

Half Moon Bay High School

Changing Tides Newsletter

Publication for our Cougar Community

Spring 2013

Principal's Message

Dear Cougar Parents, Guardians, and Community Members:

Spring and senioritis are in the air! By the time you read this publication, the May 1st deadline for submitting deposits to colleges and universities will have passed and the STAR exams will be a distant memory. On the forefront of the minds of our seniors is not only the upcoming awards nights, prom, senior picnic, and graduation, but getting into contact with future roommates and preparing to leave our cozy coastside for post secondary institutions such as the following: Northeastern, Tulane, MIT, UC Berkeley/Davis/San Diego/Santa Barbara/LA, Cal Poly, Loyola Marymount, Gonzaga, colleges in Arizona and Colorado, abroad to St. Andrew's in Scotland and all the of the Cal States (**more listed in the counseling section of this newsletter*). Other members of the Class of 2013 are gearing up for placement exams at local junior colleges, for gap year options, or apprenticeship opportunities. But before they leave us, one more round of Advanced Placement Exams will occur for students in grades 10-12. We have an all-time high number of students

testing which is reflective of a supportive teaching faculty and counseling department. These exams not only simulate college testing experiences but also provide students with the opportunity to place out of entry level college and university courses and to get ahead on credits potentially leading to early graduation from college. Good luck all of our Cougar Scholars on the upcoming exams!

Many of you by now have received my final "ask" for the Cougar Scholastic Enrichment/Academic Fund. In an effort to build upon the parent initiated fundraising effort that began several years ago, this fund was conceptualized to maintain an ongoing academic fund at HMBHS that ensures our high school students always have rich, competitive elective choices. Please give what you can. For more details or to make a donation, visit the PAC website/Academic Fund page at <http://www.hmbhspac.com/scholastic-fund.html>.

Check out "Dooley's Round-up" for information pertaining to our tablet roll-out. This is his area of expertise and that of several teachers who have agreed to be part of a technology, grant-funded pilot. This is an exciting time as the de-

tails of Measure S are being solidified. The impact of this bond initiative will benefit both the revolution of classroom instruction and in time, an improvement to our facilities. More information can be found on the CUSD website.

I wish you all a sunny and swift end to a fabulous school year at Half Moon Bay High School. I cannot believe we are approaching the end of this academic year yet all of the fun and most profound memories are just about to be made (See "Important Dates" section for more information and specifics). I look forward to seeing all of you at the final sports competitions, awards nights, and of course, graduation.

Cheers,
Allison Silvestri, Principal

Dooley's Roundup by Assistant Principal Jarrett Dooley, Pupil Services**Technology**

Under the Measure S Bond, technology will be placed front and center in the upcoming months. Thanks to the diligence of the Measure S Technology Sub-Committee (including Mr. Stagg and myself), a proposal is being submitted to the CUSD Board on May 9th to approve a 1:1 device initiative for all classrooms. The proposal includes substantial Professional Development, including a three-year phase-

Photos submitted
by Jarrett Dooley

in. The goal is to have computing devices for every single student, in every single classroom! Stay tuned for more information as this exciting initiative leaves the ground and becomes a reality this summer.

Athletics 8th Grade Open House was a huge success with over 100 incoming freshmen and their parents in attendance. Mr. Ferdinand did a fantastic job giving an overview of our Athletics Program and introduced our incoming students to the coaching staff of all programs. Check the school website for more information.

Cougar Counseling Corner by Kira Gangsei, Department Chair

HMBHS College Updates

HMBHS Seniors are going places! So far, our seniors have received acceptance letters to many schools including CSUs (Cal Poly SLO, Chico, East Bay, Humboldt, Long Beach, Monterrey Bay, Northridge, Sacramento, SDSU, SFSU, Sonoma), UCs (Berkeley, Davis, UCLA, UCSB, UCSC, UCSD), and others including, Biola, BYU, CU Boulder, Drexel, George Fox, Gonzaga, Lewis & Clark, LMU, Mills, MIT, Northeastern, Puget Sound, Rensselaer Polytechnic Univ., Syracuse, Tulane, Univ. of Michigan, Univ. of Oregon, Univ. of San Diego, Univ. of Santa Clara, Univ. of St Andrews (Scotland), Univ. of Washington, USF, Willamette, and many more are on the way. **Congrats to the Class of 2013 – we are so proud!**

Community College Enrollment

On March 20, community college bound seniors attended a registration workshop for CSM, Skyline, and Cañada colleges next year. These students have registered early and are participating in the *Priority Enrollment Program (PEP)*, which will give them priority in registering for classes.

Remember to complete the next steps: 1) Sign up for & take placement tests 2) complete orientation & meet with a counselor 3) Register for classes.

How about the Juniors?

Now is the time to get your college search going!! Remember to use your Family Connections/Naviance account to manage your college search process.

SAT and ACT: Current 11th grade students planning to apply to 4-year colleges should take the SAT Reasoning & Subject Tests and/or ACT with writing soon.

SAT info at www.collegeboard.org & ACT info at www.act.org

Testing dates:

On-Campus Testing:

May 6-17th – Advanced Placement (AP) Testing
May 14 & 15th – CAHSEE Testing

Off-Campus Testing:

May 4th – SAT (Waitlist registration only)
June 1st – SAT (register by May 7th)
June 8th – ACT (register by May 3rd)

College Fairs: Juniors, Mark Your Calendars!

(Over 100 colleges will be present at each)

Western Association for College Admission Counseling (WACAC) College Fairs <http://wacac.org/collegefairs>

May 6th- Dominican University, in Marin (6pm-8pm)

May 7th - Sonoma State University (6pm-8:30pm)

May 8th- University of the Pacific (10am-12pm)

May 9th- Cal State Stanislaus (9am- 12pm)

May 11th- St Mary's College- (1pm-4pm)

Counseling Department Updates: Family Connections/Naviance Program Update

Thanks to the generous donations made by PAC, the counseling department has begun to integrate the Family Connections/Naviance college and future planning program into our Personal Learning Plan (PLP) program. Freshman are creating 4 flexible 4 year plans in PLP meetings and Juniors were introduced to the college search feature. In May, parents of Juniors will be receiving letters on how they can use this program to help their students navigate the college search process.

Local Scholarship Program – Scholarship Night 2013!

Last year, due to the generosity of our Coastsider community and the diligent work of the HMBHS Counseling Department & Local Scholarship Committee, we were able to distribute over 120 scholarships totaling over \$100,000 to the Class of 2012. In May, students receiving local scholarships will receive an invitation to **Scholarship Night 2013** to be held **Thursday, May 30 at 7pm** in the MU. All are encouraged to attend this important Coastsider spectacle.

Summer School 2013

Summer school will primarily be offered through the Aventa online credit recovery program. Students must attend school daily and are responsible for completing most of the work off campus. Summer school will take place from June 24 – July 26. Students will be given a time limit for completion of courses. If they do not complete the course in the given time period, they will lose credit for that course. Students who qualify will receive an application from their counselor in May. Please note that upperclassmen will have first priority.

HMBHS Track and Field Team Highlights by Blair Calhoun

The Half Moon Bay High School Track and Field team entered the post-season with high hopes of continued success. During the last week of its regular season, team members produced outstanding performances. Junior **Logan Marshall** set a school record (9:26) in the 3,200-meter run at the CCS Top 8 Classic held at San Jose City College on April 19th. He came back the next day at the San Mateo High School Bearcat Invitational to set a personal best (1:59) in the 800-meter run while finishing fourth then set another personal best (4:27) in the 1,600-meter run at the team's Tri-meet at Jefferson High School on April 23rd.

Marshall achieved a personal best at Jefferson

Marshall's teammate and friendly rival, junior **Gabriel Silveira** also picked up a medal for his fifth-place finish while clocking his own personal best (2:02) at the Invitational and will challenge Marshall in the 1,600-meter run during the upcoming PAL Championships. Another contender at the Championships will be junior **Kyleen Freeburg** who turned in a personal best (2:20) in the 800-meter run at the Top 8 Classic followed by a first-place finish among 40 runners in the same event at the Bearcat. Freeburg was not the only winner at the Invitational from the team; freshman **Carmen Zafra** took first-place (5:34) in the Frosh-Soph 1,600-meter run followed closely by freshman teammate **Helen Fisher**. Both turned in solid times (2:38 and 2:39, respectively) in the 800-meter run as well. Fellow freshman **Graham Faust** turned tragedy into triumph at the Bearcat. In the morning, Faust missed the Frosh-Soph 3,200-meter race due to an unforeseen schedule change but was allowed to enter the Varsity race in the afternoon where he received a medal for his fourth-place finish with a personal best (10:20).

Freshman and future heptathlete **Cleome Kerseg** was just short of spectacular at the Bearcat. She turned in personal bests in the High Jump (4'-4"), the 800-meter run (2:44), and the 400-meter run (1:06). Kerseg would be advised to approach freshman thrower **Brandon Inglis** for training tips as he looks to turn heads in Shot Put ring at the PAL Championships along with sophomore teammate **David Corona**. Their season's best throws are 38'-8" and 40'-11" respectively. Another heptathlete in the making is freshman **Rebekah Tonnesen**. She nipped Kerseg in the 400-meter run at the Invitational then powered to a personal best (54.34) in the 300-meter Intermediate Hurdles during the Tri-meet at Jefferson. Maybe Ton-

Kerseg high jumped 4'4" at Bearcat Invitational

nessen was inspired by sophomore teammate **John Blick**. Blick, who grabbed a fifth-place medal at the Bearcat in the event, set his own personal best (46.64) moments before Tonnesen and "warmed up" for the hurdle race by running the 400-meter dash in a personal best time (56.66). Fellow sophomore **Chase Waterman** will challenge the upperclassmen at the PAL Championships in the Varsity High Jump with a season's best 5'-8" in the event.

Sophomore Blick cruised in 400 m.

Those are just a few of the outstanding performances recently turned in by the track and field team. As the League and Sectional Championships for this season quickly approach, it must

be noted that this exceptional group of athletes will all be coming back next season. As Timbuk 3 sang "...the future's so bright, I gotta wear shades..."

HMB tracksters at the Santa Barbara Relays from top to bottom: Khalil Droubi, Patrick Young, Paige Williamson, Kylie Freeburg, Alexia Lugo, and Natalie Strohm.

Farnsworth's Vision for Track and Field by Janet Vrba

Everyone enjoys attending the high school's sporting events whether it's football, boys basketball or softball – just to mention a few. But guess what the best kept secret in the Half Moon Bay High School Athletics program is? Since 1978, our runners have brought home more CCS Cross Country championship titles than any other sport at HMBHS. And Logan Marshall is the current CCS Champion in cross country. The same Logan Marshall that's on the verge of doing the same in track and field in the 1600 m. race. And Head Coach Paul Farnsworth is part of the reason for our runners' successful seasons.

Farnsworth, known as Farns to his runners, has been the Head Coach of Cross Country and Track and Field at Half Moon Bay High School for the past seven years. In all, he's coached for twenty-three years. One of the greatest joys he gets from coaching happens when an athlete turns the corner and owns their own performance and garners that success. He also enjoys seeing the success of an athlete on the field

Mark Foyer and Paul Farnsworth discuss upcoming PAL meet trials.

transfer to other areas of life. Farnsworth believes that coaching is teaching kids life skills.

Last year Farnsworth coached the track and field team without any assistance.

"The only kids on this campus with State patches are the cross country kids and Joe Lowman."

~ Paul Farnsworth

vision for the track team is to achieve the goal of having at least one Half Moon Bay athlete in every

track and field event in the PAL League finals meet competition. His other goal is to have every track record broke and reset during his coaching career at HMBHS.

Farnsworth also works as a 3rd grade teacher at El Granada Elementary and has taught at Manuel F. Cunha Intermediate School serving our school district for fifteen years. His proudest accomplishment as our coach has been taking the girls and boys cross country teams and/or individuals to the state meet all seven years of coaching at the high school.

coaches joined Farnsworth. "After being by myself for one year, it's been so much fun having assistant coaches this year," Farnsworth said. "You just can't coach all events."

The toughest thing about coaching is all the paperwork that needs to be done. Farnsworth has even received help in this realm from parents. With his coach assistants, Farnsworth's

Did you know?

Based upon statistics, approximately 5-7% of all high school athletes will go on to compete in NCAA college sports.

Meet the Track Coaches

High Jump Coach Janet Vrba was a Junior Olympian track athlete for the State of Iowa in the high jump, 400 m., and 400 m. hurdles. During her junior year, she ran the third fastest time in the state of Iowa in the 400 m. hurdles and jumped 5'6". She ran for Iowa Valley High School and set six individual and relay track school records during her career as well as qualified all four years for the Iowa State Championship Track Meet. She competed in basketball as well as track and field at Central College. Being impressed by Farnsworth's hard work and dedication to our high school runners, she came aside to assist the track team with a goal to develop competitive high jumpers.

Sprint Coach Blair Calhoun ran for Serra High School. His events were the 120-yd. high and 330-yd. low hurdles, the long and triple jumps. The triple jump was his best event and he qualified for the California State Track Meet. Calhoun competed at UC Davis in the 110 m. high and 400 m. intermediate hurdles. Calhoun hopes to make a difference in how the kids feel about track and themselves.

One of Calhoun's favorite quotes by Kipling states, "... to fill the unforgiving minute with sixty seconds of distance run..."

Left to right: Janet Vrba, Blair Calhoun, Paul Farnsworth, Mike Inglis

Head Coach Farnsworth attended Saint Louis High School in Hawaii where he ran the 1600 m. and 800 m. races as well as competed on his high school's 4 x 400 m. relay team. Farnsworth attended the University of Portland but graduated from Hayward State, today re-named UC East Bay. In college, he competed in the 1500 m. and the 3000 m. steeplechase races. His passion is with long distance running and he's been coaching since 1991. He started his coaching career at

Jordan Middle School in Palo Alto, then Cunha Intermediate School before Half Moon Bay High School.

Throws Coach Mike Inglis grew up in Stockton where he was a football player and an avid shot put and discus thrower in high school. During his senior year, he threw 54' in the shot put and over 142' in the discuss. He played football and threw at UC Davis.

Inglis, a life-long athlete, enjoyed sharing his love of throwing with the high school athletes. He plans to build a throwing program that puts Half Moon Bay on the map of great throwing schools.

New League for Baseball Team

Varsity Softball

The HMBHS Varsity Softball team hosted the 6th Annual Cougar Classic tournament April 13th and April 20th. The Cougars came away with the championship this year with All-Tournament selections Lyndsay Klimenko and Kallista Leonardos paving the way.

The final league home game will be Tuesday, May 7th against Carlmont. First pitch at 4pm. Come by to support the Cougars and stay for our very special ceremony for the seniors, Lyndsay Klimenko, Channie Anderson, and Katie Carlevaris, after the game as they run the bases at HMBHS one last time!

Senior Gerardo Garcia wrestled for HMBHS while employed at the local Oceano Hotel. At work, he's observed the hotel's chefs operate and manage employees. Besides being a foodie, his work experience sparked his plan to attend City College of San Francisco after graduation and study culinary arts. Garcia's also plans to travel and explore American cities, such as New York City, this summer before attending college in the fall.

ACE returned to HMBHS

ACE, the Alliance for Climate Education, returned to Half Moon Bay High School for a presentation to the Freshman class. Since ninth graders don't take the STAR test in social studies, they assembled in the MU and listened to Wen Lee of ACE present his company's award-winning multi-media show. ACE's mission is to educate high school students on the science behind climate change and inspire them to take action to curb global warming.

The ACE presentation is based on the latest and most credible scientific sources, including the Intergovernmental Panel on Climate Change report. The presentation educates students on the current climate science and the background of the issue, then explores the potential consequences of climate change. The presenter asked students to consider solutions that can help us achieve a cleaner, brighter future.

HMBHS Swim Team

Eoin Bloomer has set two school records in 2013. He broke an eleven year old school record in the 100 Breast stroke with a time of 1:04.61 and simultaneously logged a CCS qualifying time. He also broke the HMBHS record for the 200 free-style that had stood since 2006 with a time of 1:52.85.

Front Row (left to right): Julie Sorfleet, Zoe Elias, Tiana Spano, Megan Rodrigues, Katia Elias, Julia Sulzinger, Allegra Spano, Kaelyn Sattie, Kyla Kemp, Micaela Kowalczyk (Row 2): Coach Jim Stretch, Jennifer Costa, Aubrey Loeffler, Marci Springer, Aiko Anderson, Sarah Stretch, Allyson Osgood, Stephanie Rodrigues, Summer Haataja, Karina Lynch, Marisa Lynch, Coach Robin Olmstead, Coach Cindy Lee (Third Row): Stacy Ourique, Ellie Henretty, Molly Pomeroy, Julia Loegering, Madison Ard, Danielle Peterson, Fiona Handler, Britta Stretch, Shelby Olson, Emma Spaeth, Sierra Rhodes, Annika Merriiles (Fourth Row): Tristan Keller, Thomas Lundgard, Malcolm Feix, Dylan Cummings, Jason Cagle, Andrew Benson, Jeremy MacKinnon, Cameron Draffan, Miles Keeton, Sean Glasson, Stephen Islander, Jacob Gehret (Back Row): Kevin Merritt, Peter Lundgard, Avery Calhoun, Sheridan Bowman, Ben Scofield, Alex Chee, Brendan Garrison, Eoin Bloomer, Matt Tolar, Thomas Simons, Tucker Perkins, Mike Tyler, Kieran Wolk

Sarah Stretch racing the butterfly.

19TH ANNUAL GRAD NIGHT PARTY is JUNE 13, 2013

ATTENTION: SENIOR STUDENTS AND PARENT VOLUNTEERS!

Grad Night is an extraordinary night of celebration for HMBHS Seniors following their graduation. This supervised, all-night event includes games, activities, dancing, food, prizes and non-stop fun! Enormously popular, *Grad Night* offers a healthy alternative to un-chaperoned parties and is the not-to-be-missed event for every senior student.

Seniors – get your tickets!

Over half of the senior class is registered for *Grad Night*, so the I.D.E.S. Hall will be the place to be on June 13th. Registration is easy, just go the HMBHS website and look for the *Grad Night* page under “Parents & Community”. Your signed forms and check can be delivered to the front desk at school. If cost is a hardship, please contact Marie Tolar at tolar-fam@comcast.net or 650-580-4868 to make arrangements for a ticket. Don’t miss out on this memorable night!

Parent volunteers from ALL GRADES are needed

Part of a national effort to keep students safe on graduation night, *Grad Night* is a community sponsored event that is only made possible by the efforts of parents that plan, set-up, chaperone, and clean up after the party. Over a 100 volunteers are needed to conduct this memorable, once-in-a-lifetime event!

Contact Tracy Halbersleben and join the ‘many hands’ that will make this night a success, at 650-544-8307 or tracy@alohasunset.com. All help is welcome!

Fundraiser Raised \$40K

April’s Cougar Casino Night was a huge success! The event was held at Long Branch Saloon, Califuegos band provided the entertainment and a great time was had by all! Over 350 people attended, and rough estimates show that the sports that participated raised almost \$40,000 gross. The monies raised will be deposited in the individual sport accounts that participated in this fundraiser.

Thank you to the following coaches, volunteers and athletes for helping to make this event possible: football, baseball, wrestling, volleyball, girls’ soccer, swimming, water polo, cheer/dance team, track, tennis and boys’ basketball.

Casino Night Chairs: Susan Royce, Keith Holden and Sean Donovan

We Thank You!

This week, May 6-10, is Staff Appreciation Week at HMBHS. We will recognize our staff with luncheons, breakfast, and much more. We also want to take a moment to thank our generous supporters for this week.

Not only have they supported us this week but they show their support all year long. Thank you for showing us your appreciation.
