

Nakasahod na si PNoy

Dahil binata ang Pangulo umabot sa P32,000 kinaltas sa kanyang buwanang sweldo na P95,000

Ni Cathy Yamsuan

NATANGGAP na ni Pangulong Aquino ang una niyang suweldo—kabuuang naiwi ay P63,000 na dumiretso sa bangko, ayon sa tagapagsalita niyang si Edwin Lacierda.

Walang maibigay si Lacierda na karagdagang detalye sa sahod ng Pangulo.

Tumatanggap ang Pangulo, na nanumpa sa tanggapan noong Hunyo 30, ng buwanang sahod na P95,000 o P1.14 milyon kada taon, hiwalay ang 13th-month pay.

Maipaliliwanag ng kanyang civil status ang malaking kaltas na P32,000 sa sahod ni G. Aquino. Bilang binata, hindi siya saklaw ng mga eksemptyong binibigay sa mga nagbabayad ng buwis na may anak.

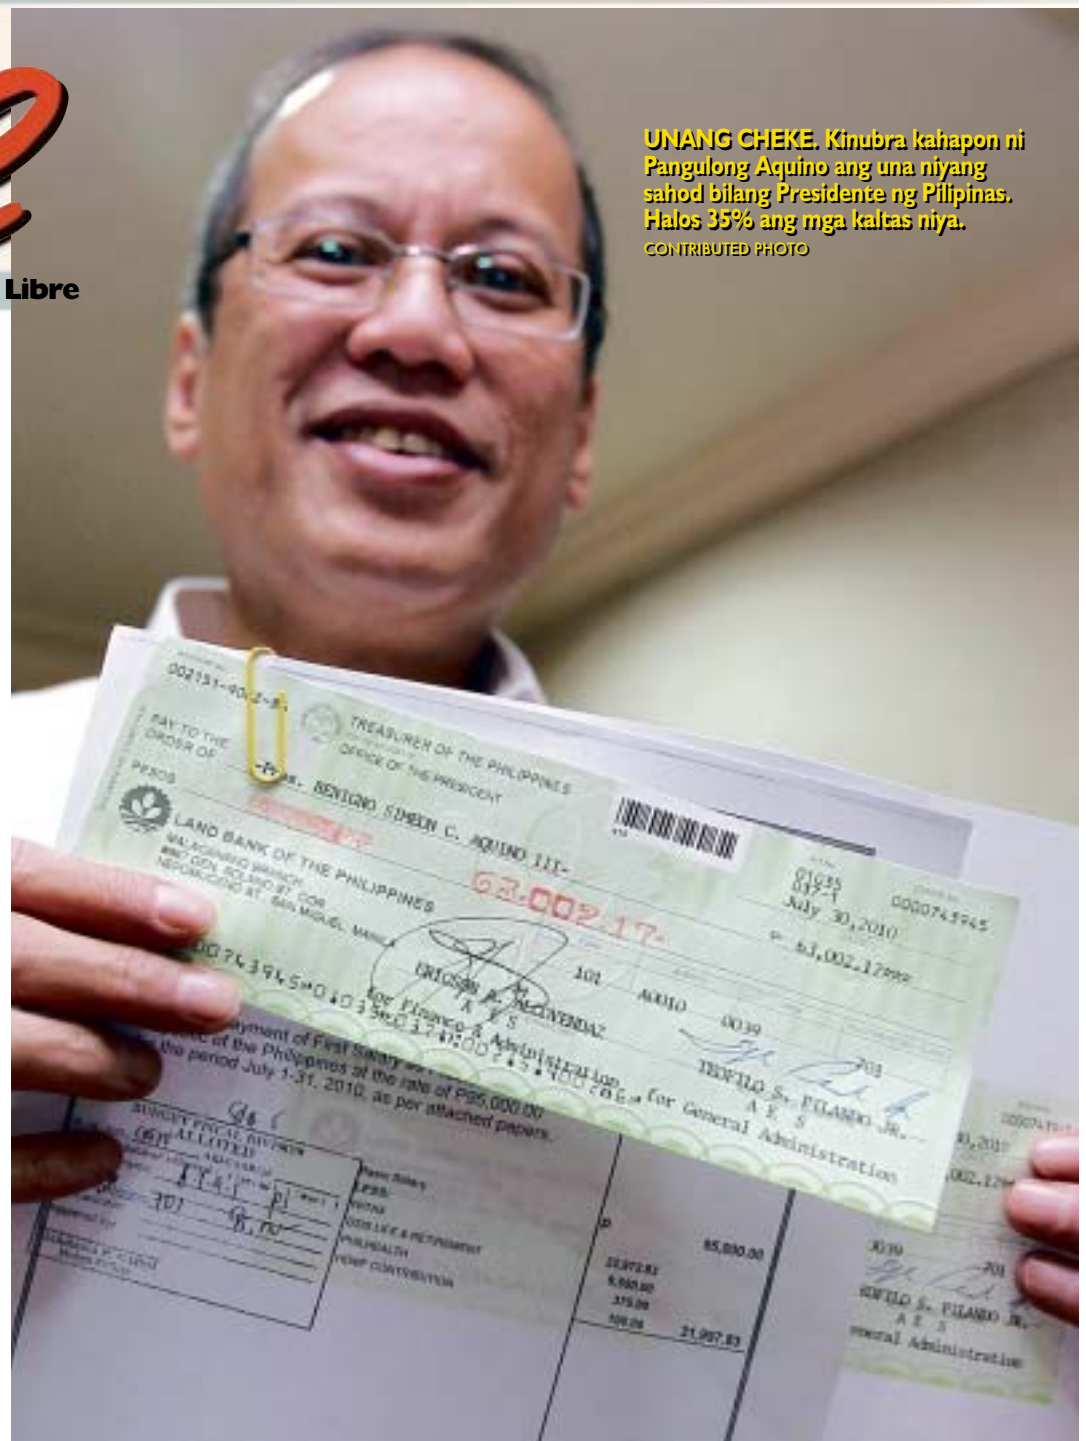

Sinabi ni Assistant Secretary Rey Marfil ng Presidential Communications Group na kabilang sa

kinaltas ang para sa PhilHealth, Government Service Insurance System at Bureau of Internal Revenue.

Sa ilalim ng Executive Order No. 900, na nilagdaan noong Hunyo 23 ng noon ay Pangulong Gloria Macapagal-Arroyo, tinaas sa P95,000 ang sahod ng Pangulo mula sa P57,750.

Iniutos sa EO ang pagtataas sa sahod ng mga manggagawang sibilyan at militar simula Hunyo 24.

Ang Pangulo ang may pinakamataas na salary grade (33) sa bukrasya. May humigit-kumulang na isang milyong manggagawa sa pamahalaan. *Inquirer Research*

UNANG CHEKE. Kinubra kahapon ni Pangulong Aquino ang una niyang sahod bilang Presidente ng Pilipinas. Halos 35% ang mga kaltas niya.

Kasunduan sa Luisita

Ibibigay ang 1,400 hektarya sa mga mangagawa

Ni Philip C. Tubeza

NARATING ng pamilya ni Pangulong Aquino ang isang kasunduan kung saan papipiliin ang mga nagwelgang manggagawa sa Hacienda Luisita Inc. (HLI) nito na panatilihin ang shares of stock sa korporasyon o makakuha ng piraso ng lupa mula sa katlo sa 6,500-ektaryang plantasyon na nakalaang ipamigay, ayon sa isang source sa HLI.

Maaaring mailatag nito ang anyo ng patakaran sa repormang pang-agrario ni G. Aquino. Sa State of the Nation Address niya noong Hulyo 26, hindi nabanggit ng Pangulo ang usaping ito na naging mitsa ng ilang henerasyong rebelyong komunista.

Ayon sa source na tumangging makilala, isang "agreement in

principle" ang narating sa isang unyon sa hacienda sa usapang nagsimula sa panahon ng pangangampanya sa halalang pampangulo. Hindi niya tinukoy kung aling unyon ito.

"This is a breakthrough settlement agreement," anang source, na nagsabing 1,400 ektarya lang, sa 6,500-ektaryang hacienda, ang ipamama-

hagi sapagkat katlo lang ng ng kabuuang sapi sa HLI ang saklaw ng sapi ng mga magsasaka.

"The farmers who choose to remain under the SDO would also receive a financial package but they will have to wait for developments because Luisita would undergo a rehabilitation program," anang source.

Ayon kay Lito Bais, acting president ng United Luisita Workers Union (Ulwu), pangunahing unyon sa plantasyon, wala siyang alam sa kasunduan. Ulwu ang nagdaos ng welga noong 2004 na naging marahas at nauwi sa pagkamatay ng 14 katao.

Pinawalang-bisa mga midnight appointment

INISYU ni Pangulong Aquino ang Executive Order No. 2 na bum-

abawi sa pagtatalagang ginawa ni Pangulong Gloria Macapagal-Arroyo ng Marso 11 at pagkatapos nito.

Saklaw din ng kautusan ang mga pagtatalagang ginawa bago ang nabanggit na petsa ngunit nagkabisa pagkatapos ng Marso 11, pagtatalaga para sa mga tanggapang nabakante lamang pagkatapos ng petsa, at pagtatalaga at promosyon na ginawa sa loob ng 45 araw bago ang halalan ng Mayo 10.

"The positions covered or otherwise affected are hereby declared vacant," saad

sa kautusan.

Ngunit nakasaad sa bahaging "whereas" ang eksemplasyon kay Chief Justice Renato Corona sa pagkaka-saklaw ng kautusan.

Sinabi ni Chief Presidential Legal Counsel Eduardo de Mesa kahapon na may natisod ang Malacañang na 977 pagtatalagang kaduda-dua. Ngunit hindi agad binigay ang pangalan ng mga tinalaga, kabilang ang mga undersecretary, assistant secretary at provincial agrarian reform officer.

Marso 11 ang unang araw ng pagbabawal sa pagtatalaga ng Pangulo. **NB**

Di nagpakita sa Palasyo mga opisyal ng PAL

HINDI sinipot ng pangasiwaan ng Philippine Airlines (PAL) ang pakikipagpuulong sa isang grupo ng mga pribadong piloto na inorganisa ng Malacañang upang maresolba ang pagkukulang ng mga magpapalipad sa mga Airbus A320 ng kumpanya.

Tinawag ni PAL president Jaime J. Bautista na "waste of time" ang makipagpuulong sa pangkat na umaangking sila ang kinatawan ng mga tumiwalag na piloto.

"The pilots who resigned have left the country already and the group that met with government [officials Tuesday night], they are not our pilots," sabi ni Bautista.

'Walking time bomb' congressman na

Ni Jhunnex Napallacan ng *Inquirer Visayas*

CEBU City—Sinabi ng mga abogado niyang "walking time bomb" siya dahil sa "severe" na sakit sa puso. Kaya pinahintulutan siya ng hukuman, sa kadahilanan panghumanitaryo, na lisanin ang bilangguan kahit walang piyansa sa kaso niyang parricide.

Anim na taon na ang nakalilipas mula noon, ngunit hindi pa rin naoperahan si cult leader Ruben Ecleo Jr., 55, at nagtanghal pa sa mga

rock concert at nagwagi ng puwesto sa Kongreso, bilang kinatawan ng Dinagat Island, sa halalan ng Mayo 10.

Ngayon, nais ng

mga taga-usig na maipit siyang mulu pagkatapos ng "taking his sweet time" at harapin ang paglilitis sa pagkamatay ng kabiyaq niyang si Alona Bacolod-Ecleo.

Ngunit sinabi ng mga abogado ni Ecleo na mga manggagamot lang ang makatutukoy sa kalagayan ng kalusugan nito.

Kinasuhan si Ecleo,

supreme leader ng Philippine Benevolent Missionaries Association (PBMA), sa pagkamatay ni Alona noong Enero 5, 2002. Nakatila sila noon sa Sitio Banawa, Barangay Guadalupe, sa lungsod na ito.

Natagpuan ang bangkay ni Alona sa loob ng isang garbage bag sa isang bangin sa Dalaguete, Cebu.

'Captain ball' itinurong namuno sa dayaan noong '04

ISANG "very influential person" ang nagmando sa operasyon ng militar na doktorin ang halalang pamangulo noong 2004, ayon sa isang senior military officer na nagbunyag ng detalye sa umano'y tangkang pandaraya sa dati niyang lugar ng pananagutan.

Ayon kay Rear Admiral Feliciano Angue, kasalukuyang kumander ng National Capital Region Command (NCRCom) ng Sandatahang Lakas, personal na inutos ng opisyal na

tinawag niyang si "Captain ball" ang pandaraya at pinagbantaan pa siya nang tumanggi siyang makiisa.

"For now I don't want to talk about personalities. When I testify [before the Philippine Truth Commission], I will reveal who this person is," ani Angue sa mga reporter sa isang panayam sa tangapan niya kahapon.

Nang pilitin pa, tugon niya: "When you are the captain ball, you are the head of the team. Take it from

there. When he gives an order, he will be followed. That's how powerful he was.

"He said, 'If you do not follow my order, you better find the farthest place of assignment from here.' After the elections, there was a threat of physical elimination.

"He was a very influential person. He personally went around to talk to people. He came to see me to give me a dressing down."

Si Angue ang overall commander sa Tawi-Tawi noong halalan ng

2004 bilang pinuno ng Naval Task Force 62.

Sinabi ni Angue na inutos ni "Captain ball" na sa halip na guro, mga sundalo ang dapat maging kasapi ng mga board of election inspectors.

'Domeng' lalong lumakas; storm signal itinaas

LUMAKAS ang Bagyong "Domeng" nang sumanib ito sa isang low pressure area na nabuo malapit sa Batanes, na nagtulak sa weather bureau na magtaas ng storm signal sa 19 lalawigan sa Bicol at Hilagang Luzon.

Nakasaad ito sa bulletin ng Philippine

Atmospheric, Geophysical, and Astronomical Services Administration (Pagasa) alas-5 ng hapon kahapon.

Ayon sa Pagasa, kumikilos is Domeng patungong Hilagang Luzon, may lakas ng hangang 65 kilometers per hour (kph) malapit sa mata at pagbugsong hanggang 80 kph.

Nasa 430 km silangan ng Batanes ang mata ng bagyong kumikilos 19 kph pakanluran.

Inaasahang tatama ang bagyo sa Hilagang Luzon ngayong araw. Sinabi ng Pagasa na na 40 km silangan ng Batanes ang bagyo ngayong hapon. *Kristine Alave*

Barkong pang-gera ng US Navy dumaong dito

DUMAONG sa Maynila kahapon para sa apatna-araw na pagdalaw ang USS Blue Ridge, flagship ng United States 7th Fleet.

Tinawag ni Capt. Rudy Lupton, commanding officer ng 19,609-toneladang warship, ang pagdaong

nila bilang "a continuation of the special and historic relationship" sa pagitan ng Estados Unidos at Pilipinas.

Bumubuo ang tinawagan ng "strong ties between our two peoples, including joint sacrifices during World War II, Korea, Vietnam

and the global war on terror," ani Lupton.

"My crew views our port call here truly as an honor and a privilege," aniya, sinabing hindi kaugnay ng pagdalaw nila ang umiinog na Chinese naval exercises sa South China Sea. *JEE*

'Jack & Jill' sa tunay na buhay

Ng Inquirer Entertainment staff

NAALALA ninyo ang *Jack and Jill* ni Mars Ravelo na pinagbidahan nina Lolita Rodriguez at Dolphy noong dekada '50 bilang lesbiana at baklang magkapatid?

Muli itong binuhay nina Nora Aunor and Dolphy, at kapagdaka nina Sharon Cuneta at Herbert Bautista.

Lumalabas na may tunay na buhay na *Jack & Jill*. May kapatid na bading ang magandang Reality Singer, na pinaghihinnaan ngayon na isang lesbiana.

Bigayan ng lahat

Matapos maiugnay kay Reality Hunk, sinisipat ngayon ni Rich Gay si Cute Graduate ng isang reality game show.

Tila seryoso si RG kay CG. Ibibigay kaya niyang lahat dito, maging ang katanyagang hindi pa nito nakakamit? Handa namang ibigay lahat ni CG kay RG—maging ang katawan niya, na minsan nang pinagdiskitahan

sa mga chikahan sa Internet.

Demonyita

Alam ni Controversial Star kung paano imbiyernahin si Pretty Sister. Sa kasagsagan ng talakan, sinigawan ni CS si PS: "Demonyo ka!"

Natigilan si PS, na isang debotong Kristiyano. Walang silbi ang pray-over kay CS!

Ay, praning!

Praning si Macho Star: Nabasa niya sa Facebook na sangkot sa kontrobersya ang Former Manager niya.

Kaya kahit lagpas hatinggabi na, tinawagan agad ni MS si Trusted Confidant upang itanong ang detalye. Nahimamasan si MS nang nalamang hindi siya sangkot sa intriga.

May pinanggalingan naman

COCO

ang kapraningan niya. Walang habas na tsinutsugi ni FM si MS, tulad nang sinumang dinispatsa.

Nawawalang Coco

Sa ika-50 kaarawan ni Cannes-winning director Bril-

lante Mendoza, kasama si Coco Martin sa mga naunang bumati. Ngunit nang nakita niya ang isang reporter, naglaho si Coco!

Marahil natakot siya kasi isa pang bisita ang nagtanong hinggil sa tsismis na nag-uugnay sa kanya kay *Dalaw* co-star Kris Aquino. "Wala 'yon," ani Coco sa isang kaibigan na nasa party din.

First rate

Nakamamangha si Cherie Gil, na gumaganap bilang Maria Callas sa *Master Class* ng Philippine Opera Company.

Batay ang Tony Award-winning play sa isang serye ng mga master class na binigay ni legendary opera diva Maria Callas sa Juilliard School of Music sa New York noong 1971 at 1972.

Suwabe ang pagganap ni Cherie saan man tignan—dapat na magbigay na rin siya ng mga master class sa lahat ng mga batang aktres sa Pilipinas ngayon. Oo, lahat.

Bongga si director Michael

Williams at ang buong cast.

Ito ang pangalawang pag-inog ng produksyon ng POC. Tinanghal si Cherie bilang Callas na Best Actress sa Best of Theater ng INQUIRER noong 2008.

Susunod na pagtatanghal sa Agosto 6, 7, 8, 12, 13 at 15 sa Carlos P. Romulo Auditorium, RCBC Plaza. Tumawag sa 892-8766 o 881-7168.

Regine takes lead in new indie film

By Bayani San Diego Jr.

SINGER-actress Regine Velasquez is making her first independently produced film under Panoramania and Dante Nico Garcia, the producer and filmmaker behind *Ploning*.

Garcia says the role is something new for Velasquez: "It's not a romantic comedy and she doesn't have a leading man." Velasquez agreed, saying, "I've never done anything like this. I always play women who are looking for love. But in Dante's movie, I'm a mother who's just trying to survive."

In the family drama titled *Mrs. Recto*, Velasquez plays a woman who sells fake diplomas and other forged documents in Manila's University Belt.

Garcia said Velasquez instantly expressed interest upon hearing the story. She

even volunteered to dub Garcia's "pitch video" for prospective investors. "We did it at her home recording studio," he said.

Shooting may start next month. Garcia previously directed Velasquez last year in a cameo for *OMG*, her boyfriend Ogie Alcasid's comedy film with Judy Ann Santos last year. "I hope Juday will guest in this film," Garcia said, "because it's set in 1994, the peak of one of her TV shows."

2 Mutya alumnae to host 2010 pageant

By Armin Adina

KIRBY Ann Basken and Samantha East returns to the Mutya ng Pilinas stage once again, this time not as representatives of the Filipino overseas communities but as hosts of the annual beauty spectacle.

Kirby was sent by the Filipinos in Norway to the 2006 pageant where she bagged the prestigious title. Samantha, on the other hand, represented the Canada-based Filipinos last year. She was proclaimed first runner up.

The two overseas-based beauties will bring to the Mutya ng Pilinas stage a wealth of experiences as seasoned models and hosts.

Kirby carried the Philippines' colors in the 2006 Miss Intercontinental pageant held in the Bahamas where she was one of the finalists.

At the homestretch of her reign as Mutya, she requested the organizers' permission to participate in the Miss Norway pageant that will take her to the 2007 Miss Universe pageant in

KIRBY

Mexico.

She gained the nod of Mutya organizers and eventually bagged the coveted title in her father's native land.

Since then, Kirby has been gracing magazine covers, print and television advertisements and fashion runways.

Kirby is currently the accredited pageant organizer of Mutya in Norway and Scandinavia.

Samantha, meanwhile, gives a different spin to the term "model

student" by engaging in modeling projects while studying radio and television arts at the Ryerson University in Toronto.

She is also a feature reporter for the Ryerson University Television News, and once interviewed former President Fidel Ramos for Minerva Studios, an independently-run Filipino channel in Canada.

Samantha is also the host of the Canadian TV program *7,000 Islands and More*, which features the Philippines' tourist attractions and the untapped beauty of its islands.

She has likewise hosted "Canada's Prettiest Filipinas" and "Binibining Pilipinas Canada," a title she clinched in 2006.

Kirby and Samantha will arrive in the Philippines early this month to prepare for the 2010 Mutya ng Pilinas coronation night on Aug. 28 at Resorts World Manila.

Losing a best friend and a lover

DEAR Joe,
I'm Rupert and a college student from a university in the u-belt. My best friend Noli has a wonderful wife named Lara.

It all started when Noli's job called for him to be away for less than two months so he told me to watch over his wife and his kid. When I said yes to him, I had this strange feeling for some reason.

Joe, during that time, I was beginning to like his wife and I was afraid that his absence would make it worst. While Noli was abroad my girlfriend and I incidentally broke up. I had a couple of drinks one time and guess who was there to comfort me? Yes it was Lara.

Noli heard about the break up thing and he knew that we were drinking with some close friends. Lara was drinking over Noli and I was drinking over my ex. I was her shoulder to cry on and vice versa. One night when she got drunk, we kissed. That was the start of the affair that changed my whole life.

Joe, we agreed that when Noli comes back, it would be over. We did what we're not supposed to do over and over until Noli came from abroad. When Noli was back in the country, I tried to break it up with Lara but she was hesitant. She was caught between two people she loved. I couldn't break up either because I was so emotionally attached to her.

Joe, Noli was so kind to me and treats me like a real brother. I can't look at him straight in the eye because of the guilt that I keep inside me. We kept our relationship hidden for almost two years until one evening, when Lara decided to drink for no reason when Noli was already sleeping. I came over and there the unexpected happened.

Noli caught us caressing each other. But instead of hitting me, he just told me to step out of his house. Lara wanted to leave Noli but I came to my senses and finally decided to leave and never look back.

Joe, their marriage almost got ruined because of our affair. But I heard that Noli has forgiven Lara and they are still together.

I'm happy for them, Joe, and I admire Noli for his angelic kindness. Because if it happened to another man, the outcome could have been fatal.

Love Notes

Joe D' Mango

www.lovenotes.com.ph

Joe, I lost a best friend and a lover. I still feel guilty for what happened. I can't do anything but accept being labeled as a home wrecker. So many questions are still left unanswered, does Lara still love me? Did that affair make me less of a man because I gave in to the temptation? Why is it that every time I try a new relationship it fails?

Please help me, Joe. It's been a year and a half since we parted but her thoughts are still haunting me. Joe, thanks for taking time in reading my letter more power to Love Notes.

Sincerely yours,
Rupert

DEAR Rupert,
Honestly, being tempted into an affair with Lara didn't make you less of a man. It was betraying your bestfriend that made you less of what you are.

Asking yourself if Lara still loves you means that you are still carrying an emotional baggage that you should have left behind a year and a half ago. This could probably be the reason why you fail in the relationships that you tried to get into.

Rupert, some of us miserably fall into the lure of consensual illicit affairs, because most of the time we resist to look at the bigger picture just to satisfy ourselves.

Having an affair with your bestfriend's wife clearly shows

that you were just there to enjoy what you wanted without any consideration on the trust with which you and Noli have built your friendship upon. You have taken advantage of the vulnerability of Lara in the absence of her husband to suit your own desires.

You were able to succeed and even made her want you more than Noli but at what price—the loss of your friendship and the guilt that is still haunting you until now.

Rupert, the only way to find peace is to ask for forgiveness and learning to forgive yourself. We all make mistakes and hurt other people. But at the end of the day, the person who acknowledges his faults and asks for absolution is the one who is able to move on and reconcile with his conscience.

Rupert, remember that every-time you think of how Lara feels for you, you are actually reopening that book which should have been closed and burned a long time ago. Let your best friend and his wife live in peace. That is the least that you could do to make up for all the pain that you have caused them.

May we all realize that it is not the mistake that Lara or Rupert has committed that makes this story. The real lesson here is the lesson of love that Noli has faithfully and consistently showed.

Love does not seek revenge, nor does it keep a record of the wrong that we have done. Love is always kind. And most of all, love is always forgiving. No matter how deeply we have been hurt by the people around us, love will always be able to accept and forgive.

This is the greatest power of love. And this is what should give hope to all of us who have hurt and have been hurt by others because of love.

Diamon Simpson scored 10 of his 21 points in the first period as Alaska opened up double-digit leads early before getting almost everyone to contribute on both ends in the stretch as the Aces eliminated the Tropang Texters and advanced opposite San Miguel.

Game 1 of the championship series is scheduled tomorrow also at the Big Dome and Alaska will not have time to celebrate this stirring conquest of the most feared team in the tournament.

Tiwala si Ateneo coach Norman Black na magbubunyi ang kanyang mga manlalaro.

GINAMIT ng San Beda ang mabangis na second half upang katayin ang tulirong Arellano Chiefs, 92-57, kahapon sa 86th NCAA men's basketball tournament sa FilOil Flying V Arena sa San Juan.

Iniwan ng milya-milya ng Red Lions ang Chiefs matapos ibagsak ang kakaibang 65-18 atake sa third at fourth quarters na nagpahaba sa kanilang win-streak sa anim.

"Where in this country can you find a second-half performance like that," sabi ni San Beda coach Frankie Lim.

"We just turned on the switch in the second half. So you can just imagine our firepower when our team plays to its potential."

Bago ang panalo ay dinurog ng Letran ang College of St. Benilde, 70-54. Ito ang ikalawang panalo ng Letran sa anim laro na tulad ng marka ng Arellano.

Taulava 'di lalaro sa Gilas

MALIIT at all-amateur squad ang lalaro sa Smart Gilas sa Fiba Asia Stankovic Cup sa Beirut matapos na hindi pumayag ang Coca Cola Tigers na ipahiram sa koponan si Asi Taulava.

Kinumpirma kahapon ni Smart Gilas coach Rajko Toroman ang hindi paglalaro ni Taulava, 6-foot-9, sa liga Agosto 7-15 sa kapitolyo ng Lebanon.

"He will not join the squad because he wasn't allowed by Coca-Cola for fear that he might get injured," wika ni Toroman. "There's no other

option but Asi. It would be very difficult if we try to bring in somebody else.

Umaasa rin si Toroman na makakasama ng grupo si seven-footer Greg Slaughter na abala sa pag-aaral sa Ateneo.

Hindi rin makalalaro sa koponan sina Rabe Al-Hussaini, Chris Lutz at naturalization candidate Marcus Douthit, 6-foot-10.

Kagrupong bansa ang Lebanon, Qatar, Syria at kampeong Jordan. Nasa kabilang grupo ang paboritong Iran, Kazakhstan, Japan, Iraq at Chinese Taipei.
