

Publication Calendar

Updated: 1 February 2015

Purpose:

The purpose of the publication calendar is to document Magic Quadrants and Critical Capabilities documents. Direct attention around the kick-off timing and publish quarter of upcoming documents.

The **Gartner Magic Quadrant** provides a graphical comparison of products in fast-growing markets: Leaders, Visionaries, Niche Players, and Challengers.

Gartner Critical Capabilities allow you to relate your product to Gartner identified critical capabilities for products in your market.

Notes:

1. This document is updated monthly.
2. Please do not attempt to contact the Lead Analyst for a document.
3. MarketScopes are no longer being planned, but will be published as needed.
4. Content is listed by Market and not by title of the document.
5. Next Expected Publish Quarter and Research Kick-off Quarter.
