

## PROSPECTUS - SPRING 2010

**Sikkim Manipal University**

Directorate of Distance Education

American University of Antigua, Antigua

Manipal University, Dubai

Melaka Manipal Medical College, Malaysia

Manipal University, Manipal

Sikkim Manipal University, Tadong

Manipal College of Medical Sciences, Nepal

Manipal Education is amongst India's leading education providers with over 50 years of experience in moulding the minds and careers of aspiring students. The group includes:

**Universities** - Manipal University, Sikkim Manipal University and American University of Antigua - along with over 30 institutions in India.

**Foreign Campuses** - College & University campuses in Antigua, Dubai, Malaysia and Nepal. At the moment, over 170,000 students from 53 countries are currently studying at various levels with us across 14 professional streams.

**Distance Education** - Apart from formal University programs, Manipal Education is the pioneer in the distributed learning space, offering comprehensive Distance Education and Professional Skills Education programs across multiple fields. Manipal Education launched the next generation learning system - EduNxt - a new technology infused learning system that will transform Distributed Learning in India.

**IndiaSkills** - City & Guilds, UK and Manipal Education have joined hands to form "IndiaSkills". IndiaSkills aims to provide world class skills training leading to respectable employment. It offers a wide range of qualifications across different industry verticals. For the industry, this translates to a job-ready work force with 'first day first hour' productivity.

**Investments** - Manipal Education has done strategic investments in emerging companies like U21 Global (the world's premier online graduate school) and Merittrac (online assessment and testing). Besides Manipal Education has established the ICICI Manipal Academy of Banking and Finance. The academy has been hailed as an ideal illustration of the opportunities in industry - academic collaborations in India in the field of higher education.

Just as our founder never rested on his laurels, neither do we. Dr. T.M.A. Pai's constant endeavour for innovation has been woven into the very fabric of Manipal Education. A legacy we aim to uphold in the years to come.

## Pro Chancellor's Message

Dear Student,

Thank you for your interest in the Sikkim Manipal University of Health, Medical and Technological Sciences (SMU). Since its inception in 1995, the University has focused on providing high quality education to students.

Apart from regular on-site classroom programs, SMU also offers career oriented programs via its Directorate of Distance Education. The programs offered cover various disciplines like Information Technology, Management, Bioinformatics, Biotechnology, Apparel & Fashion Design, Mass Communication and Journalism, Telecom, Commerce, Allied Health Sciences and many more. The lectures for these programs are delivered at our authorized Learning Centres which are connected to our studios over VSAT and thereby creating for you a virtual classroom environment.

Our faculty is committed to excellence in teaching, learning and scholarship. They understand the students we serve and they come to the classroom with extensive academic and real-world experience. Your education is further strengthened by the diversity of the faculty and student body. This makes for a marvellous exchange of ideas and more effective learning.

I hope you find the information in the prospectus useful. Should you require additional assistance, please contact [smuhelpdesk@manipalu.com](mailto:smuhelpdesk@manipalu.com)

I look forward to welcoming you to the World of Manipal!

**Dr. Ramdas M Pai**

**Pro Chancellor**

Sikkim Manipal University of Health, Medical & Technological Sciences

Dear Student,

I congratulate you for choosing the Sikkim Manipal University of Health, Medical and Technological Sciences. The University draws upon the expertise of the Manipal Education and Medical Group, which is an established global leader in higher education and healthcare for over five decades. The Group's education network comprises 3 Universities, 9 campuses, 30 professional colleges, 1,70,000 students and 3,30,000 active alumni.

Sikkim Manipal University was established in 1995, and is a unique joint venture between the Government of Sikkim and the Manipal Group. The University offers Distance Education Program as part of its effort to bring education to the masses, and fulfil the growing demand for technical and management professionals. Manipal Universal Learning, the Learning Resource Development Centre of the University supports the delivery of career-oriented programs at the Diploma, Bachelors, Postgraduate Diploma and Masters levels through a wide network of University authorized Learning Centres. Our focus is on making sure that our students receive an education that is not just of high quality but relevant to today's industry and highly competitive global market place.

Our programs combine highly researched curriculum by the University integrated with industry relevant concepts and practices. The University offers a unique blend of theoretical and cutting edge inputs to students, making them technically well rounded professionals.

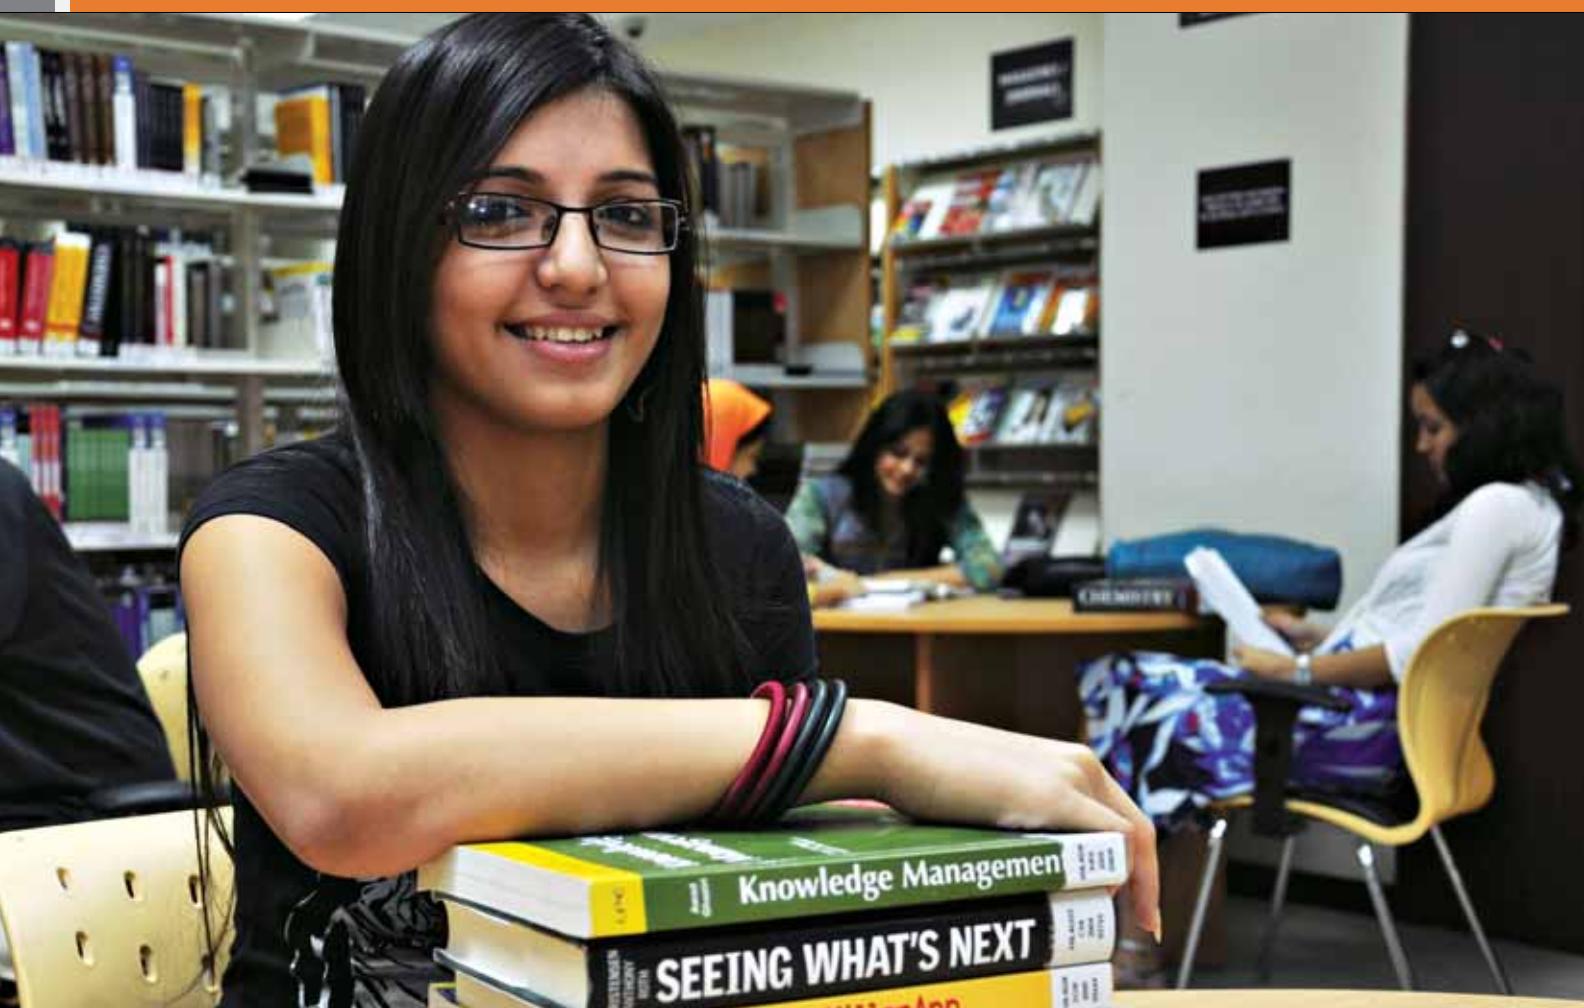

We hope you will find our programs educative and professionally rewarding.

**Dr. Surjit Singh Pabla**

**Vice Chancellor**

Sikkim Manipal University of Health, Medical & Technological Sciences

## Taking Distance Education to new heights

The Sikkim Manipal University of Health, Medical and Technological Sciences, Gangtok is incorporated under the State Legislative Act (Act IX of 1995) of the Government of Sikkim.

- Sikkim Manipal University is recognised by University Grants Commission (UGC), Ministry of HRD and is a member of Association of Indian Universities (AIU).
- Recognised by Distance Education Council (DEC) for three academic years - 2009-10 to 2011-12.
- Sikkim Manipal University, Directorate of Distance Education offers programs spread across 10 disciplines.
- Sikkim Manipal University - Directorate of Distance Education offers programs in Masters, Bachelors, Diploma and PG Diploma levels in various disciplines like Information Technology, Management, Journalism and Mass Communication, Biotechnology, Bioinformatics, Apparel & Fashion Design, Allied Health Sciences, Hospitality, Telecom and Commerce.

- The programs are made accessible through 700+ University Authorised Learning Centres across the country.
- So far 2.55 lakh students have benefited from the Distance Education programs, taking full advantage of the 65 core faculty members and the 6,300 supporting faculty members present at the learning centres.
- Apart from the widespread presence in India – covering 205 districts and 310 towns and cities – the University has also spread its reach overseas across 20 countries, with 25 learning centres.

Prof. V.N. Rajsekharan Pillai  
DEC, Chairman

## Message from the Chairman, Distance Education Council

### MESSAGE

The role of Open and Distance Learning in enhancing the quality and quantity of education delivery at all levels is enormous. For bridging the knowledge and skill gaps in highly populated developing countries distance education strategies are very important. Different types of media and information and communication technologies are being effectively used by the distance education system in the country. By appropriate integration of the technology-augmented open and distance learning only large number of people can achieve their educational goals.

Distance Education provides opportunities of additional qualification and a choice to attain a diploma or degree relevant to one's field of work. This is essential and vital for the growth of the talent pool in the country. It provides people with a plethora of choices within their desired limits. With the increasing number of distance education programs offered by education services providers in the country, barriers to education are getting gradually diminished.

Sikkim Manipal University Directorate of Distance Education (SMU-DDE) has contributed significantly in this direction through its distance education programs since 2001. Their public-private partnership (PPP) with the Government of Sikkim has been a successful model. This has enabled students to choose from a plethora of courses, the one that truly interests them and adds value to their career.

SMU-DDE's technology-based initiatives such as EduNxt will empower students in their learning experiences. I see EduNxt as truly being the way forward for distance education in India, as is the case in the international education services sector. I am confident SMU-DDE will continue to contribute to the distance education sector in India in a significant manner. I am sure that SMU-DDE will ensure strict adherence to quality assurance norms in the content and delivery and provide affordable education opportunities for all.

I wish the institution all a success.

(V. N. RAJSEKHARAN PILLAI)

**ISO Certificate**

Our distance learning experience blends flexibility and convenience from the learner's perspective with academic rigour and quality in instruction. The SMU way is learner-centric and puts the student at the core of an experience that combines four distinct learning delivery systems:

- **Self Learning:** High quality self learning material is made available both in print and digital form.
- **Counseling at Learning Centres:** Students can avail face-to-face counseling at our Learning Centres located across the country.
- **VSAT delivered lectures:** Supplementary instruction and expert sessions delivered across our VSAT network.
- **EduNxt:** Makes innovative use of technology as an essential element of the learning experience. Learning is delivered using the Manipal Education Technology Network for Learning Optimised (MENLO) platform.

## Distance Education the SMU way

# Make Eddie your buddy

*Learning made easy at SMU-DE!*

EduNxt is the next-generation interactive learning system that is designed to change the way a student learns. Convenient and easy to use, EduNxt enables a collaborative and interactive environment for learning and includes small group mentoring, creates virtual classroom environment, simulation and other interactive content, self-study content, recorded presentations and shared browsing.

### Some of the EduNxt benefits

- Recreates classroom environment
- Access to rich educational resources across Manipal Education's institutions
- The only platform that enables placement and soft-skills training
- Commitment to improve quality of professional education through distance mode, leading to higher acceptance amongst employers

### EduNxt: a spice for every recipe

- **Articles/SLM** - Now a student can access SLM and the relevant articles online. The articles are frequently updated to keep the student abreast with the current happenings.
- **Industry mentor chats** - Get a chance to interact with the best business minds and experts in various areas. The industry mentor chat is held every week where industry experts come and mentor our students.
- **Academic mentor chats** - A student can chat with the university faculty to clear doubts on various topics.
- **Dashboard** - A student can plan his/her study timetable in a much better way. He/she can now track further progress and keep a count on what has been read and what's remaining.
- **Soft skills** - Watch videos, PPTs and read articles to further hone individual skills.
- **Crack-it: Case study contest** - The contest is held regularly where a student can display his/her skills at solving case studies and problems. He/she can compete with his/her peers and win cool iPods.

Eddie

### Other features

• Peer to Peer Chats	• Assignments
• Assessments	• Discussion forums
• Videos	• Model Question papers
• Student space	• Blogs
• Alerts	• News
• Project guidance	

EduNxt combines academic rigour and a personalized learning environment along with SMU-DE's hybrid learning delivery system with its flexibility, convenience and accessibility to offer a "first of its kind" learning environment in India.

The complete list of courses now available on EduNxt.

S.No	Program	Program Name	Duration
1	MBA	Master in Business Administration	1.5-4.5Y
2	PGDM	PG Diploma in Business Administration	1.5Y
3	PGDM	PG Diploma in Specialization areas of Management	1.5Y
4	BCA	Bachelor of Computer Applications	1.5-3.5Y
5	BISIT	Bachelor of Science in Information Technology	1
6	MCA	Master of Computer Applications	1.5Y
7	MScCS	Master of Science in Computer Science	1.5Y
8	PGCCA	PG Diploma in Computer Applications	1.5Y
9	MScIT	Master of Science in Information Technology	1
10	MBAHCS	Master in Business Administration in Health Care Services	1.5-3.5Y

Mr. Anand Sudarshan, CEO, Manipal Education,  
Mr. Steve Ballmer, CEO, Microsoft Corporation Pvt. Ltd.,  
Mr. Ravi Venkatesan, Chairman, Microsoft India  
addressing the EduNxt press conference.

### Eminent Speak

Mr. Steve Ballmer, CEO, Microsoft Corporation Pvt. Ltd., said, "India's emergence as a global technology centre is the direct result of its strong education system. At Microsoft, we have always believed that education is the foundation for opportunity and success. One of our most important commitments is to help deliver high-quality educational materials to those who lack access to teachers and resources. The EduNxt distance learning platform is a great example of how information technology can extend the reach of great educational resources. We look forward to continuing to work with Manipal Education to expand educational opportunities in India."

### Winner of E-India Awards

SMU-DE was conferred the 'Digital Learning ICT Enabled University of the Year' for its new technology infused learning system "EduNxt" at the 5th eINDIA 2009 Awards Conference and exhibition organised by Centre for Science,

Development and Media Studies in Hyderabad on August 26, 2009. Mr. Anand Sudarshan, MD & CEO, Manipal Education, said, "We are honoured to have received this commendation from eINDIA 2009. This recognition reaffirms our commitment in using technology to drive the next level in education and making high quality education affordable and accessible through the length and breadth of our country."

## Making Learning accessible and affordable

### • **Advantages of Learning Centres**

The strong nationwide network of more than 700 Learning Centres enables the aspiring student to choose a Learning Centre that is the closest to his/her choice.

### • **Education Loan**

For the first time in the history of Distance Education, students will be eligible to avail an educational loan from a leading bank to enable them to continue higher education. The student will get a minimum loan amount of Rs.50,000/- and a maximum of Rs. 150,000/-

### Who is eligible?

- Only students who opt for programs from Sikkim Manipal University Distance Education are eligible.
- Co-borrower Mandatory
- Co-borrower means-Parent / Blood Relations / Spouse and the income documents of the co-applicant would be of primary consideration and must meet the required bank policy
- Education Loan to cover program / Course fees as prescribed by the University in the Prospectus

### • **Scholarships**

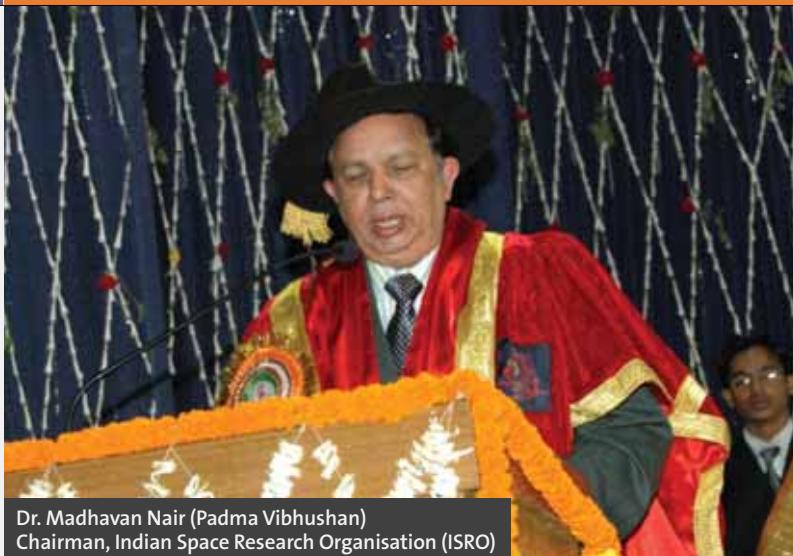

SMU-DE has announced scholarships worth Rs.25 lakhs to its students. 1500 deserving students will get scholarship. Students can get from 12.5% to 100% of their course fee as scholarship. Students from 1st to 5th semester are eligible for the scholarship.

### • **All India case study contest**

In our constant endeavour to build confident professionals, SMU-DE conducts case study contests for its students. 8 teams will qualify for the national finals and get an opportunity to present at the EDGE forum – a premium education forum. The winners may receive prize money up to Rs.2 lakh.

### • **On time delivery of courseware, exams and results**

When you join the program you will know in advance when you will receive your courseware and exam schedule so as to help you plan your study. You will also know when your results will be announced and can be assured of completing your degree in the stipulated time frame.

## Directorate of Distance Education

The Directorate of Distance Education of the University is committed to provide career-oriented educational programs at the Diploma, Bachelors, Postgraduate Diploma and Masters levels through a wide network of University recognized Learning Centres.

### Objectives of the Distance Education Program

- To provide high quality, value-based, career-oriented education to students and working professionals.
- To facilitate students in understanding, developing, integrating and applying both core and specialized concepts and practices.
- To provide students with a stimulating and learning-friendly atmosphere so that they can utilize their intellectual capacities to specialize in various areas of study.
- To produce energetic, effective, efficient and ethically driven graduates and postgraduates to serve society.

### Design & Structure

Distance Education simply means imparting education from a distance wherein the teacher and the student are physically separated. In terms of design and structure, the common features of Bachelors and Masters degree programs are as follows:

- The medium of instruction is English.
- Comprehensive Course Content

Comprehensive courseware will be supplied to all the students. Each book is divided into units. Each unit is written in self-instructional style and consists of introduction, objectives, structure of units, main contents, self-test activities and suggested reading. In addition, students will be encouraged to refer recommended books, wherever necessary.

- Video/Audio/VSAT

Whenever necessary, printed material is supplemented by video/audio CDs. Lectures are broadcast through VSAT which can be in the form of lectures, debates, discussions, etc.

- Assignments

Assignments are an integral component of distance education. The assignments are uploaded on to the website during each session, to be submitted by the students. Assignments serve the purpose of evaluation of the student's performance. Local counselors, who also provide feedback on a student's performance, evaluate these assignments.

- Academic Counseling

Counseling is an important activity in distance education and is entirely different from usual classroom teaching. Counselors answer questions during counseling sessions besides clarifying doubts of students and helping them overcome difficulties they face while going through the study material. These counseling sessions also offer students an opportunity to interact with their peers.

- Practical Training

Depending upon the subject, a required amount of practical training is imparted to students at the Learning Centre. In certain specialized subjects, intensive counseling is also provided.

- Project / Report

The student is also required to prepare projects wherever necessary, which are then evaluated by the local counselors.

**Manipal Universal Learning (ManipalU)** is the Learning Resource Development Centre of SMU and supports the University in the delivery of the programs through University authorized Learning Centres spread across the country.

## DE Online - Registration of Distance Education Online

Sikkim Manipal University proudly introduces online services through the website. For new admissions, students can now apply for SMU-DE programs, re-register for the programs in the subsequent semesters and also submit their re-sitting application for appearing for examinations, making the necessary payments through either DD or Bank challan or secure payment gateway of their choice.

The online portal will allow students to login either through secure pin or password credentials, permit them to save draft, track the status of their applications. Students will also receive SMS / email alerts / notification from the University during various touch points. The University authorized Learning Centres will make the first level verification of applications and physical records before clearing them for further enrolment procedures at the University.

Overall, the online portal delivers excellent student-facing features and a unique end-user experience. The URL of SMU online portal is - <http://admissions.smude.edu.in>

## Admission Policies

- Intelligent, ethical, articulate and active individuals with a will to upgrade their skills are encouraged to pursue the University programs.
- The applicant has to submit a completed application along with relevant enclosures to the University authorized Learning Centres well within the due date. The Learning Centres will forward the same to the University. If the application is complete in all respects and the University is satisfied with the applicant's eligibility and suitability for admission into the respective program, the student will be granted admission to that program. No candidate is permitted to pursue more than one program at a time from SMU-DDE. The University reserves the right to accept or reject any application.
- If the applications received from the students are not complete in any respect, those students may be given provisional enrolment at the University's discretion. Such students will have to submit the required eligibility documents as communicated by the University at the earliest, upon receipt of which their enrolment will be confirmed subject to the eligibility fulfillment. Provisionally enrolled students will be allowed to appear in the examinations only after their enrolment is confirmed.
- All the students who have enrolled in the programs of the University will be provided a program guide for each

program and semester. They should go through the same thoroughly.

- An identity card will be provided to students after their enrolment in a program.
- Those students who are unable to complete the program within the specified validity period are required to register themselves afresh through readmission by paying the requisite fee as per the University regulations.

## Program Structure

Course material is specially designed by a team of experts drawn from different industries, University and in-house faculty. The program curricula is designed and scrutinized by experts to meet the market demands.

## Support Services

- Counseling Sessions: Learning Centres provide students with a platform to interact with counselors, other students and to also use the library. Students shall receive personal attention and support at these Learning Centres, including hands-on training at designated Learning Centres. The Learning Centres will provide counseling and hands on experience for each program (each semester) as indicated in the respective program headings. The Learning Centres will act as the access and contact points between the University and the students.
- Course Material: Comprehensive printed study material specially designed for independent study for both theory and practical component, is supplied in batches to the Learning Centres for every program and to every student. Students have to collect the material pertaining to their program along with the program guide
- Practical Sessions: These will be held at the Learning Centres or at specially designated centres
- Assignment for Assessment and Feedback
- Industry Related Project Work
- Online delivery through VSAT, wherever required

## Credit System

The 'credit system' is followed in all programs, wherein each credit amounts to 30 hours of study.

# Evaluation and Grading

## (I) Information Technology, Management & Commerce

The assessment system has been conceived, developed and administered on a rigorous and fair basis to bring out the best in students and prepare them for challenging careers. A student's performance is based on:

- Continuous evaluation, performed at the local Learning Centres, carrying 30% weightage on the final score.
- University examinations, conducted at the examination centres and evaluated by the University, carrying 70% weightage on the final score.
- Continuous evaluation is done through assignments and practicals. In each subject, a student should secure at least 35% marks in continuous evaluation and 35% marks in the University examinations and a consolidated average of 40% to be declared pass.

Based on the student's performance, the following grading system will be adopted:

- A = Excellent (+70%)
- B = Very Good (+60%)
- C = Good (+50%)
- D = Satisfactory (+40%)
- E = Failure

## (II) Allied Health Sciences and Life Sciences

### A) For DMLT, DMIT, DHIA, BScMLT, BScMIT, BScHIA

The assessment system has been conceived, developed and administered on a rigorous and fair basis to bring out the best in students and prepare them for challenging careers. A student's performance is based on:

- Continuous evaluation, performed at the local Learning Centres, carrying 20% weightage on the final score.
- University examinations, conducted at the examination centres and evaluated by the University, carrying 80% weightage on the final score.
- Continuous evaluation is done through assignments and practicals. In each subject, a student should secure at least 50% marks in continuous evaluation and 50% marks in the term-end examination, and an average of 50% to be declared pass. Based on the student's performance the following grading system will be adopted:

- A = Excellent (+80%)
- B = Very Good (+70%)
- C = Good (+60%)
- D = Satisfactory (+50%)
- E = Failure

University practical exams will be conducted at pooled examination centres and students should make their own arrangements to attend the examinations.

### B) For BScBT, MScBI, MBAHCS, MScCRRA, PGDBI, PGDHSM, PGDCRRA

The assessment system has been conceived, developed and administered on a rigorous and fair basis to bring out the best in students and prepare them for challenging careers. A student's performance is based on:

- Continuous evaluation, performed at the local Learning Centres, carrying 30% weightage on the final score.
- University examinations, conducted at the examination centres and evaluated by the University, carrying 70% weightage on the final score.
- Continuous evaluation is done through assignments and practicals. In each subject, a student should secure at least 35% marks in continuous evaluation and 35% marks in the University examinations, and a consolidated average of 40% to be declared pass.

Based on the student's performance, the following grading system will be adopted:

- A = Excellent (+70%)
- B = Very Good (+60%)
- C = Good (+50%)
- D = Satisfactory (+40%)
- E = Failure

## (III) Vocational Sciences

Applicable for the programs of Journalism & Mass Communication, Apparel & Fashion Design and Hospitality & Tourism.

The assessment system has been conceived, developed and administered on a rigorous and fair basis to bring out the best in students and prepare them for challenging careers. A student's performance is based on:

- Theory part is assessed by the performance based on continuous evaluation through assignments and term-end examinations conducted at the examination centres. A student must get an average of 40% in both the parts and minimum of 35% in each part.
- The assessment in practical part is based on the performance in Guided & Unguided exercises. A student must get an average of 40% in both the parts and minimum of 35% in each part.

Based on the student's performance the following grading system will be adopted:

- A = Excellent (+70%)
- B = Very Good (+60%)
- C = Good (+50%)
- D = Satisfactory (+40%)
- E = Failure

#### **Examination Results**

The student is informed about the examination schedule and Examination Centre through the admit card and also through the website [www.smude.edu.in](http://www.smude.edu.in). The Examination Centre will be different from the Learning Centre. Eligible students will be given admit cards to appear in the Term -end examination. Students will have to produce the identity card and admit card to appear in the term-end examination at the Examination Centre. The examination pattern is available in the program guide provided to the students.

The results will be published on the website [www.smude.edu.in](http://www.smude.edu.in) and the marks card will be sent to the respective Learning Centres. If a student fails to clear any of

the papers (either in UE or IA or both), she/he will have to re-appear for the relevant paper by applying to the University through the re-sitting application along with relevant fees, within the due date specified by the University.

#### **Award of Degree**

All successful students will be awarded respective Diploma / Degree / PG Diploma / Master's Degree by the University.

#### **Right to amend rules**

The University reserves the right to add / delete / change / amend the syllabi, program structure, rules and regulations wherever considered necessary and appropriate without any prior notice. The students are advised to go through the website frequently where all circulars and important information will be hosted from time to time. Promulgation of any such information on the website in the form of circulars/notices is considered to be adequate.

#### **Jurisdiction**

All the disputes relating to the University programs and activities are subject to Udupi, Karnataka, India, jurisdiction only.

## General conditions for admission

\*Graduate means a candidate who has successfully completed a 3 year Degree Program from a recognized University.

\*\*Diploma means a candidate who has successfully completed a 3 year Diploma from a State Board of Technical Education.

Re-entry: Re-entry denotes continuation of study by erstwhile SMU students with requisite qualification, wherein the marks secured in the earlier SMU Examinations will be carried over.

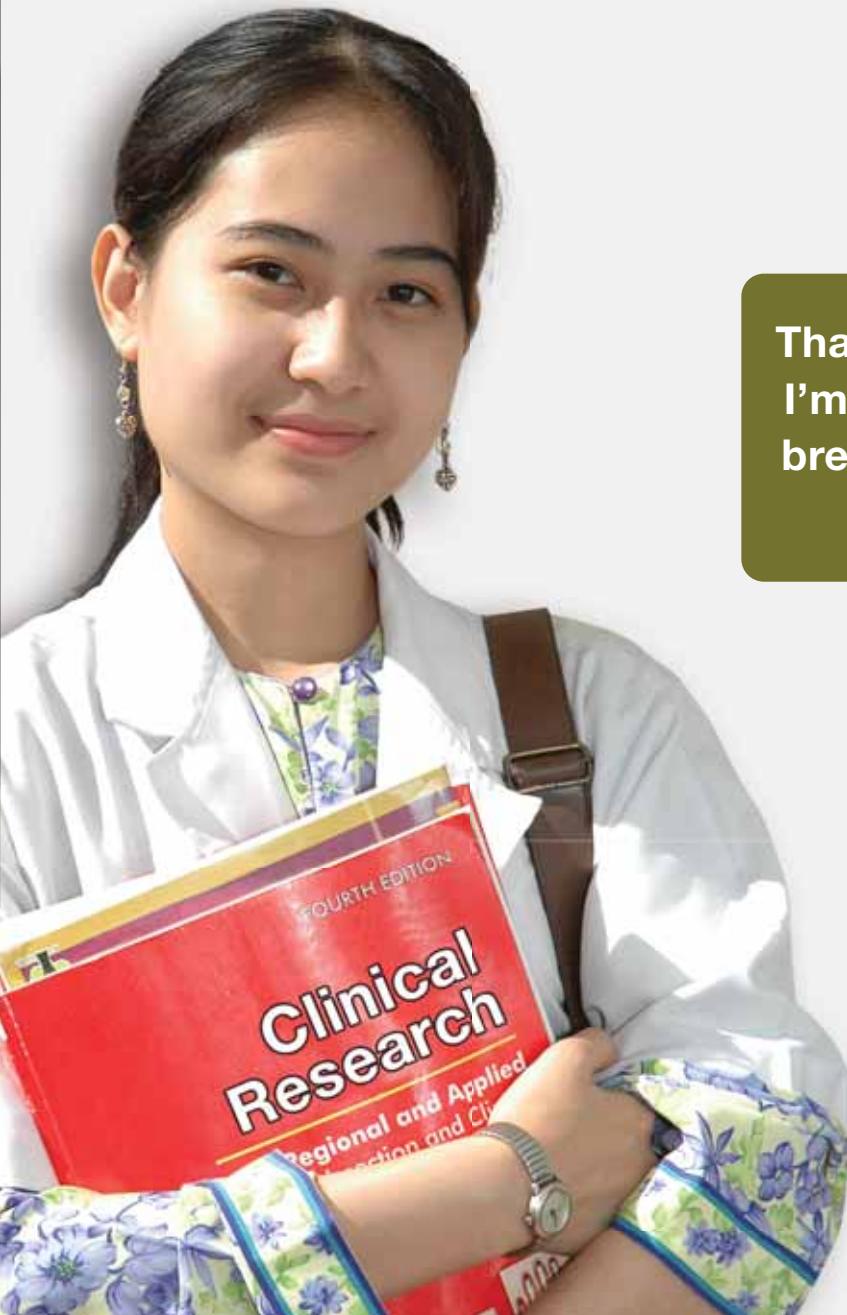

Lateral Entry: Lateral Entry is permitted, subject to fulfillment of the eligibility conditions as prescribed.

Visit [www.smude.edu.in](http://www.smude.edu.in) to know the details of the programs offered at various Learning Centres.

## Important Note

1. The University authorized Learning Centres are permitted to provide counseling services to students admitted by the University into its Diploma, Bachelors, Postgraduate Diploma and Masters Degree programs. Please visit our website for programs permitted for counseling at specific Learning Centres.
2. The basic eligibility for Admission to PG programs is Graduation. Graduate means a candidate who has successfully completed a 3 year University Degree Program. Students having 2 years degree have to do a bridge course.
3. Foreign Students: All foreign students seeking admission to the Distance Learning Programs of SMU must join a regular course of a recognized University in India. Alternatively, they should either be working in India or should be dependents of a person working in India. The course under SMU Distance Education (DE), can be undertaken simultaneously with the regular course mentioned above. No eligibility certificate will be issued to a student who comes to India only to join SMU-DE programs. Foreign nationals seeking admission in India are required to submit the additional application form. The form is available on the website [www.smude.edu.in](http://www.smude.edu.in).
4. All the support documents enclosed along with the application form have to be attested by Gazetted Officers or Notary Public or Principal of College/Polytechnic under the University System/Directorate of Technical Education or Head of Institution from which the student passed the eligibility criteria and additionally to be certified by the Learning Centre Head, failing which the application will be rejected. The centre head or the designated person has to verify all the support documents by putting his signature and seal of the LC.
5. Without a valid Residential Permit (RP), international students in India will not be allowed to appear for examinations; RP should be submitted to the University by **May 15, 2010** failing which Provisional admission will be cancelled.
6. Mid session Learning Centre transfers are not permitted.
7. Transfer from one LC to another for foreign nationals is not permitted.
8. There is no provision for doing dual programs of SMU DE at the same time. A candidate is permitted to pursue only one program of SMU DE at a time.
9. The student of final semester of Degree/ Diploma program will have to pay the requisite fee as prescribed by the University at the time of re-registration for the final semester for automatic issue of Degree / Diploma certificate.
10. Sikkim Manipal University of Health, Medical and Technological Sciences (SMU) has been offering Distance Education Programs since February 2001, after informing the University Grants Commission (UGC) and other regulatory bodies, including Distance Education Council (DEC). SMU has received approval from the Distance Education Council to offer programs in distance education mode.
11. University reserves the right to add / delete / change the syllabi, program structure, rules and regulations without any prior notice, as and when required, as per changes in environment. Students are advised to visit the University website [www.smude.edu.in](http://www.smude.edu.in) where all circulars and important information will be hosted from time to time. Promulgation of any such information in the website in the form of circulars / notices is considered to be adequate.
12. Legal disputes, if any, shall come under jurisdiction of Udupi (Karnataka), India.
13. Payment of fee:
  - (A) All payments shall be made by the students only in the form of DD drawn in favour of "Sikkim Manipal University, DE" payable at Manipal / Udupi and student should endorse the name, application number and centre code on the reverse of the DD. The students are advised to retain the counterfoil and photocopy of the DD with them for their reference.
  - (B) Payment of fees can also be made through SMU-DDE SBI Challan from all Core Banking branches of State Bank of India (SBI). University will not take any responsibility if amount is deposited at branches other than Core banking of SBI. Please use only one challan per student.
  - (C) Payment of fees can also be made through any credit/debit card of MasterCard / VISA Card at select Learning Centres.
  - (D) Aspiring students filling up Online Admission form can make payment through Payment Gateway option.

**Note:** Payments made other than in the above forms will be at own risk. The fees once paid cannot be refunded for admitted students. The refunds for rejected applications will be made after deducting Rs.500/- as processing fee.

**Thanks to SMU-DE, now  
I'm confident to make a  
breakthrough in Clinical  
Research.**

# Lateral Entry Scheme for SMU Programs

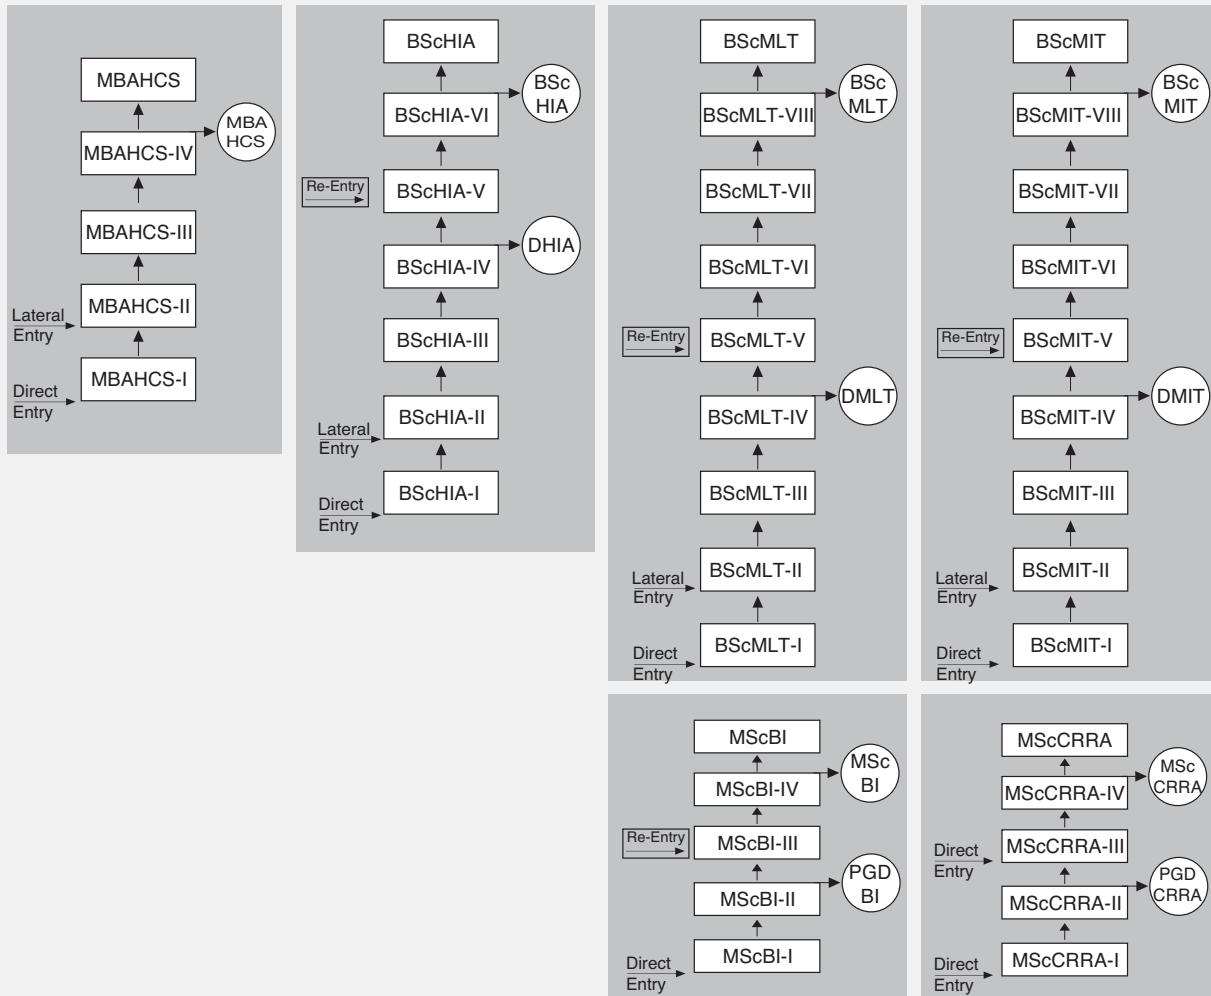

Some of the programs are designed for multiple entry and exit. The candidates can enrol for the programs based on basic qualification and lateral entry qualification.

**Basic Qualification:** For graduation, basic qualification is 10+2 or equivalent. For postgraduation, basic qualification is three year graduation or above. In Allied Health program there is also a requirement to have specific subjects such as Biology / Science subjects which is mandatory in 10+2 or equivalent for certain programs. In certain program, students with 10+2 without Biology / 10+2 in any stream are permitted, provided they do the Basic Science Program from SMU simultaneously. The specific provisions are indicated under the respective program headings.

**Lateral Entry Qualification:** Lateral entry means a candidate having basic qualification and previous qualification in relevant field is given an opportunity to enter a higher semester. However, such students will be required to appear and qualify in the previous semester's relevant papers.

Candidates may exit the program at any stage and will get the corresponding Diploma / Bachelor degrees based on the exit qualification. The various entry and exit points for various programs applicable are graphically illustrated below. The details of eligibility criteria and fees structure of lateral entries are indicated in the respective program headings.

Re-entry schemes indicated below are applicable only to the students of SMU - DDE.

The program is designed for undergraduates who wish to make a career in the field of biotechnology. This exciting field is full of career opportunities, both at the industry and the academic or research levels. The first year of this 3-year program is designed to be a foundation program with students being trained in the basics of various subjects required for a further understanding of biotechnology. The second intermediate year consists of advanced programs in topics pertinent to the subject. In the final year, students are exposed to specialized topics in various areas of biotechnology.

**Objectives:**

- Providing in-depth training in both the theoretical and practical aspects of various topics like Molecular and Cell Biology, Molecular Genetics, Tissue Culture and core areas of Biotechnology such as Agricultural, Industrial, Medical and Environmental Biotechnology.
- To enable students to pursue a PG degree in the field of biotechnology or specialize in specific topics like Molecular Biology or Genetics covered in the program.

**Eligibility:**

(a) 10+2 or equivalent with Biology and Chemistry **OR**  
 (b) 10+2 or equivalent in Science (without Biology). The candidates seeking admission under this criterion must also undergo a foundation program in Biology in the first Semester. The study material shall be provided by the University and the examination will be conducted at the Learning Centres as per guidelines issued by the University. An additional fee of Rs.2,200/- is applicable in addition to the course fee for candidates seeking admission under this criterion.

**Semester Fee:** Rs.12,450/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time. (Regarding Practical Course Fees see next page).

**Minimum duration:** 3 years (6 semesters)

**Maximum duration:** 6 years

**Minimum counseling and hands-on experience at Learning Centres:** 160 hrs/semester.

## Program Structure

First Semester		
Sub. Code	Title	Credits
BO0034	Chemistry (Organic and Physical)	4
BO0035	Biochemistry - I	4
BO0036	Biology of Plants	2

Sixth Semester		
Sub. Code	Title	Credits
BO0057	Medical Biotechnology	4
BO0058	Industrial Biotechnology	4
BO0059	Bioethics and IPR	4
BO0060	Practical - III Immunology and Molecular Biology	4
Total Cumulative Credits		96

# Bachelor of Science in Applied Biotechnology (BScBT)

(Revised Spring 2007)\*

## Practical courses

The BScBT students have to undergo mandatory practical courses once in a year as a part of the course requirement. There will be three practical subjects, one each in II, IV and VI semesters. Each practical course is of four credits. The duration of the practical course will be about 7 days. On the last day of each practical course, there will be an examination. Out of the total marks, 60% is meant for continuous assessment over the duration of the practical course and 40% for the final examination to be held on the last day of the practical course. Since these practical courses require advanced equipment and imported chemicals, they will be conducted only at the University designated nodal centres. These nodal centres are provided with full fledged infrastructure and trained staff to support the students. Practical courses will be scheduled once in a year and it is

compulsory for all the students to attend the practical courses. The fee for the practical course is Rs.6,000/- each year including the practical examination fees. Cost of travel and accommodation to attend the practical course at designated nodal centres are not a part of the fees and will be separately borne by the students. The Practical fee should be paid to the University along with II, IV and VI semesters re-registration fees.

Year	Course Code	Course
1st	BO0043	Cell Biology and Biochemistry
2nd	BO0052	Genetics and Microbiology
3rd	BO0060	Immunology and Molecular Biology

Health information is the latest and fastest growing field. This program is designed to develop skills in effective management of health information in a health care setup with the help of recent methods and technology. The program also emphasizes on developing skills in use of ICD -10 for classifying diseases and operative procedures for comparison and statistical process. The program provides the opportunities to practice and develop skills in collecting and analysing health care data.

**Objectives:**

- To enable students in overall management of a medical records department in a health care setup.
- To enable students to learn, interpret and prepare documents necessary in routine health care practices.
- To equip candidates with the required skills to prepare medical and medico-legal documents, which are an integral part of hospital management.

- Public health departments may appoint graduates to supervise data collection from health care institutions and assist in research.

**Eligibility:**

(a) 10+2 or equivalent. OR  
(b) 2 year vocational program in Medical Records / Health Information after 10th standard from a recognized Institution/Board.

**Semester Fee:** Rs.10,750/- per semester (inclusive of Exam Fee Rs.100/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 3 years (6 semesters)

**Maximum duration:** 6 years

**Minimum counseling and hands-on experience at Learning Centres:** 250 hours / semester (Average).

# Bachelor of Science in Health Information Administration (BScHIA)

## Diploma in Health Information Administration (DHIA)

(Revised Spring 2007)

BH0053	Computer Applications in Health	3
BH0054	Hospital Administration and Public Relations	5
BH0055	Project	9
Total Cumulative Credits		100

The BScMIT program focuses on various aspects of radio-diagnostic technology and medical imaging for appropriate diagnosis of diseases. Graduates will be able to meet the requirements of health care sector by managing radiological diagnostic service facilities and assist in radiographical procedure involving ultrasonography, Computerised Tomography (CT) scan and Magnetic Resonance Imaging (MRI).

**Objectives:**

- To make the students learn the basic anatomy of the body so that he/she can interpret the parts on the radiograph.
- To teach the basic physiology of the body and how pathology will alter it leading to a disease process.
- To train the students in conventional radiography as well as in modern imaging techniques.
- To educate students about a few alternative procedures which are not routinely performed.

**Eligibility:**

(a) 10+2 or equivalent with Science. OR  
(b) 2 year vocational program in Radiography / Radio Diagnosis after 10th standard from a recognized Institution / Board.

**Semester Fee:** Rs.10,750/- per semester (inclusive of Exam Fee Rs.1,100/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 4 years (8 semesters). Including 1 year (2 semesters) internship.

**Maximum duration:** 8 years

**Minimum counselling and hands-on experience at Learning Centres:** 250 hours / semester (Average).

### Diploma in Medical Imaging Technology

After successful completion of first four semesters of BScMIT, if a student wishes to discontinue the program, such a student shall be awarded the Diploma in Medical Imaging Technology certificate as an exit qualification.

### Provision for Re-entry into fifth semester of BScMIT:

**Eligibility:** DMIT of SMU (Spring 2007)

**Semester Fee:** Rs10,750/- per semester (inclusive of Exam Fee Rs.1,100/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 2 years (4 semesters)

**Maximum duration:** 4 years

**Note:** A maximum gap of one year is allowed for the student to get admitted under this scheme after the completion of DMIT.

Fifth Semester		
Sub. Code	Title	Credits

Medical laboratory technology plays an important role in the detection and treatment of many diseases. This program trains students to perform various tests in the fields of bio-chemistry, pathology, microbiology and blood banking. As vital members of the health care team, they assist physicians during the diagnosis and treatment of patients. The syllabus is relevant to the needs of the health sector.

## Objectives and Scope:

- The main aim of the program is to train students and thus provide skilled technologists in a variety of laboratory settings.
- The laboratory technology through distance education mode provides opportunity to the working technicians as well as to those who want to get involved in the field of laboratory medicine.
- There are excellent job opportunities for qualified medical laboratory technologists. They can work in hospital and research laboratories, public health facilities, industrial laboratories and in colleges.

## Eligibility:

(a) 10+2 or equivalent with Science OR  
(b) 2 year vocational program in Medical Laboratory  
Technology after 10th standard from a recognized  
Institution/Board

**Semester Fee:** Rs.10,750/- per semester (inclusive of Exam Fee Rs.1,100/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 4 years (8 semesters). Including 1 year (2 semesters) Internship.

**Maximum duration:** 8 years

**Minimum counseling and hands-on experience at learning centers:** 250 hours / semester (Average)

BL0027	Basics of Anatomy	4
BL0028	Basics of Physiology	4
BL0029	Fundamentals of Medical Laboratory Technology	3
Total Cumulative Credits		19

## Provision for lateral entry to second semester of BScMLT (First Level):

**Eligibility:** One year Diploma / Certificate in Medical Laboratory Technology from a recognized institution after 10+2 with Science. This category of students are required to do full internship of one year (VII & VIII semesters).

**Minimum duration:** 3 years and 6 months

**Maximum duration:** 7 years

**Additional fee:** In addition to normal fee, an additional lateral entry fee of Rs.4,100/- (inclusive of examination fees) is payable by the students opting for this scheme.

**Note:** In this lateral entry scheme, a student has to appear and pass the first semester examination. Books of the first semester will be supplied by the University and assessment will be completed at the Learning Centre.

## **Provision for lateral entry to second semester of BScMLT (Second Level):**

**Eligibility:** Two year Diploma / Certificate in Medical Laboratory Technology from a recognized institution after 10+2 with Science. This category of students are required to do only 6 months internship instead of one year internship.

**Minimum duration:** 3 years

**Maximum duration:** 6 years

**Additional fee :** In addition to normal fee, an additional lateral entry fee of Rs.4,100/- (inclusive of examination fees) is payable by the students opting for this scheme.

**Note:** In this lateral entry scheme, a student has to appear and pass the first semester examination. Books of the first semester will be supplied by the University and assessment will be completed at the Learning Centre.

Second Semester		
Sub. Code	Title	Credits
BL0030	Basic Haematological Techniques	4
BL0031	Haematological Disorders	3
BL0032	Basics of Biochemistry	4
BL0033	Lab Reagents, Instrumentation and Techniques	4
BL0034	General Bacteriology - I	2
BL0035	Systemic Bacteriology - I	2
Total Cumulative Credits		38

# Bachelor of Science in Medical Laboratory Technology (BScMLT)

## Diploma in Medical Laboratory Technology (DMLT)

(Revised Spring 2007)

Third Semester		
Sub. Code	Title	Credits
BL0036	Immunology, Serology and Parasitology - I	2
BL0037	Mycology, Virology and Quality Control - I	2
BL0038	Carbohydrates and Lipids	4
BL0039	Proteins and Diagnostic Enzymology	4
BL0040	Blood Transfusion Techniques - I	2
BL0041	Blood Bank Procedures and Haemolytic Diseases of the Newborn - I	2
Total Cumulative Credits		54

Fourth Semester		
Sub. Code	Title	Credits
BL0042	Liver and Renal Function Tests, Hormones and Tumor Markers	4
BL0043	Electrolytes, Acid Base Balance, Factors in Haemoglobin Synthesis & Automation	4
BL0044	Histotechnology and Cytotechnology	4
BL0045	Examination of Body Fluids	4
Total Cumulative Credits		70

### Diploma in Medical Laboratory Technology

After successful completion of first four semesters of BScMLT, if a student wishes to discontinue the program, such a student shall be awarded the Diploma in Medical Laboratory Technology certificate as an exit qualification.

### Provision for Re-entry into fifth semester of BScMLT:

**Eligibility:** DMLT of SMU (Revised Spring 2007)

**Semester Fee:** Rs.10,750/- per semester (inclusive of Exam Fee Rs.1,100/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 2 years (4 semesters)

**Maximum duration:** 4 years

**Note:** A maximum gap of one year is allowed for the student to get admitted under this scheme after the completion of DMLT.

Fifth Semester		
Sub. Code	Title	Credits
BL0046	Histology Routine and Special Staining	4
BL0047	Haemostasis and Quality Assurance	4
BL0048	General Bacteriology - II	2
BL0049	Systemic Bacteriology - II	2
BL0050	Immunology, Serology and Parasitology - II	2
BL0051	Mycology, Virology and Quality Control - II	2
Total Cumulative Credits		86

Sixth Semester		
Sub. Code	Title	Credits
BL0052	Blood Transfusion Techniques - II	2
BL0053	Blood Bank Procedures and Haemolytic diseases of the Newborn - II	2
BL0054	Organization and Management of Labs	4
BL0055	Project	5
Total Cumulative Credits		99

Seventh Semester (Internship)		
Sub. Code	Title	Credits
BL0056	Microbiology	6
BL0057	Biochemistry	6
BL0058	Haematology	4
Total Cumulative Credits		115

Eighth Semester (Internship)		
Sub. Code	Title	Credits
BL0059	Blood Banking	4
BL0060	Pathology	6
BL0061	Front Office	6
Total Cumulative Credits		131

## Objectives:

- To attract students who have either completed a post graduate program in general management, or may wish to specialize further, following completion of an MBA.
- To open up more career opportunities to these potential students.
- To give students the option of studying further, while on the job.
- To provide in-depth theoretical and practical knowledge in the area of Healthcare Sciences.

**Eligibility:** An MBA degree from a recognized University, or an equivalent of a two-year Post Graduate Diploma in Business Management from an AICTE approved institution. Students who have completed the SMU MBA degree in the past are also eligible to pursue this program, should they wish to acquire a post graduate diploma qualification in an added area of specialization.

## Program Structure

First Semester		
Sub. Code	Title	Credits
MB0034	Research Methodology	3
MB0035	Legal Aspects of Business	3
	4 Subjects in area of Specialization (2 Credits Each)	8
	Begin Project work*	
	Total Cumulative Credits	14

**Semester Fee:** Rs.11,700/- per semester, (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 1 year (2 semesters)

**Maximum duration:** 2 years

**Minimum counseling and hands-on experience at Learning Centres:** 160 hrs/semester.

**Exemptions:** Students who have completed the SMU MBA degree (Revised Fall 2007) may be exempted from taking the core subjects offered in the first and second semesters of the PG Diploma, since they would have taken these as a part of the MBA program.

Second Semester		
Sub. Code	Title	Credits
MB0036	Strategic Management & Business Policy	3
MB0037	International Business Management	3
	4 Subjects in area of Specialization (2 Credits Each)	8
	Complete Project work*	4
	Total Cumulative Credits	32

## Specialization

MH0049	Legal Aspects in Healthcare Administration	2
MH0050	Quality Management in Healthcare Services	2
MH0044	Project*	4

# Master of Science in Bioinformatics (MScBI)

## Post Graduate Diploma in Bioinformatics (PGDBI)

(Revised Fall 2007)

Bioinformatics often interchangeably used with Computational Biology is an integrated subject encompassing applied Mathematics, Statistics, Computer Science, Chemistry and Biochemistry to solve biological problems usually at the molecular level. Bioinformatics is directed towards the study of sequence alignment, gene finding, genome assembly, protein structure alignment, protein structure prediction, prediction of gene expression protein - protein interaction, phylogenetic modeling and evolutionary relationship. With its unparalleled strength in the area of Information Technology, India is on the brink of a major revolution in the area of Biotechnology, and Bioinformatics is one of the emerging areas where there is a great potential for career opportunities.

The first two semesters of the program cover topics required for a sound knowledge of both Biology-related and IT subjects. These include Cell Biology and Genetics, Immunology, Biochemistry, Molecular Biology, Mathematics and Statistics, Linux Programming, Programming in C, Python, and Biological Databases & Sequence Analysis.

The Third and Fourth semesters aim at providing students with advanced training in areas like Genomics, Proteomics, Drug Design and Discovery, Programming with PERL and JAVA, DBMS, Data Warehousing and Algorithms in Bioinformatics. At the end of each even semesters (Second & Fourth) the students have to complete a Project Work.

### Objectives:

- To provide the students with the requisite knowledge that will enable them to pursue a career in Bioinformatics either in academics or in industry.
- To impart in-depth training in theoretical and practical aspects of applications of Information Technology to solve problems in Biology.
- To enable the students to acquire an integrated outlook of the subject so that they could become potential researchers in the fields of Biotechnology and Bioinformatics.

### Eligibility:

- Graduate from a recognized University in Life Science (Biotech / Botany / Zoology / Microbiology/ Chemistry) in Science with Physics, Mathematics, Statistics/ Nursing / Home Science / Food and Nutrition / Agriculture / Dairy technology / Horticulture / Forestry / Fisheries      OR
- Graduate from a recognized University in Health Sciences (MBBS/ BDS/ BAMS/BHMS/ BUMS/ BVSc/ BSSM/ BNYS) OR

(c) Graduate from a recognized University in Allied Health Sciences (BMLT / BScMLT / BPT / BMIT / BScMIT / BHIA / BScHIA/ BOT/ BSc (Sp & Hg) / BASLP/ BSc Opt / Pharmacy (BPharma) OR

(d) BE in Biotech/BCA/BSc IT/ BSc CS.

**Semester Fee:** Rs.17,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 1 year (2 semesters) {for PGDBI}; 2 years (4 semesters) {for MScBI}.

**Maximum duration:** 2 years {for PGDBI}; 4 years {for MScBI}.

**Minimum Counseling and hands-on experience at Learning Centres:** 160 hrs/semester.

### Program Structure

First Semester		
Sub. Code	Title	Credits
BI0024	Cell Biology & Genetics	4
BI0025	Immunology	2
BI0026	Biochemistry	4
BI0027	Linux	2
BI0028	Mathematics & Statistics	4
		Total Cumulative Credits
		16

### Second Semester

Sub. Code	Title	Credits
BI0029	Molecular Biology	4
BI0030	Biological Database & Sequence Analysis	4
BI0031	Programming for Bioinformatics I (C Programming)	4
BI0032	Programming for Bioinformatics II (Python, HTML, XML)	2
BI0033	Project	2
		Total Cumulative Credits
		32

### PG Diploma in Bioinformatics

After successful completion of first two semesters of MScBI, if a student wishes to discontinue, such a student will be awarded the PG Diploma in Bioinformatics as an exit qualification.

### Provision for Re-entry to third semester of MScBI:

**Eligibility :** PGDBI of SMU (Revised Fall 2007)

**Semester Fee:** Rs.17,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 1 year (2 semesters)

**Maximum duration:** 2 years

**Note:** A maximum gap of one year is allowed for the student to get admitted under this scheme after the completion of PGDBI.

Third Semester		
Sub. Code	Title	Credits
BI0034	Genomics	2
BI0035	Proteomics	2
BI0036	Programming for Bioinformatics III (PERL)	4
BI0037	Programming for Bioinformatics IV (JAVA Programming)	4
BI0038	Database Management Systems	4
Total Cumulative Credits		48

Fourth Semester		
Sub. Code	Title	Credits
BI0039	Drug Design & Discovery	4
BI0040	Algorithms in Bioinformatics	4
BI0041	Data Warehousing and Data Mining	4
BI0042	Project	4
	Total Cumulative Credits	64

# Master of Business Administration in Health Care Services (MBAHCS)

(Revised Spring 2010)

In today's highly competitive and rapidly evolving healthcare market, healthcare professionals and managers need more than just medical training to succeed. This program is designed to equip healthcare professionals with the knowledge, skills and educational expertise necessary to master modern business principles which are necessary in solving complexities, arising in healthcare services organizations and for career advancement in the healthcare industry.

## Objectives:

- To develop the essential managerial skills required to meet and participate in an increasingly competitive business environment and with special focus on the Healthcare sector.
- To provide theoretical and practical knowledge of Healthcare services and Hospital Organization, Operations and Planning.
- To provide an integrated perspective of management functioning along with a fair amount of exposure to real life cases/technical know how in the Healthcare services sector.
- To hone the student's analytical abilities.
- To communicate effectively through writing and in interpersonal communication.
- To use information and communication technologies effectively.
- To make informed decisions in selection, utilization & evaluation of opportunities / choices available.
- To give the student a starting edge in the Healthcare Industry.

**Eligibility:** 3 year Graduation.

**Semester Fees:** Rs.11,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 2 years (4 semesters)

**Maximum duration:** 4 years

**Minimum counseling and hands-on experience at Learning Centres:** 180 hrs/semester.

## Program Structure

First Semester		
Sub. Code	Title	Credits
MB0038	Management Process & Organizational Behavior	4
MB0039	Business Communication	4
MB0040	Statistics for Management	4
MB0041	Financial and Management Accounting	4
MB0042	Managerial Economics	4
MB0043	Human Resource Management	4
<b>Total Cumulative Credits</b>		<b>24</b>

## Provision for lateral entry to second semester of MBAHCS

### Eligibility:

(a) BBA / BBM from a recognized University OR  
 (b) 3-year Graduation with PGDBA from AICTE recognised institution OR  
 (c) 3-year Graduation with 6 month Management Diploma from an institution and minimum 1 year managerial / supervisory experience in reputed organization thereafter OR  
 (d) 3-year Graduation and minimum 3 year managerial / supervisory experience in a reputed organization thereafter OR  
 (e) MBBS / BDS / B.PHARM / BHMS / BAMS / BUMS / BSSM / BVSc / 4 year graduation in Allied Health Science / Life Science graduates from a recognized University.

**Additional fees:** In addition to the normal fees, an additional lateral entry fee of Rs.3,800/- (inclusive of examination fee) is payable by students opting for this scheme.

**Note:** In the lateral entry scheme, students have to appear and pass the First Semester examination. Books of First Semester will be supplied by the University and internal assessment will be completed at the Learning Centre.

Second Semester		
Sub. Code	Title	Credits
MB0044	Production and Operation Management	4
MB0045	Financial Management	4
MB0046	Marketing Management	4
MB0047	Management Information System	4
MB0048	Operations Research	4
MB0049	Project Management	4
<b>Total Cumulative Credits</b>		<b>48</b>

Third Semester		
Sub. Code	Title	Credits
MB0050	Research Methodology	4
MB0051	Legal Aspects of Business	4
MH0051	Health Administration	4
MH0052	Hospital Organization, Operations and Planning	4
MH0053	Hospital & Healthcare Information Management	4
MH0054	Finance, Economics and Materials Management in Healthcare Services	4
MH0055	Project*	
<b>Total Cumulative Credits</b>		<b>72</b>

Fourth Semester		
Sub. Code	Title	Credits
MB0052	Strategic Management and Business Policy	4
MB0053	International Business Management	4
MH0056	Public Relations & Marketing for Healthcare Organizations	4
MH0057	Management of Healthcare Human Resources	4
MH0058	Legal Aspects in Healthcare Administration	4
MH0059	Quality Management in Healthcare Services	4
MH0055	Project*	4
<b>Total Cumulative Credits</b>		<b>100</b>

\* The Project will be done in the area of specialization and should be a live project on an ongoing problem faced by an organization, under a company guide. It will commence in Semester 3 and will be completed in Semester 4. Evaluation will be conducted in semester 4.

Clinical research and regulatory affairs is a branch of medical science that determines the safety and effectiveness of medications, devices, diagnostic products, and treatment regimens intended for human use. It is also concerned with investigating the influence of population and biological diversity as well as disease states on responses to treatment. The results of clinical research studies (especially clinical trials) are essential for gaining approval for marketing new medications and devices or new indications of existing products from regulatory agencies throughout the world.

India has one of the largest patient populations for most diseases with genetic diversity. Combined with the large pool of highly qualified medical practitioners in the country and with implementation of Good Clinical Practice (GCP) as per the International Conference on Harmonization (ICH) standards, it is attracting serious global interest as a site for clinical trials. As per the recent McKinsey report on clinical trials in India, it is estimated that the industry potential will grow to \$1 billion. This expectation has created a demand for more clinical research professionals.

These programs provide necessary training for graduate students in order to develop diverse careers as Clinical Research Associates (CRA), Medical Writers, Clinical Data Coordinators, Drug Development Associates, Business Development Managers, Clinical Project Manager, Clinical Research Manager, Regulatory Affairs Manager and Biostatisticians in Contract Research Organizations (CROs), pharmaceutical companies, government agencies or academia.

#### **Objectives:**

- Provide the students with the requisite knowledge that will enable them to pursue a career in the Clinical Research industry
- Give students in-depth training in both the theoretical and practical aspects of clinical research, regulatory affairs and clinical data management in the clinical research industry.

#### **Eligibility:**

(a) Graduate from a recognized University in Health Sciences MBBS / BDS / BAMS / BHMS / BUMS / BVSc / BSSM) OR  
(b) Graduate from a recognized University in Allied Health Sciences (BMLT / BScMLT / BPT / BMIT / BScMIT / BHIA / BScHIA / BOT/BSc (Sp & Hg) /BASLP/BSc Opt/Pharmacy (BPharm) OR  
(c) Graduate from a recognized University in Life Science (BioTech / Botany / Zoology / Microbiology / Chemistry) / Nursing / Home Science / Food and Nutrition.

#### **Program Credits:**

The student is required to earn a total of 64 Credits to complete the program. Eligible students will be required to take subjects with a minimum of 16 Credits per Semester comprising of compulsory subjects aggregating 12 Credits and 4 Credits from optional subjects. Therefore, other than compulsory subjects, students have to choose any two subjects, totaling 4 Credits from optional subjects to fulfill the total of 16 Credits required in each Semester. Exemption from optional subjects is provided to students based on specific eligibility criteria indicated in each Semester. Additional Application to be filled by the MScCRRA students is available on the website [www.smude.edu.in](http://www.smude.edu.in) under Forms & Application. This form needs to be attached along with the Main Application form.

Semester Fee: Rs.25,600/- per semester (inclusive of Exam Fee Rs.1,100/- & Alumni Fee Rs.100/-) or as revised from time to time, for 16 credits. In the case of exemption from any credits, the respective fee will be waived.

**Minimum Duration:** 1 year (2 semesters) for PGDCRRA; 2 years (4 Semesters) for MSc CRRA

**Maximum Duration:** 2 years (for PGDCRRA) and 4 years (for MSc CRRA)

**Minimum counseling and hands-on experience at Learning Centres:** 160 hours/semester

# Master of Science in Clinical Research & Regulatory Affairs\* (MScCRRA)

## Post Graduate Diploma in Clinical Research and Regulatory Affairs\* (PGDCRRA)

(Revised Fall 2009)

### Program Structure

First Semester		
Sub. Code	Title	Credits

MR0016	Review & Seminar	2
	Students have to choose any two subjects (total of 4 Credits) from optional subjects	
	<b>Total credits required in Semester</b>	<b>16</b>

# Exempted for graduates with BSc in Biotechnology / BSc in Microbiology.

\* Exempted for Health Science, Pharmacy, Nursing graduates.

### Post Graduate Diploma in Clinical Research and

#### Regulatory Affairs

After successful completion of first two semesters of MSc CRRA, if a student wishes to discontinue, such a student shall be awarded the Post Graduate Diploma in Clinical Research and Regulatory Affairs as an exit qualification.

### Provision for admission to third semester of MScCRRA:

The students who have successfully completed all the subjects of Diploma in Clinical Research and Regulatory Affairs (DCRRA) or Diploma in Clinical Research-Bioavailability and Bioequivalence (DCR-BA&BE) of Manipal University are eligible to seek admission to third semester of MScCRRA Program directly with Credit transfer facility. In order to have more details on credit transfer, please send an email to [smuhelpdesk@manipalu.com](mailto:smuhelpdesk@manipalu.com). For credit transfer pertaining to diploma/programs from other universities, the HOD shall review and decide on a case-by-case basis.

Third Semester		
Sub. Code	Title	Credits
MR0034	Pharmaceutical Analysis	2
MR0018	Botanicals, Food & Nutraceuticals	2
MR0019	Clinical Data Management-III	2
MR0020	Special Regulatory Processes	4
MR0021	Project: Protocols & Application	2
	<b>Total credits from compulsory subjects</b>	<b>12</b>

Lateral Entry Scheme .....	40
BScHCM .....	41
DHCM.....	41
ADHCM.....	42
PGDTTM.....	43

## Lateral Entry Scheme for SMU Programs

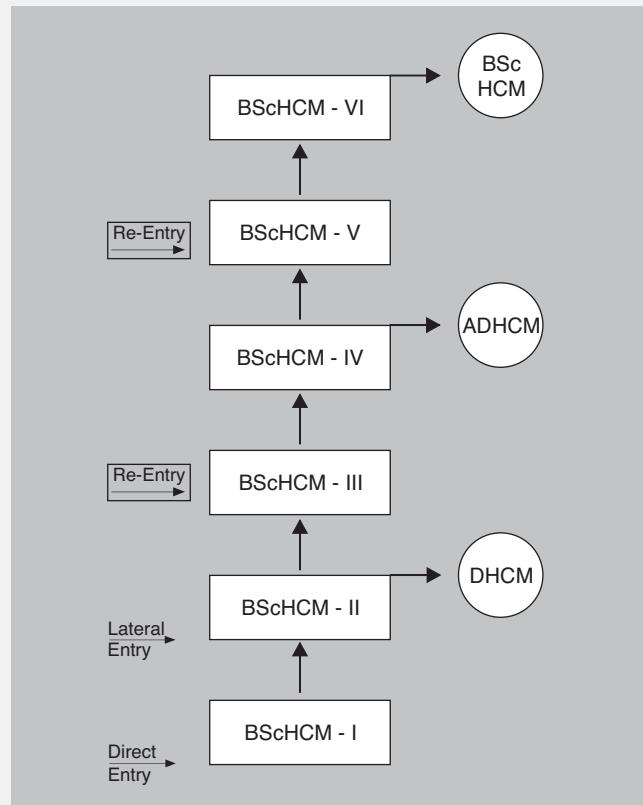

Most of the programs are designed for multiple entry and exit. The candidates can enrol for the programs based on basic qualification and lateral entry qualification.

**Basic qualification:** For graduation, basic qualification is 10+2 or equivalent. For post graduation, basic qualification is 3 year graduation or equivalent. The specific provisions are indicated under respective program headings.

**Lateral entry qualification:** Lateral entry is an opportunity given to a candidate having the basic qualification and previous qualification in the relevant field to enter a higher semester. However such students will be required to appear and qualify in the previous semesters / relevant papers.

Candidates may exit the program at any stage and will get the corresponding Diploma / PG Diploma based on the exit qualification. The various entry and exit points for all the programs applicable are illustrated graphically. The details of eligibility criteria and fees structure of lateral entries are indicated in respective program headings.

The Re-entry schemes indicated below are applicable only to the students of SMU-DDE.

The challenge to hospitality educators to meet the human resources development needs of the industry has become a vital issue. This program aims to meet the industry's need for competent Hospitality Managers. It focuses on the development of the technical and management skills required to generate integrated solutions to business problems in a wide range of operations. The program is developed for people wishing to develop their technical, professional and management expertise.

**Objectives:**

- Develop employable skills for pursuing a career in hospitality & catering and allied service industries
- Discharge technical, organisational and administrative duties efficiently relating to any of the operational and functional areas of Hospitality viz Production & Bakery, Food & Beverage Service, Front Office Operations and Accommodation Operations
- Perform supervisory, occupational and managerial functions at different service organisations
- Practice and improve professional skills through provision of various practical subjects and 'on-the-job training'
- Utilise latest trends and innovations in hospitality industry

**Eligibility:** 10+2 or equivalent / 3 year Diploma from a State Board of Technical Education.

**Semester Fee:** Rs.17750/- per semester (inclusive of Exam Fee Rs.1100/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum Duration:** 3 years (6 semesters)

**Maximum Duration:** 6 years

**Minimum Counseling and hands-on experience at Learning Centers:** 160 Hrs/semester.

**Program Structure**

First Semester		
Sub. Code	Title	Credits
HM0001	Introduction to Hospitality	2

HM0014	Food Safety & Nutrition	4
		<b>Total Cumulative Credits</b>
		<b>32</b>

**Diploma in Hospitality and Catering Management**

After successful completion of first two semesters of BScHCM, if a student wishes to discontinue the program, such a student shall be awarded the Diploma in Hospitality and Catering Management as an exit qualification.

# Bachelor of Science in Hospitality and Catering Management (BScHCM)

## Advanced Diploma in Hospitality and Catering Management (ADHCM)

(Revised Spring 2007)

### Provision for Re-entry into third semester of BScHCM:

**Eligibility:** DHCm of SMU (Revised Spring 2007)

**Semester Fee:** Rs.17,750/- per semester (inclusive of Exam Fee Rs.1,100/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 2 years (4 semesters)

**Maximum duration:** 4 years

**Note:** A maximum gap of one year is allowed for the student to get admitted under the scheme after completion of DHCm.

### Program Structure

Third Semester		
Sub. Code	Title	Credits
HM0015	Front Office Operations - II (Theory)	2
HM0016	Front Office Operations - II (Practical)	2
HM0017	Accommodation Operations - II (Theory)	2
HM0018	Accommodation Operations - II (Practical)	2
HM0019	Principles of Management	2
HM0020	Computer Applications	2
HM0021	Hospitality & Hotel Economics	2
HM0022	Business Statistics	2

Sixth Semester		
Sub. Code	Title	Credits
HM0035	Food & Beverage Management	4
HM0036	Sales & Marketing Management	4
HM0037	Travel & Tourism Management	2
HM0038	Cultural Heritage of India	2
Total Cumulative Credits		96

According to the World Tourism Organization (WTO), the number of international travels has risen to more than half a billion in a year, which means that, one out of every ten is a tourist. With rapid developments in the field of hospitality, transport and communications, the growth in tourism industry is likely to double in the next decade. The program imparts to the students professional education and training in various aspects of tourism. It provides them with opportunities to develop their managerial and analytical skills in order to meet the challenges of tourism at the national and global level.

### Objectives:

The program has the following objectives -

- Providing students with the requisite knowledge that will enable them to pursue a career in Travel and Tourism industry.
- Enabling students to acquire an integrated outlook of the subject and to cater to the needs of the industry.
- Facilitating know how regarding changing trends in Travel and Tourism.

**Eligibility:** 3 year Graduation.

**Semester Fee:** Rs.11,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum Duration:** 1 year (2 semesters)

**Maximum Duration:** 2 years

**Minimum Counseling and hands-on experience at Learning.**

**Centres:** 160 Hrs/semester.

### Program Structure

First Semester		
Sub. Code	Title	Credits
TM0001	Basics of Tourism Industry	2
TM0002	Communication in Tourism	2
TM0003	Personality Development	2
TM0004	Principles of Management	2
TM0005	Basics of Air Travel & Aviation	4
TM0006	Travel Agency & Tour Operations	2
TM0007	Cultural Heritage of India	2
Total Cumulative Credits		16

### Second Semester

Sub. Code	Title	Credits
TM0008	Geography & Tourism	2
TM0009	Tourism Products	4
TM0010	French Language	2
TM0011	Tourism Finance	2
TM0012	Forex Management	2
TM0013	Professional Elective*	4
Total Cumulative Credits		32

### Professional Elective\* - Choose any one of the following:

TM1301	Air Ticketing & CRS
TM1302	Hotel & Restaurant Administration
TM1303	Transport Management
TM1304	Public Relations & Advertising

# Lateral Entry Scheme for SMU-DE Programs

Most of the programs are designed for multiple entry and exit. The candidates can enrol for the programs based on basic qualification and lateral entry qualification.

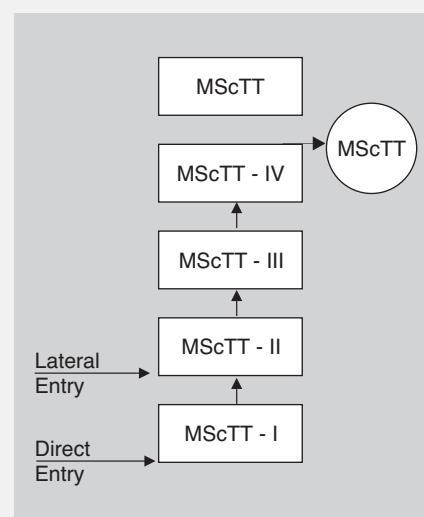

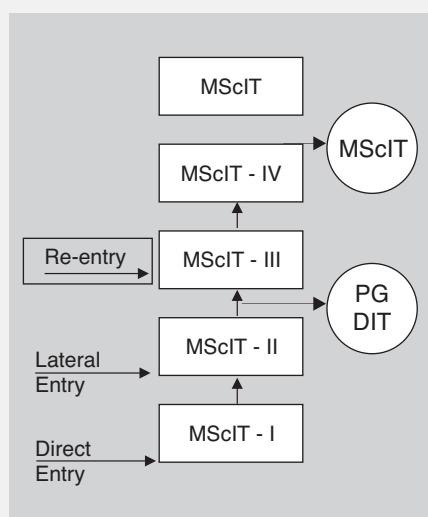

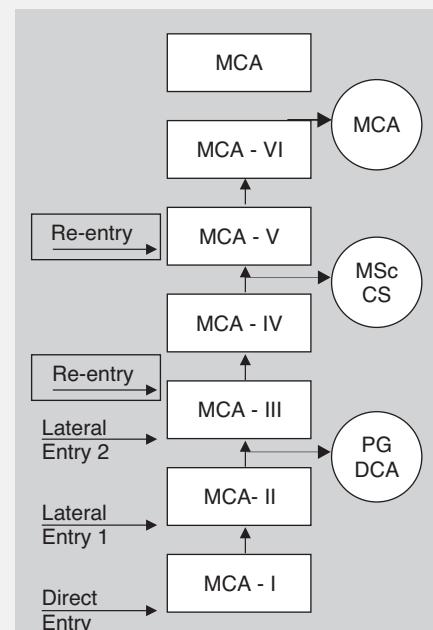

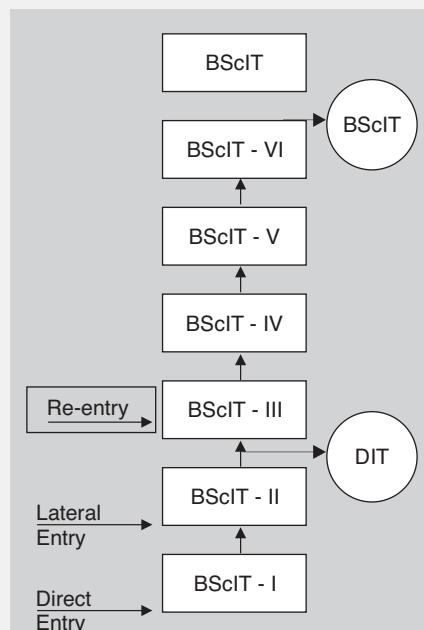

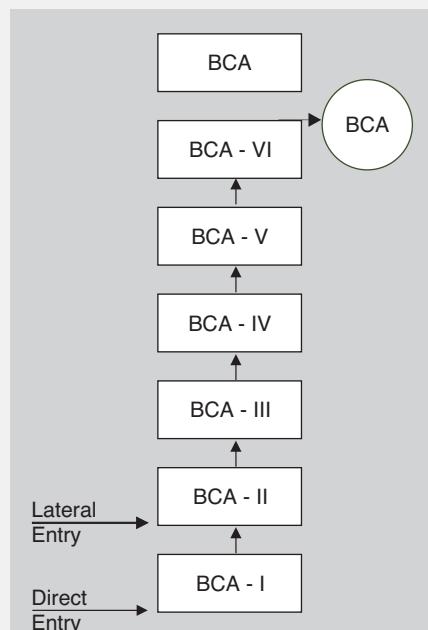

**Basic qualification:** For graduation, basic qualification is 10+2 or equivalent. For post graduation, basic qualification is 3 year graduation or equivalent. The specific provisions are indicated under respective program headings.

**Lateral entry qualification:** Lateral entry is an opportunity given to a candidate having the basic qualification and previous qualification in the relevant field to enter a higher semester.

However such students will be required to appear and qualify in the previous semesters / relevant papers.

Candidates may exit the program at any stage and will get the corresponding Diploma / PG Diploma based on the exit qualification. The various entry and exit points for all the programs applicable are illustrated below graphically. The details of eligibility criteria and fees structure of lateral entries are indicated under respective program headings.

**The Re-entry schemes indicated below are applicable only to the students of SMU-DE.**

The design and implementation of BScIT offers new challenges when compared to the traditional computing environment. The recent emergence of global business, new technologies for data processing and data communication / networking environment, equip specialized science graduates to focus on professional careers in Information Technology.

The BScIT program has been developed to provide the students with adequate theoretical and practical knowledge which will enable them to effectively participate in solving the complex problem of the IT industry.

The Diploma program will prepare the candidates to advance, and to support positions such as administrative assistants, executive secretaries or office administrators in various large corporate and banking sectors. The program will equip the candidates in the areas of information processing, report writing, presentations, executive secretarial support, handling the database and understanding the system analysis and design in management. SMU's IT programs intend to equip graduates with the knowledge and skills required to contribute to the vital area of Information Technology.

**Primary objectives of this program:**

- Imparting knowledge of computer and programming logic environment in IT.
- Knowledge of advanced IT applications in different business sectors.
- To equip students with the technical knowledge required for an IT professional to handle multi-tasking and multi-programming situations and to assess and develop computer based solutions.

**Eligibility:** 10+2 or equivalent / 3 year Diploma from a State Board of Technical Education.

**Semester Fee:** Rs.10,450/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 1 year (2 semesters) for DIT; 3 years (6 semesters) for BScIT.

**Maximum duration:** 2 years for DIT; 6 years for BScIT.

**Minimum counseling and hands-on experience at Learning Centres:** 200 hrs/semester.

**Program Structure**

First Semester		Credits
Sub. Code	Title	
BT0062	Fundamentals of IT	4
BT0063	Mathematics for IT	4
BT0064	Logic Design	4
BT0065	C Programming and Data Structures - Theory	3
BT0066	Database Management System	3
BT0067	C Programming and Data Structures - Practical	2
Total Cumulative Credits		20

**Provision for lateral entry to second semester of BSc IT:**

**Eligibility:**

- (a) 10+2 and Six months Computer Course from a reputed institution\*. OR
- (b) 3 year Diploma in CS or ECE or IT from a State Board of Technical Education. OR
- (c) 3 year Diploma from a State Board of Technical Education and six month computer course from a reputed institution\*.

**Additional Fees:** In addition to the regular fees, an additional lateral entry fee of Rs.3,800/- (inclusive of examination fees) is payable by students opting for this scheme.

**Note:** In this Lateral Entry Scheme, students have to appear and pass the First Semester Examination. Books of First semester will be supplied by the University and Internal Assessment will be completed at the Learning Centre.

# Bachelor of Science in Information Technology (BScIT)

## Diploma in Information Technology (DIT)

(Revised spring 2009)

Second Semester

BT9303	Design Patterns	BT9403	Virtual Reality

Fast growing information technology and communication systems have become critical components of almost every company's strategic plan. Companies which want to take advantage of the new information technologies and communication systems require expert professionals, who can apply computer science principles to solve problems produced by the interface between business and technology. This is an undergraduate program where students are exposed to various areas of computer applications including the latest developments in the industry.

### Objectives:

- Demonstrating sound knowledge in key areas of computer science or industrial computing.
- Demonstrating a substantial understanding of concepts in key areas of computer science.
- Carrying out the required analysis and synthesis involved in computer systems, information systems and computer applications.
- Demonstrating professional competence in developing software and in its design and implementation.
- Developing sound practical skills in order to address problems which arise from computer systems and applications.
- Demonstrating sound presentation and communication skills, which are required in the computer industry. After completion of the program, students of high academic standard shall be capable of competing for employment in a chosen professional area and pursuing career development in that area.

**Eligibility:** 10+2 or equivalent / 3 year Diploma from a State Board of Technical Education.

**Semester Fee:** Rs.10,450/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 3 years (6 semesters)

**Maximum duration:** 6 years

**Minimum counseling and hands-on experience at Learning Centres:** 200 hrs/semester.

### Program Structure

First Semester		Credits
Sub. Code	Title	
BC0032	Communication Skills	4
BC0033	Basic Mathematics	4
BC0034	Computer Concepts and C Programming	4
BC0035	Computer Fundamentals	4
BC0036	Digital Systems	4
Total Cumulative Credits		20

### Provision for lateral entry to second semester of BCA :

#### Eligibility:

(a) 10+2 or equivalent / 3 year Diploma from a State Board of Technical Education and six month computer course from a reputed institution \*. OR

(b) 3 year Diploma in IT/CS from a State Board of Technical Education

**Additional Fees:** In addition to the normal fees, an additional lateral entry fee of Rs.3,800/- (inclusive of examination fees) is payable by students opting for this scheme.

**Note:** In this lateral entry scheme, students have to appear and pass the first semester examination. Books of first semester will be supplied by the University and internal assessment will be completed at the Learning Centres.

### Second Semester

Sub. Code	Title	Credits
BC0037	Object Oriented Programming using C++	4
BC0038	Data Structures using C	4
BC0039	Discrete Mathematics	4
BC0040	Computer Organization and Architecture	4
BC0041	Fundamentals of Database Management	4
Total Cumulative Credits		40

### Third Semester

Sub. Code	Title	Credits
BC0042	Operating Systems	4
BC0043	Computer Oriented Numerical Methods	4
BC0044	Accounting and Financial Management	4
BC0045	Structured System Analysis and Design	4
BC0046	Microprocessor (8085, 8086 & 8087)	4
Total Cumulative Credits		60

## Bachelor of Computer Applications (BCA)

### Fourth Semester

Sub. Code	Title	Credits
BC0047	Java Programming	4
BC0048	Computer Networks	4
BC0049	Software Engineering	4
BC0050	Oracle and Distributed Databases	4
BC0051	System Software	4
Total Cumulative Credits		80

### Sixth Semester

Sub. Code	Title	Credits
BC0057	Object Oriented Analysis & Design	4

BC5901	Artificial Intelligence
BC5902	Image Processing

The world has become a small village due to the revolution in Information Technology. It has affected almost all walks of life - be it business, education, entertainment services and healthcare.

This program is designed to produce a dynamic breed of computer professionals with excellent managerial skills. Emphasis is given to in-depth studies of numerous application-oriented subjects, covering various methodologies to develop software products efficiently by utilizing advance networking technologies and application software. MCA is a program of 6 semesters with the provision of multiple exit degree system. Depending on the qualifications & conditions specified, different options are presented here.

**Objectives:**

- Providing specialization in computer science with technical, professional and communication skills.
- Train future industry professionals.

**Eligibility:** 3 year Graduation.

**Semester Fee:** I & II Semester: Rs .11,700/- per semester, III, IV, V and VI semester: Rs.12,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 1 year (2 semesters) {for PGDCA}; 2 years (4 semesters) {for MScCS}; 3 years (6 semesters) {for MCA}.

**Maximum duration:** 2 years {for PGDCA}; 4 years {for MScCS}; 6 years {for MCA}.

**Minimum counseling and hands-on experience at Learning Centres:** 200 hrs/semester.

**Program Structure**

First Semester		
Sub. Code	Title	Credits
MC0061	Computer Programming "C Language"	4
MC0062	Digital Systems, Computer Organization & Architecture	4
MC0063	Discrete Mathematics	4
MC0064	Basic Web Development (Internet, HTML, Stylesheets & Basics of Multimedia)	4
MC0065	Financial Management & Accounting	4
		<b>Total Cumulative Credits</b>
		<b>20</b>

**Provision for lateral entry to the second semester of MCA / MSc CS:**

**Eligibility:** 3 year graduation and six month Computer course from a reputed institution \*.

**Additional Fees:** In addition to the normal fees, an additional lateral entry fee of Rs.3,800/- (inclusive of examination fees) is payable by the students opting under this scheme.

**Note:** In this Lateral Entry Scheme, students have to appear and pass the First Semester Examination. Books of First semester will be supplied by the University and Internal Assessment will be completed at the Learning centre.

Second Semester		
Sub. Code	Title	Credits
MC0066	OOPS Using C++	4
MC0067	Database Management System (DBMS and Oracle 9i)	4
MC0068	Data Structures Using C	4
MC0069	System Analysis & Design (SAD)	4
MC0070	Operating Systems with Unix	4
		<b>Total Cumulative Credits</b>
		<b>40</b>

**Post Graduate Diploma in Computer Applications**

PGDCA is an initiation program for students who want to become skillful and knowledgeable IT professionals. The program gives fundamental knowledge of computers, operating systems, internet, computational techniques, file & data structure and the core of programming. After successful completion of the first two semesters of MCA, if a student wishes to discontinue the program, such a student shall be awarded the Post Graduate Diploma in Computer Applications as an exit qualification.

**Provision for Re-entry to third semester of MCA/MScCS:**

**Eligibility:** PGDCA of SMU ( Revised Fall 2007)

**Semester Fee:** Rs.12,700/- per semester (inclusive of Exam Fee Rs .800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 2 years (4 semesters)

**Maximum duration:** 4 years

**Note:** A maximum gap of one year is allowed for the student to get admitted under this scheme after completion of PGDCA.

# Master of Computer Applications (MCA)

## Master of Science in Computer Science (MScCS)

(Revised Fall 2007)

### Provision for lateral entry to the third semester of MCA / MSc CS:

#### Eligibility:

- (a) BCA / BSc (IT / CS / AIT) / BE in (IT / CS / E&C / E&E) / BTech in (IT / CS / E&C / E&E) from a recognized University. This category is not eligible for exit qualification for MScCS. OR
- (b) 3 year graduation with PGDCA/PGDIT or equivalent from a recognized University/successful completion of A level course (Computers) from DOEACC after graduation. OR
- (c) 3 year graduation with 2 year diploma from CMC/ ET&T/NIIT/APTECH / 2 years Advanced Diploma in IT from Centre for Electronic Design and Technology of India (CEDTI).

#### This category is not eligible for exit qualification for MScCS.

**Additional Fees:** In addition to the normal fees, an additional lateral entry fee of Rs.3,800/- (inclusive of examination fees) is payable by the students opting under this scheme.

**Note:** In this Lateral Entry Scheme, students have to appear and pass the Second Semester Examination. Books of second semester will be supplied by the University and Internal Assessment will be completed at the Learning centre.

Third Semester		
Sub. Code	Title	Credits
MC0071	Software Engineering	4
MC0072	Computer Graphics	4
MC0073	System Programming	4
MC0074	Statistical & Numerical Methods using C++	4
MC0075	Computer Networks	4
<b>Total Cumulative Credits</b>		<b>60</b>

Fourth Semester		
Sub. Code	Title	Credits
MC0076	Management Information Systems	4
MC0077	Advanced Database Systems	4
MC0078	Java Programming	4
MC0079	Computer Based Optimization Methods (Statistics / Applied OR)	4
MC0080	Analysis & Design of Algorithms	4
<b>Total Cumulative Credits</b>		<b>80</b>

### Master of Science in Computer Science

After successful completion of the first four semesters of MCA, if a student wishes to discontinue the program, such a student shall be awarded the Master of Science in Computer Science as an exit qualification.

### Provision for Re-entry to fifth semester of MCA:

**Eligibility:** MScCS of SMU (Revised Fall 2007)

**Semester Fee:** Rs.12,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 1 year (2 semesters)

**Maximum duration:** 2 years

**Note:** A maximum gap of one year is allowed for the student to get admitted under this scheme after completion of MScCS.

**The students have to surrender MScCS certificate, in case of re-entry to MCA program.**

Fifth Semester		
Sub. Code	Title	Credits
MC0081	. (DOT) Net Technologies	4
MC0082	Theory of Computer Science	4
MC0083	Object Oriented Analysis & Design using UML	4
MC0084	Software Project Management & Quality Assurance	4
MC0085	Advanced Operating Systems (Distributed Systems)	4
<b>Total Cumulative Credits</b>		<b>100</b>

Sixth Semester		
Sub. Code	Title	Credits
MC0086	Digital Image Processing	4
MC0087	Internetworking with TCP/IP	4
MC0088	Data Mining	4
MC0089	Project	8
<b>Total Cumulative Credits</b>		<b>120</b>

The MSc-IT program is aimed at designing and implementing advanced traditional computing environment. IT architecture is an integrated framework for acquiring and evolving IT to achieve strategic goals. It has both 'logical' and 'technical' components. The logical components include mission, functional and informational requirements, system configurations, and information flows. The technical components include IT standards and rules that will be used to implement the logical architecture. It therefore includes both computing and communication network technology in the same world.

**Objectives:**

- To equip postgraduate students with an integrated set of skills that will allow them to develop their professional careers in Information Technology.
- To equip students with the theoretical and practical knowledge that is necessary to enable them to understand the design of complex computer applications/science.
- To prepare students to embrace future developments in the field and has a demonstrated professional relevance.
- To acquire the latest skills and build their future capabilities using world-class technology.

At the end of this program, the student will possess a strong foundation of computer systems and information technology.

- Dexterity in advanced programming languages; power to build sophisticated software for wide area of applications.
- To acquire skills to work with higher end applications in internet technologies; also managerial ability to analyze, design, develop and to maintain software development.

**Eligibility:** 3 year Graduation.

**Semester Fee:** Rs.10,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 2 years (4 semesters)

**Maximum duration:** 4 years

**Minimum Counseling and hands-on experience at Learning Centres:** 160 hrs/semester.

**Program Structure**

<b>First Semester</b>		<b>Credits</b>

The revolutionary changes sweeping through the telecommunications industry have a direct impact on almost every business decision made today. Every major corporate in India, be it domestic or multinational, is viewing the telecom sector as a potential profit earner in the future. The rapidly changing nature of telecom technology calls for highly competent and up-to-date trainers-a most challenging task.

The first and the second semesters of MScTT aim at preparing a graduate to acquire the fundamental knowledge of telecom, networking and IT. Students will be exposed to the latest trends in programming languages and RDBMS.

The third and fourth semesters of MScTT are focused on the core telecommunication subjects, which will help learners to excel in telecom field.

### Objectives:

- To develop strong technical competence in modern IT practices in telecom field.
- To impart programming and database handling skills and provide exposure to the latest trends in programming.
- Learn the characteristics of human speech and the generation of electrical signals in modern telephone.

**Eligibility:** 3 year Graduation.

**Semester Fee:** Rs.11,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 2 years (4 semesters)

**Maximum duration:** 4 years

**Minimum Counseling and hands-on experience at Learning Centres:** 160 hrs/semester.

### Program Structure

## Lateral Entry Scheme for SMU-DE Programs

Most of the programs are designed for multiple entry and exit. The candidates can enrol for the programs based on basic qualification and lateral entry qualification.

**Basic qualification:** For graduation, basic qualification is 10+2 or equivalent. For post graduation, basic qualification is 3 year graduation or equivalent. The specific provisions are indicated under respective program headings.

**Lateral entry qualification:** Lateral entry is an opportunity given to a candidate having the basic qualification and previous qualification in the relevant field to enter a higher semester. However such students will be required to appear and qualify in the previous semesters / relevant papers. Candidates may exit the program at any stage and will get the corresponding Diploma / PG Diploma based on the exit qualification. The various entry and exit points for all the programs applicable is illustrated below graphically. The details of eligibility criteria and fees structure of lateral entries are indicated in respective program headings. Re-entry scheme indicated is applicable only to the students of SMU-DDE.

The BBA program is directed at preparing participants for the challenges of supervisory and middle-level management positions in the public or private sector. The program blends the three core disciplines of management, communication and information systems into a balanced program providing the contemporary manager with effective skills. In addition, the program offers general business programs to broaden the prospective manager's knowledge base.

**Objectives:**

- To provide the initial grounding in general management field.
- To have a birds' eye view of all managerial function.
- To prepare for an entry level personnel in a basic managerial role.
- To provide the grounding for taking up an MBA program.
- To lay a strong foundation in communication, technology and business understanding.

# Bachelor of Business Administration in Retail Operations (BBARO)

India's retail sector is valued at US\$ 300 billion with a consumer base of 1.2 billion people. Major global retailers are also looking at setting up operations in India to capitalize on this large consumer base.

The mass retail store has come to stay as a viable business model. It has overcome its initial period of doubt and uncertainty and created a firm business space. It has also emerged as a major employment provider both direct and indirect.

With the kind of growth it has entered into, it was imperative to provide learning opportunities to develop knowledge and skills which will immediately help in bridging the skill gap and also cater to the growing demand from this industry.

SMU offers a Bachelors program in Retail Operations which encompasses an appropriate mix of academic and professional skills development, required by the retail industry.

## Program Structure

First Semester		
Sub. Code	Title	Credits
CA0001	Marketing	4
CA0002	Organizational Behavior	2

## Post Graduate Diploma in Business Administration (PGDBA)

(Revised Spring 2010)

The phenomenal growth being experienced by the manufacturing and services sectors and with globalization of markets, these sectors are increasingly looking at employing skills which require a knowledge of management principles and with managerial capability. There has also been considerable progress and advancement in management tools and techniques. SMU has therefore designed and developed a Post Graduate Diploma in Business Administration to cater the needs of professionals. This program will provide a foundation in essential management principles, supported by multi functional knowledge with the ability to apply, adapt and integrate these skills in different management settings.

### Objectives:

The PGDBA Program aims to improve the students' capability to manage in a business environment. On completion of the program, students are expected to have acquired:

- A systematic approach to identification of business problems and their solutions.
- The ability to make competent decisions.
- Effective communication skills.
- Provide the necessary impetus to grow in an existing organization
- To equip oneself with skills to change to a better career in a growing market.

### Eligibility:

3 year Graduation.

Semester Fee: Rs.11,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 1 year (2 semesters).

**Maximum duration:** 2 years.

**Minimum Counseling and hands-on experience at Learning Centres:** 180 hrs/semester.

**Note:** After successful completion of PGDBA program, the student will be eligible for Re-entry to III semester of MBA (Revised Spring 2010).

### Program Structure

First Semester		
Sub. Code	Title	Credits
MB0038	Management Process and Organization Behavior	4
MB0039	Business Communication	4

MB0041	Financial and Management Accounting	4
MB0042	Managerial Economics	4
MB0043	Human Resource Management	4
		<b>Total Cumulative Credits</b>
		<b>24</b>

### Second Semester

Sub. Code	Title	Credits
MB0044	Production and Operations Management	4
MB0045	Financial Management	4
MB0046	Marketing Management	4
MB0047	Management Information System	4
MB0048	Operations Research	4
MB0049	Project Management	4
		<b>Total Cumulative Credits</b>
		<b>48</b>

**Objectives:**

- To attract students who have either completed a post graduate program in general management, or may wish to specialize further, following completion of an MBA.
- To open up more career opportunities to these potential students.
- To give students the option of studying further, while on the job.
- To provide in-depth theoretical and practical knowledge in the area of specialization.

**Eligibility:** An MBA degree from a recognized University, or an equivalent of a two-year Post Graduate Diploma in Business Management from an AICTE approved institution. Students who have completed the SMU MBA degree in the past are also eligible to pursue this program, should they wish to acquire a post graduate diploma qualification in an added area of specialization.

**Semester Fee:** Rs.11,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 1 year (2 semesters)

**Maximum duration:** 2 years

**Minimum Counseling and hands-on experience at**

**Learning Centres:** 160 hrs/semester.

**Exemptions:** Students who have completed the SMU MBA degree (Revised Fall 2007) may be exempted from taking the core subjects offered in the first and second semesters of the PG Diploma, since they would have taken these as a part of the MBA program.

**Program Structure**

First Semester Core Subjects + Specialization Subjects		
Sub. Code	Title	Credits
MB0034	Research Methodology	3
MB0035	Legal Aspects of Business	3
	4 Subjects in area of Specialization (2 credits each)	8
	Begin Project work*	4

# Master of Business Administration (MBA)

(Revised Spring 2010)

The Master of Business Administration (MBA) is an integrated program designed to provide an advanced program in management for those seeking managerial positions in industry, commerce and services. The core subjects are aimed at developing knowledge and skills in fundamental management disciplines. The program also involves participation in group work with students from diverse backgrounds and is aimed at improving the decision making abilities of the participants in management related areas.

## Objectives:

### The program aims at realizing the following objectives:

- To provide a strong theoretical and practical foundation for a managerial position
- To imbibe an updated perspective on the changes taking place in the corporate sector
- To promote an inquiry based learning
- To promote a self learning platform such that the motivation continues even after the program is completed
- To equip students with the latest in terms of technology based learning system
- To provide the industry with the most employable people at specific levels of management

**Eligibility:** 3 year Graduation.

**Semester Fee:** Rs.11,700/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 2 years (4 semesters)

**Maximum duration:** 4 years

**Minimum Counseling and hands-on experience at Learning Centres:** 180 hrs/semester.

Students are required to take six subjects in each of the first two semesters. In each of the third and fourth semesters, there will be two compulsory papers and four papers of the specialization selected by the student. There will also be a project in the area of specialization. The specialization should be selected by the student while reregistering for the third semester. Students will be permitted only one specialization.

## Program Structure

First Semester		
Sub. Code	Title	Credits
MB0038	Management Process and Organization Behavior	4
MB0039	Business Communication	4
MB0040	Statistics for Management	4
MB0041	Financial and Management Accounting	4
MB0042	Managerial Economics	4
MB0043	Human Resource Management	4
Total Cumulative Credits		24

## Provision for lateral entry to second semester of MBA:

### Eligibility:

(a) BBA / BBM from a recognized University OR  
 (b) 3-year Graduation with PGDBA from AICTE recognised institution OR  
 (c) 3-year Graduation with 6 month Management Diploma from an institution and minimum 1 year managerial / supervisory experience in reputed organization thereafter OR  
 (d) 3-year Graduation and minimum 3 year managerial / supervisory experience in a reputed organization thereafter OR  
 (e) MBBS / BDS / B.PHARM / BHMS / BAMS / BUMS / BSSM / BVSc / 4 year graduation in Allied Health Science / Life Science graduates from a recognized University.

**Additional Fees:** In addition to the normal fees, an additional lateral entry fee of Rs.3,800/- (inclusive of examination fees) is payable by students opting for this scheme.

**Note:** In this lateral entry scheme, students have to appear and pass the first semester examination. Books of first semester will be supplied by the University and internal assessment will be completed at the Learning Centre.

## Second Semester

Sub. Code	Title	Credits
MB0044	Production and Operations Management	4
MB0045	Financial Management	4

Lateral Entry Scheme .....	70
BAJM.....	71
BScAFD.....	72
MAJM.....	74

## Lateral Entry Scheme for SMU Programs

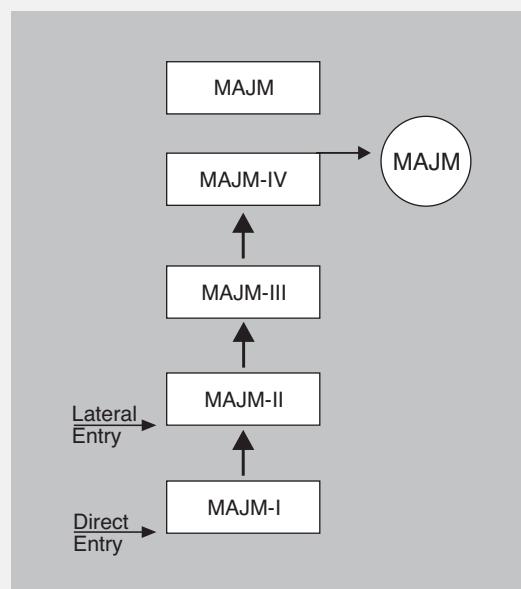

Most of the programs are designed for multiple entry and exit. The candidates can enrol for the programs based on basic qualification and lateral entry qualification.

**Basic qualification:** For graduation, basic qualification is 10+2 or equivalent. For postgraduation, basic qualification is 3 year graduation or equivalent. The specific provisions are indicated under respective program headings.

**Lateral entry qualification:** Lateral entry is an opportunity given to a candidate having the basic qualification and previous qualification in the relevant field to enter a higher semester. However, such students will be required to appear and qualify in the previous semesters / relevant papers.

Candidates may exit the program at any stage and will get the corresponding Diploma / PG Diploma based on the exit qualification. The various entry and exit points for all the program applicable is illustrated graphically. The details of eligibility criteria and fees structure of lateral entries are indicated in respective programs headings.

# Bachelor of Arts in Journalism and Mass Communication (BAJM)

(Revised Fall 2009)

The program leading to the award of Bachelor of Arts in Journalism and Mass Communication (BAJM) is propped with updated examples, case studies, and media resources. This program imparts comprehensive training to aspirants in the communication forte, keeping pace with recent developments in all spheres of mass media. Completion of this program would open vistas for fulfilling careers in specialized media platforms:

Micro-blogging / Web-Advertising / Digital Public Relations / Web casts / Photojournalism / Print Media / Event Management / Corporate Communication / TV Production, and also opportunities as media correspondents across diverse industry verticals.

### Objectives:

- Empowering students with practical know-how so as to enable them to pursue a successful career in Journalism and Mass Media.
- Facilitating up-to-date coverage of the latest political, economic, technological, and cultural issues affecting media industries in the scenario of convergence.
- Enabling students to examine the current forces shaping the creation, distribution and exhibition of media content.
- Providing extensive knowledge as regards the impact of emerging trends in media on society, from nano animatronic paparazzi to social networking to the latest surge in dot-com journalism.

**Eligibility:** 10+2 or equivalent / 3 year Diploma from a State Board of Technical Education.

**Semester Fee:** Rs.9,950/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 3 years (6 semesters).

**Maximum duration:** 6 years.

**Minimum Counseling and hands-on experience at Learning Centre:** 160 hrs/semester.

### Program Structure

First Semester		
Sub. Code	Title	Credits
BJ0028	Fundamentals of Communication skills	2

## Master of Arts in Journalism and Mass Communication (MAJM)

This program is specially meant for candidates who aspire for a career in mass media and communication, and imparts training in print, radio, television, internet and corporate communication. Throughout the program, impetus will be placed on a critical approach to media and special attention will be given to communication research. In the final semester, students have the option of specializing in either television production or corporate communication.

### Objectives:

- To provide intensive theoretical and practical knowledge in various media professions ranging from the management of media organization to research.
- To provide an integrated perspective of media functioning along with a fair amount of exposure to technical know-how.
- To hone the student's analytical skills. Completion of this program would open vistas for fulfilling careers in various media like television production, corporate advertising, photography and related fields.

**Eligibility:** 3 year Graduation.

**Semester Fee:** Rs.11,200/- per semester (inclusive of Exam Fee Rs.800/- & Alumni Fee Rs.100/-) or as revised from time to time.

**Minimum duration:** 2 years (4 semesters).

**Maximum duration:** 4 years.

**Minimum counseling and hands-on experience at Learning Centres:** 160 hrs/semester.

### Program Structure

First Semester		
Sub. Code	Title	Credits
MJ0001	Internet and Media	2
MJ0002	Computer Fundamentals	2
MJ0003	Mass Communication	4
MJ0004	Reporting and Editing	4
MJ0005	Media Laws and Ethics	4
Total Cumulative Credits		16
