# Why small businesses need a website more than ever...

Years ago the question wasn't if your small business needed an ad in the Yellow Pages, it was "What size can I afford?" The next question was, "How many listings do I need?"

Now the question is, "What kind of a presence does my small business need on the Internet?" So just why do you need a website?

## Reasons You Need a Website for Your Small Business

- ▶ The Yellow Pages and traditional phone books are dying
- ▶ Traditional advertising vehicles are disappearing
- ▶ Searching is faster and easier on the Internet
- ▶ Prospects love customer reviews and product ratings
- ▶ A web presence is cost effective
- ▶ If you can't be found, you appear to be out of business
- ▶ Online sales are increasing year after year

## Searching Is Faster and Easier on the Internet

Speed is so important today. Studies are showing that our attention span is getting shorter. People want their information with the least inconvenience and the fastest speed. Web searches deliver that.

If you can't be found, you appear to be out of business. Customers are going to look for you on the internet. If they can't find you there, normally they will go elsewhere.

*A local business helping local businesses*

## Businesses urged to make New Year resolution to protect your hard-earned income

Small businesses across North Hykeham and Lincoln are being urged to make a New Year's Resolution to protect their hard-earned income in 2012.

Terry Peachman who runs TaxAssist Accountants in North Hykeham and Lincoln said: "Local businesses in North Hykeham and Lincoln know how tough it is out there and the climate is unlikely to change any time soon."

"Anything they can do in 2012 to protect their hard-earned income, by avoiding penalties from the tax man and claiming everything they're entitled to, is absolutely vital."

### TaxAssist Accountants has put together a 2012 Top Tips for small businesses in North Hykeham and Lincoln to consider:

- Make your e-mail / mobile phone an "early warning" diary for tax deadlines: not missing the January 31st deadline for self assessment tax returns, for example, saves a fixed penalty of £100
- Apply for an Employer's National Insurance Contributions (NICs) holiday: up to £5,000 for each of the first ten employees is available in some regions
- Check the rateable value if you operate from single premises: you could be eligible for up to 100% rate relief
- Claim tax relief on any losses, if you're a partnership or sole trader
- Think about incorporating your business if you're paying income tax at 40%
- Claim up to 100% tax relief for certain plant and equipment, such as vans and computer equipment
- Try to put aside at least 25% of any profits for your tax bill – it always pays to be prepared

## LEATHER CARE & REPAIR – suites & cars

**CARE**—Most leather furniture has a protective seal that needs regular cleaning, protecting and enhancing. With general use, the seal becomes worn exposing the leather to colour loss and damage. We can give your leather furniture a deep clean, stain removal and protection using the best solutions available to give it a new lustre and life.

**REPAIRS**— scratches, cuts, scuffs, colour loss, stitching, button & castor replacement

### SUDBROOKE VILLAGE HALL

Registered Charity no. 504153

Sudbrooke Village Hall, the Bramham Lounge and bar are available for hire.

The hall is situated next to the village playing field and play area, making it a very pleasant venue for children's parties, wedding, christening and birthday parties.

Lettings for eighteenth birthdays include compulsory security staff for additional safety.

The well stocked bar with draught beers can be booked with either the main hall or the lounge.

The Bramham Lounge is suitable for smaller groups and meetings.
