Foster Grandparent Volunteers, Community Partners, and Friends of Foster Grandparents,

Thank you for joining us today as we celebrate 40 years of service in the Central Florida community. Foster Grandparents of Central Florida began in 1972 with 80 volunteers serving only the residents at Sunland Hospital. Over the past 40 years, the Program has experienced substantial growth. Today, our Foster Grandparent Program team of over 300 foster grandparent volunteers serves a 5 county area – Osceola, Orange, Seminole, Volusia, and Flagler – from Disney to NASCAR. Annually, we serve more than 2,800 children in 110 locations. While there have been substantial changes and expansion, one thing remains a constant – the impact of the service provided by foster grandparents. During our 40 year legacy, 36,000 children with special needs have been the recipient of *more than 5 million hours* of valuable service.

Our successes and accomplishments are due to the commitment of foster grandparent volunteers and their willingness to give selflessly of themselves to make a difference in a child's life. It's because of the people in this room and the ones before them, that we can celebrate this 40th Anniversary.

To all of our Foster Grandparents, it is an honor to work with such a dedicated group of people. Today has been proclaimed **Foster Grandparent Day** to acknowledge how essential you are to our community and the children you serve. Florida Senior Programs' Board, the staff, and I want to thank you for the valuable work that you do.
