Two options for the medical care you need close to home.

St. Luke’s
CONVENIENT CARE

Now open in the new Dierbergs Des Peres location, we’re here to treat your family’s minor illnesses and injuries. Our nurse practitioners offer medical care for ailments such as:

- Sore throats
- Coughs
- Rashes
- Ear infections

Flu shots and sports physicals are also available.

St. Luke’s Convenient Care can see you on a walk-in basis and also helps you stay healthy by offering wellness programs and screenings.

Our current hours are:
Monday – Saturday: 8 a.m. to 6 p.m.
Sunday: 10 a.m. to 4 p.m.

1080 Lindemann Road
Des Peres, MO 63131
(314) 965-0576

stlukes-stl.com

St. Luke’s
URGENT CARE

Located in Kirkwood, we’re right in your neighborhood to treat your minor medical emergencies. Our nurse practitioners provide prompt, quality medical care for your family. We even have on-site X-rays to quickly diagnose your injuries, as well as lab services. Treatments offered include:

- Sprains & broken bones
- Cuts & scrapes
- Eye injuries
- Rashes & burns
- Animal & insect bites
- Cold & flu symptoms

Flu shots and sports physicals are also available.

Open 8 a.m. to 8 p.m. daily, with special holiday hours.
No appointment necessary.

455 South Kirkwood Road
Woodbine Center
Kirkwood, MO 63122
(314) 965-6871
Dear Kirkwood School District Residents:

Welcome to the Kirkwood School District. We are blessed to have a generous community that supports our work through projects such as this School Directory, which is produced in partnership with the Webster-Kirkwood Times and our local business community. Every community member is a true partner in the important job of educating our children. Our public schools belong to the whole community and we invite you to participate and to get involved.

We take pride in knowing that every community member plays an important role in our district and we encourage you to volunteer at your neighborhood school, attend one of our many events including performances of our award winning fine arts programs or one of our many athletic events showcasing our talented students. If you are a senior citizen, please contact us about our “Golden Pass,” which allows you to attend most events free of charge.

We are very proud of our tradition of excellence and high student achievement. This past year the Kirkwood School District was recognized by the Missouri Department of Elementary and Secondary Education for scoring 137.5 points out of a possible 140 on Missouri’s new Annual Performance Report. The district has been named a Missouri “Distinction in Performance” Award winner each year since 2001. Kirkwood seniors graduating in 2012 had an average ACT composite test score of 23.9 which ranks among the top six in the state of Missouri. The U.S. News and World Report 2013 “Best High Schools” list ranked Kirkwood High School No. 3 in the State of Missouri.

We invite you to visit the schools to see the many renovation projects and additions to our buildings that have been completed as part of the district’s master facilities plan. Thanks to the tremendous support of the community, the community passed Proposition 1, a $33 million no tax rate increase bond issue in 2010. The funds have been used to add kindergarten classrooms, new cafeterias and gyms, interior renovations and safety/traffic improvements to three of our five elementary buildings. Keysor, Robinson and North Glendale elementary schools have completed renovation of their old gymnasiums into new, modern media center/libraries. Keysor Elementary has recently completed, with the assistance of many community volunteers, an environmentally friendly, sustainable and fully accessible outdoor classroom/playground. The new science classrooms will complement the Earl & Myrtle Walker Science Center that was constructed at Kirkwood High School in 2008. The School District will begin a K-12 iPad initiative in the Fall of 2013. Students will use iPads at school and at home as the District implements this innovative approach to maximize learning through technology.

We look forward to the start of a new school year on Tuesday, August 20, 2013. The education of our children is our top priority and we invite you to join us as partners in this important task. Thank you!

Sincerely,

Tom Williams, Superintendent
KSD TELEPHONE DIRECTORY 2013-14

The Kirkwood School District phone and voice mail system is part of the overall technology network. Callers are asked to listen to a menu of options directing them to individual schools or district offices. Each classroom has a telephone and extension number. Parents can phone a classroom directly to hear homework assignments or to leave messages for the teacher. This directory includes the more frequently requested numbers. Please note, the designation “vm” refers to voice mail extensions that only allow the caller to hear or leave a message.

For individual schools, see phone listings on school pages following.
NEW STUDENT ENROLLMENT

All students new to the Kirkwood School District enroll at their individual schools. If you do not know which school your child will attend, please call the Office of Student Services at 314-213-6105.

New students will be asked to furnish the following items at the time of enrollment: official copy of birth certificate, Social Security number, a completed physical examination form with immunization record, and two documents showing proof of residency in the school district. Proof of residency documents include utility bill, real estate deed, lease agreement, and personal property tax receipt.

ELEMENTARY SCHOOL ENROLLMENT

New elementary students enroll through their home school office. Parents/guardians should phone their child’s school for an appointment. Incoming kindergartners must be five years old before Aug. 1, 2013, in order to enter school in the fall.

NIPHER MIDDLE SCHOOL ENROLLMENT

New students attending Nipher Middle School may enroll by contacting the school office at 314-213-6180. All incoming sixth-graders are invited to the Nipher Orientation held at the school on Aug. 16, from 9 a.m. to 11:30 a.m. All currently enrolled seventh and eighth graders are invited to attend one of two registration days: Aug 12 from 2 p.m. to 6 p.m. or Aug 13 from 9 a.m. to 1 p.m.

NORTH KIRKWOOD MIDDLE SCHOOL ENROLLMENT

New students attending North Kirkwood Middle School (NKMS) may enroll by contacting the school office at 314-213-6100, ext. 7303. All currently enrolled NKMS students in grades 6-8 are invited to attend one of two orientation days: Aug. 12, 10 a.m. to 2 p.m., or Aug. 13, noon to 7 p.m. On Aug. 13 from 6 to 8 p.m. there is a 6th Grade Only Parent Open House.

KIRKWOOD HIGH SCHOOL ENROLLMENT

All new and returning Kirkwood High School (KHS) students must register for classes before school begins. If you are new to KHS and have not yet enrolled, please call the guidance office at 314-213-6118 to schedule an appointment. Parents/guardians of new students are asked to attend registration with their students.

KHS FRESHMAN ORIENTATION DAY

All ninth-grade students are expected to attend KHS Freshman Day on Aug. 19, 7:50 a.m. to 12:30 p.m. Students will follow their class schedules and attend sessions to learn more about KHS academic requirements, behavior expectations, and extracurricular clubs and activities. Bus transportation will be provided for students participating in the Voluntary Transfer Program and for eligible resident students.

Ninth-grade students will receive additional information on Freshman Day from their grade level principal in early August. Parents/guardians of ninth-graders are invited to attend the first part of this morning.

KHS ORIENTATION DAY FOR NEW STUDENTS GRADES 10-12

New students entering KHS grades 10-12, along with their parents/guardians, are invited to attend the first part of the morning session of the KHS Freshman Day on Aug. 19. A letter will be sent to these students in early August describing the agenda pertaining to them.

IMMUNIZATION

Missouri legislation requires every student to have documented evidence of immunizations meeting all state requirements on file at their school. No student will be allowed to begin school on Aug. 20 unless all immunizations are up-to-date and documented. Parents who have questions concerning immunization requirements may call the Office of Student Services, 314-213-6105.

BUS TRANSPORTATION

To be eligible for free bus transportation to and from school, a student must live one mile or more from an elementary school, 1-1/2 miles or more from middle school, or two miles or more from the high school. Students who do not qualify for free transportation may purchase a pass for $487 for the school year if space is available on an existing route.

First Student, Inc., 544 Clark in Kirkwood, has computerized all bus routes for eligible students living in the Kirkwood School District. Information regarding bus transportation was mailed directly to students’ homes in August. If you did not receive transportation information, or have questions, please call First Student at 314-965-6130, or the Office of Student Services, 314-213-6105.

Students who participate in the Voluntary Transfer Program should contact Diane Huwer in the Office of Student Services, 314-213-6105, with questions regarding transportation from the City of St. Louis.

SCHOOL LUNCH & BREAKFAST PROGRAM

The district’s school lunch and breakfast program provides students with well-balanced meals that meet state and federal guidelines. Prices are kept as reasonable as possible.

Lunch Prices for 2013-14:
- Elementary Students: $2.55
- Middle and High School Students: $2.70
- Adults: $3.15

Breakfast Prices for 2013-14:
- Students: $1.80
- Adults: $2.20

Family income criteria are calculated annually by the National School Lunch and Breakfast programs of the federal government for a reduced-price meal program. All children in district schools receive an application in the fall. Families with children who qualify for the reduced-price program are notified by their schools. Applications are available in town offices and can be made or changed at any time during the school year if an eligible family experiences an increase in family size or reduction in income.

ABOUT THE SCHOOL BOARD
The Kirkwood School District Board of Education, the teaching and support staffs, parents and community share responsibility for creating successful schools. As elected representatives, the seven-member Board of Education serves as the governing body for the community’s public school system. The school board sets district policies, selects the superintendent of schools, adopts the annual budget, and determines the tax rate. Community participation at board meetings is encouraged, and a forum for public comment is provided at the beginning of each meeting.

The annual school board election is held in April. Board members serve three-year, overlapping terms with two or three members elected each year. School board members, who receive no salary, are committed and concerned citizens who devote countless hours working on behalf of children and the educational interests of Kirkwood School District residents.

SCHOOL BOARD MEETINGS
School board meetings are generally held the first and third Monday of each month during the school year and monthly during the summer. Meetings are held in the conference room of the district’s Administrative Services Center, 11289 Manchester Rd. at 7 p.m. District residents are encouraged to attend and may share their views with the board during time allotted at the beginning of regular meetings.

Residents may also express their views by writing to the Kirkwood Board of Education 11289 Manchester Rd., Kirkwood 63122-1197. Board members can also be reached through e-mail on the district’s web site: www.kirkwoodschools.org. Copies of materials submitted will be provided to all board members.

**Dedicated to Delivering Compassionate Care**

Des Peres Hospital is proud of the difference our dedicated staff make in the lives of patients, families and our community.

Des Peres Hospital is an acute care hospital that has been serving the healthcare needs of St. Louis County since 1974. We are conveniently located at the intersection of Dougherty Ferry Road and Interstate I-270.

Des Peres Hospital provides quality medical and surgical services, including 24/7 emergency care, orthopedics, weight loss surgery (bariatrics), cardiology and geriatrics. We deliver care with a personal touch, because we’re just the right size to put you first.

**For a Physician Referral**

School History:

Kirkwood High School (KHS) has a long, rich history that dates back to the founding of the Kirkwood School District in 1865. High school and elementary students attended school together in a temporary building, which opened in the fall of 1866, and later in the Jefferson Avenue School, the district’s first formal school built in 1869. African-American students attended the Booker T. Washington School, which opened in 1869 on Adams near Geyer Road. In 1888, the district built the Adams Avenue School next to the Jefferson School and offered a two-year high school program for students completing the elementary grades. In 1896, Kirkwood offered the first four-year high school program in St. Louis County; 10 students were members of the first graduating class in the spring of 1897. In 1922, a new high school was built on Kirkwood Road, now home to Nipher Middle School.

The present Kirkwood High School on Essex Avenue was built in 1955 on a 47-acre campus. Both white and African-American students were enrolled to attend high school together for the first time. The campus includes the Thomas N. Keating Performance Center, a fine arts complex that features an 821-seat theatre; band, art and vocal music classrooms; and the privately funded Walker Commons. The campus also includes the Earl and Myrtle Walker Science Center, a state-of-the-art science facility that was dedicated in 2007. In addition to taxpayer support of the 2005 bond issue to fund the new science center, private donors contributed to equipping the science classrooms through the “Pioneering the Advancement of Science” campaign conducted by the Kirkwood School District Foundation.

A new physical education and sports center was completed in fall 2008. The center features two competitive gyms (Denver Miller Gym and the David Holley Assembly Hall), the David Damerall Fitness Center, a dance studio, health classrooms, wrestling room and staff offices. With support from citizens and private donors through the Kirkwood School District Foundation, a new track and synthetic turf were installed in KHS Lyons Stadium and ready for school and community use in October 2010. In spring 2012, the new track was dedicated as the Alvin Miller Track in honor of the 1983 KHS graduate, who is regarded as the best athlete in school history. Miller, who was named a National High School Track and Field All-American and Hertz No. 1 Performing Athlete of Missouri, continues to be a leader in the community and a mentor to student athletes.

KHS welcomes the incoming Class of 2016 to an exciting learning community of committed students and staff. Go Pioneers!

PROGRAMS

Freshman Opening Day: Aug. 19, 7:50 a.m. – 12:50 p.m.
PTO Open House: Aug. 29, 7 p.m.
Senior Parents’ Coffee: Sept. 9, 7 p.m.
Junior Parents’ Coffee: Sept. 16, 7 p.m.
Sophomore Parents’ Coffee: Sept. 19, 7 p.m.
Freshman Parents’ Coffee: Sept. 23, 7 p.m.

REGISTRATION

All Kirkwood High School students, whether new or returning, must register for classes before school begins. Please call the guidance office at 314-213-6118 to schedule an appointment to register. Students receive their schedules in early August if they have returned the registration forms, which are distributed in April.

KHS INFO

Mascot: KHS Pioneers
Colors: Red and White

Guidelines

• Admission prices listed are for KHS regular season/hosted events ONLY.
• KHS tournament prices may vary.
• Conference tournaments/events and MSHSAA events admission prices may vary.
• Children under 6 are free for all KHS regular season events.
• KHS Student Pass cards are accepted for admission at all KHS regular season events.
• Admission prices are subject to change.

GOLDEN PASS PROGRAM FOR RESIDENTS

The district invites residents of the Kirkwood School District, age 60 or older, to carry the KSD Golden Pass. As valued members of the KSD community, older adults are encouraged to visit the schools often and enjoy the variety of sports, theatrical and musical events performed by students.

Please call the Office of Community Relations and Development, 314-213-6102, to obtain a pass.

Looking to Control Energy Costs?

If you are a business or school looking to reduce energy costs and/or maintenance please make an appointment with Bill Hudgins (bhudgins@laiweb.net) or James Gurley (jgurley@laiweb.net) for a free on-site energy audit or visit our new Technology Center and learn how to save money while going green.

Also, explore new LED technology!

VISTA Program

School History:

In August 2010, the Kirkwood School District partnered with the Webster Groves School District to provide VISTA, a new student program offered in the Hough Learning Center.

VISTA serves approximately 125 high school students from Kirkwood and Webster Groves who need assistance with credit recovery or obtaining a diploma in an alternative setting. The VISTA program replaces the Collaborative School program that was previously offered through a partnership with Kirkwood, Brentwood, Clayton and Ladue school districts.

VISTA provides a productive, consistent, and safe non-traditional community for high school students. Given the unique needs of our students, VISTA is relationship based programming with individual learning experiences that develop the potential of every student.

Not all students attain full success at their home schools. It is the district’s goal to provide all students the academic and/or social and emotional support they need in order to succeed. The VISTA staff members take pride in knowing every student on a personal level, valuing and treating each one as an individual, and placing each student at the center of all decisions.

Students are accepted into VISTA by a referral process beginning at the student’s home school. Referrals are made for a variety of reasons that may include credit recovery, individualized instruction, alternative setting, social or emotional concerns, school to work transition or diploma completion. Students retain enrollment at their home school while attending VISTA even though they may not have courses on the home school campus. The goal of VISTA is that students will return to their home school as soon as possible.

NIPHER MIDDLE SCHOOL

School History:
The Nipher Middle School building was built in 1921 and officially opened in September 1922 as Kirkwood High School, the community’s new high school. Before its construction, secondary students attended school with elementary-age children in one of the district’s first buildings, a four-room brick school built in 1869 at Adams and Jefferson. A few years after KHS opened on Kirkwood Road, a separate south building was built in 1929 to house seventh and eighth grade students in a junior high school.

Following the tradition of naming public schools for outstanding community citizens, the Board of Education chose to the name the junior high school in honor of Dr. Francis E. Nipher, who had been a distinguished educator and professor at Washington University in St. Louis. The north building housed Kirkwood High School until its move in 1954 to its present location on Essex Ave.

During reorganization in 1976, Nipher Junior High School became Nipher Middle School to house Grades 6 through 8 with Grade 9 moving to Kirkwood High School.

Renovations resulting from a 1993 tax/bond issue included construction of a two-story addition in the front of the building to house a new library/media center, computer labs, classrooms, the main school and counselors’ offices as well as technology and other building improvements. In 2005, a two-part bond initiative funded infrastructure improvements at the school.

In November 2010, the KSD community overwhelmingly approved Proposition 1, a $33.5 million bond issue to support the district’s master facilities plan. Prop 1 renovations at Nipher included the construction of a three-story addition to house six state-of-the-art science classrooms. The new science facility opened for students in the 2012-13 school year. In the summer of 2013, front entrance renovations occurred to improve building security.

The Nipher building is a designated historical landmark and its recent additions continue to reflect the original design of William B. Ittner, renowned school architect. Designated as a Missouri Gold Star School, Nipher is proud of its students and their achievements. Nipher students consistently excel in academic competitions that include FIRST Robotics, Science Olympiad, Geography Bee, math and musical competitions. The dedicated staff is committed to character education and to helping all students develop a sense of belonging in the Nipher learning community. In addition to providing rigorous learning experiences, the school offers opportunities for students to explore a variety of interests through plays, musicals, choirs, bands, orchestra, fencing, archery, weight lifting, wall-climbing, intramurals and a wide variety of clubs.

Follow NKMS on Facebook

School History:
North Kirkwood Middle School (NKMS) was built in 1957 as a junior high school for students in Grades 7, 8 and 9. In 1976, the district began a reorganization of school grade levels and the junior high school became a middle school for Grades 6 through 8 with Grade 9 students moving to Kirkwood High School.

As a result of a tax/bond issue in 1993, a building addition connecting the east and west buildings was completed in 1995 to house the new library/media center, seven classrooms and three computer labs. In 2005, a two-part bond initiative funded infrastructure improvement at NKMS.

In November 2010, the KSD community overwhelmingly approved Proposition 1, a $33.5 million bond issue to support the district’s master facilities plan. Prop 1 improvements at NKMS included construction of a new addition on the west side of the school to house six state-of-the-art science classrooms. The new science wing opened to students in January 2012. Additional renovations included a new entry to the school from the Ruth parking lot, a new security system and the relocation of the assistant principal’s office.

NKMS is proud of its students and dedicated staff who, with incredible parent and community involvement and support, have created an exceptional learning community. Our school is nationally recognized as a Blue Ribbon School and a Missouri Gold Star School.

NKMS has also been named a “Champions for Character” award winner for incorporating service learning throughout our school. Most recently, the Missouri School-Wide Positive Behavior Support (SW-PBS) program recognized NKMS as a Bronze Level Award winner. This award was earned as a result of the many positive behaviors and excellent character demonstrated by our outstanding students.

In an effort to communicate effectively with our parent/guardian community, NKMS is also on Facebook. Follow NKMS on Facebook by searching North Kirkwood Middle School (look for the Bulldog). Other forms of communication will continue: The NKMS website, electronic phone messages and a monthly newsletter, which is communicated via e-mail.

North Kirkwood Middle School has a school-wide focus on literacy in all content areas by embedding effective reading, writing, communication, problem finding/solving and critical thinking skills and strategies in every class period. It is our goal as a school to make sure students are not only prepared to live in our world today, but that we help engrain the skills they will need for a future we cannot yet imagine.

We are looking forward to our continued growth and another fantastic school year!

MISSOURI GOLD STAR SCHOOL

Website:
www.kirkwoodschools.org

School History:
Keysor Elementary School first welcomed children in September 1930. The school was named for Judge William Winchester Keysor, a prominent Kirkwood citizen and president of the school board in the early 1900s. Designed by renowned school architect William B. Ittner, the building has been expanded several times through additions in 1938, 1949, 1954, 1987 and, most recently, 2012.

On May 28, 2013, Keysor officially dedicated their Project IDEA “landscape for learning,” a new outdoor learning and play space on roughly 1.5 acres on the west side of campus. Project IDEA, which stands for Imaginatin, Discovery, Exploration and Adventure,” is an inclusive space with various play structures plus a walking path, garden lab, soccer field, stage area, and other features that support creative learning and a respect for the environment. Designed with students and community members in mind, the project was funded with support of the Keysor PTO, private donors, and community foundations and grants.

Keysor is proud of its students and staff for their consistent focus on learning and achievement. It was named a Missouri Gold Star School by the Department of Elementary and Secondary Education in 2011 and 2013 and has earned “Gold Level” recognition for efforts with school-wide Positive Behavior Support.

School History:
North Glendale Elementary School opened in the fall of 1938. Two years later the north and south wings were added. In 1964, the south addition was constructed and the gym was rebuilt, moving the school office to its present location in the center of the building. Renovations resulting from a tax/bond issue in 1993 included technology and building infrastructure improvements. In 2005, a two-part bond initiative funded infrastructure improvements at North Glendale. In spring 2008, the school dedicated a new outdoor learning pavilion in honor of Tom Waltz, former principal who retired in 2006. The pavilion was made possible through a grant submitted by the city of Glendale, KSD and North Glendale PTO.

PTO Meetings:
second Tuesday of the month

Prop 1 is funding improvements to North Glendale that include the construction of a 30,000 sq. ft. three-story addition consisting of classrooms, a gymnasium and a cafeteria as well as site safety and traffic flow improvements. The cost of the North Glendale improvements is approximately $6.3 million. Work on the project began in June 2010 and was completed in the fall of 2012. North Glendale welcomed all its kindergarten students to their home school in August 2012. In 2013, a new library was created in the old gymnasium area, and the former library was converted into approximately 2300 square foot of additional classroom space.

The school often serves as a community focus for its namesake city of Glendale. The school and the city have established a strong partnership for the purpose of combining resources to benefit children and instruction. In 2010, the Kirkwood School District, North Glendale PTO, and the city of Glendale collaborated to build a new school playground and to create a school/community park area.

North Glendale School is proud to be a school where teachers and support staff are dedicated to doing what is best for students. The school has set high academic and behavior expectations for all. At North Glendale, students and staff honor this school pledge daily: “As a learner at North Glendale I will be: cooperative, respectful, responsible, honest and I will persevere.” Through the efforts of a supportive PTO and the many parents, university practicum students, high school students and senior citizens who regular volunteer, North Glendale has established a nurturing, welcoming learning community in which all children can learn and grow.

“I live here, I work here, I sell here.”
Selling in the community I love since 1990. Helping Kirkwood families make the right move and personally seeing you thru to closing is what I do best.

School History:

Robinson Elementary School was built in 1929 as a three-story brick building and officially welcomed children in the fall of 1930. The school was formally named the George R. Robinson Elementary School to honor a prominent community member. Mr. Robinson, a co-founder of the Ralston Danforth Commission Co., is remembered for his philanthropic contributions and for establishing youth organizations in the Kirkwood community.

Robinson School has expanded through building additions in 1937, 1949, 1953, 1987 and, most recently, in 2012 through Proposition 1. Prop 1 funded improvements including construction of a 25,000 sq. ft. addition housing classrooms, a gymnasium and cafeteria as well as renovation of 16,000 sq. ft. of the existing building.

The mission of our school states that Robinson students will make a difference in their communities and their lives by acting with habits of resiliency and problem solving. To that end, we believe our school and our responsibilities span beyond our walls. Our students are proud of their service to the larger community and we celebrate the contributions they make through service learning projects. We also responsibly connect with the larger world by thoughtfully integrating technology into our instruction, giving our students a chance to make meaningful connections around the corner and around the globe. The staff of Robinson is committed to preparing students for their role in an increasingly digital world, while also teaching them the importance of maintaining a balance between the traditional and technological.

We are a welcoming and inclusive community with a focus on high academic standards and expectations for learning. We are proud of our students, our families and our highly committed staff. The Robinson community works together to promote the success of all students.

Mascot: Tillman Trailblazers

School History:
Opened in the fall of 1956, Tillman Elementary School was named in honor of Frank P. Tillman, Kirkwood Superintendent of Schools from 1924-47. The west end of the building is the original structure, which expanded with middle and east sections added in 1951. A gymnasium was built in 1964. In 1987, a three-floor classroom addition was added to the back of the building. Six new classrooms in a one-floor addition were built in 1993.
Renovations resulting from a tax/bond issue in 1993 included a new gymnasium, renovation of the old gym into a cafeteria/auditorium, technology infrastructure, air conditioning, ADA compliance, and interior upgrades. In 2005, a two-part bond initiative funded improvements at Tillman that included new domestic/fire mains, new fire alarm system, replacement of restroom pipes, tuck pointing, exterior door replacements, and asphalt sealing. During the summer of 2013, interior renovations of approximately 6,300 square feet of first floor spaces were completed to improve the security and handicapped accessibility within the building.

The school is proud to have achieved “Gold Level” recognition by the Missouri Department of Elementary and Secondary Education for its implementation of the school-wide Positive Behavior Support program. Also, Tillman recently received two Promising Practices from the Character Education Partnership, recognizing the school’s “Celebrating You” Abilities Awareness Assembly and the Character Council.

Tillman School is characterized by relationships of mutual respect among all members of the learning community. A committed staff focuses on fostering success for each student through individualized instruction. Parents are highly engaged and support the school staff in promoting success for all students, helping to make Tillman a joyful place to learn and grow.

School History:
The original Westchester Elementary School building was completed for the opening of the 1956-57 school year with a starting enrollment of 149 students. The school is located near Des Peres on approximately 10 acres and includes a wooded wildlife area on the east boundary. The original structure is now the south wing and cafeteria area of the present building. Additions were completed in 1948 (north wing) and in 1964 (east wing).

In 1993, a second gymnasium was added and other renovations resulting from a tax/bond issue that included air-conditioning, technology infrastructure and interior upgrades. In 2005, a two-part bond initiative funded infrastructure improvements at Westchester that included new domestic fire main, new fire alarm, tuck pointing, storm line repairs, north gym walls painted, and asphalt sealing. During the summer of 2013, interior renovations of approximately 2,175 square feet were completed to improve building security.

Westchester is proud to be the home of the “Westchester Winners.” The school was named a No Child Left Behind Blue Ribbon School in 2007. Westchester also received the Missouri Gold Star recognition in 2007 for achieving academic excellence. For the past seven years, Westchester has been recognized by the Missouri Department of Elementary and Secondary Education as a “Gold Level” school for its implementation of the school-wide Positive Behavior Support program.

KIRKWOOD EARLY CHILDHOOD CENTER (KECC)

SCHOOL INFORMATION
Address: 100 N. Sappington Road
Kirkwood, MO 63122

Phone Numbers:
314-213-6136 (Main Office)
314-213-6137 (PAT)
314-213-6138 (Fax)

Website: www.kirkwoodschools.org

School History:
The Kirkwood Early Childhood Center (KECC) is a licensed and fully accredited early education center serving children and families prenatal through 4 years of age. KECC is open year round, 6:30 a.m. to 6 p.m., Monday through Friday, and offers a variety of full- and half-day programs to meet the individual needs of families with preschool children.

KECC opened in 1991 with 70 children enrolled in 6 classrooms housed in the former Hough Elementary School building and an adjacent one-story wing. In May 2002, KECC moved into a new and greatly improved facility which features 12 spacious classrooms designed for preschool-age children, full gymnasium, screening and developmental assessment rooms, and a discovery room. An enhanced security system and many other new features make KECC a world-class facility. In addition, KECC is now licensed to serve 399 children. The new building is part of the Hough Community Learning Center complex.

KECC provides several options and a variety of programs for early childhood education. These programs include a full-day preschool program, half-day preschool, parents as teachers and early childhood special education programs. In addition, a Summer Adventure program is available for children ages kindergarten -10 years. KECC offers Adventure Club before- and after-school programs at all five Kirkwood elementary school locations.

The curriculum in KECC classrooms is developed to allow each child and family to become personally involved in the adventure of learning. This includes cognitive development in math, science, pre-reading, art and social studies; social/emotional development; language development; music and movement; field sports, water play and gross motor/gym activities. Educational assessments and developmental checklists are administered in October and March based on observations of developmental milestones. The results are shared with parents during parent/teacher conferences. Services for students with developmental disabilities or delays are readily available by an outstanding staff of special educators located within the building. This staff also provides outreach services to our community early education partners.

The dedicated staff is committed to providing a nurturing and inclusive, yet challenging learning environment for young children throughout the various programs offered at the center. KECC is proud of the longevity of its highly qualified staff members who engage in a minimum 15 hours of professional development annually. KECC has received recognition for being a “Positive Behavior Support” award-winning school for seven consecutive years. The center is a member of the St. Louis Association for Education of Young Children (SLYAEC), the Child Day Care Association, Missouri Board of Voluntary Accreditation and a participant in the USDA Food Program. KECC also offers tuition scholarships for families receiving Title XX funding.

The Parents as Teachers program offers information about early childhood development and support for expectant parents and parents of children ages birth through kindergarten age. PAT is free and voluntary and open to all parents in the Kirkwood School District. In 2012-13 PAT provided services to approximately 610 Kirkwood families.

The PAT program offers a variety of services designed to help all children receive the best possible start in life. These programs include home visits conducted by an early childhood specialist; group connections on childhood topics such as discipline, toilet teaching, sleep issues and sibling rivalry; community resources for parents and children; and screenings for hearing, vision, health, and overall development.

WHAT CAN I FIND ON www.kirkwoodschools.org?

The Kirkwood District home page contains up-to-date District projects, news and resources. You can easily navigate to District “hot topics” by clicking on the logos on the right hand of the home page.

Over the next two school years, Kirkwood students will receive a personal learning device (iPad mini). Up-to-date information will be posted related to learning with iPads.

The Missouri Learning Standards define the knowledge and skills students need to succeed in college, other postsecondary training and careers. The standards include the Common Core State Standards which is a set of academic expectations for English language arts and mathematics.

The safety and security of our school community will continue to be a priority for the District and our community partners. On the Safe and Sound page, you will find up-to-date District safety initiatives as well as contact information for social and emotional resources.

The Financial Facts page includes District financial information, a tax rate calculator, financial statements, auditor reports and per pupil expenditures.

The Academic Facts page contains current student data including graduation rates, ACT scores, DESE links and Missouri Learning Standards.

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

The Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. § 1232h; 34 CFR Part 98) applies to programs that receive funding from the U.S. Department of Education (ED). PPRA is intended to protect the rights of parents and students in two ways:

- It seeks to ensure that schools and contractors make instructional materials available for inspection by parents if those materials will be used in connection with an ED-funded survey, analysis, or evaluation in which their children participate; and
- It seeks to ensure that schools and contractors obtain written parental consent before minor students are required to participate in any ED-funded survey, analysis, or evaluation that reveals information concerning:

  1. Political affiliations;
  2. Mental and psychological problems potentially embarrassing to the student and his/her family;
  3. Sex behavior and attitudes;
  4. Illegal, anti-social, self-incriminating and demeaning behavior;
  5. Critical appraisals of other individuals with whom respondents have close family relationships;
  6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers; or
  7. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

Parents or students who believe their rights under PPRA may have been violated may file a complaint with ED by writing the Family Policy Compliance Office. Complaints must contain specific allegations of fact giving reasonable cause to believe that a violation of PPRA occurred.

For additional information or technical assistance, you may call 202-260-3887 (voice). Individuals who use TDD may call the Federal Information Relay Service at 800-877-8339.

Or you may contact the following address:
Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5920

NON-DISCRIMINATION STATEMENT

The Kirkwood School District does not discriminate on the basis of sex, race, religion, age, national origin, handicap, or disability in admissions to, or treatment or employment in its programs and activities. Any person having inquiries concerning the District’s compliance with Title IX, Section 504 for student issues should contact Dr. Kristy Kindwall, Executive Director of Special Programs, by calling 314-213-6106, and for employee issues, should contact Dr. Jeanette Tendai, Assistant Superintendent for Human Resources and Administration, by calling 314-213-6103.
WINTER WEATHER INFORMATION

ELECTRONIC MESSAGING SYSTEM: Parents/guardians will receive a phone call, text message or email through the district’s electronic messaging system. This system enables school personnel to notify all households and parents by phone, text message or email in the event of a school cancellation, late start or emergency. The phone calls automatically deliver a recorded message to all listed phone numbers on the district’s parent contact lists. It is important for parents to provide their child’s school with current home and work contact information.

SCHOOL CLOSING INFORMATION IS ALSO AVAILABLE FROM:
TV: KTVI (Channel 2), KMOV (Channel 4), KSDK (Channel 5)
Radio: KMOX (1120 AM)

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
Annual Notification/Student Records

The protection of student rights has always been a top priority of the Kirkwood School District. This document is distributed annually to all parents and students in order to comply with state and federal requirements to notify the parents/guardians and eligible students of their rights with respect to the student’s educational records.

In general, a student’s educational record includes any information maintained by the school district, which contains information directly related to a student. A major exception would be a personal record kept by a staff member if it is kept in the sole possession of the maker of the record and is not accessible or revealed to any other person except a temporary substitute for the maker of the record.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records. Parents or eligible students should submit the request in writing to the school principal or appropriate school official.

2. The right to request the amendment of the student’s educational records that the parent believes is inaccurate, misleading, or violates the privacy or other right of the student. Parents or eligible students may request amendment to the educational records. These rights are:

   a. 2.1 The right to request the amendment of the student’s educational records that the parent believes is inaccurate, misleading, or violates the privacy or other right of the student.

   b. 2.2 The right to request the amendment of the student’s educational records that the parent believes is inaccurate, misleading, or violates the privacy or other right of the student.

3. The right to privacy of personally identifiable information contained in the student’s education records except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member; a person serving on the School Board; a person or company with whom the school has contracted to perform a special task; or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school with the requirements of FERPA. The name and address of the office that administers FERPA is the Family Policy Compliance Office U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

5. Directory Information may be released by school officials. This includes print and electronic publications of the school district that, if disclosed, would not be considered as determined by the Kirkwood School District as harmful or an invasion of privacy. This information may be released without prior written consent to parent and student organizations for marketing purposes; such as for “buzz” books produced in the fall, and to outside organizations including, but not limited to, companies that manufacture class rings or publish yearbooks in the spring. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories — names, addresses and telephone listings — unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent. Such information is also considered a “public record” which must be released upon demand to any person who requests it, under the Missouri Sunshine Law. If a parent, guardian, person acting as a student’s parent in absence of a parent or guardian, or the student (if 18 or older), does not want the district to release the information listed below, they must notify the district in writing within 10 days of receiving this notification of the information they do not want released.

The following “Directory Information” may be released without obtaining parental consent:

   a. Student’s name, parent’s name, address, telephone number, electronic mail address, date and place of birth, grade level, major field of study, enrollment status, participation in officially recognized activities and sports, photographs, weight and height of members of the athletic teams, dates of attendance, degrees, honors, awards received, most recent previous school attended.

   b. The district has determined that the Voluntary Interdistrict Choice Corporation (VICC) and its officers, employees and agents are school officials with legitimate educational interests because they act for and on behalf of the district with respect to transfer students and the transfer program, and because they seek to advance the interest of both. A transfer student’s attendance records and other educational records relevant to the student’s participation in the program or to the program itself may accordingly be disclosed to VICC without obtaining written consent from the parent/guardian or eligible student.

   c. The Executive Director of Student Services has district-wide responsibility for student educational records and, as such, is the custodian of the records. Anyone having questions regarding school policy relating to student records is welcome to contact the Executive Director of Student Services at:

      Address: 11289 Manchester Road
      Phone: 314-213-6105
      Email: shirleas.washington@kirkwoodschools.org

   d. This notice will be provided in native languages

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Kirkwood School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 5 under its jurisdiction. The Special School District of St. Louis County (SSD) and the Kirkwood School District assure that they will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Special School District of St. Louis County (SSD) and the Kirkwood School District assure that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be released without prior review by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Special School District of St. Louis County (SSD) and the Kirkwood School District have developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency’s policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency’s assurances that services are provided in compliance with the General Education Provision Act (GEP). These plans can be reviewed at the Special School District of St. Louis County (SSD) or the Kirkwood Central Office during regular school hours on days school is in session. This notice will be provided in native languages as appropriate.
KSD STAFF PAYS IT FORWARD TO BENEFIT KIRKWOOD SCHOOL DISTRICT FOUNDATION

In the fall of 2013 the Kirkwood School District Foundation rolled out the Pay It Forward program, which is a KSD payroll deduction program for all staff members. In its first year, the program raised more than $5,000 in pledges! A special thank you to the Pay it Forward Inaugural Donors:

Siblings of eligible students who live in the city of St. Louis in Area Three may enroll in the Kirkwood School District through the Voluntary Transfer Program. For more information, contact the Voluntary Interdistrict Coordinating Council (VICC) at 314-721-8422.

Area Three – Starting at the intersection of Interstate 64 (Hwy. 40) and S. Kingshighway Blvd.; east on Interstate 64 to the Mississippi River; south along the river to the south boundary of the city; northwest on the city boundary to Gravois; east on Gravois to S. Kingshighway Blvd.; north on S. Kingshighway Blvd. to the starting point at Interstate 64 and S. Kingshighway.

Area 3 paired with Affton, Bayless, Hancock Place, Kirkwood, Mehlville (Oakville High feeder pattern), Parkway (South High feeder pattern), Rockwood (Summit & Eureka High feeder patterns) and Webster Groves.

For more information, call the VICC, 314-721-8422 or KSD Office of Student Services at 314-213-6105.

The Kirkwood Special Education Parent Advisory Council (PAC) was developed to provide professional and supportive connections among parents and school staff who share an interest in promoting the education of children with disabilities. Each school has several parents who represent their school on the district-level PAC. These parents also work with their schools to support families of students with special needs. Kirkwood’s district-level PAC meets several times each year to share information and seek input from parents on district planning for special education and related supports for students. These meetings are open to everyone and are listed on the Special Programs Website and in the Parent Handbook and Buzz Book each year.

Volunteer & Community Mentor Programs

Kirkwood School District parents and community volunteers have long contributed to making Kirkwood schools the best learning environments for children by donating their time and talents in a variety of ways. Volunteers assist classroom teachers, work with individual students, perform clerical duties, plant shrubs and flowers, or help school nurses and librarians.

In addition to the committed volunteers from each school’s PTO, other adults impact students’ lives through several mentor/role model programs. Kirkwood Community Mentors seek adults in our community who will serve as role models and provide positive supports to students at all grade levels. Helping students establish positive goals and improve their academic performance takes no more than 60 minutes of your time per week. For more information on how to become a Kirkwood Community Mentor, please contact Nelson Taylor at 314-213-6100, ext. 8043.

OASIS (Older Adults Service Information System) is a national organization that provides financial support and resources to train tutors. Older adults are trained to serve as language arts tutors in Kirkwood elementary schools. Monthly sharing and training meetings for OASIS tutors are conducted in the district’s central office. OASIS training sessions for new tutors occurs annually at the beginning of each school year. For more information about OASIS volunteer opportunities, please call 314-213-6100, Ext. 7818, or the Office of Curriculum and Instruction, 314-213-6104.

KARSEA

KARSEA (Kirkwood Area Retired School Employee Association) is open to all Kirkwood Area Retired School Employees, their spouses and to retired school employees who worked in other districts but now reside in the Kirkwood School District. For additional information, contact Erma Reid, KARSEA president, at (314) 965-8582 or ereid1201@sbcglobal.net.

KARSEA events this year include; a picnic in Kirkwood Park on Wednesday, September 4, 2013, at 11 a.m.; a Holiday Luncheon on December 11, 2013; a Legislative Meeting on Wednesday, March 12, 2014; and an election of officers with a special presentation on Wednesday, May 14, 2014. Details on each event will be sent to all KARSEA members.
**Budgeted Residential Tax Rate**

Non-Binding Tax Rate for 2013 $4.2398

*Example: Kirkwood School District taxes for a home assessed at $250,000 is $2,014.*

### Debt

- Moody’s Bond Rating
  - General Obligation Bonds: Aa1
  - Leasehold Revenue Bonds: Aa2

- Total General Obligation Bond Debt as of June 30, 2013: $37,765,000
- Total Leasehold Revenue Bond Debt as of June 30, 2013: $20,110,000

**Total Debt: $57,875,000**

- Debt Limit Ceiling: $187,997,712

---

1. Activity Account expenditures are funded from revenue received from fund-raising, facility rental fees and other outside sources.
2. ADA stands for Average Daily Attendance (per pupil expenditure).
3. School Support includes counselors, food service, and other student support services.
4. Financing Costs consist of principal and interest on leasehold revenue bonds and other leases.
5. Early Retirement Incentive Program (ERIP)
6. The debt limit ceiling is 15 percent of the assessed valuation of the district.
