Please be advised on all of our AmTrust files we only having signing authority when the document states: FEDERAL DEPOSIT INSURANCE CORPORATION AS RECEIVER FOR AMTRUST BANK OF CLEVELAND, OHIO.

We have been correcting the documents that your firm has been uploading for execution, however due to the large volume of documents, we ask going forward that your firm upload the documents with the correct signing entity to avoid further delays. Going forward any documents that do not contain the above verbiage will be rejected and asked to be revised. Please advise your staff of this.

Also, due to the recent and well publicized issue with Affidavits, RCS has implemented a new process for verifying documents and has caused major delays in executing documents. We are working to get caught up and apologize for the delays. Thank your assistance and patience.

**WHEN LPS SENDS 'ASN recorded prior to \_\_\_\_\_ cannot be confirmed' then email back:**

Please note that the verbiage "This document has been executed and is being recorded in order to formalize and memorialize an assignment of the subject mortgage which took place prior to April 6, 2010." means: the mortgage was sold prior to April 6, 2010 but no Assignment of Mortgage was ever executed or recorded. I took this verbiage out per we are not using it anymore. Please execute and return asap.

---

**WHEN LPS STATES 'Please remove the certifying officer reference in the signature and notary blocks' then re-upload AOM without making the correction and in the Comment box add:**

It is necessary to include the Certifying Officer language in both the signature block and notary area in order to prevent motions to dismiss based upon fraudulent execution. When an officer of the client signs in their capacity as Vice President, it appears they are Vice President of MERS. Rather, the person signing is executing in their capacity as "certifying officer" of MERS.

---

**RCVD AOM REVISION REQUEST FROM LPS**

\*remove certifying officer from title line and leave blank

REUPLOADED AOM WITHOUT MAKING REQUESTED REVISION. NOTED: It is necessary to include the Certifying Officer language in both the signature block and notary area in order to prevent motions to dismiss based upon fraudulent execution. When an officer of the client signs in their capacity as Vice President, it appears they are Vice President of MERS. Rather, the person signing is executing in their capacity as "certifying officer" of MERS.

---

Please DO NOT stamp/write in your personal capacity. The assignor is MERS and when an officer of the client signs in their capacity as Vice President (example), it appears they are Vice President of MERS. Rather, the person signing is executing in their capacity as "certifying officer" of MERS. Please review, execute (WITHOUT PLACING THE CAPACITY STAMP) and return as soon as possible. Thank you.

---

PLEASE NOTE: Per the attorney the appurtenance language HAS to be in the legal. I changed the legal around so that 'Florida' is the last word, like you wanted it. Please execute and return asap. Thank you.
