Sunil Garg

Director of Asia-Pacific Equity Research

(852) 2800 8518, sunil.garg@jpmorgan.com

Sunil Garg is the Head of Equity Research for Asia Pacific at J.P. Morgan and is also responsible for Asia Technical Analysis Research. Rated among the top analysts for Asian Financials (No. 1 in Institutional Investor in 2010, 2011 and top 2 from 2006-09; No. 1 rated by Asiamoney from 2006-2010). Sunil has personally covered banks in all Asian countries (ex-Japan). He has been in the securities industry (BZW, Fox-Pitt Kelton and J.P. Morgan) for over 17 years, primarily focused on the financial sector. Prior to joining the securities industry, Sunil's experience includes 5-6 years in banking (mostly at HSBC). Sunil graduated from the Indian Institute of Management in 1989.

Scott Christensen, PhD

Associate Director of Asia ex-Japan Equity Research

(66 2) 684 2677, scott.christensen@jpmorgan.com

In his role as Associate Director, Scott Christensen functions as the head of research product and research marketing for Asia ex-Japan. He also works with Fee Ying Tan on the regional training agenda and management of junior resources, and oversees the best practice standards for the department. Scott joined the J.P. Morgan heritage company Jardine Fleming in 1994 and was a banking industry analyst until joining the management team in 2004. He was previously head of the firm's No. 1 ranked team in Thailand and for six years headed up the Asia Pacific financial services team. He and his teams consistently earned top rankings in the Institutional Investor, Greenwich, and Asiamoney polls during that period. He was one of the first analysts to introduce adjusted asset-valuation methods during the Asian crisis and later to develop cash-flow valuation metrics for all Asian banks. Prior to his career in broking, Scott was a development economist working on Southeast Asian agricultural policy issues. He completed his PhD at the Faculty of Letters and Science, University of Wisconsin-Madison in 1992 and holds a BA degree from St. Olaf College.

Jason Steed

Director of Australia Equity Research

(61-2) 9003-8609, jason.h.steed@jpmorgan.com

Jason Steed is an Executive Director in the J.P. Morgan Equity Research team based in Sydney. He is the lead analyst on the Australian and New Zealand Utilities sector and the Building Material sector. Prior to joining J.P. Morgan Jason was a Managing Partner at the Sydney-based boutique advisory firm Minerva Advisory Partners. During his period at the firm Jason led the relationship with the firm's key client Alinta Energy. Minerva was, alongside UBS, Alinta's key strategic advisor through the company's strategic review and subsequent debt restructuring. Jason has also worked principally in the utilities and infrastructure arena, at HSBC, Babcock & Brown, Citigroup and Lehman Brothers. Jason holds an Honours Degree in Economics and Commerce from the University of Edinburgh.

James Sullivan, CFA

Director of ASEAN Research

(65) 6882 2374, james.r.sullivan@jpmorgan.com

James currently serves as the Head of Asia Telecom Research and Head of Singapore Research for J.P. Morgan, based in Singapore. His fundamental research has been recognized through top tier rankings in IT, while his stock picking abilities have been recognized by top tier rankings in the Asian Wall Street Journal's Best on the Street. He has been covering emerging markets since 1996, and has been based in Asia since 1998. Prior to joining J.P. Morgan, he managed investment portfolios focused on the Asian telecom, media, and internet sectors for eight years at Citadel Investment Group, Oaktree Capital, and Millennium Partners based in Hong Kong and Singapore. James has also provided consulting services to Starhub, a listed Singapore Telecom/Pay TV operator and Kong.com, a listed Chinese Internet company. Prior to his move to the buy side, he covered regional telecom and media names for Credit Suisse First Boston for four years, based in Bangkok. His first role based in Asia involved private equity advisory in ASEAN. Post University he spent four years with IBM, serving as a Global Account Manager in the IBM Telecom & Media Group, covering Time Warner, based in New York. He was also involved in IBM's efforts in emerging-market trade finance and internet strategy consulting. James received an MBA from the Fuqua School of Business at Duke University and a Bachelor of Arts degree, summa cum laude, in Political Science from Marist College. He has been a guest lecturer for Duke University and the Hong Kong University of Science and Technology.

Aditya Srinath, CFA

Head of ASEAN Strategy & Indonesian Research

(62 21) 5291 8573, aditya.s.srinath@jpmorgan.com

Aditya Srinath is J. P. Morgan's ASEAN Strategist as well as the head of J.P. Morgan's Indonesia Research effort. He has additional responsibility for coverage of Indonesian Autos and some ASEAN conglomerates. His career as an equity analyst includes several years covering Indian stocks and a subsequent stint in Oman tracking Middle Eastern equities before moving to Indonesia in late-2004 and joining J.P. Morgan's Jakarta office in May 2007. Aditya graduated in engineering from the Indian Institute of Technology (Madras) in India and spent a year working in the steel industry before completing his MBA from the Indian Institute of Management (Bangalore) and joining the securities industry.

Jesper Koll

Director of Japan Equity Research

(81 3) 67368600, jesper.j.koll@jpmorgan.com

Jesper Koll is the managing director of research at J.P. Morgan in Japan.

Koll has been researching and investing in Japan since becoming a resident in 1986. Before joining J.P. Morgan in December 2009, he was the president and CEO of Tantallon Research Japan KK, a Tokyo-based investment advisory firm he set up in June 2007. Previously, he served as the chief economist of Merrill Lynch Japan for eight years. Before that, he was a Managing Director at Tiger Fund and prior to that he was the Chief Economist for J.P. Morgan in Tokyo. In the first three years of his Japan experience, he worked as an aide to a Member of Parliament.

Over the past two decades, Koll has been consistently ranked one of the top Japan strategists/economists. His analysis and insights have earned him a place in several Japanese government advisory committees. He has written two books in Japanese, *Towards a New Japanese Golden Age* and *The End of Heisei Deflation*. He is also one of the few non-Japanese members of the Keizai Doyukai, the Japan Association of Corporate Executives.

Jesper has a masters degree from the School of Advanced and International Studies at Johns Hopkins University and was a research fellow at both Tokyo University and Kyoto University. He is a graduate of the Lester B. Pearson College of the Pacific.

Macro Team

Adrian Mowat
Regional & Emerging Markets Strategy
(852) 2800 8599, adrian.mowat@jpmorgan.com
