//*****
// Name: GUI Payroll System
// Description: A simple GUI Payroll System in Java that I wrote during my space
time.
If you find my work useful send me an email at jakerpomperada@yahoo.com. I am al
so accepting programming jobs, IT consultancy at a very affordable price and fas
t service to my clients. Please contact me at my email address. Be one of my fri
ends in facebook my address is jakerpomperada@yahoo.com. People here in the Phil
ippines who wish to contact me can reach me through my mobile number 09993969756
.

Thank you very much and Happy Programming.
Regards,
Mr. Jake R. Pomperada, MAED - Instructional Technology
Programmer, Web Developer/Designer and Computer / Electronics Technician
