WELCOME FROM SUPERINTENDENT

Welcome back to all of our Afton families, students, staff and community! We are excited to begin the 2014-2015 school year, and have lots of changes and new opportunities in store. New to our families, students and staff this year: 1:1 Chromebooks at Afton High School; Tyler SIS, a new student information system; and a shift to utilizing Chartwells as the district's food service provider.

Our goal at Afton School District is to help prepare our students to be a part of the community; citizens that see beyond the walls of our school and will be a part of the bigger world. We have a commitment to foster relationships with the Afton community and beyond, and are working toward that by:

- Regularly meeting with many facets of the Afton community, including our Faith Community, Business Leaders, and Legislators.
- Working with these groups to partner on two district-wide initiatives that will help the students in our district that need it most:
 - **Mentor Program**, piloted this past school year with the Afton Fire Protection District at Rogers Middle School (grades 6-8), and
 - **Cougar Packs**, a backpack food program that helps students identified as food insecure with healthy snack and meal options on the weekends, piloted this spring at Mesnier Primary (grades K-2).
- Partnering annually with the Afton Chamber of Commerce to host the Afton Community & Business Expo, a free event that features businesses throughout the Afton area and restaurants that offer free samples.

Afton School District recognizes our obligation to serve and be part of our community, and we are working to coordinate and provide authentic learning opportunities with area businesses and our classes. For example, this school year, our Advanced Marketing students will be working with Afton businesses to provide solutions for real challenges they are facing.

At Afton Schools, we talk a lot about being Afton Strong. Not only do we encourage our students to focus their efforts on their education and, ultimately, graduating from Afton High School, but we also work to instill the value of being a part of the greater community. Without the support of you, our families and neighbors, we could not be Afton Strong.

Thank you.

Sincerely,
Dr. Steve Brotherton
Superintendent

School History:

The first high school classes were offered in 1930, and were housed in the basement of the former McKenzie School, which now serves as the Administration Building of the district, at 8701 Mackenzie Road.

The first section of the original Affton Senior High School building, which was later named W.F. Gaunt High School, was constructed in 1936 at 8520 Mackenzie Road, and the first class to graduate from the new high school was in 1937.

The current high school building was built in

Student-Led Conferences:
Oct. 21 & 22; Feb. 4

School History:

Students in sixth, seventh and eighth grades originally attended classes in the first frame school house in Affton, and moved into one of the four rooms in the McKenzie School building. Eighth grade students wishing to receive a diploma went to the county courthouse in Clayton to take four days of

exams. The first eighth grade class to graduate from Affton took place in 1922.

In 1942, a junior high school was organized and held in the W.F. Gaunt School, and in 1959, McKenzie Junior High School was built at 7550 Mackenzie Road. The name of the building changed to McKenzie Middle

School in 1987, and was later renamed for Merrill J. Rogers, assistant principal and principal of McKenzie Junior High School from 1966 to 1986.

The Rogers Middle School Mission is:
Respect & Responsibility, Motivate, Scholarship, Service, and Sustainability...the RMS way.

School History:

The Afton School District has offered early childhood education programming since 1970, when it was located at Gotsch School and then at Mesnier School. In 1983, Afton partnered with the Lindbergh School District to offer Afton-Lindbergh Early Childhood housed at Concord School in the Lindbergh district. In 2006, Afton split from Lindbergh to partner with Special School District and the program moved to

the St. George School, located at the corner of Gravois Road and Heege Road.

In 2012, the new Afton Early Childhood Center was opened at 9832 Reavis Road. The 19,000 square-foot building was rehabbed from an industrial complex into a vibrant learning space that features eight classrooms, diagnostic facilities, an indoor project room, a multipurpose play area and stage, outdoor play areas, a conference

room and offices for Parents As Teachers. Early childhood programming is offered for children ages 3 years to pre-kindergarten, and both half day and full day classes are offered as well as before and after care.

Afton Early Childhood's mission is to teach and nurture children's learning and social skills through play in a safe environment, as well as to support the needs of the families.

BEFORE AND AFTER SCHOOL CARE PROGRAMS

Parents of students enrolled at Mesnier Primary, Gotsch Intermediate and Rogers Middle who need care before and/or after school can elect to enroll their child(ren) in Cougar Care. Before and after school care will operate from 6:30 a.m. until school starts, and from the time school is dismissed until 6 p.m. Care will also be provided during days when school is released

early, and on selected days when school is not in session. For further details, call 314-633-5920 or email meckhard@afftonschools.net.

Before and after care is also available to students at Affton Early Childhood. For additional information, contact the school at 314-633-5988.

PARENTS AS TEACHERS (PAT)

Children begin learning at birth and learn more during the first five years of life than at any other time. Parents As Teachers is an early learning program which supports parents in their role as the

first and most influential teachers of their children. All services are provided **free** of charge. To enroll, call 314-633-0019 or e-mail llenzen@afftonschools.net.

AFFTON COMMUNITY VOLUNTEER ORGANIZATION (ACVO)

ACVO is a partnership between Affton Schools and the Affton community. This partnership joins the two through volunteering to build a better future for our students and community. Areas for volunteering include: tutoring or mentoring; horticulture; technol-

ogy; fundraising; evening/weekend events; sports events; special events; and more. For more information, contact Pam Knox at 314-633-5994 x10501 or acvo@afftonschools.net.

ABOUT THE BOARD

The Affton Board of Education is composed of seven elected directors who serve without compensation. Members are elected at large to serve staggered terms of one to three years each. There is no limit on the number of terms a member may serve.

BOARD MISSION STATEMENT

The mission of the Affton School Board is to represent the community in ensuring our students receive the best education.

PUBLIC NOTICE

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Affton School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, mental retardation/intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Affton School District assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Affton School District in partnership with the Special

SCHOOL BOARD MEETINGS

Regular meetings of the Board of Education are held the first and third Tuesday of each month at 7 p.m. in the Multipurpose Room at Affton Early Childhood, 9832 Reavis Road.

School District of St. Louis County assure that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA). The Affton School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed at the Affton Administration Office, by appointment with the Director of Special Education. This notice will be provided in native languages as appropriate.

South County TIMES

The *Affton School District Directory* is produced by the South County Times, which is published by Webster-Kirkwood Times, Inc. The directory is delivered to residents of the Affton School District in the South County Times, through school offices and through the Affton Chamber of Commerce.

AFFTON SCHOOL DISTRICT: OVER 150 YEARS

A Pictorial History

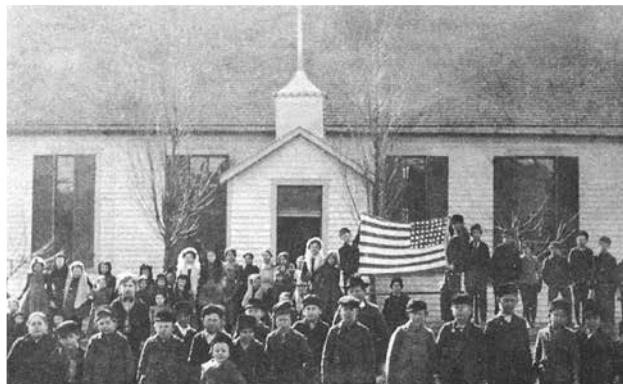

From its start in a one-room, native-stone schoolhouse, the Afton School District has grown into one of the most successful districts in the state, recognized for Distinction in Performance the last five consecutive years.

To mark its 150th anniversary of education and service, in 2005 the district published a pictorial history which traces the district's proud history from the mid-1800s to the present.

The 144-page book tells the story of Afton School District and the community which supports it through pictures. Many of the photos and memorabilia were donated to the district from private collections and have never been viewed by the public.

The price of the book is \$20.00. Please include \$5.00 for shipping and handling if not picked up locally.

Access Affton is an email newsletter sent bimonthly to anyone interested in reading the most up-to-date district news, including student and staff accomplishments and special events. To subscribe, visit the district website or send an email to echandler@afftonschools.net.

SCHOOL LUNCH PRICES FOR 2014-15

The district's school lunch and breakfast program provides students with well-balanced meals that meet state and federal guidelines. Meal pricing for 2014-15:

Lunch Prices:

Mesnier & Gotsch Students: \$2.00
 Rogers & AHS Students: \$2.10
 Adults: \$2.55

Breakfast Prices:

Students: \$1.05
 Adults: \$2.10
 Milk \$0.35

Family income criteria are calculated annually by the National School Lunch and Breakfast programs of the federal government for a reduced-price meal program. All children in district schools receive an application in the summer. Families with children who qualify for the free or reduced-price program are notified by their schools. Applications are available in all school offices and can be made or changed at any time during the school year if an eligible family experiences an increase in family size or reduction in income.

WINTER WEATHER

When it snows, be the first to know! Follow Affton School District on Facebook and Twitter to receive weather updates: www.facebook.com/AfftonSchoolDistrict or www.twitter.com/AfftonSchools

Typically, a decision to close school is not made until 5 a.m. on the morning in question, although there are times that a decision can be made the evening before. On days that the District is closed, SchoolReach will call all District families to announce a closing or late start.

In addition, parents can find accurate information about District school closings on the following radio and television stations:
