annual Urs (death anniversary) regularly on their turn basis with much devotion and respect and this process has continued for many centuries.

1. Syed Mahtab Quaderi.

He was the elder son of Syed Shah Ismail Quaderi and who was famous for his miracles. But his date of birth and date of death is not known. But in the light of below event of stick of a date liquor tree it can be said that he was dying during the life of Syed Ismail Shah Quaderi.

The event of stick of date liquor tree.

The event of stick of the date of the liquor tree of Syed Shah Mahatab Quaderi is very well known and famous. The importance of this event is very great because it is connected with the death of Syed Mahatab Shah Quaderi. The author of the book *Hadiqa Rahman* was mentioned this event in his book as follows. That one day Syed Shah Ismail Quaderi
was watching the digging work of the wall’s foundation and at that time Syed Shah Mahatab Quaderi came there by holding the stick of a date liquor tree in his hand. So Syed Shah Ismail Quaderi was upset and angry with him upon seeing the date liquor stick in his hand because he thought that he would drink date liquor afterwards. So for this reason he asked his son to enter into the foundation of the wall and so he was entered alive into the foundation of wall sincerely and in this way he was lest this world.

This event is described in ‘Hadiqa Rahmani’ as follows.

This is a famous event that one day Syed Shah Ismail Quaderi was watching the digging work of wall foundation and at that time his son Syed Shah Mahatab Quaderi came there by holding the stick of a date liquor tree in his hand. So for this reason he was upset and angry with his son in this matter and was told him that in future it is possible that he will drink date liquor so for this reason he was asked him to enter into the foundation of a wall. When he was entered alive into the foundation of a wall then he was filled the foundation of wall with soil and one wall was constructed there. But that grave is coming outside of the foundation of the wall slowly.

As per reference of the book ‘Tariq Khurshid Jahi’ and ‘Tariq Rashid Khani’ the details of this event are as follows. Among the miracles of Syed Shah Ismail Quaderi’s sons, Syed Shah Mahatab Quaderi is well known and famous. It is said that his grave is at the foundation of the wall and it is coming outside of the foundation of a wall slowly and this shows his great miracle. It is known in the shrine that his grave level will become equal with some graves which are there in the outside area.

For the above event there is another tradition which is available that Syed Shah Mahatab Quaderi was going somewhere so he requested his father’s permission in this matter so he was asked him that during his journey he should not enter into the jungle of the liquor date trees under any circumstances.

Upon his father’s permission he was proceeding on his journey. But due to the problem of his horse obstruction in the way he took a stick of a date liquor tree which was lying on the way and used it to control the horse and to solve the hindrance of horse and he was returned back to
his house with a stick of a date liquor tree in his hand due to the above circumstance and situation. So for this reason his father was upset and angry upon seeing the stick of a date liquor tree. So he ordered him to enter into the foundation of the wall and he was entered there immediately. In this way he was buried alive in the foundation of a wall.

In the light of above event it is clear that Syed Shah Ismail Quaderi was against liquor, date liquor and he was also against the things of liquor date trees. In this matter he was not in favour of any indulgence in this respect. For this reason he was punished his son because he was used date liquor tree stick for his horse obstruction. This event also shows that Syed Shah Mahatab Quaderi was very sincere and obedient son of Syed Shah Ismail Quaderi. So for this reason he was acted upon his father’s instruction and was entered alive bravely into the foundation of wall without any hesitation. In this way he was given importance to sincerity and obedience of his father than his life.

Syed Shah Manjle Shah Hussaini.

There is a tradition which is famous about him is that he was the spiritual master of his son Syed Mahatab Quaderi. It is not known what knowledges he was obtained from his spiritual master and for how many years he was studying with him. He belongs to the sons of Hazrat Khaja Bande Nawaz of Gulberga. The details of his date of birth and date of death are not available in the books. But in this matter it is said that he belonged to the 9th century period. He left no sons after him. His mausoleum is available in Hanchal village which is situated one mile away from Ghod Wadi Sharif on the eastern side in Humnabad taluk of Birder district and the mausoleum which was constructed over his grave and which seems to be very old.

Every year Urs (death anniversary) ceremony is celebrated and people from various walks of life, irrespective of caste and creed, assemble to celebrate the Urs (death anniversary) which takes place on the 14, and 16 day of Zil-Qa‘dah of Muslim calendar at the famous dargah (shrine) in Hanchal village every year. Some authors are agreed that he was died in Ghod Wadi Sharif village without completion of his stay of 40 days there. But above reference seems to be not correct because during the rule Sultan of Himayun Shah Bahmani (862-865 A.H.) he fought with Sultan due to the event of the Brahman girl and upon success in the war he came to Ghod Wadi Sharif village and as per reference from the book ‘Tariq Khurshid Jahi’, ‘Tariq Rashid Khani’, and ‘Hadiqa Rahmani’ he was died in the year 882 A.H. and in this way he may have stayed in Ghod Wadi Sharif village for a period about 17-20 years and afterwards he may have died in Ghod Wadi Sharif village.

As per reference of the book ‘Tariq Quaderi’ in which it was mentioned that he was interred alive into the earth along with horse and so it may say that Allah’s knows better in this matter. To know the correct year of death among following two years.

1) 861 A.H.
2) 862 A.H.

We have to check details of annual Urs (death anniversary) ceremonies records in the book ‘Aina Deccan’ written by Mir Qamar Ali Barqamar in which it was mentioned records of every year of Urs (death anniversary) which are celebrated in the month of Zil Hajj.

His 512th Urs (death anniversary) was celebrated with following schedule and the details of programmes are as follows.

- On 29th Zil Hajj Sandal ceremony on 1394 A.H.
- On First Muharram 1395 A.H. illumination of lights.
- On 2nd Muharram 1395 A.H. recitation of Quran.

So please study the following details of Urs (death anniversary) records.

If suppose his year of death is on 882 A.H. So his first annual Urs (death anniversary) was celebrated on 29th Zil Hajj on 883 A.H. and his 512th annual Urs (death anniversary) was celebrated as per following details.

In the year of death add a number of Urs (death anniversary) and find the following details.

883 + 511 = 1394 A.H. Zil Hajj.

The above calculation will prove the following details.

1. His 512th Urs (death anniversary) was celebrated on 29th Zil Hajj in the year 1394 A.H. and it proves that first Urs (death anniversary) of Syed Shah Ismail Quaderi was celebrated on 29th Zil Hajj 883 A.H. In this way his date of death will be 882 A.H. which is found correct and right.

It is true and correct that Syed Shah Ismail Quaderi was in service of Sultan Alauddin Bahmani (883-862 A.H.) and during the rule of Sultan
Himayun Shah Bahmani (862-885 A.H.) he was freed the Brahman girl from the royal palace so for this reason his year of death is 861 A.H. is not correct and right but his year of death 882 A.H. is correct.

Since long time Syed Shah Ismail Quaderi’s Urs (death anniversary) used to be celebrated on 29th Zil Hajj and as per reference of book ‘Aina Deccan’ in which it is added that the month of Urs (death anniversary) as Zil Hajj. So it's correct that he left this world on 29th Zil Hajj.

In this matter we can say that his date of death is as follows.
Thursday 29th Zil Hajj 882 A.H. and corresponding to April 1478 A.D.

Graves.
The details of graves in shrine of Ghod Wadi Sharif village are as follows.
1. Syed Shah Ismail Quaderi.
2. Hazrat Zahra Be.
4. Syed Shah Chanda Quaderi.
5. Syed Shah Faizullah Quaderi.

Inside the shrine area there is platform of size of 34 X20X3 feet in rectangular shape available on which there are four graves are available there. On the western side of the grave of Syed Ismail Quaderi and its eastern side following graves are available.
1. Syed Shah Faizullah Quaderi.
2. Syed Shah Chanda Quaderi.
3. Hazrat Zahra Be.

On the north side of the grave of Syed Shah Ismail Quaderi there is one platform of size 14x 11.5.x1.3 feet is available on which grave of Syed Shah Mahatab Quaderi is situated which is near to the wall side. On the above graves there are available old tin sheds which were replaced with new tin sheds and recently iron shutter were also added there.

The miracles of Syed Ismail Shah Quaderi.

As a matter of fact there are many traditions of miracles and the favours of Syed Shah Ismail Quaderi are well known and famous but few of them are as follows. It is well known fact that large numbers of devotees used to present on this occasion of Urs (death anniversary) and
people from various walks of life, irrespective of caste and creed, assemble to celebrate the *Urs* (death anniversary) which takes place on the 29 day of Zil-hajj to first of Muharram of *Muslim calendar* at the famous Syed Ismail Quader’s *dargah* (shrine) in Ghod Wadi Sharif every year. Several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings.

During the Urs (death anniversary) the visitors in large number will visit the shrine for the fulfilment of their desires and wishes for the sake of the Sheikh’s name. In this way the above ceremony will be arranged on a grand scale and the visitors will use to visit the mausoleum from near and far away places.

On every Thursday large number of devotees and people from various walks of life, irrespective of caste and creed, assemble there and slaughter large number of goats for *Eisal Thawab* (conveying reward of virtuous deed) to make an offering (*Niawz Sharif*) in the name of Syed Ismail Shah Quaderi. As God Wadi Sharif is a small village so there are no wide roads and streets, no big houses and also there is no facility of water and drainage available there. For the above reason when there will be a large number of slaughter of goats and for this reason due to blood of goats and filth will be there and also there will be many problems of health and sanitation. But due to the slaughter of a large number of goats to make an offering (*Niawz Sharif*) in the name of Syed Shah Ismail Quader and there are no such problems as well as there are no bad effects are available there.

As per reference from the book ‘*Tadhkira Quaderi*’ and ‘*Hadiqa Rahmani*’ in which it is mentioned that on every Thursday to make an offering (*Niawz Sharif*) in the name of Syed Shah Ismail Quaderi many thousand goats are slaughtered but next day there are not available goats blood, dung, bones and for this reason the author of the above two books have mentioned the above situation as his greatest miracle.

In this matter author of book ‘*Tadhkira Quaderi*’ was mentioned the following details which are as follows. That his shrine is *mataf* (place of frequent visits) for the world and its people. So on every Thursday there will be the presence of a large number of people at the shrine and several hundred thousand devotees from near and far, irrespective of
religion and beliefs, gather there for Niyaz Sharif (to make an offering in the name of Syed Shah Ismail Quaderi) with the meat of the slaughtered goats. Due to the Sheikh’s miracle which is continued till now that next day blood, dung, bones are not found. (May Allah’s blessings be upon him).

As per author of book ‘Hadiqa Rahmani’ who was mentioned his report of visit of Ghod Wadi Sharif which is as follows.

He was reached Ghod Wadi Sharif in the month of Ziqad in the year 1286 A.H. on Thursday and he was visited holy shrine of Syed Shah Ismail Quaderi and he found that there are large numbers of devotees were present there and on this occasion from various walks of life, irrespective of caste and creed, were assemble there and to offer Niyaz Sharif (to make offering in the name of Syed Shah Ismail Quaderi) and prepare curry and nan (bread) and there will be slaughter of goats for Niyaz Sharif (to make offering in the name of Syed Shah Ismail Quaderi) and next day in the morning there will not found the bones, dung and marks of all these things were also not found on the ground.

In this connection Mr. Ghulam Mahmood who collector of Chatgupa district and his letter number 2 is presented as follows which was written to the Organizing Committee of Shrine of Ghod Wadi Sharif about tender work of slaughter house at Ghod Wadi Sharif which is as follows.

“As the applicant was mentioned about filth which is available there which is totally wrong and baseless. I have experience of four years with me and now it is the fourth time that I have visited this holy shrine and say in this matter that despite of the large number of slaughter of goats on Thursday but on Friday on any place in any house or in any ground there is not available any filth so this is a matter of great surprise. During the summer season when there will be a large number of visitors and it was known that there will be slaughter of 1500-2000 on Thursday. And at that time there will be no blood, bones and filth will not be found on Friday. This act belongs to the great miracle of Syed Shah Ismail Quaderi.”

2. Syed Mohammed Sagaf wrote in his book ‘Hadiqa Rahmani’ on its page number 2 the following details which are as follows.
On the opposite side of the shrine there is a small water tank is available and its water colour is red due to the colour of the soil of GodGhod Wadi Sharif. Those who visit there for Niyaz Sharif (to make an offering in the name of Syed Shah Ismail Quaderi) use the water from this tank. There is a small tank near the shrine building and its water colour is red due to its soil colour and the visitors used this water for the cooking purpose during their stay there. If somebody uses the water from other areas for the cooking purpose, so in such case there will be possible that there will be insects in the food items. Many times this was happening that the visitors who brought water from other places and used that water for the cooking food items and found insects there in the food items.

So for this reason the visitors were upset in one such case and approached the shrine custodians’s help in this matter and the shrine custodian was brought some water from the tank and spread on the food items in which there were found insects upon cooking with water from other places and due to a living miracle of the Sheikh Saheb and upon reciting Fateha (the first verse from the Quran) the insects were no more there in the food items. This is his great live miracle which is still found in the shrine and which shows that he was a great pious personality of his time in the area of the Deccan (South India). So It is famous there that if water is not from the water tank then that water is not useful. So the water of the above tank is used for cooking and also for bath purpose and in the shrine area Nasha (intoxication) is prohibited.

It is observed that there are large numbers of devotees used to present on this occasion from various walks of life, irrespective of caste and creed, used to take a bath in the water tank and pay visits to the holy shrine. For Niyaz Sharif (to make an offering in the name of Syed Shah Ismail Quaderi) and they will use tank water or spring water. It is also the fact that visitors as well local persons irrespective of caste and creed or religion will not dare to enter into the shrine in the condition of intoxication or drunkard condition. This method has been followed since many centuries.
3. In the Islamic religion drinking of liquor is prohibited and for this reason drinking of liquor is prohibited in the shrine area and since olden days visitors and local persons used to take care in this matter. So those who will not follow this instruction will face problems and difficulties in this matter.

It is the fact that an event which was happening on 24th May in the year 1990 A.D. on Thursday that visitors from Rajul village and some other nearby villages of taluk Basva Kaliyan came to visit in lorries to Ghod Wadi Sharif for Niyaz Sharif (to make an offering in the name of Syed Shah Ismail Quaderi) and visited the shrine and in this group of visitors two newly married couples were also included. Upon their return journey one lorry met an accident and it was felt in the pit at the southern side of the water tank near the shrine and in this accident nine persons were killed and 32 persons were injured seriously as per news report on ‘Stasat Urdu newspaper Hyderabad’ on 26th May in the year 1990 A.D. It was known that the visitors were in drunkard condition and after their visit of shrine so in this way they suffered heavy losses in this matter.

4. It is stated that seven visitors of the Tail Gaon village of Parbhani taluk came from Urs (death anniversary) of Khaja Bande Nawaz of Gulberga and they were staying near spring area and with them some persons who were brought beef meat food items in their tiffin with them. They prepared rice and malida (bread mashed within butter oil and sugar) for the Fatiha (reciting the first verse from the Quran). But before the Fatiha (reciting first verse from Quran) insects were found in rice and Malida (bread mashed within butter oil and sugar) so for this reason the visitors were upset and approached the shrine custodian’s help in this matter and the shrine custodian was brought some water from the tank and spread water on the rice and Malida (bread mashed within butter oil and sugar) items in which there were found insects upon cooking as the visitors used beef food items during their stay in the shrine.

5. Upon reciting Fatiha (the first verse of the Quran) and due to a living miracle of the Sheikh Sahib all persons were seen that there were no insects in rice and Malida (bread mashed within butter oil and sugar).
This is his great live miracle which is still found in the shrine and which shows that he was a great pious personality of his time in the area of the Deccan (South India). This event was happening on 19th Ziqad 1348 A.H. in the shrine when visitors were brought beef food items in their tiffin upon their arrival to the shrine for Niyaz Sharif (to make offering) for Eseal Swab (for the conveying reward of virtuous deed) in the name of Syed Shah Ismail Quaderi. So the custodian was asking them not to bring the beef meat food items.

It is a very interesting thing in Ghod wadi Sharif that now-a-days local and outside visitors will not use beef meat before Niyaz Sharif (to make offering) and reciting Fatiha (first verse of Quran). If somebody who will use beef meat food items then he will use to take a bath in the water tank of Ghod Wadi Sharif then he will participate in the preparation work of Niyaz Sharif (to make offering) in the shrine area.

It is also the fact that all servants and custodians of the shrine will not use beef meat food items for a long time.

5. It is said one person named as Mohammed Ismail who was blind and who was residing in the Alipur village of Zaheerabad Taluk of Medak district visited the shrine after his cure at many places without any result in this matter. So he came there upon knowing that his disease is incurable and its cure is not available in the hands of doctors. So upon his disappointment he came to the shrine of Syed Shah Ismail Quaderi in the year 1962 or 1963 and prayed at the shrine with his wasela (mediation). He used to visit the shrine in the morning and evening and used to pray for his cure. In the short period of 8 or 10 days time due to the grace of Allah he was recovering his eyesight.

6. This is a famous event of Mahatab Ali who was 60 old came from Gulberga to Ghod Wadi Shairf. He was suffering from Qarash (itching) problem so he was undergone his too much cure at many places but there was no benefit at all. So he went to shrine of Hazrat Khaja Bande Nawaz of Gulberga in this matter but he was advised in dream to proceed to the Ghod Wadi Sharif shrine in this respect. So he was reached there and he was staying there for a period of one week. He was used to present in the shrine daily and pray for his recovery from his disease. He was also used to do sweeping work of graves in the shrine.
area. Due to the kind grace of Allah he was benefitted in this matter and for this reason he was arranged stone pavement work in the compound area of the shrine.

Syed Shah Ismail Quaderi was pious and possessed good conduct and character and he was very kind and used to help the poor and needy persons and he used to welcome guests in the house so in this way he possessed the good habits of the Sadat family members (descendant of the holy prophet through his daughter Hazrat Fatima). He used to like the learned persons very much.

Death and his mission work of Islam.

Upon his arrival in the Gold Wadi village he started his mission work of calling the mankind towards the right path of Allah and due to his multi services and benefits he was becoming well known and famous pious personality of his time in Bider and Ghod Wadi Sharif area. So for this reason the large number of people approached towards him in this matter and there was good and positive results in their lives as they followed the tradition of Allah’s last prophet and Allah’s commandments for the success of their lives after the death.

He came to Ghod Wadi Sharif and lived there for a period of 18 or 20 years and he was much busier in the multi services for the mankind and as well as he was also very busy in the following. 1. Worship. 2. Mystical exercise.

The Sheikh left this world on 29th Zil Haj in the year 882 A.H. on the Thursday. There is a tradition which is well known and famous in the shrine area that he was entered into the earth alive along with his horse.

His live miracles.

There is a small tank near the shrine building and its water colour is red due to its soil colour and the visitors used this water for the cooking purpose during their stay there. If somebody uses the water from other areas for the cooking purpose so in such case there will be possible that there will be insects in the food items. Many times this was happening that the visitors who brought water from other places and used that water for the cooking food items and found insects there in the food items.

So for this reason the visitors were upset and approached the shrine custodian’s help in this matter and the shrine custodian was brought
some water from the tank water and spread on the food items in which there were found insects upon the cooking with water from other places and due to a living miracle of the Sheikh Sahib and upon reciting Fatiha (the first verse of Quran) the insects were no more there in the food items. This is his great live miracle which is still found in the shrine and which shows that he was a great pious personality of his time in the area of the Deccan (South India).

2. Nobody is not allowed to enter in the shrine without taking a bath and in the condition of Nasha (intoxication) and if there will be any act against such above orders so there will be punishment for such mistake.

3. On every Thursday the visitors in large numbers will visit the shrine and pray Allah for the fulfilment of their desires and wishes for the sake of the Sheikh’s name and slaughter of goats will be there and during the summer time the visitors in large number visit the shrine and slaughter goats in large number but next day morning in the sacrifice area there will be not find blood, bones and dung and which is surprising thing and also which shows his live great miracle in the shrine and this live miracle is well known and famous since long time.

Miracles of Syed Shah Mahatab Quaderi.

In the book ‘Tariq Khurshid Jahi’ and ‘Hadiqa Rahmani’, the following miracles are added.

1. His grace is available in the wall’s foundation and due to his miracle it is moving further and on its southern side the grave of Syed Shah Ismail Quaderi is situated and grave of Syed Chanda Quaderi, Syed Shah Faizullah Quaderi and Hazrat Zahra be are there so after passing of some years his grave will reach its level as per four other graves which are mentioned above.

2. In the history book of ‘Khurshid Jahi’ and ‘Rashid Khani’ the following details are available.

Among the sons of Syed Ismail Quaderi, Syed Shah Mahatab Quaderi is famous for his miracles. So it is said that his grave is situated at the foundation of the wall. Due to his miracle it is moving further and coming towards the upper side from the foundation of a wall slowly and it will reach the level of other graves which are available there in the shrine area.
In the book ‘Hadiqa Rahmani’ the following details are available. When he was entered into the foundation of the wall so Syed Ismail Shah Quaderi was filled the foundation of wall with soil and also one wall was constructed there. The grave is coming out of the wall gradually.

3. The following is a famous event which is well known and famous in shrine of Shah Ismail Quaderi.

That leaves of Neem (margose) tree branch which is over the grave of Syed Shah Mahatab Quaderi are insipid in taste and other leaves of other branches of the same tree are bitter in taste. The event is also explained as follows.

That in the beginning there was no shed over the grave and there was a branch of Neem (majors) tree which used to pass over the grave and this branch was working as shed over the grave. Due to Allah’s kind grace leaves of this branch were insipid in taste and the leaves of other branches were bitter in taste. So many visitors used these leaves but after fame of this miracle the branch of the tree was dried and was falling down on the ground in the year 1935.

The compiler of this book has contacted so many persons in Hyderabad and all of them have confirmed in this matter that the leaves of the branch of Neem (margose) tree were insipid in taste.

Syed Shah Moiz Multani said that he visited the shrine of Syed Shah Ismail Quaderi and also visited the grave of Syed Shah Mahatab Quaderi and tasted the leaves of the branch of Neem (margose) tree and found the leaves were sweet and vapid in taste.

Shrine Servants.

As per reference of the history book ‘Tariq Khurshid Jahi’ and ‘Tariq Rashid Khani’ it was known that along with Syed Ismail Quaderi his two servants were coming to Ghod Wadi Sharif. In the previous pages of this book it was mentioned that when Ismail Shah Quaderi was arrived to Ghod Wadi Sharif village and settled down there. When he was wanted to shift from the mountain (this mountain is known as Other Patel) top of Ghod Wadi village so he was blown an arrow from the mountain and he asked his servants to bring the arrow upon marking the ground. So he settled down there where a spring was emerged.
Due to the arrangements of his stay on the ground so he was thrown an arrow from the top of the mountain and was ordered his servants to find out the arrow and bring it back to him and to mark the place where it will be found. When the servant pulled the arrow from the ground and they found a spring at the point at which arrow was fixed on the ground and from where spring emerged from an underground course. After this event he along with his three sons and wife were getting down from the mountain and came near the spring area and after ablution he was starting his worship there. Upon finishing his worship he was thrown another arrow in the western direction and which went into the thick forest. He asked his servants to find out that arrow but they could not be found it in the thick forest. So for this reason he himself went there in the thick forest and found the arrow which was available there. He and his family members were going there and were settled down permanently in that area and after some time he left this world.

In the above books there are details about his servants are available but their numbers, names and native place are not found in the shrine office of Ghod Wadi Sharif and but in some other documents are available in which it is mentioned that Syed Shah Ismail Quaderi had his only two servants and they were real brothers and they came to the Ghod Wadi Sharif village along with him and their names are as follows.

He was the perfect person of taqwa (piety) and he never accepted any offer or present from badati (innovators in religion) person or person who did not offer prayers regularly. He was perfect and well known for the following things.1. His love for the Sunnat (practice) of Allah’s last prophet. 2. For following the Shariat (Islamic) law strictly. 3. In his regular teaching of Hadith (sayings) of Allah’s last prophet. 4. In his regular teaching of Tafsir (exegesis of the holy Quran) and Fiqha (Islamic jurisprudence). 5. In his regular teaching of his disciples in Khilwat (sitting in solitude) the following things.
A. Tariqat (Mystic way of life).
B. Ramos (secrets) of Tassawuf (Sufism).

His trail.

Upon his name and fame once Nawab Naseer Doula had visited his shrine along with one Maulavi Sahib (Muslim priest) and has requested him to explain the following couplet from Masnavi Sharif (the spiritual couplets of Maulana Jalaluddin Rumi in Persian language) as which is very hard and tough for him to understand it. So he was asked his explanation in this matter. In the following picture Persian couplet is available.

Jumla Mashooq Ast Wa Ashiq Parda
Zinda Mashooq Ast Wa Ashiq Murda

The above Persian spiritual couplet’s English translation and its explanation is as follows.

Translation.
The BELOVED is all in all the lover only veils Him;
The BELOVED is all that lives, the lover a dead thing

Explanation.
All phenomenal existences (man included) are but “veil” obscuring the face of the Divine Noumenon, the only real existence, and the moment His sustaining presence is withdrawn they at once relapse into their original nothingness. The Sheikh has explained him the meaning and
explanation of the above spiritual couplet in the best possible manner and the Maulavi sahib has also explained its outward (Zaheri) meaning so for this reason some un-intelligent persons thought that the Maulavi sahib’s explanation is better than the sheikh’s explanation and due to this reason Maulavi Sahib (Muslim priest) was not satisfied in this matter and he has not accepted the explanation of the Sheikh. Also Nawab Naseer Doulah was supported Maulavi Sahib (Muslim priest) in this matter. So for this reason the Sheikh was very upset and angry and told Maulavi Sahib that his explanation is perfectly well and so for this reason he asked him to approach in this matter to hall (ecstasy) from the sayings.

So he started meditation and for this reason there was a condition of ecstasy on the meeting place and all persons were become unconscious and the Sheikh was entered into Khilwat (sitting in solitude). Upon watching the condition of the meeting place Nawab Naseer Doulah fled from there on his horse in the worried condition. For three days the condition of meeting place was affected due to the weeping of the eyes and broiled of the hearts of the persons. So it is his great miracle of the Sheikh so all the persons who were present there noticed this great act due to kindness and grace of Allah and it was recorded in the history books of Deccan as a great miracle and great act and also such event is not available in the books of biographies of the holy saints of the Deccan area.

Miracle

As per saying of Maulavi Shah Rafiuddin Qandhari that one year due to heavy rain water the bund of tank of Anasamandarm was broken and for this reason the village people were worried and afraid in this matter and began leaving the village and also there were many problems in the rainy season. So for this reason he went on the side of the tank and has called all village persons there and so all were gathered there around him. He put one stone on the water discharge area so due to kindness and grace of Allah water was stopped suddenly and also the river water was also stopped there and upon this great miracle all village persons have constructed the bund with soil and stones.

Death.
Even though he was the perfect Sheikh but he never left his daily recital and practice. He was always used to busy in *Zikar* (remembrance) of Allah. When he was became 85 years old then he was visited Udgir upon the request of Abdul Quader who was garrison commander of Udgir fort and he was staying there for some days and where he was became unwell there due to the fever. During his illness also he never missed *zikr* (remembrance) of Allah and the congressional prayers.

At the time of his departure from this world came near then he was starting teaching and advices and not nominated any persons as his successor. So for this reason his wife has requested him in this matter so he told her that there are many of his caliphs and his every *murid* (disicple) is his *caliph* and where there will be his *caliph* there will be available mercy of Allah. We are under *reda* and *taslim* (surrender to willingness and acceptance) of Allah. He was ill for the period one month and after that his last time came and he was left this world on 26th Rabbil Awwal 1195 A.H. on Thurday in the fort of Udgir. On the Friday night funeral rites and ceremonies were completed and his dead body was taken to Rahmatabad on 27th Rabil Awawl 1195 A.H. On Sunday night he was buried in Rehamatabad. On his mausoleum there is always dismounting (*nazol*) of *rehmat* (grace) of Allah. As reference from the book ‘*Faizan Auliya*’ Hazrat Syed Ashraf Makki was died in Makkah in the year 1149 A.H. His genealogy record of caliphs is as follows.

1. Syed Ashraf Makki
2. Shah Mohammed Taher
4. Sharafuddin Maqibli.
5. Sheikh Adam Bannuri.
6. Sheikh Mujadid Alif Thani

All people from various walks of life, irrespective of caste and creed will recognize him as a great saint and present their offering 24 hours during the whole year.

Live miracle.

The news report of his great miracle has been published in daily Urdu newspaper ‘Rehumai Deccan’ Hyderabad on 12th March 1981. Once one lorry driver Mr. Saleem was coming to Hyderabad from
Bombay and on the way in place of Jalkot one male and female cobra snakes have come to the centre of the road and for this reason the male cobra was died suddenly due to the accident by the lorry of Mr. Saleem on the spot and female cobra entered into the lorry cabin and she sat there and for this reason some persons had killed her immediately. Mr. Saleem who was at 26 years old have came to his house in Hyderabad and after some days his health become seriously ill and his habits and movements were converted like cobra snake and he was started crawling like snake and for this reason his mother took him to many places of spiritualists for his health recovery but there was no benefit at all.

After some time his mother has arranged the marriage of Mr. Saleem with Miss Durdana. After marriage Mrs. Durdana has also become a patient of the evil spirits and her habits and movements were also converted as female cobra. Due to the serious condition of Mr. Salem and his wife the parents were becoming upset and worried in this matter and they took them to many places for their check up by spiritualists for their cure and recovery but there was no benefit for them.

So as per advice of Mr. Saleem’s friend the couple have visited shrine of Hazrat Khaja Rehmatulla Saheb of Rahmatabad in Nellore district and they stayed there for some days but due to no money for the expenses for their stay there and for this reason they were planning to come back to Hyderabad city and at that in the dream they got message that they should take ration of 100 Rupees from the shop which is opposite of the shrine for free of charge and so they have taken ration from the above shop without payment of cost and the shop owner did not demanded money upon the delivery to goods to them.

After some time they were instructed in their dream to proceed to the shrine of Hazrat Yousuf Saheb and Shraif Saheb at Hyderabad. So they have reached there and stayed there for some time. During their stay at the above shrine they were further instructed in the dream to proceed the shrine of Syed Meeran Hussaini at Lunger House.

From the resident of Mr. Saleem which is located at the first Lancer area of the hillside they came to the shrine of Syed Meran Hussaini at
Lunger House area and at the shrine they have been advised for a bath at the well of the shrine and after the bath both of them were taken for the visit of the shrine for some days. In the shrine area their habits and movements of snakes like creeping and hiss continued and for this reason the visitors noticed their habits and movements of snakes and this news was spread in the city so for this reason a large number of persons came to the shrine to see them and watch their habits of snakes. Due to the large number of visitors and gathering there was problem to control the large number of persons in the shrine and for this reason one police outpost was established under the supervision of the circle inspector Mr. Ahmed Ali Khan of police station Asif Nagar and following police men were allotted duties in the police outpost at the shrine area. 1. Mr. Ishaque. 2. Mr. Abdul Razzaq. 3. Mr. Abdul Razzaq. 4. Mr. S.R. Goud.

Also the above police staff watched the creeping and hiss condition of the couple. As per the statement of policeman Mr. Abdul Razzaq that when there will be a condition of invocation of spirits of Mrs. Durdana then she used to say to get back her husband and then she used to climb on the pole like snake. On the 4th February when there was a condition of invocation of spirits on them they both said “Baba now we are going” and then they slept there for some time and upon their wake up they become normal and in perfect health due to the spiritual favour and help of the Syed Meeran Hussaini Saheb. Upon the above problem of evil spirits Mr. Saleem has discontinued his lorry driving work and but upon his recovery of his good health he has continued the work of lorry driving. And his wife Mrs. Durdana also become perfect and her health was also improved very well by the kind blessings of the Sheikh.

Great miracle.

It is fact that miracles are performed by the holy and pious personalities of Allah. And those holy and pious persons who have ended their lives in the love of Allah and his prophet and for this reason their name and fame will be continued till the day of judgment. From the particles of soil of their mausoleums there will spread the spring of Faizan (favour) and always there will be rain of Anwar (light) and
tajilat (divine light). But my master’s great miracle is that a large number of people who will present in the shrine from various walks of life, irrespective of caste and creed, assemble there and pray there for the recovery of diseases and for the fulfilment of their desire and wishes. His favour and affection is same and equally to all persons who will present there in his court and pray there for the recovery of diseases and fulfilment of desires.

For 239 years the people have been watching the miracles of the Sheikh and it will be continued till the day judgement and that the number of devotees of the shrine is not in a thousand but it has exceeded many millions people from various walks of life, irrespective of caste and creed, assemble there and pray there for the recovery of diseases or for the fulfilment of their desire and wishes. Not only from Hyderabad but from many other places learned persons and pious personalities also used to visit the shrine and pay their visit. I am not wrong if I mention that the large numbers of people who visit the shrine are included other than Muslims irrespective of caste and creed will present in the shrine and garland the mausoleum and pay respect and honour there. A symbol of national integration, communal harmony and social justice. "And He (Allah) it is who hath produced you from a single being (Al-Qur'an-Al-Anaam-99)."

As it is said in the holy Qur'an that all human beings are the offspring of the first man (prophet Adam (peace be upon him)), there should not be any discrimination among the people as all are equal. The Sufi-saint Hazrat Syed Rahmatulla (R.A.) attempted to remove the barriers of caste, creed, language, religion and region and provided a broad opportunity to make available to the local milieu a get-together.

Genealogical record of caliphate of Naqshibandiya chain.

1. Hazrat Khaja Syed Rahmatullah Naibe Rasul
2. Hazrat Syed Shah Alawi broom
3. Hazrat Syed Ahraf Makki Ajlati
4. Hazrat Syed Abdullah Ba- Haddad
5. Hazrat Sheikh Shah Mohammed
6. Hazrat Sheikh Alsayed Abdullah
Her name is *Habiba Khatoon* alias Maji Sahiba and she was alone daughter of Nawab of Kurnool. She was a perfect lady in Islamic rules and regulation and she used to perform her prayers regularly and also he used to read the holy book of Quran on a regular basis. Once there was starvation for the period of seven years and due to the starvation many persons were dying and animals were also in worse condition. So the Nawab of Kurnool was upset and worried in this matter. So he was started consultation with his special persons and people of *najoom* (astrologers) and was taken their opinion in this matter about the rain and he was enquired with them when there will be available rain fall and what is reason of no rainfall but nobody was not able to reply his questions in this matter. So for this reason the Nawab Sahib has called some other pious persons in his court and has explained them the situation that there was no rainfall despite of our prayers and our prayers are not accepted in the court of Allah. He tried his best in this matter but the result is nothing in this respect and for this reason due to starvation the persons are worried and suffering very badly and due to this reason the difficult situation which is prevailing the villages. So he was not able to understand what he should do in this matter?

Among them those pious people one *Majzob* (one lost in divine meditation) was there who has told the Nawab Sahib that there is one personality with him and his prayers will be accepted in the court of Allah so he was asked him to approach him because if he will pray then his prayer will be accepted by Allah so there is no matter of worry in this respect. So the Nawab Sahib has asked him who is that person and asked him to explain some details in this matter so that he could be recognize him and approach him. So the *Majzob* Sahib told him that he could not identify his name but he could explain his
marks so that he could be able to recognize him and the marks are as follows.
1. In the storm his lamp will light and there will be no effect of storm on it.
2. His horse will eat the grass and water provided by him and will not eat the grass and water provided by others.

Upon this information one night Nawab Sahib went in the darkness of the night to check the tents of his soldiers and when he was reached at the tent of Syed Khaja Rahmatullah Saheb and at that time the Sheikh was busy in his worship and for this reason he stood there silently. When the Sheikh has finished his worship then Nawab Sahib was fallen down on the foot of the great Sheikh of his time for his favour and help in this matter.

The Sheikh has recognized the Nawab Sahib and lift him from his foot and asked him not to touch his foot. Nawab Sahib has informed him that for seven years there has been no rainfall and for this reason a larger number of persons were dying due to starvation and water scarcity. So if there will his kindness and his prayer in this matter then there will be sure rain fall as you are beloved of Allah and his last prophet. And for the above reason he has requested him in supplication for rains. It so happened that it rained heavily while the Nawab Sahib was still on his way back home after his meeting with Hazrat Khaja Nayeb-e-Rasool.

Upon the request of Nawab Sahib the Sheikh has prayed for the rainfall and Allah has accepted his prayer and for this reason there was a great rainfall that all rivers, tanks, wells and ponds were full of water due to his great miracle of the Sheikh of his time. The above news spread throughout the area of Kurnool region and it was also reached to the palace of Nawab Sahib. The Nawab Sahib’s daughter has also come to know the details and so she was much impressed by the personality of the great pious person of his time and she was started thinking about her marriage with such pious personality so that she will also become lucky one and her status will be also improved in this matter. So for this reason she used to pray Allah in
this matter that her marriage should be arranged with that pious personality of his time.

On night the daughter of Nawab Sahib saw in her dream that the moon is reaching towards her and she has told the details of her dream to her mother and her mother has told Nawab Sahib the details of her daughter’s dream so Nawab Sahib has called najumies (astrologers) in this matter and they have informed him that the girl’s marriage will be celebrated with a pious personality of his time.

So for the reason Nawab Sahib’s wife told Nawab Sahib that it is better that we will arrange the marriage of their daughter with Syed Khaja Rahmatullah Sahib of Rahmatabad so for this reason Nawab Sahib was become very upset and angry in this matter and told her that “ We could not marry our daughter in the lower status person’s family and if we do that then our position and status will be go down and disrespected in this matter. So for this reason this proposal in not suitable and not good at all. So if there will be any desire in the girl’s mind then ask her to remove the same.”

From that day the girl began to live in sadness and grief condition and after some days she left everything and stopped eating of the food. So for this reason the parents were worried and upset in this matter and asked her to leave her desire and wish but there was no effect at all. One day the girl went into some shrine and during her prayer she was falling down and became un-conscious and after many cures she could not become well and not returned back in her normal condition of health.

And in those days the Sheikh heard a divine call in which it was told him to marry the daughter of Nawab of Kurnool which is suitable for him. Even after some days the girl was not recovered from the condition of un-conciseness and for this reason Nawab Sahib was worried and upset with this matter and upon his consultations with her mother and other persons reached a decision to marry with Hazrat Khaja Syed Rahmatullah Naibe Rasul. So it was written in her fate to marry with the sheikh of his time so nobody could not stop her act and her personal decision.

Nawab Sahib has sent Ziauddin who was his personal secretary
And who was also a disciple of the Sheikh and so he went to Udgir and brought back the Sheikh to Kurnool for the treatment and marriage proposal of the girl. The Sheikh came to Kurnool and after reciting some verses on the water, he spread the water on the patient and for this reason she was becoming normal and returned back in her good health condition and due to this great miracle all persons who were present in the palace of the Nawab Sahib was falling down at the foot of the Sheikh and at that time Nawab Sahib’s daughter Habia Khatoon was married with the Sheikh of his time.

Visit to Makkah.

Maji Sahiba went to Makkah along Ziauddin sahib who was murid (disciple) of the Sheikh and Akbar Sahib who was her cousin and upon the completion of visits of Makkah and Madina she was coming back to Udgir, a town to the north west of Rahmatabad Shareef at about 45 kilometers. Maji Sahiba till the life of the Sheikh always has followed his instruction and never acted anything against his will. Daily at the time of his return to the house she used to stand holding the water jug in her hand. One day in the rainy season there was severe thundering and lightening strike so she was afraid of it. The sheikh came back to the house and he could not find Maji Sahiba at her usual place with holding the water jug in her hand there and so he asked her reason in this matter that why she did not wait for him today? And she replied to him that due to lightning strikes and thundering she was afraid in this matter and not able to wait for him in the rainy season. So the Sheikh has called lightening there and asked to see it and from that day Maji Sahiba’s fear was no more with her.

The meaning of Maji Sahiba.

As per tradition it is well known and famous that once Maji Sahiba has requested the Sheikh for her desire and wish for the children so that their names will remain in the world and someone will call her mother. So the Sheikh told her "Oh: Habiba as per your thinking if there will be our children then it will be no guarantee that they will become good and
pious persons then our status and position as well as our name will become worse. Now it is fact that the number of persons who called you as Maji Sahiba are not one, two, 100, 200, 1000, 2000, but are more than millions and who will remain till the day of judgement. On saying this he told her to look at her backside so she has looked at her backside as per his instruction and have seen the large numbers persons which were there and their numbers were more than many millions so the Sheikh has explained that all of them belongs to the following categories.

And all of them till the day of judgement will call you as Maji Sahiba so you should treat all of them as your children and also all of them are dear to me more than my children and from that day all special and general persons used to begin calling her as Marge Sahiba. As a matter of fact he used to love each and every visitor of his mausoleum and Inshallah (if Allah wills) this tradition and practice will continue till the day of judgement.

Miracle.

From the mausoleum’s public kitchen house daily the soup (ash) is used to be distributed to all poor and needy persons. Once the Sheikh was present in the mosque and the poor persons were gathered in the public kitchen to receive the soup (ash) so for this reason Maji Sahiba has called the Sheikh for the distribution work of soup (ash) but due to some other work the Sheikh could not come there to distribute the soup (ash) to the poor persons. Due to delay in this matter Maji Saheba has called the servants of the mausoleum to bring immediately the big spoon for the distribution of soup (ash) and the person who went to bring the spoon but he was disappeared and could not come back there. Due to this reason of delay of that person and delay in the distribution of soup (ash) to the poor persons she had put her hand in the hot cauldron and was started distribution of hot soup (ash) to the poor persons. The Sheikh has came there later and was thought that her hand were damaged due to hot soup (ash) distribution from the hot cauldron and but he has found her hand was severely cold and there was such cold that for which nobody could not bear it. Maji Sahiba has purchased 12 villages and has offered the same to the shrine of the Sheikh and which
are famous and well known by different names and the details are mentioned as follows.

During Maji Sahib’s life period the Sheikh left this mortal world. Maji Saheba has arranged for making the symbol of the moon on the mausoleum upon melting away all her jewellery and also she has constructed the mausoleum building of the Sheikh from her money. She has organized the arrangements to celebrate the Urs (death anniversary) which takes place on the 24 to 29 days Rabil Awwal of Muslim calendar at the famous Dargah (shrine) of Syed Khaja Rahmatullah Naibe Rasool in Rahmatabad every year and also arrange the ceremony of sandal every year on 25th of Rabbil Awwal and this celebration is still continued in the shrine.

Death.

She was died after 18 years of the Sheikh’s death. She has instructed that she should be buried outside of the mausoleum of the Sheikh in the building of Milad Khana as the status and position of the Sheikh is very high with Allah and she is not having such status and position so for this reason it is not suitable for her burial in the mausoleum beside the grave of the great Sheikh of his time. She left this world after 18 years of Sheikh’s death on 7th Rabbil Awwal in the year 1213 A.H. There was an indication from the Sheikh to the pious personalities of that time that as his wife Habiba was very pious lady of her time so for this reason she should be buried at the side of his grave in the mausoleum building. So as per his instruction she was buried at the side of the Sheikh’s grave.

Every year on 7th Rabil Awwal the ceremony of the Sandal of Maji Saheba was used to celebrate on the grand scale in which many thousand devotees used to attend the ceremony and get Sadat (felicity) of it. The Sandal Maali of Hazrat Syeda Habeeba Khatoon is celebrated on the 2nd or 3rd day of the Islamic month of Rabbi UL Awwal. It also happens to be the only time of the year when the female devotees are allowed to enter into the inner part of the mausoleum (wherein lies the Mazars (graves) of Syed Khwaja Rahmatullah and Maa Habeeba). The event is the first among the chain of ritualistic events that are performed during the month in commemoration of the yearly Sandal and Urs celebrations.
of Hazrat Khaja Nayab-E- Rasool and Ammajan. A lot of people travel to Rahmatabad to attend this event. Every year on the 7th, 8th and 9th day of the Islamic month of Rabbi-UL-Awwal, the yearly Sandal and Urs of AMMAJAN is celebrated with great religious fervour, while that of Hazrat Syed Khaja Rahmatullah Naib-E-Rasool is celebrated on the 25th, 26th and 27th of the same month.

Conclusion.

To write about this great Sufi saint is not only it is difficult and but it is very hard task as he was not only a great pious personality of his time in the area of the Deccan (South India) but he was also the great holy person of his time who did many great miracles so in brief he was Qu’tub (highest cadre in spiritual pivot at axis) of his time in the Deccan region (South India).

So in brief he did also many great endeavours for the preaching and propagation work of Islam in Deccan (South India) area and around this region and there was no such personality during his time.

On all week days the visitors in large numbers will used to visit the shrine and pray Allah for the fulfilment of their desires and wishes for the sake of the Sheikh’s name.

During the Urs time (death anniversary ) the visitors in large number will visit the shrine for the fulfilment of their desires and wishes for the sake of the Sheikh’s name and offer floral garlands.

17. The brief biography of Hadrat Shah Mohammed Hasan Abu al-Alai

Hazrat Shah Mohammed Hasan Abu al-Alai.
Mausoleum of Hadrat Mohammed Hasan Abu al-Alai

Ancestors

His father Hazrat Syed Ghulam Mohammed Hussain was a pious personality in Bidar city and he was well known and famous great sheik in Qauderia chain. His genealogy link is connected with Hazrat Moulana Nasiruddin Karablai. His ancestor Hazrat Mulla Jalal was custodian of the royal tombs of kings of Bahmani and Baridia kingdom. King Aurganzib Alamgir had granted lands in Chakarpalli Hawai in Bider to his ancestors and still the above grant is available in his family. But he did not obtain any benefits from the above grant but he had given the same to his family members.

Blessed birth.

Hazrat Shah Mohammed Hasan was born in the year 1195 Hijri in inside Fatah Darwaza (gate) in Bider district. Upon his birth all great sheikhs and other persons had congratulated his father for the blessed birth of his son.

Childhood.
Since the childhood there were indications of piousness on his face. As he has been a pious personality since his childhood and his heart was full of love of Allah. For the above reason, there was great dismounting of anwar (light) and tajliat (divine lights) on his heart so due to this reason he was used to cry out in a loud voice and used to become unconscious.

Early life.

Since the age of six years he was much interested towards love of Allah and for his extreme love he becomes famous and well known so for this reason he was used to meet the following persons.

1. Salik (mystic initiate) of Majzub (one lost in divine meditation) and Poor persons. 2. Fakirs. He used to visit the following pious persons of Bider city and always he was available in their company and used to get benefits from them. 1. Hazrat Banda Ali Shah Sahib. 2. Hazrat Habib Shah Sahib.

Early education.

His early education and training was completed under the direct supervision of his father at his house. He completed his studies in books of alternate knowledges in Persian language with a help of Maulavi Mohamed Khirullah Sahib in Bider City. For his studies in Arabic he had taken his mother’s permission and arrived in Hyderabad city from better city and in Hyderabad city and he completed his studies in Arabic with the help of great scholars and learned personalities there. He was used to attend Masnavi Sharif (the spiritual couplets of Maulana Jalaluddin Rumi in Persian language) classes of Hazrat Asfia Sahib on every Thursday and Friday.

Bay’ah (allegiance)

He made a pledge (Bay'ah) to a Murshid (spiritual master) so then he becomes initiated as a Murid. Upon completion of his knowledges of zaheri (manifest) he was approached Hazrat Shah Mohammed Qasim (Sheikh Ji Hali) Abu al-Alai in Urdu Sharif street after hearing his fame of wajd (ecstasy) and hall (rapture) and he visited him on Tuesday and attended his meeting place and on that day Majlis (meeting) of ecstasy was in progress. In that meeting he found faiz (favour) and attention of Sheikh Ji Hali Abu al-Alai for him so there was great change on him just
in his one look only so for this reason he was reached to higher level of perfection in Sufism and also he was become perfect in the knowledge of *batani* (innermost) and he made a pledge (*Bay'ah*) to him as his *Murshid* (spiritual master) and at the time of his *Bay’ah* (pledge) the sheikh the recited one line of couplet and its meaning is as follows. Due to this reason there was a great revelation of the secrets of his heart so in this matter he is unable to describe the same.

The event of his caliphate. Hazrat Shah Mohammed Shafi Sahib was the caliph of Sheikh ji Hali and he is known as Jamadar Sahib and he was died on 20th Ramadan in the year 1255 A.H. When Sheikh Ji Hali was died and before his death time he was given general instruction to all disciples and devotees which is as follows.

‘’To think his company as best and suitable so whatever you want any information or question ask with him as he is in charge person in his absence.’’ So as per his spiritual master’s instruction he was benefitted in the company of Jamadar Sahib. After long time Jamadar Sahib appointed him as his successor and in this connection the details of the event are as follows. Once on the occasion of the Urs (death anniversary) ceremony Jamadar Sahib was explaining the details of *Marafat* (knowledge of Allah) and *Haqiq* (reality) near the mausoleum of his sheikh and he was told that what to say and to whom he should say in this matter as nobody could not able to understand these matters.

So where is Mohammed Hasan and as he will understand well in this matter and then he was instructed to call him there. So Mohammed Hasan was reached there immediately due to this reason and then he was very happy and told the following portion of the Persian couplet about him. *‘Neha me kund wa zaheri numaid.’* He is hiding himself and also he is exposing himself and so its meaning is that he is hiding himself and also he is exposing himself and upon this saying he was appointed him as his successor and then he was adopted his life of loneliness and left his public contact and meetings. He was becoming ill due to paralysis in the year 1254 A.H. and during his illness he has called all his disciples and devotees and told all of them that in all disciples and devotees there is nobody who is eligible for his successorship and only Mohammed Hasan is the best and suitable
person in this matter so if you need any help and if you want to ask any question then you should refer him all matters with him. After 2 or 3 hours he has called Mohammed Hasan and when he was come there so he told him as follows.

Birth.

He was born in the city of Najaf Sharif and he was brought up there. Early education and migration. When he was becoming older than he was gaining knowledge of manifest (zaheri) from the perfect personalities of his time and so there was a great effect on him for his interest in his search of the truth. Due to ilham (revelation) of invisible he was migrated from his country along with 50 dervish persons and arrived in India. He visited many places in India and came to city of Mohammedabad (Bider). At that time the sun of the saintliness of Hazrat Moulana Syed Shamsuddin Hussaini was there and who was a pious personality of time and who was also custodian of the shrine of Hazrat Shah Khalilullah and who was also known as image-breaker (But shiken). He was ruling in the hearts of the mankind due to his lights of guidance as well as teaching and preaching systems. One day Hazrat Shah Mir Mahmood was visiting him along with his disciples and when he saw his face and become his lover and he was pledged to him as his spiritual master due to the following reasons.
1. Iradat (belief). 2. Devotion.

In a period of three years he was in the service of Syed Shamsuddin Hussaini Karmani and during this period he was reached to the status of perfection and he was also becoming perfect in the following things.

Arrival in Hyderabad.

Hazrat Moulana Syed Shamsuddin Hussaini allowed him to pledge in the Sufi order of Namatal Ilahi and also awarded him the certificate of caliphate and ask him to proceed to Hyderabad for his teaching and propagation mission there. Upon the obtaining permission and guidance he left Bider city and was arrived in Hyderabad in the last period of Sultan Abdullah Qutub Shah of Golconda. He was coming into the area of Mir Alam tank and settled down on the mount which is located on the bank of this tank. On this mount, his tomb is situated. He spends all his life on that mount and never went to the city area.

Condition.
He was used to live in the condition of un-conscious due to his divine love on the mount for many days and some time he will become conscious form of the above condition and he will use to say that his grave will be available at this place. The historian were described his qualities which are as follows. 1. Perfect *Arif* (one having intimate knowledge of Allah). 2. Higher knowledge. 3. Manners. 4. Conduct and character. 4. Kind pious personality. He was very generous in nature so he used to make an arrangement of much wages to the labours during the construction period. He used to pay double wages to the pregnant women's labours. In this way he used to take care of the pregnant women workers very much.

Miracles.

He was famous for his many miracles and events but here we are mentioning his one miracle which is as follows.

At the time when the Sheikh was constructing his tomb and shrine building and at that time as per order of the Sultan Tana Shah of Golconda, Dad Mahal, other palaces and tomb of Hazrat Shah Raju Qattal works of construction were in progress. Due to the season of construction projects there were shortage of labour and so for this reason it was very difficult to get labourers. He was doubled the wages and also he used to pay the wages for the child in the womb of the mother who use to work for his construction work so for this reason there was the attraction of workers to work with him.

As per order of the Sultan Tana Shah of Golconda all labours forcibly work for the construction of Golconda palaces and other buildings in the day time, but due to a desire for more wages the labours used to come there during night time for the construction of following buildings of the Sheikh. 1. Tomb. 2. Shrine. 3. Mahmood palace. All labours were happy with the Sheikh and due to this reason they used to work with
much attention and care. But during daytime the labours could not perform well due to no sleep in the nights and due to tiredness and also for their forcible work with the Golconda construction projects. Due to the reason of sleepiness and dull condition of labours the Sultan and engineering staff of Golconda were upset and angry in this matter. So for this reason when the sultan Tana Shah came to know all these facts and he ordered not to sale kerosene to the Sheikh. So for this reason the Sheikh used water instead of kerosene to light lamps and torches.

Death.

He left this world on 13th Shaban in the year 1100 A.H. from the word and *Bhar Faiz* his date of death is calculated. Upon the death of the Sheikh his son Syed Shamsuddin Hussaini alias Shams Mole was sitting on the throne of the teaching and preaching in that area.

Secret treasure.

On the right side of the tomb and inside of the tomb on the higher level there is a box on which there is white washed with lime work. About this box it is well known and famous that the Sheikh’s five numbers of high quality of rubies of Badkshan are in it. And other persons also say that in it there are some precious relics and relics of the ancients are there. So whatever may be there in it but the box matter is very secret and nobody did not dare to open or touch it.

Tomb.

At the foot side of the tomb there is one cap in conical shape is available there. So it is known that the Sheikh used to wear such type of caps during his lifetime. Because the pious personalities in the Sufi order of the Chistiya used to wear this type of caps on their heads.

The Sheikh’s actual grave is available in an underground chamber of the tomb. The way to the underground chamber is available from the north side of the platform on which the tomb is available. Due to disrespect this way to the underground chamber was closed since the long time and on its opening way of some big stones were laid which are seen there.

In you green valleys and lovely scenes are full

Like a place of Kashmir in the area of Deccan

On an elevated land, it is located in the world

Your soil is pure and it is a good remedy for all cures

With blood of sincerity, all of the parts of its soil are full

There is the light of the knowledge of the past in all places

Your stones and mounts are source of history of Deccan

It was a center of Royal Kingdom of the Balawnt Kings

In the past, there were peace and every heart was happy

In the book of Gita, your story of history is mentioned

At that time of your height when Krishna was young

So it was much attracted to the land of Bider

Dementia was born there and become young
Like a flower of lotus, her face was such brilliant
The look of the girl was known and attracted in the land
Nail like great hero was also born in the land of Bider
Dementia’s beauty was like lotus and Nail was her lover
Afterward, the Muslim rulers improved the condition of Bider
The Touhid of Islam was first time spread on the land of Bider
The triumphs and success stories of them are famous of all
Their stories of miracles of swords were well known to all
Oh : land of Bider you have the quality of elixir in you
The Kings of Bahmani were settled on the land of Bider
And those kings made it the center of all knowledge and arts
And in which established there many industries and crafts
Afterward, the Baridi kings made here garden of civilization
So at that time your luck and shine were bright as the moon
Due to running on time all was lost and nothing remained
The cities and all dwelling palaces and areas were over
And the soil left on them and everywhere thing was finished
Even mosques and temples and other places
Were no more there and become demolished
All color paintings and everything are in the soil
Even in the royal courts, there are big pits are full
And grass and thorns are full so it is difficult to go there
Everywhere there is atmosphere of sadness and grief
In the royal tombs, great, mighty kings are sleeping
Their history and records are mentioned in their tablets
On stones and tiles story of the rulers is mentioned there
The success and down time details of the Muslim kings
So oh land of Bider you know their glories well
There are seven great tombs of the Bahmani Kings
Like the seven skies which are down and disperse there
In which one can find and see their great history records
In the royal tombs world, famous kings are sleeping there
It is a great scene of lesson to the lookers of these buildings
Also, there are buildings of Barids Kings in broken condition
In royal palaces, there are full of wild birds and animals
The kings are helpless in the soil and watching the story of time
The royal tombs are the hallmark of the beauty and grandeur
From the tablets of kings, their record of ruling is well known
Due to great buildings, there is a great effect on the visitors
Once a college there which was a famous center of the kingdom
And it was known for the center of learning, but now no more.
So this center was famous and known in the world of knowledge
Its owner was servant of knowledge and the hero of the nation
Who was famous with the grand name of pious Mahmud Gawan
His college’s campus, which reminds Mahmud Gawan.
Also, its one building portion was damaged by striking
And remaining minaret is saying the following
That everything will meet its end and God is eternal
So many learned persons are buried in your land
Known as servants of mankind and the Sufis of their time
Also, pious persons and innocents are buried in your land
Numbers of Islamic great persons are resting in your land
So keep all of them safe in their final resting place
Now the period of Hyderabad Kings commenced
So they should show the new color of victory and records
And to display the world with the knowledge and teachings
To discover the lost treasure from the land and renew the
Great achievements of glorious persons of the past kingdom
So that the world should surprise in this matter for this act
And from such heights number of great people will born
And to flourish the valleys of flower in the land of Bider
So that the lovely daughters like Dementia will born again
Also like great sons like Mahmud Gawan will re-appear there
Oh : the leader of mankind, Bider show the world the
The right path towards greater success and love of the mankind.

The brief biography of Hadrat Syed Imam Ali Shah al-Hasani al-Hussani Balapur
The land of Deccan was honoured with so many pious personalities and who did come here and settled down there. In the land of Deccan a large number of pious persons were resting. For this reason with the Muslims of Hyderabad there is too much faith (eman) spirit in them compared to the Muslim of other states of India and other countries. Among the famous pious personalities Hadrat Imam Ali Shah Quaderi is among them. His genealogical link is connected with Hadrat Sheikh Abdul Quader Jilani of Baghdad. Upon the death of his father who was Qutub (highest cadre in spiritual pivot at axis) of his time by leaving all his worldly property and belonging and with the knowledge which he got from the inheritance of his father he was migrated to Hyderabad.

When he visited the mosque in Kasaratta in Chowk area of Hyderabad for the performing prayer there. Then at that time Qutub of Deccan Syed Yousuf Akbar Sarmast was seeing him and said “Imam Ali Shah he was waiting for him. There is the lamp and oil and wick are available there and he was having order only to make light it.”
After the morning prayer Hadrat Imam Ali Shah was brought the beef skin stew and buns for his breakfast and presented these food items before him. As per tradition it is known that Hadrat Akbar Sarmast was mixed the bun in the beef skin stew and gave two morsels to Hadrat Imam Ali Shah and asked him to eat. At that time the father of Akbar Sarmast was also present there. He told his father “Oh: dear father there is an order of the Allah’s last prophet to hand over the post of Qutub of Deccan to Imam Ali Shah.”

In this way his fame and name was begun in the city of Hyderabad so he went to Balapur village and he was settled down in the cave of the mountain there. There he engaged himself in the worship of Allah and in his daily recitals there. Due to his saintliness the impression of his fingers was transformed on the mountain.

Due to the effect of his worships and mystical exercises the Jinns used to take lessons from him on the mountain which is situated before the cave. Once the devotees and disciples while in his search arrived the cave and they have watched that he was busy in his worship and around him at that time many snakes were available there and who were covering him from all sides. So for this reason the people were worried and upset with this matter. They tried to run towards the snakes to kill them. Due to this situation the snakes also were also run towards the people to bite them. So Hadrat Imam Ali Shah was given the order to the snakes not to bite the people. He also told the people not to kill the snakes. Still in the land of Balapur village the snakes don't bite the mankind and this is belongs to his live miracle.

Here we are mentioned some of his famous miracles which are as follows.

1. One of his disciple Mufti Hafiz Waliullah who used to be in his service and who also love him very much. So while watching his sincere service Sheikh was prayed in his favour and due to his supplication there are Hafiz (Quran conner) persons are available in his all seven generations and thier family is still living in Hyderabad city. In their fifth generation the following Hafiz persons are available and their details are mentioned as follows and also some other Hafiz persons are available.
1. Mufti Hafiz Waliullah
2. Hafiz Mohammed Ahmed
3. Hafiz Mohammed Rizwan
4. Hafiz Mohammed Ahmed
5. Hafiz Abudulla

2. His famous disciple Qaism Sahib of Tadanwale is well known in the twin cities. Once he was living in very poor condition and passing through worse economic conditions but he was his sincere devotee and once he was requested the Sheikh for the enhancement of sources of sustenance. So Sheikh was given him one leave of plant and told him “To go and in your seven generations many people will become Hakim (doctor) and all of them will become famous and well known in this field.” Even today this practice has continued in their family and this family has become well known and respectable for their practices of Hakim (doctor) in the twin cities and in the other places.

Due to hard endeavours on his hand a large number of non-believers were accepted the religion of Islam. The old graveyard of Balapur village belongs to his disciple and devotees who were accepted the religion of Islam on his hand and were buried in this graveyard.

The two names of his sons are as follows.
1. Hazrat Sheruddin Quaderi
2. Najaf Ali Shah Hasni Hussaini

As per one tradition on 25th Safar on the Wednesday he was told his maid “Today he goes to meet his Lord. After today she will not see him again”. Then the maid told him “Hadrat does not go today as today is Wednesday, so the people of the village will tease her that her peer (master) is left this world on Wednesday.” Then he told her “All days belongs to Allah. Go I have accepted your talk.” He left this world on 26th Safar on the Thursday.

At the fourth day the news of martyrdom was reached to Hyderabad and spread in the city and which was confirmed the restlessness of Hadrat Shujaeddin Sahib.

There was a severe demand of learned persons in Hyderabad to bring back the dead body from Maharastra State to Hyderabad city, but the
martyred was buried in the place in Maharastra State after two days of martyrdom. When there was too much demand of the learned persons in the city, then Hadrat Shujauddin Saheb was given his permission to bring back his dead body from the burying place in Maharatara State and during this arrangement one month was passed over and when the grave was opened and it was surprising to see that corpse and shroud are fresh and clear in the pure condition and due to fragrance from the grave all areas were scented there.

34. The biography of Hadrat Shah Mohammed Saudagar Sahib

Name

His name is well known and famous as Mohammad and his Alqab (epithets) is well known and famous as Shah and but his great fame and popularity are attached with his poetic name Saudagar. He was a great learned man and Sufi person of his time. Hazrat Shah Mohammed Saudagar belongs to the 24th direct descendent of Hadrat Abu Baker R.A., and he was perfect in the spiritual knowledge and which is evident from his books.

He was a disciple of Hadrat Mir Ghulam Hussain Ahmed and who was well known as Hadrat Mirza Sardar Baig Sahib. His father Hadrat Shah Abdul Qader Siddiqui and who was a great learned man and great Sufi
person of his time and who was included among the companions of King Aurangzeb Alamgir of Delhi and he was visited Kashmir and he settled down there.

Blessed birth and Education

His blessed birth has taken place on the 6th Rajab in the year 1276 Hegira in Nal Bazaar lane in Bombay city. He has visited Hyderabad in his early age during the period of King Mehboob Ali Khan and in the beginning, he was busy with sales of Kashmir garments in Hyderabad and then he was settled down in lane Mehboob Shahi (Petla Burj).

His early education and training have completed under the direct supervision of his teachers and whose details are mentioned as follows.

Since an early age, he has been much interested in the following knowledge.

1. Knowledge of wisdom
   Moulana Abdur Rasheed, Maulavi Abdul Karim Bajodi and teacher of exegesis of Quran Moulana Abbas Ali were very famous at that time in Hyderabad. He was becoming a disciple of Moulana Sardar Baig Saheb at the age of 17 years. He has completed recital and endeavours, mystic knowledge under the direct supervision of his spiritual master.
As per instruction of his Sufi master, he has discontinued commercial activities and he was engaged in the completion of mystic knowledge. He has done hard endeavours and mystical exercise for a period of 13 years and he has avoided eating the meat of the animals. Due to the kind attention of the spiritual master he has completed the mystic initiation and knowledge about the attributes of the names of Allah.

The total number persons who become his disciples upon pledging on his hand were more than 300,000 persons all over the Indian subcontinent.

During the year 1310 Hegira, after the demise of his spiritual master Hadrat Sardar Baig Sahib he has seen Hadrat Khwaja Gharib Nawaz Ajmer by revelation and due to his kind favour and attention and he has paid attention towards him and he instructed him to visit his mausoleum in Ajmer. So he has visited Ajmer and there Khwaja Sahib favoured him with the benefits of spiritual support and he addressed him as Shah Mohammed.

He used to participate in the annual Urs (death anniversary) of Hadrat Khwaja Gharib Nawaz in Ajmar where there will be available for him one seat of honour in Sama Khana (listening house). Upon finishing of the Urs ceremony (death anniversary) at Ajmer he used to visit Delhi where he will use to visit the mausoleums of Hadrat Qutubuddin Bakhtiari Kaki, Hadrat Nizamuddin Auliya, Hadrat Nasiruddin Chirag Delhi, Hadrat Kamaluddin, Hadrat Sheikh Kalimuddin Jehanabadi and Hadrat Moulana Fakher and also he has visited the mausoleum of Hadrat Hafiz Mohammed Ali Khairabadi and Hadrat Nizamuddin Aurganabadi number of times. In last due to the star of his luck when it was shined to such a great extent and at that time when he has seen the last prophet of
Allah two times by revelation and this event he has explained in poetry and its translation and interpretation is as follows.

There will be such look in such light so the eyes will be closed
And in it finding the love and graceful look of the last prophet

He was a great lover of his spiritual master also he was a lover of the names of Allah and on which there will be easy to act upon them. The attribute of love which is required to get into the world. To get any attribute of the personality and in other words is to get the personality. So it is to get the attribute of love and which is easy and effortless and which can be obtained by the love of the spiritual master easily. In this matter, he says in poetry and its translation and interpretation is as follows.

He is a such trader who has sacrificed his soul and
Who got magnificence of Allah on the face of Mir Mirzai

His experience of knowledge and ability of spirituality which can be found by the readers of his books. Nevertheless his one disciple Mavlavi Muhaib Hussain who was teacher of women’s education and who was died on 5th Jamad Awwal in the year 1348 Hegira and here to mention his reference is proper as he was a great teacher and also he was among learned person of knowledge of manifest and innermost and who has
written many books on Sufism and he has translated the book Quran in poetry and he has written exegesis of Quran and has given book’s name ‘Masnavi Asrar Quran’ and which is a great master piece work which will leave great effects upon its readers and so, for this reason, this book should be read and understood for this reason.

During the year 1913 Mavlavi Muhib has written one book for the instruction of his spiritual master Hadrat Saudargar Sahib ‘Musdas Touhid’ and at that time Hadrat Saudar Sahib was staying in the mosque of Alamgiri in Tadban lane and the shrine building of Khaja Phadi was under construction there. The translation and interpretation of some lines of poetry from the above book are as follows.

But he is Shah Mohammed and who is perfect spiritual master
Whose knowledge and mystic exercise which is world renown
Nobody did not go empty hands from his door of benevolence
The veil of magnificence opened and he was met with the truth
If you want to see the truth and if so, you have a desire for this
Then go and see in the mosque who is sat and available there
He is in Tadban and he is evident there on the high place
It is known as the Khaja mountain or as well known Khaja hill
There is find one pious person and lover and saint of Allah
If you are lucky then going and become a disciple of him
To search of Allah, which is the desire of learning persons

If you cannot find Him, then all your life will become spoiled

It is also necessary here to mention the opinion and the connection of Moulana Mufti Noor Zia who is well known as Nawab Zia Yar Jung with him and who has passed his opinion about him which is as follows and as the above person of knowledge is well known among learned persons and whose criticism is much valued as well as hard as per his perfection of knowledge and excellence. So for this reason, unless he will not know about the perfection of knowledge of anybody fully and if there will be no satisfaction in this matter then he will not give an opinion and certify for this reason about details of knowledge and wisdom of any person.

So Nawab Zia Yar Jung has said to Mavlavi Masood Ali Mahvi that “When he was learning with Mavlavi Abbas for exegesis of prophet’s traditions and at that time Shah Mohammed was his classmate there. At that time he was much interested in Sufism than Fiqh (Islamic law) and exegesis of the traditions of the prophet. At that time as far as I know the fundamentals and knowledge of Sufism which were known by Shah Mohammed but no other Sufi persons among them did not know with them such knowledge of Sufism. Even thought he was a person of mendicant class and Qalander (dauntless) type but in spite of this he used to follow Islamic law strictly and he used to instruct specially the same to his disciples in this matter. During his serious illness also, he did not use to left his congregational prayers. In the Sama (ecstasy) meetings also he used to take care about prayer timings. He has much interest in ecstasy meetings. During the condition of ecstasy usual, there was find too much effect of ecstasy upon him. Some time it was also happening
that the condition of ecstasy was very severe upon him and it has become such that and it seems that his soul will leave his body. So for this reason upon hearing the poetry of Hafiz Shirazi and Kabir, there was prevailed such severe condition of ecstasy upon him for many hours. Also upon him, there was prevailed a strange condition of engrossment due to hearing of the poetry of the above poets which is mentioned as above.

It is an obligation upon the Salik (especially for a Taleb (student) and it refers to a person who is committed to a Murshid (spiritual master) in a Tariqa (spiritual path) of Sufism and is also known as a Salik (Arabic: مَكَّى). A mureed is an initiate into the mystic philosophy of Sufism) that to ignore the condition of criticism and take care of this matter about its application.”

He was a poet who has had Diwans (collected odes of the single poet) poetry of Persian and Urdu languages. He was a poet of Urdu Persian and Arabic as well as he was writing poetry in the Hindi language. His Diwans (collected odes of the single poet) are full of secrets and knowledge of Allah and it especially is that in the Gazal’s (odes) concluding couplet which is not there in which there is not mentioned devotion to his spiritual master Hadrat Sardar Baig Sahib.

In the year 1892 after the demise of Hadrat Sardar Baig Sahib, he was used to be present at the monthly meeting of Fateha (opening chapter of the holy Quran and this recited as prayers for the dead) on every 13th month in the shrine building at Mahboob Shahi lane in Petla Burj in Hyderabad. Then after that on every 14th month, he used to conduct a monthly Fateha meeting of his spiritual master due to his love and devotion in his shrine building at Mahboob Shahi lane in Petla Burj. During the flood of 1908 in the Moosi river in Hyderabad his house and
shrine building as well his library was flown in the water of Moosi river and so for this reason in Tadban lane on the mountain where is mosque of Alamgiri is there in which he was stayed there and there he was constructed one grand shrine building and named it as Khaja Phadi in the name of Khwaja Gharib Nawaz of Ajmer and where he was started conducting monthly Fatah meeting for of his spiritual master and due to kindness and grace of Allah this meeting is being continued till date and in which large number of devotees and disciples used to participate in it. Because of his devotion to his spiritual master he used to conduct monthly meeting of Fateha and this devotion showed such a great miracle that he has left this mortal world at the age of 90 on the 14h Ramazan in the year 1366 Hegira corresponding to First August 1947 and he was buried in a special room on the Khaja Phadi. Till now his monthly of Fateha is being continued due to the kindness and grace of Allah. His annual death anniversary used to be performed every year on 13th and 14th Shawwal month because due to holy month of Ramazan, the meeting of Sama (Ecstasy) is not conducted.

He has written many books on the subject of Sufism in the country’s national lanague Urdu in Nizam’s State of Hyderabad. But his first book Al-Wajub he has written in Persian language and this book’s translation has been published in the Urdu language.

The details of his books are as follows.

During this year his Urs annual anniversary was conducted on 11th and 14th July 2016 corresponding to 20 Shawwal 1437 Hegira.
The Urs (death anniversary)

People from various walks of life, irrespective of caste and creed, assemble to celebrate the Urs (death anniversary) which takes place on the 11 and 14 July 2016 corresponding of 20 Shawwal month of the Muslim calendar at the famous shrine (Dargah) in Khaja Phadi Hyderabad every year. Several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings.

Conclusion

To write about this great Sufi saint and great author is not only it is difficult and but it is very hard task as he was not only a great pious personality of his time in the area of the Deccan (South India) but he was also a great author of so many great books so, in brief, he was a great Sufi saint and as well as a famous author of Islamic books of his time in the Deccan region.

For a long time, he was engaged in religious discourses, sermons, and spiritual training of the people and he did also many great endeavors for the preaching and propagation work of Islam in Deccan (South India) and around this region and there was no such personality during his time.

I am honoured to write the biography, details of my ancestor Hadrat Khajwa Syed Moinuddin Hussaini alias Hadrat Syed Khamosh Sahib.

Even though his books of the Diwan (collected odes of single poet) of poetry were published at many native states of India in Hyderabad, Punjab, Amroha and in Moradabad and in the above places it was published, his Diwan many times in which there are found many printing mistakes but those books of poetry were still out of stock and are in running in shortage. I have corrected mistakes, and did explanation of the exegesis of Quranic verses and sayings of the last prophet of Allah in the above poetry book and after this edit work printed the book of Diwan.

His holy birth took place on 4th Rajab 1204 Hegira in city of Mohammabad Bider and his father was a famous Sufi master of the Chishti and Nizami Order and it referring to a person who is committed to a Murshid (spiritual master) in a Tariqa (spiritual path) of Sufism and it is also known as a Salik (Arabic: سالك) and his name was well known
as Hadrat Khajwa Syed shah Meeran Maqdim Hussaini alias Hussaini Peeran. There were three brothers of Hadrat Syed Khasmos Sahib and the details of his brothers are as follows according to the age group.

1. Syed Shah Peeran Hussaini
2. Syed Shah Wali Ullah Hussaini
3. Syed Shah Ali Hussaini

His ancestors

Hadrat Syed Shah Yousuf Hussaini alias Shah Raju Qattal Hussaini whose mausoleum is situated in Quladabad Sharif and whose elder son was Syed Shah Hussain alias Hadrat Khaja Chandan Hussaini and who was caliph of Hadrat Chiragh Dehlavi and the linage of Hadrat Shah Khamos is belonging to his sons.

The above saint’s younger son’s name is well known as Khaja Bande Nawaz Gesu Daraz Mohammed Mohammed Hussaini on whose mausoleum people from various walks of life, irrespective of caste and creed, assemble to celebrate the Urs (death anniversary) which takes place on the 15, 16 and 17 days of Zul-Qa`dah of Muslim calendar at the famous Band Nawaz shrine (Dargah) in Gulbarga every year. Several hundred thousand devotees from near and far, irrespective of religion and beliefs, gather there to seek blessings.

One day when Hadrat Shah Khamosh was playing outside of his house along with friends of age mates and at that time one pious person and whose name Bands Ali Majzub Shah was passed from there and he was watching him while playing with the boys and he told him “You are tiger
and you are playing with jackals. ” And he was given to him the salt package which was tied in cloth.

So after this event there was over powering of fondness of Allah upon him. And there were affection and fondness of truth so he began searching for the truth which was increased by him. His interest was began in endeavours and daily recitals as well as invocation of Allah. So for this reason he asked permission with his elder brother Syed Peeran Hussaini Sahib for the journey. So his brother was provided him one horse and fellow disciple for his journey. Before this journey, he has spent some time in the loneliness.

As per line of the poetry of Hafiz Shirazi that “ His habit was upset with the wine so he does not know what is meaning of the colorful prayer mat and who is the spiritual guide and with wine he does not know which type of wine it belongs.”

Upon covering one destination from Bider, he was handed over the horse to his spiritual fellow disciple and in his thoughtfulness he was reached to the destination by foot journey and visited the mausoleum of Hadrat Khaja Moinuddin Chisti in Ajmare city. And for many years he was there in Ajmare in his attention and endeavours towards there in the mausoleum of Khaja Gharib Nawaz. He was received command by the Sufi master of the subcontinent Hadrat Khaja Moinuddin Chisti to proceed towards Punjab State and he was instructed to go Manikpur where his favour of fate is available there with Hadrat Hafiz Musa Sahib so he should approach with him and get favour from there. So for this reason Hadrat Shah Khamosh Sahib was reached in Punjab by covering the long journey by foot.

When he reached there and he was found one pious Sufi master and he was among a large number of his disciples there and that holy
personality saw Hadrat Shah Khamosh Sahib then he immediately put his head on his foot and told him he was sent towards his Mashaiq (learned person) and your master is better than himself. So for this cause all disciples were upset and worried in this matter and asked him who is this young gentleman.? He said before them that “He is Sadat (descendant of the prophet’s family) from Deccan (South India) and he was sent by Hadrat Khaja Moinuddin Chisti and who is in search for his purpose. This young gentleman is by birth a person of Velayat (sainthood) and he was sent for the completion of stages of truth of manifest and innermost.”

Before reaching of Hadrat Shah Khamosh Sahib to Manikpur which is in Ambala district Hadrat Hafiz Musa Sahib was seen Khaja Gharib Nawaz in his dream and who told him that his son is coming towards him so take towards him.

Hafiz Musa Sahib was wake up from his dream and he was given instruction to all disciples and persons who were present in the shrine building to go and welcome the young gentleman who was sent by Hadrat Khaja Moinuddin Chisti. So all should go to the village Majary which was two miles away from Manikpur and pay him respect and bring him from there. So many groups of pious caliphs and disciple went to welcome Hadrat Shah Khamosh Sahib to village Majary and all were honoured him and took him in the circle of invocation of Allah and took him in the presence of their spiritual master in Manikpur.

On the other side Hadrat Hafiz Musa who was standing at the door of the shrine and waiting for his arrival there. Upon his arrival, he embraced him and all the persons who present there were began weeping. He was granted a special room to stay for him in the shrine building. He was given special respect and status than general disciples
and special caliphs and he made him a disciple and so in this way he was entered into the fold of the chain of Sufi master in Manikpur. Upon his hard endeavours and tasks he was given him caliphate and permission.

As per the old system when the custodians of Hadrat Shah Khamosh Sahib from Hyderabad when used to visit Manikpur shrine, then all disciples and persons of the shrine of Hafiz Sahib and village people used to gather two miles away from Manikpur in village Majary in the circle of invocation of Allah to welcome the custodian from Hyderabad and taken them to shrine of Hafiz Sahib in circles of invocation of Allah.

In one biography of Hadrat Shah Khamosh which is 60 old printed in which it is mentioned one event that “Maulvi Amnat Ali, who is the caliph of Hadrat Musa Hafiz heard by his master that Hadrat Shah Khamosh is in his chain and as per favours he is like Hadrat Niazmuddin Auliya Thani and he will be very generous and due to his favours of innermost and manifest (Zaheri) and these benefits which will be get available to the people India and Deccan.”

One another caliph of Hadrat Hafiz Musa said “Moulana Mir Hafiz was seen in the dream Meeran Bhiki Sahib who was the great grandfather of Hadrat Hafiz Musa Sahib who tie-in turban with his hand on the head of Hadrat Shah Khamos Sahib. In the morning he wakes and he was explaining his dream with his master Hafiz Sahib then he was told him that “There is no surprise as Meeran Bhiki Sahib is tying turban on his head as he accepted one in the shrine of Hadrat Khaja Moinuddin Chisti and who got favour from there and he is messenger from that place.”

In city of Rupad Sharif in which the mausoleum of the spiritual master of Hadrat Hafiz Sahib is there and which is located some miles away from Sarhind and where the room of Hadrat Shah Khamosh Sahib is
there and which famous even today for the fulfillment of desires and wishes of the person who visit his room there and in that room Shah Sahib used to busy in the invocation of Allah and daily recital and endeavours there.

It is made available the information in many biography, books and history books that in invocation of Allah and recitals, Hadrat Shah Khamos was much connected with his breaths and for this reason even one of his single breath was not pass without invocation of Allah and recitals. For this reason, for a period of 30 years he did not talk with anybody and even by sign he used to talk very less.

Hadrat Syed Amant Ali Katgori and Syed Amant Ali of Amrohi said that “One day they were standing at the door of room of Hafiz Sahib and at that time large number of people of chain were present there and Hadrat Hafiz was tieing up turban of the caliphate on the head of young gentle man Syed Moinuddin Hussaini and awarded him the status of Qutub (highest cadre in spiritual pivot at axis) of Deccan (South India) and had instructed him to stay in Amroha till his life period and used to visit him from there in every one month or two months time and after his demise to go and stay in the Deccan as per instruction of Hadrat Khaja Moinuddin Chisti and who was awarded him the status of Qutub of Deccan region. His spiritual master has been filled his chest with the knowledge of innermost and manifest and revealed upon him all truths.”

While going to Amroha he stayed some days in the Delhi and he stays in the Delhi has become well known to all people there. The Mughal dynasty last King Bahdur Shah Zafar was paid visit him, he was presented his 21 gold coins to him as his offering. From Moradabad he went to visit village Garali, Chandpur, Mansourabad and he was staying there for some short period of time. For some period of time he was given instruction of teaching and preaching to his fellow disciple Ghulam Ali Shah in Amroha. In his absence, he was become in charge of a circle of invocation of Allah and teaching and preaching work there. He was staying for a period of one year in the mosque in Amroha and from there he was shifted to mosque of Balul Khan and in which he was staying for some years there and from there he was shifted in the street of Patwalon and where he was constructed one mosque and shrine building there and that mosque is still famous and well know with the mosque of Shah Khamos Sahib.

This event was happened one day and which is very well known and famous there that Amant Khan residence of street Katwai in Armorha was organized one function in honour of Hadrat Shah Khamosh Sahib an due to his devotion of the Sheikh and he was also arranged a meeting of Samah (ecstasy) and so for this reason large number people came over to his residence where was arranged for the meals to all persons and due to a large number of people’s gathering he was worried and upset and due to face reading of Amant Khan the Sheikh of the time was able to know that his worry and asked him to take him at the place of Pakat (fried bread ) and the Sheikh was covered platter of bread with his coverlet and put his Romal (handkerchief) on the cauldron of cooked rice and asked him to starting serving food to the people. Upon eating for all people with full satisfaction, but the food which was prepared was not used at all and it was looking that nothing was not used to serve the people from the cauldrons. Upon seeing this event there was news spread in the city of his miracle and all were surprised in this matter and many thousand people were becoming his disciples in Amroha city due to the above
event. Even today large number of disciples of his chain are available in that city due to the grace of Allah and he has stayed there in that city for a period of ten years and where he has performed many thousand miracle and supernatural events there.

Before the death of Hadrat Hafiz Musa Sahib, Hadrat Shah Khasmos Sahib, Maulavi Amanat Ali Shah, Maulavi Hussain Bakhash was made palanquin to bring Hafiz Musa Sahib to Amroha from Manikpur and along with palanquin all the above persons went to Manikpur to bring him from there to Amroha. For this reason there was loud and cry in the Manikpur and the people who made loud and cry presented themselves in the presence of Hadrat Hafiz Musa Sahib and they have asked him not to leave from Manikpur. So for this reason Hadrat Hafiz Musa Sahib was entered in a palanquin and he sat there for some time and he was coming out of it and he was asked Hadtrat Shah Khamosh Sahib to sit in the palanquin and he was given him instruction to go to Amroha and continue the teaching and preaching mission work there and in this way he sent all caliphatates and disciples back to Amroha who have visited Manipur from Amroha.
