## Kootenay Literary Competition Begins

The annual Kootenay Literary Competition (KLC) opens today. There are three writing categories for adults: fiction, creative nonfiction and poetry. Cash prizes are awarded for the first and second place entries in each category. Writers may interpret the competition's theme in any way they like, an approach it through any of the genre categories. The theme is to be integrated into the creative work at the writer's discretion. Deadline for entry is April 29, 2016. Winners will be announced at the June gala. Detailed rules at [www.kootenayliterarycomp.com](http://www.kootenayliterarycomp.com)

## Judith Eileen Hawes (Riehl) September 18, 1953 - February 3, 2016

Judith Eileen passed away at the Kaslo Victorian Hospital after a determined struggle with cancer. Her husband of 45 years, Kirby, was by her side.

Many family members stood watch over the past several weeks of her battle, admiring her strength and spirit.

Judith was born in Flin Flon, Manitoba and lived in Creighton, Saskatchewan just across the border for most of her younger life. She attended elementary school in Creighton, a small town where everyone watches out for the children and each other. Her high school was located across the border in Flin Flon.

She met Kirby in 1968 in Creighton and when he left to work in Yellowknife, she followed her heart and moved there also in 1970. They were married there in 1971 and they moved to several places in different provinces and territories in Canada. Their only child, Louise Eileen was born in Toronto in 1971.

Judith had many and varied interests in her life such as fishing; researching projects like raising worms; sewing (very well); travelling; gardening; networking concepts and collecting stamps. She enjoyed her work at the Ainsworth Hot Springs and considered all her co-workers her friends.

Her favourite interest was always her family. She was proud of them and loved to be with them.

Judith was predeceased by her father Roy Allan Riehl and her brothers Richard and Perry.

Judith is survived by her husband Kirby Marsh Hawes and their daughter Louise Eileen Chambers (Geoff) and their children, Caleb (Ashley), Cody, Conner and Cameron.

Her mother, Muriel and brothers Barry (Carol), Dave, and Bob are left to remember her. She has a great grandchild, Taylor and many nieces and nephews, aunts and uncles and in-laws across BC and Canada.

*A celebration of life will be announced at a later date.*

## Creating a Local Gift Economy

Kaslo faces similar economic challenges that too many rural BC communities do. Finding ways to surmount these challenges together is important in helping our community to thrive in changing times.

One important way to do this is by developing the Gift Economy. All residents of Kaslo and surrounding areas are invited to come explore this together through a community potluck (a time honoured way of sharing our gifts of food!), a short talk and gift circle, from 4 - 7 pm on Saturday, February 13 at the United Church. Come for all or part of it. A gift circle is a real time, in person way for community members to meet and share skills and goods.

## A Smart Community

The community of Queen's Bay is receiving national recognition for its 2015 efforts to be FireSmart. FireSmart promotes community wide participation in the use of FireSmart practices that cut the potential for home ignition and minimize the loss of life and property to wildfire, independent of firefighting efforts.

FireSmart Canada is bestowing the award on the community for a number of initiatives, including:

- The creation of a FireSmart Board organized by champion Nancy Corrin
- The completion of a community wildfire assessment report by a local FireSmart representative (made possible by grant funding from Area E director, Ramona Faust)
- The development of a FireSmart community plan
- Fuel management work that involved thinning and trimming trees around the community hall and installing a new asphalt roof, rooftop sprinkler system and water storage tanks
- The purchase of 1000 gallon water storage bladders which were sold to residents
- Ongoing FireSmart events in 2016 to further reduce hazards through education and activities

Representatives from FireSmart Canada will present the award to the community on Wednesday, February 10 at 12 pm at St. Francis in the Woods, 9230 Lauder Road, Queens Bay.

# Open house and discussion:

## Public access across the Hugh L. Keenleyside Dam

We're hosting an open house and discussion to update you on the results of a recent risk assessment regarding public access across the Hugh L. Keenleyside Dam. We'd like to hear your feedback, as the input we receive from the community will assist us in finding a long-term solution.

**Where:** Castlegar & District Community Complex, 2101 6<sup>th</sup> Avenue.

**When:** Thursday, February 11, 2016

**Time:** Open house: 6 p.m. to 6:30 p.m.

Presentation: 6:30 p.m. to 7 p.m.

Discussion: 7 p.m. to 8 p.m.

A recent risk assessment for the Hugh L. Keenleyside Dam determined that allowing traffic to use the dam deck as a roadway is a high risk activity with serious potential consequences. This is due to the dam deck's unusual configuration, poor or obstructed sight lines, driver inattention and failure to obey posted speed limits. The risk assessment looked at potential options for keeping the dam deck open for public use, and found that there are no reasonable safety measures that can be put into place to ensure worker and public safety, and recommends that the dam deck be permanently closed to public access.

For more information, please contact Mary Anne Coules at 250 365 4565.

## Johnny

Please meet Johnny, a 2 year old, 16 lb., friendly neutered beagle cross. This guy is playful, loves his toys, and loves attention and

interaction. Johnny is working on his leash training and doing well. He does need some more training around jumping up. He loves his walks, and is a medium energy dog. He is house and crate trained. Johnny is being fostered in Castlegar; please call KAAP at 250-551-1053 or visit www.kaap.ca/adopt for more information and an application.

## 27 Quick & Easy Fix Ups to Sell Your Home Fast and for Top Dollar

Castlegar – Because your home may well be your largest asset, selling it is probably one of the most important decisions you will make in your life. And once you have made that decision, you'll want to sell your home for the highest price in the shortest time possible without compromising your sanity. Before you place your home on the market, here's a way to help you to be as prepared as possible.

To assist home sellers, a new industry report has just been re-leased called "27 Valuable Tips That You Should Know to Get Your Home Sold Fast and for Top Dollar." It tackles the important issues you need to know to make your home competitive in today's tough, aggressive marketplace.

Through these 27 tips, you will discover how to protect and capitalize on your most important investment, reduce stress, be in control of your situation, and make the most profit possible.

In this report you'll discover how to avoid financial disappointment or worse, a financial disaster when selling your home. Using a common-sense approach, you get the straight facts about what can make or break the sale of your home.

You owe it to yourself to learn how these important tips will give you the competitive edge to get your home SOLD fast and for the most money.

To hear a brief recorded message about how to order your free copy of this report, call 1-800-880-5390 and enter ID # 1023. You can call any time, 24 hours a day, 7 days a week.

## Threads Guild Membership Exceeds 100!

Something is happening at the Slocan Valley Threads Guild. More than one hundred people have joined or renewed membership in the Guild for 2015 to 2016! The renovated former one room schoolhouse, located at 7112 Perry's Back Road (just off Highway 6, north of Winlaw), is humming with fibre arts activities this winter.

One returning member expressed how much she had missed sitting around the table at the monthly meetings, feeling that she was part of something *so much greater and older than ourselves*. The second half of the meetings is always stimulating, as each member has an option to show and share their work.

Programming coordinator, volunteer Linda Out, has been scheduling workshops and *Members Days* to enable members to share their skills in felting, rug hooking, basketry, quilting, dyeing (natural, procion, and acid), knitting (socks, faire isle technique) and spinning, for example.

Winter is also the time to collect and prepare items that will be sold at the annual Yard and Yardage event, to which the public is invited. It will be held this year on Sunday, April 17 from 10 am to 2 pm at the Guild. If you are decluttering, we are ready now to accept donations of fabric, yarns and craft supplies. You could call Sharon at 250-226-7703 or Jasmine at 250-352-7152 to arrange drop-off or pickup.

To learn about the group, programs, meetings, rentals, the library and equipment availability you can visit the web-site [www.slocanvalleythreadsguild.wordpress.com](http://www.slocanvalleythreadsguild.wordpress.com) and/or become a member for \$10 per year. Members have been receiving tantalizing weekly emails containing a full menu of upcoming classes, members' days and Gab 'n Jab sessions.
